10. Respondent further agrees that if she ever petitions for modification or early termination of probation, or if an accusation and/or petition to revoke probation is filed against her before the Medical Board of California, all of the charges and allegations contained in Accusation No. 800-2017-039799 shall be deemed true, correct, and fully admitted by Respondent for purposes of any such proceeding or any other licensing proceeding involving Respondent in the State of California or elsewhere.

CONTINGENCY

13. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

15. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by the Respondent, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 85381 issued to Respondent, Marisel Rosa Chibas, M.D., is revoked. However, the revocation is stayed and Respondent is placed on probation for three (3) years from the effective date of the Decision and Order on the following terms and conditions:

1. EDUCATION COURSE. Within 60 calendar days of the effective date of this Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee for its prior approval educational program(s) or course(s) which shall not be less than 40 hours per year, for each year of probation. The educational program(s) or course(s) shall be aimed at the diagnosis, treatment, and management of preeclampsia and pregnancy induced hypertension, and shall be Category I certified. The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure. Following the completion of each course, the Board or its designee may administer an examination to test Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65 hours of CME of which 40 hours were in satisfaction of this condition.

2. CLINICAL COMPETENCE ASSESSMENT PROGRAM. Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a clinical competence assessment program approved in advance by the Board or its designee. Respondent shall successfully complete the program not later than six (6) months after Respondent's initial enrollment unless the Board or its designee agrees in writing to an extension of that time.

The program shall consist of a comprehensive assessment of Respondent's physical and mental health and the six general domains of clinical competence as defined by the Accreditation Council on Graduate Medical Education and American Board of Medical Specialties pertaining to Respondent's current or intended area of practice. The program shall take into account data

1 obtained from the pre-assessment, self-report forms and interview, and the Decision(s),
2 Accusation(s), and any other information that the Board or its designee deems relevant. The
3 program shall require Respondent's on-site participation for a minimum of three (3) and no more
4 than five (5) days as determined by the program for the assessment and clinical education
5 evaluation. Respondent shall pay all expenses associated with the clinical competence
6 assessment program.

7 At the end of the evaluation, the program will submit a report to the Board or its designee
8 which unequivocally states whether the Respondent has demonstrated the ability to practice
9 safely and independently. Based on Respondent's performance on the clinical competence
10 assessment, the program will advise the Board or its designee of its recommendation(s) for the
11 scope and length of any additional educational or clinical training, evaluation or treatment for any
12 medical condition or psychological condition, or anything else affecting Respondent's practice of
13 medicine. Respondent shall comply with the program's recommendations.

14 Determination as to whether Respondent successfully completed the clinical competence
15 assessment program is solely within the program's jurisdiction.

16 If Respondent fails to enroll, participate in, or successfully complete the clinical
17 competence assessment program within the designated time period, Respondent shall receive a
18 notification from the Board or its designee to cease the practice of medicine within three (3)
19 calendar days after being so notified. Respondent shall not resume the practice of medicine until
20 enrollment or participation in the outstanding portions of the clinical competence assessment
21 program have been completed. If Respondent did not successfully complete the clinical
22 competence assessment program, Respondent shall not resume the practice of medicine until a
23 final decision has been rendered on the accusation and/or a petition to revoke probation. The
24 cessation of practice shall not apply to the reduction of the probationary time period.

25 Within 60 days after Respondent has successfully completed the clinical competence
26 assessment program, Respondent shall participate in a professional enhancement program
27 approved in advance by the Board or its designee, which shall include quarterly chart review,
28 semi-annual practice assessment, and semi-annual review of professional growth and education.

Respondent shall participate in the professional enhancement program at Respondent's expense during the term of probation, or until the Board or its designee determines that further participation is no longer necessary.

3. NOTIFICATION. Within seven (7) days of the effective date of this Decision, Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the Chief Executive Officer at every hospital where privileges or membership are extended to Respondent, at any other facility where Respondent engages in the practice of medicine, including all physician and locum tenens registries or other similar agencies, and to the Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage to Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15 calendar days.

This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

4. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE NURSES. During probation, Respondent is prohibited from supervising physician assistants and advanced practice nurses.

5. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules governing the practice of medicine in California and remain in full compliance with any court ordered criminal probation, payments, and other orders.

6. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all the conditions of probation.

Respondent shall submit quarterly declarations not later than 10 calendar days after the end of the preceding quarter.

7. GENERAL PROBATION REQUIREMENTS.

Compliance with Probation Unit

Respondent shall comply with the Board's probation unit.

Address Changes

Respondent shall, at all times, keep the Board informed of Respondent's business and

1 residence addresses, email address (if available), and telephone number. Changes of such
2 addresses shall be immediately communicated in writing to the Board or its designee. Under no
3 circumstances shall a post office box serve as an address of record, except as allowed by Business
4 and Professions Code section 2021, subdivision (b).

5 Place of Practice

6 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
7 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
8 facility.

9 License Renewal

10 Respondent shall maintain a current and renewed California physician's and surgeon's
11 license.

12 Travel or Residence Outside California

13 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
14 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
15 (30) calendar days.

16 In the event Respondent should leave the State of California to reside or to practice,
17 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
18 departure and return.

19 8. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
20 available in person upon request for interviews either at Respondent's place of business or at the
21 probation unit office, with or without prior notice throughout the term of probation.

22 9. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
23 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
24 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
25 defined as any period of time Respondent is not practicing medicine as defined in Business and
26 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
27 patient care, clinical activity or teaching, or other activity as approved by the Board. If
28 Respondent resides in California and is considered to be in non-practice, Respondent shall

1 comply with all terms and conditions of probation. All time spent in an intensive training
2 program which has been approved by the Board or its designee shall not be considered non-
3 practice and does not relieve Respondent from complying with all the terms and conditions of
4 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
5 on probation with the medical licensing authority of that state or jurisdiction shall not be
6 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
7 period of non-practice.

8 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
9 months, Respondent shall successfully complete the Federation of State Medical Boards' Special
10 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
11 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
12 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

13 Respondent's period of non-practice while on probation shall not exceed two (2) years.

14 Periods of non-practice will not apply to the reduction of the probationary term.

15 Periods of non-practice for a Respondent residing outside of California will relieve
16 Respondent of the responsibility to comply with the probationary terms and conditions with the
17 exception of this condition and the following terms and conditions of probation: Obey All Laws;
18 General Probation Requirements; and Quarterly Declarations.

19 10. COMPLETION OF PROBATION. Respondent shall comply with all financial
20 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
21 completion of probation. Upon successful completion of probation, Respondent's certificate shall
22 be fully restored.

23 11. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
24 of probation is a violation of probation. If Respondent violates probation in any respect, the
25 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
26 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
27 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
28 continuing jurisdiction until the matter is final, and the period of probation shall be extended until

1 the matter is final.

2 12. LICENSE SURRENDER. Following the effective date of this Decision, if
3 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
4 the terms and conditions of probation, Respondent may request to surrender his or her license.
5 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
6 determining whether or not to grant the request, or to take any other action deemed appropriate
7 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
8 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
9 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
10 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
11 application shall be treated as a petition for reinstatement of a revoked certificate.

12 13. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
13 with probation monitoring each and every year of probation, as designated by the Board, which
14 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
15 California and delivered to the Board or its designee no later than January 31 of each calendar
16 year.

1 8. On or about January 30, 2014, Patient A¹ was admitted to El Centro Regional
2 Medical Center by S.G., M.D. (Dr. S.G.) with concerns of pregnancy induced hypertension and
3 preeclampsia. Patient A was forty-one-years-old at the time and 36 2/7 weeks gestational age.
4 Labs taken on that date revealed a normal platelet count of 162,000, and 2+ protein on urinalysis.
5 The patient's blood pressure over the course of a ten hour period was labile, ranging between
6 135/67 to 167/81. Dr. S.G.'s plan at that time was to monitor the patient overnight.

7 9. On or about January 31, 2014, at approximately 5:55 a.m., Patient A's repeat
8 urinalysis revealed 2+ protein. Between approximately 6:08 a.m. and 8:21 a.m., the patient's
9 blood pressure was consecutively measured to be 194/93, 163/81, and 159/74.

10 10. On or about January 31, 2014, at approximately 8:00 a.m., Patient A's care was
11 assumed by Respondent. Respondent did not have access to the patient's prenatal records and she
12 did not review Dr. S.G.'s notes before meeting with the patient.

13 11. Sometime after 8:00 a.m., Respondent met with Patient A but did not perform a
14 detailed examination. Respondent introduced herself to the patient, reviewed the patient's blood
15 pressure readings, and received a report from the nurse. Respondent did not prepare or document
16 a diagnosis or plan of care for the patient at that time.

17 12. Throughout January 31, 2014, the patient's blood pressure remained labile, ranging
18 between 137/78 to 183/91. Respondent ordered continued observation and repeat labs. Between
19 approximately 8:00 p.m. and 9:16 p.m., the patient's blood pressure was consecutively measured
20 to be 170/84, 178/82, and 183/91. Respondent did not treat the patient's elevated blood pressure
21 at that time, or any time thereafter.

22 13. At approximately 9:00 p.m., Respondent met with Patient A for the second time and
23 informed her that an induction would need to be initiated if there was any worsening of her
24 preeclampsia.

25 14. On or about February 1, 2014, at approximately 6:06 a.m., Patient A's blood pressure
26 was measured to be 160/79. Labs ordered by Respondent revealed a platelet count of 130,000.

27 _____
28 ¹ To protect the privacy of the patient involved, the patient's name has not been included
in this pleading. Respondent is aware of the identity of the patient referred to herein.

1 As a result of the drop in platelets, Respondent formed the belief that the patient needed to be
2 induced. At approximately 8:00 a.m., Respondent spoke with the incoming physician, Dr. E.M.,
3 and informed him of her opinion that the patient needed to be induced. Dr. E.M. informed
4 Respondent that he would handle the patient's induction when he arrived at the hospital later that
5 morning.

6 15. Between January 31, 2014, and February 1, 2014, while providing care to Patient A,
7 Respondent did not order or obtain 24-hour urine collection from the patient, did not treat the
8 patient's elevated blood pressures in any way, and did not diagnose the patient with severe
9 preeclampsia at any time.

10 16. Respondent committed gross negligence in her care and treatment of Patient A by
11 failing to appropriately diagnose, manage, and treat the patient for preeclampsia and elevated
12 blood pressure.

13 **SECOND CAUSE FOR DISCIPLINE**

14 **(Repeated Negligent Acts)**

15 17. Respondent has further subjected her Physician's and Surgeon's Certificate No.
16 A 85381 to disciplinary action under sections 2227 and 2234, as defined by section 2234,
17 subdivision (c), of the Code, in that she committed repeated negligent acts in her care and
18 treatment of Patient A, as more particularly alleged hereinafter:

19 A. Paragraphs 7 through 16, above, are hereby incorporated by reference and
20 realleged as if fully set forth herein;

21 B. Failing to perform a bedside evaluation and review of records of Patient A in
22 the morning on or about January 31, 2014, in order to make appropriate plan of
23 care decisions.

24 **THIRD CAUSE FOR DISCIPLINE**

25 **(Incompetence)**

26 18. Respondent has further subjected her Physician's and Surgeon's Certificate No.
27 A 85381 to disciplinary action under sections 2227 and 2234, as defined by section 2234,
28 subdivision (d), of the Code, in that she has demonstrated incompetence in her care and treatment

1 of Patient A, as more particularly alleged in paragraphs 7 through 16, above, which are hereby
2 incorporated by reference and re-alleged as if fully set forth herein.

3 **FOURTH CAUSE FOR DISCIPLINE**

4 **(Failure to Maintain Adequate and Accurate Records)**

5 19. Respondent has further subjected her Physician's and Surgeon's Certificate No.
6 A 85381 to disciplinary action under sections 2227 and 2234, as defined by section 2266, of the
7 Code, in that Respondent failed to maintain adequate and accurate records regarding her care and
8 treatment of Patient A, as more particularly alleged in paragraphs 7 through 16, above, which are
9 hereby incorporated by reference and realleged as if fully set forth herein.

10 **PRAYER**

11 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
12 and that following the hearing, the Medical Board of California issue a decision:

13 1. Revoking or suspending Physician's and Surgeon's Certificate No. A 85381, issued
14 to Respondent, Marisel Rosa Chibas, M.D.;

15 2. Revoking, suspending or denying approval of Respondent, Marisel Rosa Chibas,
16 M.D.'s authority to supervise physician assistants and advanced practice nurses;

17 3. Ordering Respondent, Marisel Rosa Chibas, M.D., if placed on probation, to pay the
18 Board the costs of probation monitoring; and

19 4. Taking such other and further action as deemed necessary and proper.
