16 Respondent.

17
18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
22 California (Board). He brought this action solely in his official capacity and is represented in this
23 matter by Xavier Becerra, Attorney General of the State of California, by Jane Zack Simon,
24 Supervising Deputy Attorney General.

25 2. Terrance Paul Nielsen, M.D. (Respondent) is represented in this proceeding by
26 attorney Geoffrey A. Mires, of Rankin Shuey Ranucci Mintz Lampasona & Reynolds, 2030
27 Franklin Street, 6th Floor, Oakland, CA 94612.
28

1 constitute cause for discipline. Respondent hereby gives up his right to contest that cause for
2 discipline exists based on those charges.

3 10. Respondent understands that by signing this stipulation, he enables the Board to issue
4 an order accepting the surrender of his Physician's and Surgeon's Certificate without further
5 process.

6 **CONTINGENCY**

7 11. This stipulation shall be subject to approval by the Board. Respondent understands
8 and agrees that counsel for Complainant and the staff of the Board may communicate directly
9 with the Board regarding this stipulation and surrender, without notice to or participation by
10 Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he
11 may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board
12 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,
13 the Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this
14 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
15 be disqualified from further action by having considered this matter.

16 12. The parties understand and agree that Portable Document Format (PDF) and facsimile
17 copies of this Stipulated Surrender of License and Order, including PDF and facsimile signatures
18 thereto, shall have the same force and effect as the originals.

19 13. In consideration of the foregoing admissions and stipulations, the parties agree that
20 the Board may, without further notice or formal proceeding, issue and enter the following Order:

21 **ORDER**

22 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 35523, issued
23 to Respondent Terrance Paul Nielsen, M.D., is surrendered and accepted by the Board.

24 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the
25 acceptance of the surrendered license by the Board shall constitute the imposition of discipline
26 against Respondent. This stipulation constitutes a record of the discipline and shall become a part
27 of Respondent's license history with the Board.

3. Respondent shall cause to be delivered to the Board his pocket license and, if one was issued, his wall certificate on or before the effective date of the Decision and Order.

4. Respondent understands that because this surrender of license is based, in large part, on Section 822 of the Code, he may not petition for reinstatement of his certificate for a period of one (1) year from the effective date of his surrender. If Respondent ever files an application for licensure or a petition for reinstatement in the State of California, the Board shall treat it as a petition for reinstatement. 3. This First Amended Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2234 of the Code states, in relevant part:
“The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

“(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

“(b) Gross negligence.

“(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts. . . .

“ ”

6. Section 2266 of the Code provides that the failure of a physician and surgeon to maintain adequate and accurate records relating to the provision of services to their patients constitutes unprofessional conduct.

7. Business and Professions Code section 822 provides that the Board may take action against a licensee whose ability to safely practice medicine is impaired because of mental illness or physical illness affecting competency.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Repeated Negligent Acts)**

3 8. Respondent specializes in obstetrics and gynecology.

4 9. Patient P-1¹ was a baby girl delivered by Respondent on February 11, 2016. The
5 delivery was via cesarean section with a breech presentation. Respondent inflicted a small 15
6 mm laceration on the baby's left flank during the delivery with the knife he used to make the
7 incision.

8 10. Patient P-2 was a baby boy delivered by Respondent on April 9, 2016. The delivery
9 was via cesarean section performed for failure to descend. Respondent inflicted a 1-1/2 inch
10 laceration on the baby's cheek during the delivery with the knife he used to make the incision.
11 The laceration was treated with 3 Steri-Strip wound closure bandages.

12 11. Patient P-3 was a baby girl delivered by Respondent on May 6, 2016. The delivery
13 was via cesarean section performed for failure to progress in labor. Respondent inflicted a
14 moderate depth skin laceration to the baby's right forehead, 2.5 cm in length, during the delivery
15 with the knife he used to make the incision. The laceration was treated with Steri-Strip wound
16 closure bandages.

17 12. Respondent is guilty of unprofessional conduct and subject to disciplinary action
18 under section 2234, subdivision (c), in that he committed repeated negligent acts by causing
19 laceration injuries to three babies during cesarean section surgeries in a three-month period.

20 **SECOND CAUSE FOR DISCIPLINE**

21 **(Repeated Negligent Acts/Failure to Maintain Adequate Records)**

22 13. On January 30, 2018, Respondent performed a repeat cesarean section on Patient P-4.
23 He delivered the baby at 8:20 a.m. Mother and baby were taken to the post anesthesia care unit
24 (PACU) at 9:02 a.m.

25 14. Respondent failed to complete postpartum orders in a timely manner.
26

27 ¹ The patients are designated in this document as Patients P-1 through P-6 to protect their
28 privacy. Respondent knows the names of the patients and can confirm their identities through
discovery.

1 15. Starting at around 10:00 a.m., nurses caring for Patient P-4 attempted and failed
2 multiple times to contact Respondent for postpartum orders by cell phone, leaving messages at his
3 office, and by overhead page. Respondent did not dictate his report until 11:10 a.m., and the
4 medical records reflect that a nurse acknowledged receiving Respondent's postpartum orders at
5 11:43 a.m.

6 16. Respondent is guilty of unprofessional conduct and subject to disciplinary action
7 under section 2234, subdivision (c), and/or section 2266 in that his failure to timely prepare
8 postpartum orders for Patient P-4 and to timely respond to calls and messages from treating
9 nurses constitutes negligence and failure to maintain accurate and adequate records.

10 **THIRD CAUSE FOR DISCIPLINE**

11 **(Gross Negligence/Repeated Negligent Acts)**

12 17. Patient P-5 was 36 weeks pregnant when she was admitted to the hospital on
13 December 18, 2017 with elevated blood pressure and an amniotic fluid leak.

14 18. Two days later, on December 20, 2017, Respondent assisted P-5 with a vaginal
15 delivery. The delivery time was 4:19 p.m.

16 19. P-5's placenta did not spontaneously deliver and Respondent attempted to extract it
17 manually. After a third failed attempt to remove the placenta at approximately 5:00 p.m. and
18 consulting with a hospitalist, Respondent determined that the placenta would have to be removed
19 operatively.

20 20. Respondent contacted another obstetrician to perform the operative extraction.
21 After having P-5 moved to the PACU to wait for the other obstetrician, Respondent left the
22 hospital to deal with a family emergency. The obstetrician did not arrive for another hour, at
23 approximately 6:00 p.m. She performed the placental extraction under general anesthesia,
24 beginning the procedure at 6:43 p.m. and completing it at 6:56 p.m.

25 21. Respondent is guilty of unprofessional conduct and subject to disciplinary action
26 under section 2234, subdivision (b) and/or subdivision (c), in that his decision to leave a patient
27 with a retained placenta – and, therefore, a risk of significant bleeding- unattended by a physician,
28 constitutes gross negligence and/or repeated negligent acts.
