**STIPULATED SURRENDER OF
LICENSE AND ORDER**

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
23 California (Board). This action was previously brought by Christine J. Lally solely in her prior
24 official capacity as Interim Executive Director of the Board. Complainant is represented in this
25 matter by Xavier Becerra, Attorney General of the State of California, by Giovanni F. Mejia,
26 Deputy Attorney General.

27 ///
28 ///

1 CULPABILITY

2 8. Respondent does not contest that, at an administrative hearing, Complainant could
3 establish a prima facie case with respect to all of the charges and allegations in Accusation
4 No. 800-2017-036331. Respondent further agrees that his Physician's and Surgeon's Certificate
5 No. A 48298 is subject to disciplinary action and hereby surrenders his Physician's and Surgeon's
6 Certificate No. A 48298 for the Board's formal acceptance.

7 9. Respondent agrees that if he ever petitions for reinstatement of his Physician's and
8 Surgeon's Certificate No. A 48298, or if an accusation or petition to revoke probation is ever filed
9 against him before the Board, all of the charges and allegations contained in Accusation
10 No. 800-2017-036331 shall be deemed true, correct, and fully admitted by Respondent for the
11 purposes of any such proceeding, or any other licensing proceeding involving Respondent in the
12 State of California or elsewhere.

13 10. Respondent understands that by signing this stipulation he enables the executive
14 director of the Board to issue an order, on behalf of the Board, accepting the surrender of his
15 Physician's and Surgeon's Certificate No. A 48298 without further notice or opportunity to be
16 heard.

17 CONTINGENCY

18 11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent
19 part, that the Board "shall delegate to its executive director the authority to adopt a . . . stipulation
20 for surrender of a license."

21 12. This Stipulated Surrender of License and Order shall be subject to approval by the
22 executive director on behalf of the Board. The parties agree that this Stipulated Surrender of
23 License and Order shall be submitted to the executive director for her consideration in the above-
24 entitled matter and, further, that the executive director shall have a reasonable period of time in
25 which to consider and act on this Stipulated Surrender of License and Order after receiving it. By
26 signing this stipulation, Respondent fully understands and agrees that he may not withdraw his
27 agreement or seek to rescind this stipulation prior to the time the executive director, on behalf of
28 the Medical Board, considers and acts upon it.

1 13. The parties agree that this Stipulated Surrender of License and Order shall be null and
2 void and not binding upon the parties unless approved and adopted by the executive director on
3 behalf of the Board, except for this paragraph, which shall remain in full force and effect.
4 Respondent fully understands and agrees that in deciding whether or not to approve and adopt this
5 Stipulated Surrender of License and Order, the executive director and/or the Board may receive
6 oral and written communications from its staff and/or the Attorney General's Office.
7 Communications pursuant to this paragraph shall not disqualify the executive director, the Board,
8 any member thereof, and/or any other person from future participation in this or any other matter
9 affecting or involving Respondent. In the event that the executive director on behalf of the Board
10 does not, in her discretion, approve and adopt this Stipulated Surrender of License and Order,
11 with the exception of this paragraph, it shall not become effective, shall be of no evidentiary
12 value whatsoever, and shall not be relied upon or introduced in any disciplinary action by either
13 party hereto. Respondent further agrees that should this Stipulated Surrender of License and
14 Order be rejected for any reason by the executive director on behalf of the Board, Respondent
15 will assert no claim that the executive director, the Board, or any member thereof, was prejudiced
16 by its/his/her review, discussion and/or consideration of this Stipulated Surrender of License and
17 Order or of any matter or matters related hereto.

ADDITIONAL PROVISIONS

18
19 14. This Stipulated Surrender of License and Order is intended by the parties herein to be
20 an integrated writing representing the complete, final and exclusive embodiment of the
21 agreements of the parties in the above-entitled matter.

22 15. The parties agree that copies of this Stipulated Surrender of License and Order,
23 including copies of the signatures of the parties, may be used in lieu of original documents and
24 signatures and, further, that such copies shall have the same force and effect as originals.

