20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
24 California (Board). He brought this action solely in his official capacity and is represented in this  
25 matter by Rob Bonta, Attorney General of the State of California, by LeAnna E. Shields, Deputy  
26 Attorney General.

27 2. Walton James Montegut, M.D. (Respondent) is representing himself in this  
28 proceeding and has chosen not to exercise his right to be represented by counsel.

3. On or about September 5, 1996, the Board issued Physician's and Surgeon's Certificate No. A 60845 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in the Accusation and Petition to Revoke Probation No. 800-2021-077205, and will expire on June 30, 2022, unless renewed.

4. On or about February 3, 2017, in a prior disciplinary action entitled *In the Matter of the Accusation Against: Walton James Montegut, M.D.*, Case No. 04-2010-207017, the Board issued a Decision and Order in which Respondent's Physician's and Surgeon's Certificate No. A 60845 was revoked. The revocation was stayed pending three (3) years' probation with certain terms and conditions. Respondent's probation was in full force and effect as of the effective date of this Stipulated Surrender and Disciplinary Order.

5. On or about May 5, 2021, an Interim Order was issued by the Office of Administrative Hearings pursuant to Government Code section 11529, immediately imposing restrictions on Respondent's Physician's and Surgeon's Certificate No. A 60845, pending further order from the Board or the Office of Administrative Hearings. The Interim Order remains in full force and effect as of the effective date of this Stipulated Surrender and Disciplinary Order.

6. On or about June 10, 2021, a Cease Practice Order was issued by the Board which immediately prohibited Respondent from practicing medicine in the State of California pending a final decision on the Accusation and Petition to Revoke Probation Case No. 800-2021-077205. The Cease Practice Order remains in full force and effect as of the effective date of this Stipulated Surrender and Disciplinary Order.

## JURISDICTION

7. On May 18, 2021, the Accusation and Petition to Revoke Probation No. 800-2021-077205 was filed before the Board, and is currently pending against Respondent. A true and correct copy of the Accusation and Petition to Revoke Probation No. 800-2021-077205 and all other statutorily required documents were properly served on Respondent on May 18, 2021. Respondent timely filed his Notice of Defense contesting the Accusation and Petition to Revoke

1 Probation. A true and correct copy of the Accusation and Petition to Revoke Probation No. 800-  
2 2021-077205 is attached hereto as Exhibit A and incorporated by reference as if fully set forth  
3 herein.

#### 4 ADVISEMENT AND WAIVERS

5 8. Respondent has carefully read, and fully understands the charges and allegations in  
6 the Accusation and Petition to Revoke Probation No. 800-2021-077205. Respondent has also  
7 carefully read, and fully understands the effects of this Stipulated Surrender of License and  
8 Disciplinary Order.

9 9. Respondent is fully aware of his legal rights in this matter, including the right to a  
10 hearing on the charges and allegations in the Accusation and Petition to Revoke Probation; the  
11 right to be represented by counsel at his own expense; the right to confront and cross-examine the  
12 witnesses against him; the right to present evidence and to testify on his own behalf; the right to  
13 the issuance of subpoenas to compel the attendance of witnesses and the production of  
14 documents; the right to reconsideration and court review of an adverse decision; and all other  
15 rights accorded by the California Administrative Procedure Act and other applicable laws.

16 10. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
17 every right set forth above.

#### 18 CULPABILITY

19 11. Respondent does not contest that, at an administrative hearing, Complainant could  
20 establish a *prima facie* case with respect to each and every charge and allegation contained in the  
21 Accusation and Petition to Revoke Probation No. 800-2021-077205, and agrees that he has  
22 thereby subjected his Physician's and Surgeon's Certificate No. A 60845 to disciplinary action,  
23 and hereby surrenders his Physician's and Surgeon's Certificate No. A 60845 for the board's  
24 formal acceptance.

25 12. Respondent agrees that if he files a petition for reinstatement or relicensure, or an  
26 accusation and/or petition to revoke probation is filed against him before the Medical Board of  
27 California, all of the charges and allegations contained in the Accusation and Petition to Revoke  
28 Probation No. 800-2021-077205 shall be deemed true, correct, and fully admitted by Respondent

1 for purposes of any such proceeding or any other licensing proceeding involving Respondent in  
2 the State of California

3 13. Respondent understands that by signing this stipulation he enables the Board to issue  
4 an order accepting the surrender of his Physician's and Surgeon's Certificate No. A 60845  
5 without notice to, or opportunity to be heard by, Respondent.

6 14. With Respondent's early acknowledgment that cause exists for the Board's action,  
7 Complainant finds good cause under Business and Professions Code section 2307, subdivision  
8 (b)(1), and thereby agrees that Respondent may file a petition for reinstatement two years after  
9 the effective date of the Board's Decision.

#### 10 CONTINGENCY

11 15. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
12 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...  
13 stipulation for surrender of a license."

14 16. Respondent understands that, by signing this stipulation, he enables the Executive  
15 Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his  
16 Physician's and Surgeon's Certificate No. A 60845 without further notice to, or opportunity to be  
17 heard by, Respondent.

18 17. This Stipulated Surrender of License and Disciplinary Order shall be subject to the  
19 approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated  
20 Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his  
21 consideration in the above-entitled matter and, further, that the Executive Director shall have a  
22 reasonable period of time in which to consider and act on this Stipulated Surrender of License and  
23 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands  
24 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the  
25 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

26 18. The parties agree that this Stipulated Surrender of License and Disciplinary Order  
27 shall be null and void and not binding upon the parties unless approved and adopted by the  
28 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full

1 force and effect. Respondent fully understands and agrees that in deciding whether or not to  
2 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive  
3 Director and/or the Board may receive oral and written communications from its staff and/or the  
4 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the  
5 Executive Director, the Board, any member thereof, and/or any other person from future  
6 participation in this or any other matter affecting or involving Respondent. In the event that the  
7 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this  
8 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it  
9 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied  
10 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees  
11 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason  
12 by the Executive Director on behalf of the Board, Respondent will assert no claim that the  
13 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,  
14 discussion and/or consideration of this Stipulated Surrender of License and Disciplinary Order or  
15 of any matter or matters related hereto.

#### 16 **ADDITIONAL PROVISIONS**

17 19. This Stipulated Surrender of License and Disciplinary Order is intended by the parties  
18 herein to be an integrated writing representing the complete, final and exclusive embodiment of  
19 the agreements of the parties in the above-entitled matter.

20 20. The parties agree that copies of this Stipulated Surrender of License and Disciplinary  
21 Order, including copies of the signatures of the parties, may be used in lieu of original documents  
22 and signatures and, further, that such copies shall have the same force and effect as originals.

23 21. In consideration of the foregoing admissions and stipulations, the parties agree the  
24 Executive Director of the Board may, without further notice to or opportunity to be heard by  
25 Respondent, issue and enter the following Disciplinary Order on behalf of the Board:

12 issued, his wall certificate on or before the effective date of the Decision and Order.

13 4. If Respondent ever files an application for licensure or a petition for reinstatement in  
14 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must  
15 comply with all the laws, regulations and procedures for reinstatement of a revoked or  
16 surrendered license in effect at the time the petition is filed, and all of the charges and allegations  
17 contained in the Accusation and Petition to Revoke Probation No. 800-2021-077205 shall be  
18 deemed to be true, correct and fully admitted by Respondent when the Board determines whether  
19 to grant or deny the petition.

20 5. If Respondent should ever apply or reapply for a new license or certification, or  
21 petition for reinstatement of a license, by any other health care licensing action agency in the  
22 State of California, all of the charges and allegations contained in the Accusation and Petition to  
23 Revoke Probation No. 800-2021-077205 shall be deemed to be true, correct, and fully admitted

## JURISDICTION

8. This Accusation and Petition to Revoke Probation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

9. Section 822 of the Code states:

If a licensing agency determines that its licensee's ability to practice his or her profession safely is impaired because the licensee is mentally ill, or physically ill affecting competency, the licensing agency may take action by any one of the following methods:

- (a) Revoking the licentiate's certificate or license.
- (b) Suspending the licentiate's right to practice.
- (c) Placing the licentiate on probation.
- (d) Taking such other action in relation to the licentiate as the licensing agency discretion deems proper.

The licensing section shall not reinstate a revoked or suspended certificate or license until it has received competent evidence of the absence or control of the condition which caused its action and until it is satisfied that with due regard for the public health and safety the person's right to practice his or her profession may be safely reinstated.

10. Section 2227 of the Code states:

(a) A licensee whose matter has been heard by an administrative law judge of the Medical Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary action with the board, may, in accordance with the provisions of this chapter:

- (1) Have his or her license revoked upon order of the board.
- (2) Have his or her right to practice suspended for a period not to exceed one year upon order of the board.
- (3) Be placed on probation and be required to pay the costs of probation monitoring upon order of the board.

///

1 (4) Be publicly reprimanded by the board. The public reprimand may include a  
2 requirement that the licensee complete relevant educational courses approved by the  
3 board.

4 (5) Have any other action taken in relation to discipline as part of an order of  
5 probation, as the board or an administrative law judge may deem proper.

6 (b) Any matter heard pursuant to subdivision (a), except for warning letters,  
7 medical review or advisory conferences, professional competency examinations,  
8 continuing education activities, and cost reimbursement associated therewith that are  
9 agreed to with the board and successfully completed by the licensee, or other matters  
10 made confidential or privileged by existing law, is deemed public, and shall be made  
11 available to the public by the board pursuant to Section 803.1.

12 11. Section 2234 of the Code, states, in pertinent part:

13 The board shall take action against any licensee who is charged with  
14 unprofessional conduct. In addition to other provisions of this article, unprofessional  
15 conduct includes, but is not limited to, the following:

16 ...

17 (c) Repeated negligent acts. To be repeated, there must be two or more  
18 negligent acts or omissions. An initial negligent act or omission followed by a  
19 separate and distinct departure from the applicable standard of care shall constitute  
20 repeated negligent acts.

21 (1) An initial negligent diagnosis followed by an act or omission medically  
22 appropriate for that negligent diagnosis of the patient shall constitute a single  
23 negligent act.

24 (2) When the standard of care requires a change in the diagnosis, act, or  
25 omission that constitutes the negligent act described in paragraph (1), including, but  
26 not limited to, a reevaluation of the diagnosis or a change in treatment, and the  
27 licensee's conduct departs from the applicable standard of care, each departure  
28 constitutes a separate and distinct breach of the standard of care.

...

(e) The commission of any act involving dishonesty or corruption that is  
substantially related to the qualifications, functions, or duties of a physician and  
surgeon.

...

12. Section 2236 of the Code states, in pertinent part:

of conviction shall be conclusive evidence only of the fact that the conviction  
occurred.

1  
2 ...

3 (c) The clerk of the court in which a licensee is convicted of a crime shall,  
4 within 48 hours after the conviction, transmit a certified copy of the record of  
5 conviction to the board. The division may inquire into the circumstances surrounding  
6 the commission of a crime in order to fix the degree of discipline or to determine if  
7 the conviction is of an offense substantially related to the qualifications, functions, or  
8 duties of a physician and surgeon.

9 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is  
10 deemed to be a conviction within the meaning of this section and Section 2236.1.  
11 The record of conviction shall be conclusive evidence of the fact that the conviction  
12 occurred.

13 13. Section 2239 of the Code states, in pertinent part:

14 (a) The use or prescribing for or administering to himself or herself, of any  
15 controlled substance; or the use of any of the dangerous drugs specified in Section  
16 4022, or of alcoholic beverages, to the extent, or in such a manner as to be dangerous  
17 or injurious to the licensee, or to any other person or to the public, or to the extent that  
18 such use impairs the ability of the licensee to practice medicine safely or more than  
19 one misdemeanor or any felony involving the use, consumption, or self  
20 administration of any of the substances referred to in this section, or any combination  
21 thereof, constitutes unprofessional conduct. The record of the conviction is

26 or act shall be considered to be substantially related to the qualifications, functions or  
27 duties of a person holding a license, certificate or permit under the Medical Practice  
28 Act if to a substantial degree it evidences present or potential unfitness of a person  
holding a license, certificate or permit to perform the functions authorized by the  
license, certificate or permit in a manner consistent with the public health, safety or  
welfare. Such crimes or acts shall include but not be limited to the following:

11 heard, may revoke probation and carry out the disciplinary order that was stayed. If  
12 an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is

6 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
7 (30) calendar days.

10 departure and return.

11       10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be

3 Periods of non-practice will relieve Respondent of the responsibility to comply with the  
4 probationary terms and conditions with the exception of this condition and the following terms  
5 and conditions of probation: Obey All Laws; and General Probation Requirements.

6 12. COMPLETION OF PROBATION. Respondent shall comply with all financial

10 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
11 of probation is a violation of probation. If Respondent violates probation in any respect, the  
12 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
13 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
14 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
15 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
16 the matter is final.

17 14. LICENSE SURRENDER. Following the effective date of this Decision, if  
18 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
19 the terms and conditions of probation, Respondent may request to surrender his or her license.

28 with probation monitoring each and every year of probation, as designated by the Board, which

1 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of

3. This Accusation is brought before the Board under the authority of the following laws. All section references are to the Business and Professions Code unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2234 of the Code, states:

"The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

"(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

"(b) Gross negligence.

"(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

"(1) An initial negligent diagnosis followed by an act or omission medically appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

"(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but not limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the applicable standard of care, each departure constitutes a separate and distinct breach of the standard of care.

"(d) Incompetence.

"(f) Any action or conduct which would have warranted the denial of a certificate.

3 apply to this subdivision. This subdivision shall become operative upon the implementation of the  
4 proposed registration program described in Section 2052.5.

5       "(h) The repeated failure by a certificate holder, in the absence of good cause, to attend and  
6 participate in an interview by the board. This subdivision shall only apply to a certificate holder  
7 who is the subject of an investigation by the board."

8       6.     Section 2266 of the Code states: "The failure of a physician and surgeon to maintain  
9 adequate and accurate records relating to the provision of services to their patients constitutes  
10 unprofessional conduct."

#### 11                               **FIRST CAUSE FOR DISCIPLINE**

##### 12                               **(Gross Negligence)**

13       7.     Respondent Walton Montegut, M.D., is subject to disciplinary action under section  
14 2234, subdivision (b), in that he was grossly negligent in the care and treatment of four patients.  
15 The circumstances are as follows:

##### 16               **Factual Allegations:**

17       A.     Patient M.B. was a 63-year-old female when she went to first see Respondent in July  
18 2008. She had no history of any chronic pain syndrome or treatments. M.B. saw Respondent for  
19 fat transfer procedures.

20       B.     M.B. had the following procedures performed by Respondent: On September 15,  
21 2008, fat transfer to the face and upper and lower extremities; on August 20, 2009, a local  
22 procedure to the face; on October 27, 2009, breast augmentation and revision abdominoplasty;  
23 August 30, 2010, revision of buttocks; and, June 5, 2011, breast capsulectomy.

24       C.     The medical records have 52 pages of consents but no history or physicals. There are  
25 no pre-operative or post-operative photographs. The progress notes are not dated and not in the  
26 proper format.

27       D.     Controlled Substance Utilization Review and Evaluation System ("CURES") and the  
28 prescription records show that from August 16, 2009, to July 11, 2014, a total of about 60

1 months, M.B. had 55 prescriptions for controlled substances, such as hydrocodone (also known as  
2 Vicodin, a pain killer for moderate to severe pain); zolpidem (also known as Ambien, helps with  
3 sleep); and lorazepam (also known as Ativan, used for the management of anxiety disorder). This  
4 was approximately 60-100 pills per month for five years.

5 E. The second patient, C.C., was a 59-year-old female who started seeing Respondent in  
6 August 2007. She had a history of narcolepsy and daily use of phentermine (appetite  
7 suppressant). C.C. saw Respondent from August 2007 to August 2011. She received botox  
8 treatments and refills for phentermine, 500 tablets at a time. CURES showed she received 200  
9 pills bi-monthly until January 7, 2014. Respondent's medical records are not sufficiently  
10 documented and do not show dosage or amounts of pills. C.C. received refills from Respondent  
11 three years beyond the last entry in the medical record.

12 F. The third patient, M.H., was a 42-year-old female who first visited Respondent in  
13 October 2007. In the summer of 2008, she underwent a fat transfer procedure to her face. There  
14 was no history, physical or photographs in Respondent's medical records for her.

15 G. Prescription records show that M.H. received 25 prescriptions for Ambien and  
16 alprazolam (also known as Xanax, used to treat anxiety caused by depression) 25 times from  
17 October 2009 to February 2013, which is 40 months. There are eight entries in Respondent's  
18 progress notes but they are incomplete. There is no documentation to justify the need for almost  
19 daily, long-term use of zolpidem or alprazolam.

20 H. The fourth patient, R.H., was a 58-year-old male and married to patient M.H. He first  
21 presented to Respondent in April 2008. On July 7, 2008, he had a face and neck lift, and fat  
22 injections. The records do not show a physical or history. He had minor skin excisions in July  
23 2008, and March 2011. On April 29, 2009, Respondent performed a liposuction, blepharoplasty,  
24 (a procedure to repair eyelids), rhinoplasty (reconstructing the nose) and scar revision. There is  
25 no physical or history or photos in Respondent's medical records for R.H.

26 I. Prescription records show that R.H. received 49 prescriptions for zolpidem and 49  
27 times he received alprazolam, from August 2008 to April 2014. There are only three entries in the  
28 medical records for a prescription for zolpidem. There is no indication as to the need for the

1 chronic, long term use of these drugs.

2 Allegations of Gross Negligence:

3 J. In a standard plastic surgery setting, a doctor should only prescribe narcotics as it is  
4 reasonably related to the type of procedure performed. With each of these patients, Respondent  
5 wrongfully overprescribed.

6 K. Patient M.B.: The drugs that were prescribed were over and beyond what was  
7 indicated given the procedures performed.

8 L. Patient C.C.: The dosage of 5-8 pills of phentermine daily was far larger than the  
9 accepted dosage of one pill twice daily. Phentermine is not indicated for long term use.

10 M. Patients M.H. and R.H. received prescriptions for zolpidem and alprazolam in excess  
11 of any medical indication; these drugs are for short term use only.

12 SECOND CAUSE FOR DISCIPLINE

13 (Inadequate Medical Records)

14 8. Respondent Walton Montegut, M.D. is subject to disciplinary action under section  
15 2266 for failure to maintain adequate records. The circumstances are as follows:

16 A. Complainant realleges the allegations in paragraphs 7, A-I, as though fully set forth  
17 herein.

18 B. There were no photos contained in the records. The progress notes were not dated.  
19 History and physicals, and operative reports are missing. Most of the controlled substance  
20 prescriptions are missing or not sufficiently documented.

21 PRAYER

22 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,  
23 and that following the hearing, the Medical Board of California issue a decision:

24 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 60845,  
25 issued to Walton Montegut, M.D.;

27 supervise physician assistants, pursuant to section 3527 of the Code;
