20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
24 California (Board). He brought this action solely in his official capacity and is represented in this

28 attorney Albert J. Garcia, whose address is 2000 Powell Street, Suite 1290, Emeryville, CA

1 94608.

2 3. On or about September 29, 1992, the Board issued Physician's and Surgeon's  
3 Certificate No. G 75256 to David Stephen Benjamin, M.D., Respondent. The Physician's and  
4 Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in  
5 Petition to Revoke Probation No. 800-2020-066285, and will expire on August 31, 2022, unless  
6 renewed.

7 **JURISDICTION**

8 4. Petition to Revoke Probation No. 800-2020-066285 was filed before the Board, and is  
9 currently pending against Respondent. The Petition to Revoke Probation and all other statutorily  
10 required documents were properly served on Respondent on July 24, 2020. Respondent timely  
11 filed his Notice of Defense contesting the Petition to Revoke Probation.

12 5. A copy of Petition to Revoke Probation No. 800-2020-066285 is attached as exhibit  
13 A and incorporated herein by reference.

14 **ADVISEMENT AND WAIVERS**

15 6. Respondent has carefully read, fully discussed with counsel, and understands the

17 also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated  
18 Settlement and Disciplinary Order.

19 7. Respondent is fully aware of his legal rights in this matter, including the right to a  
20 hearing on the charges and allegations in the Petition to Revoke Probation; the right to confront  
21 and cross-examine the witnesses against him; the right to present evidence and to testify on his  
22 own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the  
23 production of documents; the right to reconsideration and court review of an adverse decision;  
24 and all other rights accorded by the California Administrative Procedure Act and other applicable  
25 laws.

26 8. Respondent freely, voluntarily, knowingly, and intelligently waives and gives up each  
27 and every right set forth above.

28 //

1 **CULPABILITY**

2 9. Respondent agrees that, at a hearing, Complainant could establish a factual basis for  
3 the charges set forth in paragraphs 18, 19, and 20 in the First Cause to Revoke Probation, in that  
4 he failed to check-in to determine if he was required to provide a biological fluid sample for  
5 testing and failed to provide biological fluid samples on November 3, 2019, February 16, 2020  
6 and March 19, 2020, as alleged in Petition to Revoke Probation No. 800-2020-066285.

12 each of the days following those set forth in paragraph 9, namely, on November 4, 2019,  
13 February 17, 2020, and March 20, 2020, and did not test positive for alcohol, alcohol metabolites  
14 or any other prohibited substances. Respondent has never tested positive for alcohol, alcohol  
15 metabolites or any other prohibited substances while on probation in his prior disciplinary action  
16 entitled *In the Matter of the Accusation Against David Stephen Benjamin, M.D.* before the Board

18 **CONTINGENCY**

19 12. This stipulation shall be subject to approval by the Medical Board of California.  
20 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
21 Board of California may communicate directly with the Board regarding this stipulation and  
22 settlement, without notice to or participation by Respondent or his counsel. By signing the  
23 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
24 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
25 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
26 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
27 action between the parties, and the Board shall not be disqualified from further action by having  
28 considered this matter.

1 13. Respondent agrees that if he ever petitions for early termination or modification of  
 2 probation, or if an accusation and/or petition to revoke probation is filed against him before the  
 3 Board, all of the charges and allegations contained in Petition to Revoke Probation No. 800-2020-  
 4 066285 shall be deemed true, correct and fully admitted by respondent for purposes of any such  
 5 proceeding or any other licensing proceeding involving Respondent in the State of California.

6 14. The parties understand and agree that Portable Document Format (PDF) and facsimile  
 7 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
 8 signatures thereto, shall have the same force and effect as the originals.

9 15. In consideration of the foregoing admissions and stipulations, the parties agree that  
 10 the Board may, without further notice or opportunity to be heard by the Respondent, issue and  
 11 enter the following Disciplinary Order:

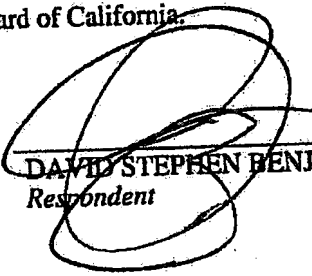

12 **DISCIPLINARY ORDER**

13 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 75256 issued  
 14 to Respondent DAVID STEPHEN BENJAMIN, M.D. is revoked. However, the revocation is  
 15 stayed and Respondent's current probationary term is extended for one (1) year subject to all of  
 16 the terms and conditions in, and is to run consecutive to, and shall take effect immediately upon  
 17 completion of the seven (7) year probationary term ordered in Case No. 800-2016-024147.

**FIRST CAUSE TO REVOKE PROBATION**

(Biological Fluid Testing)

8. Respondent's probation is subject to revocation because he failed to comply with  
Condition 9 of his probationary order in the Decision. The facts and circumstances regarding this  
violation are as follows:

1           9.    At all times after the effective date of the Decision, Condition 9 of the Board's related  
2 disciplinary order stated, in pertinent part:

3           "BIOLOGICAL FLUID TESTING

4           Respondent shall immediately submit to biological fluid testing, at respondent's  
5 expense, upon request of the Board or its designee. "Biological fluid testing" may include,  
6 but is not limited to, urine, blood, breathalyzer, hair follicle testing, or similar drug  
7 screening approved by the Board or its designee. Respondent shall make daily contact with  
8 the Board or its designee to determine whether biological fluid testing is required.  
9 Respondent shall be tested on the date of the notification as directed by the Board or its  
10 designee. The Board may order a respondent to undergo a biological fluid test on any day,  
11 at any time, including weekends and holidays. Except when testing on a specific date as  
12 ordered by the Board or its designee, the scheduling of biological fluid testing shall be done  
13 on a random basis. The cost of biological fluid testing shall be borne by the respondent.  
14 . . . Prior to practicing medicine, respondent shall contract with a laboratory or service,  
15 approved in advance by the Board or its designee, that will conduct random, unannounced,  
16 observed, biological fluid testing . . .

17           (a) . . . (c).

18           (d)    Its specimen collectors observe the collection of testing specimens.

19           (e) . . . (g).

20           (h)    Its testing locations are able to scientifically test for urine, blood, and hair  
21 specimens for the detection of alcohol and illegal and controlled substances.

22           (i)    It maintains testing sites located throughout California.

23           (j)    It maintains an automated 24-hour toll-free telephone system and/or a secure  
24 on-line computer database that allows the respondent to check in daily for testing.

25           (k) . . . (m).

26           Prior to changing testing locations for any reason, including during vacation or other  
27 travel, alternative testing locations must be approved by the Board and meet the  
28 requirements above.

          The contract shall require that the laboratory directly notify the Board or its designee  
of non-negative results within one (1) business day and negative test results within seven  
(7) business days of the results becoming available. Respondent shall maintain this  
laboratory or service contract during the period of probation.

          . . .

          For purposes of this condition, the terms "biological fluid testing" and "testing" mean  
the acquisition and chemical analysis of a respondent's urine, blood, breath, or hair.

1 For purposes of this condition, the term "prohibited substance" means an illegal drug,  
2 a lawful drug not prescribed or ordered by an appropriately licensed health care provider for  
3 use by respondent and approved by the Board, alcohol, or any other substance the  
respondent has been instructed by the Board not to use, consume, ingest, or administer to  
himself . . . ."

4 10. On or about January 9, 2017, the Board's Probation Analyst sent Respondent a letter  
5 advising him that he was required to enroll with FirstLab (now FirstSolutions) as the Board's  
6 approved laboratory service that would administer Respondent's random biological fluid testing,  
7 and that he must check in daily between 12:00 a.m. and 5:00 p.m. to determine if he was required  
8 to provide a sample that day.

9 11. On or about January 18, 2017, Respondent signed an "Acknowledgement of  
10 Decision" acknowledging that he had received a copy of the Decision, the terms and conditions  
11 were fully explained to him and he understood the terms and conditions of his probation order.

12 12. On or about May 13, 2017, Respondent failed to check-in to determine if he was  
13 required to submit a biological fluid sample that day. Respondent provided an excuse for the  
14 missed check in.

15 13. On or about July 22, 2017, Respondent failed to check-in to determine if he was  
16 required to submit a biological fluid sample that day. Respondent provided an excuse for the  
17 missed check in.

18 14. On or about September 23, 2017, Respondent failed to check-in to determine if he  
19 was required to submit a biological fluid sample that day. On that day, Respondent was selected  
20 to provide a biological fluid sample, but he failed to provide a sample that day as required.

21 15. On or about October 17, 2017, the Board issued Citation Order 8002017037593 to  
22 Respondent for his failure to check in and provide a biological fluid sample on September 23,  
23 2017, as required.

24 16. On or about July 29 and 30, 2019, Respondent was unable to check-in to determine if  
25 he was required to submit a biological fluid sample on these days because his account was  
26 suspended due to his failure to make timely payment to the service as required. Respondent was  
27 selected to provide biological fluid samples on these days; however, he failed to provide samples  
28 as required.

1 (2) Increase the frequency of biological fluid testing.

2 (3) Refer respondent for further disciplinary action, such as suspension, revocation,  
3 or other action as determined by the Board or its designee. (Cal. Code Regs., tit. 16, §  
4 1361.52, subd. (b).)

5 B . . . .

6 C. Nothing in this Decision shall be considered a limitation on the Board's  
7 authority to revoke respondent's probation if he . . . has violated any term or condition of  
8 probation. (See Cal. Code Regs., tit. 16, § 1361.52, subd. (e).) If respondent violates  
9 probation in any respect, the Board, after giving respondent notice and the opportunity to be  
10 heard, may revoke probation and carry out the disciplinary order that was stayed. If an  
11 Accusation, or Petition to Revoke Probation, . . . is filed against respondent during  
12 probation, the Board shall have continuing jurisdiction until the matter is final, and the  
13 period of probation shall be extended until the matter is final.

14 24. The allegations of the First Cause to Revoke Probation are incorporated herein by  
15 reference as if fully set forth.

16 **DISCIPLINARY CONSIDERATIONS**

17 25. On or about October 17, 2017, the Board issued Citation Order 8002017037593, in  
18 the amount of \$350.00, for violating Section 1364.11, subdivision (b), of Title 16, California  
19 Code of Regulations when he failed to check in with FirstLab (now FirstSolutions) and provide a  
20 biological fluid sample as required on September 23, 2017, in violation of Condition 9 of his  
21 probationary order. That Citation is final.

22 26. On or about September 18, 2019, the Board issued Respondent Citation Order and

3 No. 800-2016-024147, if proven at a hearing, constitute cause for imposing discipline upon his  
4 Physician's and Surgeon's Certificate.

5 10. For the purpose of resolving the Accusation without the expense and uncertainty of  
6 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual  
7 basis for the charges in the Accusation, and that Respondent hereby gives up his right to contest  
8 those charges.

9 11. Respondent agrees that if he ever petitions for early termination or modification of  
10 probation, or if an accusation and/or petition to revoke probation is filed against him, before the  
11 Medical Board of California, all of the charges and allegations contained in Accusation No. No.  
12 800-2016-024147 shall be deemed true, correct and fully admitted by Respondent for purposes of  
13 that proceeding or any other licensing proceeding involving Respondent in the State of California.

14 12. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
15 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
16 Disciplinary Order below.

17 RESERVATION

18 13. The admissions made by Respondent herein are only for the purposes of this  
19 proceeding, or any other proceedings in which the Medical Board of California or other

21 civil proceeding.

23 14. The parties agree that this Stipulated Settlement and Disciplinary Order shall be  
24 submitted to the Board for its consideration in the above-entitled matter and, further, that the  
25 Board shall have a reasonable period of time in which to consider and act on this Stipulated  
26 Settlement and Disciplinary Order after receiving it. By signing this stipulation, Respondent fully  
27 understands and agrees that he may not withdraw his agreement or seek to rescind this stipulation  
28 prior to the time that the Board considers and acts upon it.

15 not legally prescribed) and has not reported the use to the Board or its designee, Respondent shall  
16 receive a notification from the Board or its designee to immediately cease the practice of  
17 medicine. The Respondent shall not resume the practice of medicine until final decision on an  
18 accusation and/or a petition to revoke probation. An accusation and/or petition to revoke  
19 probation shall be filed by the Board within 15 days of the notification to cease practice. If the  
20 Respondent requests a hearing on the accusation and/or petition to revoke probation, the Board  
21 shall provide the Respondent with a hearing within 30 days of the request, unless the Respondent  
22 stipulates to a later hearing. A decision shall be received from the Administrative Law Judge or  
23 the Board within 15 days unless good cause can be shown for the delay. The cessation of practice  
24 shall not apply to the reduction of the probationary time period.

25 If the Board does not file an accusation or petition to revoke probation within 15 days of the

4 receive a notification from the Board or its designee to immediately cease the practice of  
5 medicine. The Respondent shall not resume the practice of medicine until final decision on an  
6 accusation and/or a petition to revoke probation. An accusation and/or petition to revoke  
7 probation shall be filed by the Board within 15 days of the notification to cease practice. If the  
8 Respondent requests a hearing on the accusation and/or petition to revoke probation, the Board  
9 shall provide the Respondent with a hearing within 30 days of the request, unless the Respondent  
10 stipulates to a later hearing. A decision shall be received from the Administrative Law Judge or  
11 the Board within 15 days unless good cause can be shown for the delay. The cessation of practice  
12 shall not apply to the reduction of the probationary time period.

13           If the Board does not file an accusation or petition to revoke probation within 15 days of the

25 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

26           A professionalism program taken after the acts that gave rise to the charges in the  
27 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
28 or its designee, be accepted towards the fulfillment of this condition if the program would have

1 been approved by the Board or its designee had the program been taken after the effective date of  
2 this Decision.

4 designee not later than 15 calendar days after successfully completing the program or not later

7 Respondent shall submit to the Board or its designee for prior approval the name and  
8 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who  
9 has a doctoral degree in psychology and at least five years of postgraduate experience in the

11 undergo and continue psychotherapy treatment, including any modifications to the frequency of  
12 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

14 and any other information the psychotherapist deems relevant and shall furnish a written  
15 evaluation report to the Board or its designee. Respondent shall cooperate in providing the  
16 psychotherapist any information and documents that the psychotherapist may deem pertinent.

17 Respondent shall have the treating psychotherapist submit quarterly status reports to the  
18 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric  
19 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of  
20 probation, Respondent is found to be mentally unfit to resume the practice of medicine without  
21 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the  
22 period of probation shall be extended until the Board determines that Respondent is mentally fit  
23 to resume the practice of medicine without restrictions.

24 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

25 6. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the  
26 solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice  
27 where: 1) Respondent merely shares office space with another physician but is not affiliated for  
28 purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that

1 location.

2 If Respondent fails to establish a practice with another physician or secure employment in  
3 an appropriate practice setting within 60 calendar days of the effective date of this Decision,  
4 Respondent shall receive a notification from the Board or its designee to cease the practice of  
5 medicine within three (3) calendar days after being so notified. The Respondent shall not resume  
6 practice until an appropriate practice setting is established.

7 If, during the course of the probation, the Respondent's practice setting changes and the  
8 Respondent is no longer practicing in a setting in compliance with this Decision, the Respondent  
9 shall notify the Board or its designee within 5 calendar days of the practice setting change. If  
10 Respondent fails to establish a practice with another physician or secure employment in an  
11 appropriate practice setting within 60 calendar days of the practice setting change, Respondent  
12 shall receive a notification from the Board or its designee to cease the practice of medicine within  
13 three (3) calendar days after being so notified. The Respondent shall not resume practice until an  
14 appropriate practice setting is established.

15 7. CLINICAL DIAGNOSTIC EVALUATIONS AND REPORTS:

16 Within thirty (30) calendar days of the effective date of this Decision, and on whatever  
17 periodic basis thereafter as may be required by the Board or its designee, respondent shall  
18 undergo and complete a clinical diagnostic evaluation, including any and all testing deemed  
19 necessary, by a Board-appointed board certified physician and surgeon. The examiner shall  
20 consider any information provided by the Board or its designee and any other information he or  
21 she deems relevant, and shall furnish a written evaluation report to the Board or its designee.

22 The clinical diagnostic evaluation shall be conducted by a licensed physician and surgeon  
23 who holds a valid, unrestricted license, has three (3) years' experience in providing evaluations of  
24 physicians and surgeons with substance abuse disorders, and is approved by the Board or its  
25 designee. The clinical diagnostic evaluation shall be conducted in accordance with acceptable  
26 professional standards for conducting substance abuse clinical diagnostic evaluations. The  
27 evaluator shall not have a current or former financial, personal, or business relationship with  
28 respondent within the last five (5) years. The evaluator shall provide an objective, unbiased, and

1 independent evaluation. The clinical diagnostic evaluation report shall set forth, in the evaluator's  
2 opinion, whether respondent has a substance abuse problem, whether respondent is a threat to  
3 himself or herself or others, and recommendations for substance abuse treatment, practice  
4 restrictions, or other recommendations related to respondent's rehabilitation and ability to practice  
5 safely. If the evaluator determines during the evaluation process that respondent is a threat to  
6 himself or herself or others, the evaluator shall notify the Board within twenty-four (24) hours of  
7 such a determination.

8 In formulating his or her opinion as to whether respondent is safe to return to either part-  
9 time or full-time practice and what restrictions or recommendations should be imposed, including  
10 participation in an inpatient or outpatient treatment program, the evaluator shall consider the  
11 following factors: respondent's license type; respondent's history; respondent's documented length  
12 of sobriety (i.e., length of time that has elapsed since respondent's last substance use);  
13 respondent's scope and pattern of substance abuse; respondent's treatment history, medical history  
14 and current medical condition; the nature, duration and severity of respondent's substance abuse  
15 problem or problems; and whether respondent is a threat to himself or herself or the public.

16 For all clinical diagnostic evaluations, a final written report shall be provided to the Board  
17 no later than ten (10) days from the date the evaluator is assigned the matter. If the evaluator  
18 requests additional information or time to complete the evaluation and report, an extension may  
19 be granted, but shall not exceed thirty (30) days from the date the evaluator was originally  
20 assigned the matter.

21 The Board shall review the clinical diagnostic evaluation report within five (5) business  
22 days of receipt to determine whether respondent is safe to return to either part-time or full-time  
23 practice and what restrictions or recommendations shall be imposed on respondent based on the  
24 recommendations made by the evaluator. Respondent shall not be returned to practice until he or  
25 she has at least thirty (30) days of negative biological fluid tests or biological fluid tests indicating  
26 that he or she has not used, consumed, ingested, or administered to himself or herself a prohibited  
27 substance, as defined in section 1361.51, subdivision (e), of Title 16 of the California Code of  
28 Regulations.

1 A clinical diagnostic evaluation before the effective date of this Decision may be accepted  
2 towards fulfillment of this requirement. The cost of the clinical diagnostic evaluation, including  
3 any and all testing deemed necessary by the examiner, the Board or its designee, shall be borne by  
4 the licensee.

5 Respondent shall not engage in the practice of medicine until notified by the Board or its  
6 designee that he or she is fit to practice medicine safely. The period of time that respondent is not  
7 practicing medicine shall not be counted toward completion of the term of probation.

8 Respondent shall undergo biological fluid testing as required in this Decision at least two  
9 (2) times per week while awaiting the notification from the Board if he or she is fit to practice  
10 medicine safely.

11 Respondent shall comply with all restrictions or conditions recommended by the examiner  
12 conducting the clinical diagnostic evaluation within fifteen (15) calendar-days after being notified  
13 by the Board or its designee.

14 8. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION

15 Within seven (7) days of the effective date of this Decision, respondent shall provide to the  
16 Board the names, physical addresses, mailing addresses, and telephone numbers of any and all  
17 employers and supervisors. Respondent shall also provide specific, written consent for the Board,  
18 respondent's worksite monitor, and respondent's employers and supervisors to communicate  
19 regarding respondent's work status, performance, and monitoring.

20 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or  
21 Well Being Committee Chair, or equivalent, if applicable, when the respondent has medical staff  
22 privileges.

23 9. BIOLOGICAL FLUID TESTING

24 Respondent shall immediately submit to biological fluid testing, at respondent's expense,  
25 upon request of the Board or its designee. "Biological fluid testing" may include, but is not  
26 limited to, urine, blood, breathalyzer, hair follicle testing, or similar drug screening approved by  
27 the Board or its designee. Respondent shall make daily contact with the Board or its designee to  
28 determine whether biological fluid testing is required. Respondent shall be tested on the date of

1 the notification as directed by the Board or its designee. The Board may order a respondent to  
2 undergo a biological fluid test on any day, at any time, including weekends and holidays. Except  
3 when testing on a specific date as ordered by the Board or its designee, the scheduling of  
4 biological fluid testing shall be done on a random basis. The cost of biological fluid testing shall  
5 be borne by the respondent.

6 During the first year of probation, respondent shall be subject to 52 to 104 random tests.  
7 During the second year of probation and for the duration of the probationary term, up to five (5)  
8 years, respondent shall be subject to 36 to 104 random tests per year. Only if there has been no  
9 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing  
10 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number  
11 of random tests to the first-year level of frequency for any reason.

12 Prior to practicing medicine, respondent shall contract with a laboratory or service,  
13 approved in advance by the Board or its designee, that will conduct random, unannounced,  
14 observed, biological fluid testing and meets all the following standards:

15 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing  
16 Industry Association or have completed the training required to serve as a collector for the  
17 United States Department of Transportation.

18 (b) Its specimen collectors conform to the current United States Department of  
19 Transportation Specimen Collection Guidelines.

20 (c) Its testing locations comply with the Urine Specimen Collection Guidelines  
21 published by the United States Department of Transportation without regard to the type of  
22 test administered.

23 (d) Its specimen collectors observe the collection of testing specimens.

24 (e) Its laboratories are certified and accredited by the United States Department of  
25 Health and Human Services.

26 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business  
27 day of receipt and all specimens collected shall be handled pursuant to chain of custody  
28 procedures. The laboratory shall process and analyze the specimens and provide legally

1 defensible test results to the Board within seven (7) business days of receipt of the specimen. The  
2 Board will be notified of non-negative results within one (1) business day and will be notified of  
3 negative test results within seven (7) business days.

4 (g) Its testing locations possess all the materials, equipment, and technical expertise  
5 necessary in order to test respondent on any day of the week.

6 (h) Its testing locations are able to scientifically test for urine, blood, and hair  
7 specimens for the detection of alcohol and illegal and controlled substances.

8 (i) It maintains testing sites located throughout California.

9 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-  
10 line computer database that allows the respondent to check in daily for testing.

11 (k) It maintains a secure, HIPAA-compliant website or computer system that allows  
12 staff access to drug test results and compliance reporting information that is available 24 hours a  
13 day.

14 (l) It employs or contracts with toxicologists that are licensed physicians and have  
15 knowledge of substance abuse disorders and the appropriate medical training to interpret and  
16 evaluate laboratory biological fluid test results, medical histories, and any other information  
17 relevant to biomedical information.

18 (m) It will not consider a toxicology screen to be negative if a positive result is  
19 obtained while practicing, even if the respondent holds a valid prescription for the substance.

20 Prior to changing testing locations for any reason, including during vacation or other travel,  
21 alternative testing locations must be approved by the Board and meet the requirements above.

22 The contract shall require that the laboratory directly notify the Board or its designee of  
23 non-negative results within one (1) business day and negative test results within seven (7)  
24 business days of the results becoming available. Respondent shall maintain this laboratory or  
25 service contract during the period of probation.

26 A certified copy of any laboratory test result may be received in evidence in any  
27 proceedings between the Board and respondent.

28 If a biological fluid test result indicates respondent has used, consumed, ingested, or

1 administered to himself or herself a prohibited substance, the Board shall order respondent to  
2 cease practice and instruct respondent to leave any place of work where respondent is practicing  
3 medicine or providing medical services. The Board shall immediately notify all of respondent's  
4 employers, supervisors and work monitors, if any, that respondent may not practice medicine or  
5 provide medical services while the cease-practice order is in effect.

6 A biological fluid test will not be considered negative if a positive result is obtained while  
7 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited  
8 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

9 After the issuance of a cease-practice order, the Board shall determine whether the positive  
10 biological fluid test is in fact evidence of prohibited substance use by consulting with the  
11 specimen collector and the laboratory, communicating with the licensee, his or her treating  
12 physician(s), other health care provider, or group facilitator, as applicable.

13 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the  
14 acquisition and chemical analysis of a respondent's urine, blood, breath, or hair.

15 For purposes of this condition, the term "prohibited substance" means an illegal drug, a  
16 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by  
17 respondent and approved by the Board, alcohol, or any other substance the respondent has been  
18 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

19 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited  
20 substance, respondent has committed a major violation, as defined in section 1361.52(a), and the  
21 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to  
22 any other terms or conditions the Board determines are necessary for public protection or to  
23 enhance respondent's rehabilitation.

24 10. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS

25 Within thirty (30) days of the effective date of this Decision, respondent shall submit to the  
26 Board or its designee, for its prior approval, the name of a substance abuse support group which  
27 he or she shall attend for the duration of probation. Respondent shall attend substance abuse  
28 support group meetings at least once per week, or as ordered by the Board or its designee.

1 Respondent shall pay all substance abuse support group meeting costs.

2 The facilitator of the substance abuse support group meeting shall have a minimum of  
3 three (3) years' experience in the treatment and rehabilitation of substance abuse, and shall be  
4 licensed or certified by the state or nationally certified organizations. The facilitator shall not  
5 have a current or former financial, personal, or business relationship with respondent within the  
6 last five (5) years. Respondent's previous participation in a substance abuse group support  
7 meeting led by the same facilitator does not constitute a prohibited current or former financial,  
8 personal, or business relationship.

9 The facilitator shall provide a signed document to the Board or its designee showing  
10 respondent's name, the group name, the date and location of the meeting, respondent's attendance,  
11 and respondent's level of participation and progress. The facilitator shall report any unexcused  
12 absence by respondent from any substance abuse support group meeting to the Board, or its  
13 designee, within twenty-four (24) hours of the unexcused absence.

14 11. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE

15 Within thirty (30) calendar days of the effective date of this Decision, respondent shall  
16 submit to the Board or its designee for prior approval as a worksite monitor, the name and  
17 qualifications of one or more licensed physician and surgeon, other licensed health care  
18 professional if no physician and surgeon is available, or, as approved by the Board or its designee,  
19 a person in a position of authority who is capable of monitoring the respondent at work.

20 The worksite monitor shall not have a current or former financial, personal, or familial  
21 relationship with respondent, or any other relationship that could reasonably be expected to  
22 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its  
23 designee. If it is impractical for anyone but respondent's employer to serve as the worksite  
24 monitor, this requirement may be waived by the Board or its designee, however, under no  
25 circumstances shall respondent's worksite monitor be an employee or supervisee of the licensee.

26 The worksite monitor shall have an active unrestricted license with no disciplinary action  
27 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms  
28 and conditions of respondent's disciplinary order and agrees to monitor respondent as set forth by

1 the Board or its designee.

2 Respondent shall pay all worksite monitoring costs.

3 The worksite monitor shall have face-to-face contact with respondent in the work  
4 environment on as frequent a basis as determined by the Board or its designee, but not less than  
5 once per week; interview other staff in the office regarding respondent's behavior, if requested by  
6 the Board or its designee; and review respondent's work attendance.

7 The worksite monitor shall verbally report any suspected substance abuse to the Board  
8 and respondent's employer or supervisor within one ( 1) business day of occurrence. If the  
9 suspected substance abuse does not occur during the Board's normal business hours, the verbal  
10 report shall be made to the Board or its designee within one (1) hour of the next business day. A  
11 written report that includes the date, time, and location of the suspected abuse; respondent's  
12 actions; and any other information deemed important by the worksite monitor shall be submitted  
13 to the Board or its designee within 48 hours of the occurrence.

14 The worksite monitor shall complete and submit a written report monthly or as directed by  
15 the Board or its designee which shall include the following: (1) respondent's name and Physician's  
16 and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3) the worksite  
17 monitor's license number, if applicable; (4) the location or location(s) of the worksite; (5) the  
18 dates respondent had face-to-face contact with the worksite monitor; (6) the names of worksite  
19 staff interviewed, if applicable; (7) a report of respondent's work attendance; (8) any change in  
20 respondent's behavior and/or personal habits; and (9) any indicators that can lead to suspected  
21 substance abuse by respondent. Respondent shall complete any required consent forms and  
22 execute agreements with the approved worksite monitor and the Board, or its designee,  
23 authorizing the Board, or its designee, and worksite monitor to exchange information.

24 If the worksite monitor resigns or is no longer available, respondent shall, within five (5)  
25 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior  
26 approval, the name and qualifications of a replacement monitor who will be assuming that  
27 responsibility within fifteen (15) calendar days. If respondent fails to obtain approval of a  
28 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the

1 monitor, respondent shall receive a notification from the Board or its designee to cease the  
2 practice of medicine within three (3) calendar days after being so notified. Respondent shall  
3 cease the practice of medicine until a replacement monitor is approved and assumes monitoring  
4 responsibility.

5 12. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
6 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
7 Chief Executive Officer at every hospital where privileges or membership are extended to  
8 Respondent, at any other facility where Respondent engages in the practice of medicine,  
9 including all physician and locum tenens registries or other similar agencies, and to the Chief  
10 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
11 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
12 calendar days.

13 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

14 13. SUPERVISION OF PHYSICIAN ASSISTANTS. During probation, Respondent is  
15 prohibited from supervising physician assistants.

16 14. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
17 governing the practice of medicine in California and remain in full compliance with any court  
18 ordered criminal probation, payments, and other orders.

19 15. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
20 under penalty of perjury on forms provided by the Board, stating whether there has been  
21 compliance with all the conditions of probation.

22 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
23 of the preceding quarter.

24 16. GENERAL PROBATION REQUIREMENTS.

25 Compliance with Probation Unit

26 Respondent shall comply with the Board's probation unit and all terms and conditions of  
27 this Decision.

28 Address Changes

1 Respondent shall, at all times, keep the Board informed of Respondent's business and  
2 residence addresses, email address (if available), and telephone number. Changes of such  
3 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
4 circumstances shall a post office box serve as an address of record, except as allowed by Business  
5 and Professions Code section 2021(b).

6 Place of Practice

7 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
8 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
9 facility.

10 License Renewal

11 Respondent shall maintain a current and renewed California physician's and surgeon's  
12 license.

13 Travel or Residence Outside California

14 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
15 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
16 (30) calendar days.

17 In the event Respondent should leave the State of California to reside or to practice  
18 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
19 departure and return.

20 17. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
21 available in person upon request for interviews either at Respondent's place of business or at the  
22 probation unit office, with or without prior notice throughout the term of probation.

23 18. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
24 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
25 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
26 defined as any period of time Respondent is not practicing medicine in California as defined in  
27 Business and Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month  
28 in direct patient care, clinical activity or teaching, or other activity as approved by the Board. All

1 time spent in an intensive training program which has been approved by the Board or its designee  
2 shall not be considered non-practice. Practicing medicine in another state of the United States or  
3 Federal jurisdiction while on probation with the medical licensing authority of that state or  
4 jurisdiction shall not be considered non-practice. A Board-ordered suspension of practice shall  
5 not be considered as a period of non-practice.

6 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
7 months, Respondent shall successfully complete a clinical training program that meets the criteria  
8 of Condition 18 of the current version of the Board's "Manual of Model Disciplinary Orders and  
9 Disciplinary Guidelines" prior to resuming the practice of medicine.

10 Respondent's period of non-practice while on probation shall not exceed two (2) years.

11 Periods of non-practice will not apply to the reduction of the probationary term.

12 Periods of non-practice will relieve Respondent of the responsibility to comply with the  
13 probationary terms and conditions with the exception of this condition and the following terms  
14 and conditions of probation: Obey All Laws; and General Probation Requirements.

15 19. COMPLETION OF PROBATION. Respondent shall comply with all financial  
16 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
17 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
18 be fully restored.

19 20. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
20 of probation is a violation of probation.

21 A. If respondent commits a major violation of probation as defined by section  
22 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall  
23 take one or more of the following actions:

24 (1) Issue an immediate cease-practice order and order respondent to undergo a clinical  
25 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of  
26 Title 16 of the California Code of Regulations, at respondent's expense. The cease-practice order  
27 issued by the Board or its designee shall state that respondent must test negative for at least a  
28 month of continuous biological fluid testing before being allowed to resume practice. For

1 purposes of the determining the length of time a respondent must test negative while undergoing  
2 continuous biological fluid testing following issuance of a cease-practice order, a month is  
3 defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until  
4 notified in writing by the Board or its designee that he or she may do so.

5 (2) Increase the frequency of biological fluid testing.

6 (3) Refer respondent for further disciplinary action, such as suspension, revocation, or  
7 other action as determined by the Board or its designee. (Cal. Code Regs., tit. 16, § 1361.52,  
8 subd. (b).)

9 B. If respondent commits a minor violation of probation as defined by section  
10 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take  
11 one or more of the following actions:

12 (1) Issue a cease-practice order;

13 (2) Order practice limitations;

14 (3) Order or increase supervision of respondent;

15 (4) Order increased documentation;

16 (5) Issue a citation and fine, or a warning letter;

17 (6) Order respondent to undergo a clinical diagnostic evaluation to be conducted in  
18 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of  
19 Regulations, at respondent's expense;

20 (7) Take any other action as determined by the Board or its designee. (Cal. Code  
21 Regs., tit. 16, § 1361.52, subd. (d).)

22 C. Nothing in this Decision shall be considered a limitation on the Board's authority  
23 to revoke respondent's probation if he or she has violated any term or condition of probation. (See  
24 Cal. Code Regs., tit. 16, § 1361.52, subd. (e).) If respondent violates probation in any respect, the  
25 Board, after giving respondent notice and the opportunity to be heard, may revoke probation and  
26 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke  
27 Probation, or an Interim Suspension Order is filed against respondent during probation, the Board  
28 shall have continuing jurisdiction until the matter is final, and the period of probation shall be

1 extended until the matter is final.

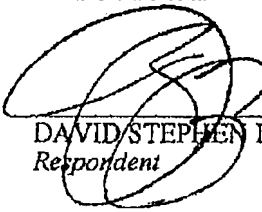

2 21. LICENSE SURRENDER. Following the effective date of this Decision, if  
 3 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
 4 the terms and conditions of probation, Respondent may request to surrender his or her license.  
 5 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
 6 determining whether or not to grant the request, or to take any other action deemed appropriate  
 7 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
 8 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
 9 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
 10 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
 11 application shall be treated as a petition for reinstatement of a revoked certificate.

12 22. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
 13 with probation monitoring each and every year of probation, as designated by the Board, which  
 14 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
 15 California and delivered to the Board or its designee no later than January 31 of each calendar  
 16 year.

JURISDICTION

1  
2       3.    This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code unless otherwise indicated.

4       4.    Section 2227 of the Code states:

5       “(a) A licensee whose matter has been heard by an administrative law judge of the Medical  
6 Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default  
7 has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary  
8 action with the board, may, in accordance with the provisions of this chapter:

9       “(1) Have his or her license revoked upon order of the board.

10       “(2) Have his or her right to practice suspended for a period not to exceed one year upon  
11 order of the board.

12       “(3) Be placed on probation and be required to pay the costs of probation monitoring upon  
13 order of the board.

14       “(4) Be publicly reprimanded by the board. The public reprimand may include a  
15 requirement that the licensee complete relevant educational courses approved by the board.

16       “(5) Have any other action taken in relation to discipline as part of an order of probation, as  
17 the board or an administrative law judge may deem proper.

18       “(b) Any matter heard pursuant to subdivision (a), except for warning letters, medical  
19 review or advisory conferences, professional competency examinations, continuing education  
20 activities, and cost reimbursement associated therewith that are agreed to with the board and  
21 successfully completed by the licensee, or other matters made confidential or privileged by  
22 existing law, is deemed public, and shall be made available to the public by the board pursuant to  
23 Section 803.1.”

24       5.    Section 2234 of the Code, states:

25       “The board shall take action against any licensee who is charged with unprofessional  
26 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not  
27 limited to, the following:

28       ///

1           “(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the  
2 violation of, or conspiring to violate any provision of this chapter.

3           “(b) Gross negligence.

4           “(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or  
5 omissions. An initial negligent act or omission followed by a separate and distinct departure from  
6 the applicable standard of care shall constitute repeated negligent acts.

7           “(1) An initial negligent diagnosis followed by an act or omission medically appropriate  
8 for that negligent diagnosis of the patient shall constitute a single negligent act.

9           “(2) When the standard of care requires a change in the diagnosis, act, or omission that  
10 constitutes the negligent act described in paragraph (1), including, but not limited to, a  
11 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the  
12 applicable standard of care, each departure constitutes a separate and distinct breach of the  
13 standard of care.

14           “(d) Incompetence.

15           “(e) The commission of any act involving dishonesty or corruption which is substantially  
16 related to the qualifications, functions, or duties of a physician and surgeon.

17           “(f) Any action or conduct which would have warranted the denial of a certificate.

18           “(g) The practice of medicine from this state into another state or country without meeting  
19 the legal requirements of that state or country for the practice of medicine. Section 2314 shall not  
20 apply to this subdivision. This subdivision shall become operative upon the implementation of the  
21 proposed registration program described in Section 2052.5.

22           “(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and  
23 participate in an interview by the board. This subdivision shall only apply to a certificate holder  
24 who is the subject of an investigation by the board.”

25           6. Section 2239 of the Code states:

26           “(a) The use or prescribing for or administering to himself or herself, of any controlled  
27 substance; or the use of any of the dangerous drugs specified in Section 4022, or of alcoholic  
28 beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to

1 any other person or to the public, or to the extent that such use impairs the ability of the licensee  
2 to practice medicine safely or more than one misdemeanor or any felony involving the use,  
3 consumption, or self-administration of any of the substances referred to in this section, or any  
4 combination thereof, constitutes unprofessional conduct. The record of the conviction is  
5 conclusive evidence of such unprofessional conduct.

6 “(b) A plea or verdict of guilty or a conviction following a plea of nolo contendere is  
7 deemed to be a conviction within the meaning of this section. The Medical Board may order  
8 discipline of the licensee in accordance with Section 2227 or the Medical Board may order the  
9 denial of the license when the time for appeal has elapsed or the judgment of conviction has been  
10 affirmed on appeal or when an order granting probation is made suspending imposition of  
11 sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of the Penal  
12 Code allowing such person to withdraw his or her plea of guilty and to enter a plea of not guilty,  
13 or setting aside the verdict of guilty, or dismissing the accusation, complaint, information, or  
14 indictment.”

15 7. Section 2280 of the Code states:

16 “No licensee shall practice medicine while under the influence of any narcotic drug or  
17 alcohol to such an extent as to impair his or her ability to conduct the practice of medicine with  
18 safety to the public and his or her patients. Violation of this section constitutes unprofessional  
19 conduct and is a misdemeanor.”

20 8. Section 820 of the Code states:

21 “Whenever it appears that any person holding a license, certificate or permit under this  
22 division or under any initiative act referred to in this division may be unable to practice his or her  
23 profession safely because the licentiate's ability to practice is impaired due to mental illness, or  
24 physical illness affecting competency, the licensing agency may order the licentiate to be  
25 examined by one or more physicians and surgeons or psychologists designated by the agency.  
26 The report of the examiners shall be made available to the licentiate and may be received as direct  
27 evidence in proceedings conducted pursuant to Section 822.”

1           14. Nurse MS then heard a "big clink", and saw Respondent walk out of his office.  
2 Nurse MS entered Respondent's office and glanced down at Respondent's laptop-looking bag and  
3 saw the top head of a Smirnoff bottle. Nurse MS bent down and saw what appeared to be another  
4 bottle underneath the Smirnoff bottle. Nurse MS proceeded to report her findings to her  
5 supervisor.

6           15. The Division Chief for Urology at MMG, Dr. P, received a message from Nurse MS's  
7 supervisor. Dr. P together with AB, Vice President at MMG, proceeded to meet with  
8 Respondent. Dr. P told Respondent that they had a suspicion of alcohol in Respondent's system.  
9 Respondent agreed to be tested when AB asked.

10          16. Dr. F, the physician manager for Occupational Medicine at Mercy Medical Group,  
11 together with Nurse CC and Medical Assistant MR were called to administer the breathalyzer test.  
12 Nurse CC and MR are certified to administer breathalyzer tests. When they arrived, they set up  
13 the breathalyzer machine at Respondent's office and performed an air blank test to verify the air  
14 in the room did not register on the device.

15          17. MR handled the equipment and asked Respondent to blow until the device "dinged,"  
16 or until she told him to stop. Respondent puffed up his cheeks simulating blowing of air but was  
17 not blowing air into the tube. Nurse CC told Respondent he was not blowing air into the tube.  
18 Respondent then blew and the device got a reading. The test was positive. Following this, the air  
19 in Respondent's office became saturated. Nurse CC believed that Respondent had a strong  
20 aftershave or cologne, and the air was filling with the smell. The second air blank registered a  
21 background reading. Nurse CC concluded that they needed to do the test in another room.  
22 Respondent at this point requested to speak with Dr. F alone.

23          18. After discussing this with AB, Dr. F spoke with Respondent in his office.  
24 Respondent told Dr. F that he had been drinking, and was having personal and family issues.  
25 Respondent told Dr. F he was willing to do whatever it took to get treatment and keep his job.

26          19. The next test was conducted in another office. Nurse CC and MR set up the  
27 equipment, performed the air blank which showed a "zero-zero-zero." Respondent was shown  
28

1 the air blank. MR administered the test which revealed a positive result for alcohol. The  
2 paperwork was completed, and a copy was given to Respondent.

3 20. Respondent's blood alcohol levels were 0.196 and 0.190 respectively.

4 21. Respondent's conduct, as set forth in paragraphs 10 to 20 above, constitutes  
5 unprofessional conduct in that he was impaired while treating patients. His use of alcohol on  
6 June 23, 2016, constitutes a danger to patients and/or the public and/or to such an extent as to  
7 impair his ability to practice medicine in violation of Code sections 822, 2234 and 2239.

8 **SECOND CAUSE FOR DISCIPLINE**  
9 **(Practice of Medicine Under the Influence)**  
10 **[Bus. & Prof. Code Section 2234 and 2280]**

11 22. Paragraphs 10 through 20 above, are hereby incorporated by reference and realleged  
12 as if fully set forth herein.

13 23. Respondent is further subject to disciplinary action under sections 2227 and 2280 of  
14 the Code, in that he practiced medicine while impaired.

15 **THIRD CAUSE FOR DISCIPLINE**  
16 **(General Unprofessional Conduct)**

17 24. Paragraphs 10 through 20 above, are hereby incorporated by reference and realleged  
18 as if fully set forth herein.

19 25. Respondent is subject to disciplinary action under sections 2227 and 2234, in that he  
20 has engaged in conduct which breaches the rules or ethical code of the medical profession, or  
21 conduct which is unbecoming a member in good standing of the medical profession, and which  
22 demonstrates an unfitness to practice medicine.