25 16. In consideration of the foregoing admissions and stipulations, the parties agree that
26 the executive director of the Board may, without further notice or opportunity to be heard by
27 Respondent, issue and enter the following Order on behalf of the Board:

28 ///

ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 48298, issued to Respondent Alex Eugene Torres, M.D., is surrendered and accepted by the Board.

1. The surrender of Respondent's Physician's and Surgeon's Certificate and the acceptance of the surrendered license by the Board shall constitute the imposition of discipline against Respondent. This stipulation constitutes a record of the discipline and shall become a part of Respondent's license history with the Board.

2. Respondent shall lose all rights and privileges as a physician and surgeon in California as of the effective date of the Board's Decision and Order.

3. Respondent shall cause to be delivered to the Board his pocket license and, if one was issued, his wall certificate on or before the effective date of the Decision and Order.

4. With respect to the action that has been taken herein pursuant to California Business and Professions Code section 822, any future reinstatement of Respondent's Physician's and Surgeon's Certificate shall be governed by the procedures contained in Article 12.5 of Chapter 1 of Division 2 of the California Business and Professions Code. (Bus. & Prof. Code § 823.)

5. If Respondent ever files an application for licensure or a petition for reinstatement in the State of California, the Board shall treat it as a petition for reinstatement. Respondent must comply with all the laws, regulations and procedures for reinstatement of a revoked or surrendered license in effect at the time the petition is filed, and all of the charges and allegations contained in Accusation No. 800-2017-036331 shall be deemed to be true, correct and admitted by Respondent when the Board determines whether to grant or deny the petition.

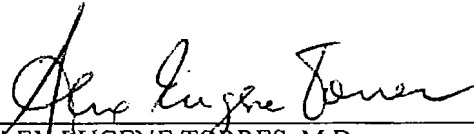

6. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing agency in the State of California or elsewhere, all of the charges and allegations contained in Accusation No. 800-2017-036331 shall be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or restrict licensure.

3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227 of the Code states:

6 (a) A licensee whose matter has been heard by an administrative law judge of the
7 Medical Quality Hearing Panel as designated in Section 11371 of the Government Code, or
8 whose default has been entered, and who is found guilty, or who has entered into a
9 stipulation for disciplinary action with the board, may, in accordance with the provisions of
10 this chapter:

11 (1) Have his or her license revoked upon order of the board.

19 probation, as the board or an administrative law judge may deem proper.

20 (b) Any matter heard pursuant to subdivision (a), except for warning letters, medical

28 board in the department, or its suspension, forfeiture, or cancellation by order of the board

not, during any period in which it may be renewed, restored, reissued, or reinstated, deprive
the board of its authority to institute or continue a disciplinary proceeding against the
licensee upon any ground provided by law or to enter an order suspending or revoking the
license or otherwise taking disciplinary action against the licensee on any such ground.

6. Section 2234 of the Code states, in pertinent part:

The board shall take action against any licensee who is charged with unprofessional
conduct. In addition to other provisions of this article, unprofessional conduct includes, but
is not limited to, the following:

////

1 (a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the
2 violation of, or conspiring to violate any provision of this chapter.

3 ...

4 (c) Repeated negligent acts. To be repeated, there must be two or more negligent acts
5 or omissions. An initial negligent act or omission followed by a separate and distinct
6 departure from the applicable standard of care shall constitute repeated negligent acts.

8 appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

9 (2) When the standard of care requires a change in the diagnosis, act, or omission that
10 constitutes the negligent act described in paragraph (1), including, but not limited to, a
11 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs
12 from the applicable standard of care, each departure constitutes a separate and distinct
13 breach of the standard of care.

14

15 7. Section 2266 of the Code states: The failure of a physician and surgeon to maintain
16 adequate and accurate records relating to the provision of services to their patients constitutes
17 unprofessional conduct.

18 8. Unprofessional conduct under Business and Professions Code section 2234 is conduct

20 in good standing of a profession, and which indicates an unfitness to practice medicine. (*Shea v.*

22 9. Section 822 of the Code states:
