DEPARTMENT OF CONSUMER AFFAIRS
STATE OF CALIFORNIA

In the Matter of the Accusation
Against:

423 W. Colorado
Glendale, CA 91204

Physician's and Surgeon's
Certificate No. G55283

Respondent

Case No. 17-2010-206457

AGREEMENT FOR
SURRENDER OF LICENSE

TO ALL PARTIES:

IT IS HEREBY STIPULATED AND AGREED by and between the parties to the
above-entitled proceedings, that the following matters are true:

1. Complainant, William Prasifka, is the Executive Director of the Medical
Board of California, Department of Consumer Affairs ("Board").

2. Elizabeth Remedios, M.D. ("Respondent") has carefully read and fully
understands the effect of this Agreement.

3. Respondent understands that by signing this Agreement she is
enabling the Board to issue this order accepting the surrender of license without
further process. Respondent understands and agrees that Board staff and
counsel for complainant may communicate directly with the Board regarding this
Agreement, without notice to or participation by Respondent. The Board will not
be disqualified from further action in this matter by virtue of its consideration of this
Agreement.

1 4. Respondent acknowledges there is current disciplinary action against
2 her license, that on July 14, 2011, an Accusation was filed against her and on
3 October 31, 2012, a Decision was rendered wherein her license was revoked, with
4 the revocation stayed, and placed on 7 years' probation with various standard
5 terms and conditions.

6 5. Respondent acknowledges that in a subsequent disciplinary action,
7 Case No. 17-2011-217295, on March 14, 2013, an Accusation was filed against
8 her and on June 26, 2015 a Decision was rendered wherein her license was
9 revoked, with the revocation stayed, and placed on 3 years' probation with various
10 standard terms and conditions. The probation term in this matter ran concurrently
11 with the probation term from the previous action, Board case No. 17-2010-206457.

12 6. Respondent further acknowledges that in a subsequent disciplinary
13 action, Case No. 800-2019-053703, on October 11, 2019, a First Amended
14 Petition to Revoke Probation and Accusation was filed against her and on
15 February 28, 2020 a Decision was rendered wherein her license was revoked, with
16 the revocation stayed, and placed on 2 years' probation with various standard
17 terms and conditions. The probation term in this matter runs consecutive to
18 completion of the probationary order in Board case No. 17-2010-206457, provided
19 however, that the terms and conditions of this Order took effect immediately upon
20 the effective date of this Order and they supersede the terms and conditions of the
21 probationary order in Board Case No. 17-2010-206457.

22 7. The current disciplinary action provides in pertinent part, "Following the
23 effective date of this Decision, if Respondent ceases practicing due to retirement,
24 health reasons, or is otherwise unable to satisfy the terms and conditions of
25 probation, Respondent may request voluntary surrender of Respondent's license."
26 (Condition #14).

8. Upon acceptance of the Agreement by the Board, Respondent understands she will no longer be permitted to practice as a physician and surgeon in California, and also agrees to surrender her wallet certificate, wall license and any D.E.A. Certificate(s) for an address in California.

9. Respondent fully understands and agrees that if Respondent ever files an application for relicensure or reinstatement in the State of California, the Board shall treat it as a Petition for Reinstatement of a revoked license in effect at the time the Petition is filed. In addition, any Medical Board Investigation Report(s), including all referenced documents and other exhibits, upon which the Board is predicated, and any such Investigation Report(s), attachments, and other exhibits, that may be generated subsequent to the filing of this Agreement for Surrender of License, shall be admissible as direct evidence, and any time-based defenses, such as laches or any applicable statute of limitations, shall be waived when the Board determines whether to grant or deny the Petition.
