9. Respondent understands and agrees that the charges and allegations in Accusation No. 800-2019-062233, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and Surgeon's Certificate.

10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case or factual basis for the charges in the Accusation, and that Respondent hereby gives up his right to contest those charges.

11. Respondent does not contest that, at an administrative hearing, complainant could establish a prima facie case with respect to the charges and allegations in Accusation No. 800-2019-062233, a true and correct copy of which is attached hereto as Exhibit A, and that he has thereby subjected his Physician's and Surgeon's Certificate, No. G 72992 to disciplinary action.

1 **ADDITIONAL PROVISIONS**

3 to be an integrated writing representing the complete, final, and exclusive embodiment of the  
4 agreements of the parties in the above-entitled matter.

5 15. The parties agree that copies of this Stipulated Settlement and Disciplinary Order, <sup>all</sup>  
6 including copies of the signatures of the parties, may be used in lieu of original documents <sup>and</sup>  
7 signatures and, further, that such copies shall have the same force and effect as originals.

8 16. In consideration of the foregoing admissions and stipulations, the parties agree the

1  
2       3.    This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
4 indicated.

5       4.    Section 2227 of the Code provides that a licensee who is found guilty under the  
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other

9       5.    Section 2234 of the Code provides that the Board shall take action against any

18       7.    Section 141 of the Code provides:

19           (a) For any licensee holding a license issued by a board under the jurisdiction of

disciplinary action taken against the licensee by another state, an agency of the  
federal government, or another country shall be conclusive evidence of the events  
related therein.

24           (b) Nothing in this section shall preclude a board from applying a specific  
25 statutory provision in the licensing act administered by that board that provides for  
discipline based upon a disciplinary action taken against the licensee by another state,  
an agency of the federal government, or another country.

1 FIRST CAUSE FOR DISCIPLINE

2 (Discipline, Restriction, or Limitation Imposed by Another State)

3 8. On August 22, 2019, the State of Washington Medical Quality Assurance  
4 Commission (Washington Commission) accepted a Stipulation to Informal Disposition (attached  
5 herewith as Exhibit A), regarding a Statement of Allegations and Summary of Evidence  
6 previously filed against Respondent (attached herewith as Exhibit B). The Washington  
7 Commission alleged that on July 31, 2015, at a follow-up appointment after a shoulder surgery,  
8 Respondent failed to document or address a patient's complaints of leg swelling and pain, even  
9 though the surgery increased the patient's risk of deep vein thrombosis. (Exhibit A at p. 1;  
10 Exhibit B at p.1.) A few days after the follow-up appointment, the patient was diagnosed with  
11 deep vein thrombosis and pulmonary embolism, two potentially life-threatening conditions.  
12 (*Ibid.*) Respondent and the Washington Commission chose to resolve the above matter by  
13 stipulation, and the Washington Commission accordingly forwent further disciplinary  
14 proceedings. (Exhibit A at p. 2.) In turn, Respondent agreed to a number of conditions, including:  
15 completing a continuing medical education program with a focus on identifying and treating deep  
16 vein thrombosis in orthopedic practice; submitting a scholarly paper with bibliography to the  
17 Washington Commission on the topic of deep vein thrombosis in orthopedic medicine, with  
18 particular discussion of how the foregoing incident will change Respondent's policies and  
19 procedures regarding the condition; appearing personally before the Washington Commission;  
20 and paying the Washington Commission the sum of \$1,000.00 as partial reimbursement of the  
21 costs of investigating the matter concerning Respondent.

22 9. Respondent's alleged conduct with respect to his patient and the subsequent actions  
23 of the Washington Commission, as set forth in paragraph 8, above, and Exhibits A and B,  
24 attached, constitute cause for discipline, pursuant to section 2234 and/or section 2305 and/or  
25 section 141, subdivision (a) of the Code.

Pursuant to the Uniform Disciplinary Act, Chapter 18.130 RCW, the Medical Quality Assurance Commission (Commission) issued a Statement of Allegations and Summary of Evidence (Statement of Allegations) alleging the conduct described below. Respondent does not admit any of the allegations. This Stipulation to Informal Disposition (Stipulation) is not formal disciplinary action and shall not be construed as a finding of unprofessional conduct or inability to practice.

### 1. ALLEGATIONS

1.1 On August 19, 1996, the state of Washington issued Respondent a license to practice as a physician and surgeon. Respondent is board certified in orthopedic sports medicine and orthopedic surgery. Respondent's license is currently active.

1.2 On or about July 22, 2015, Respondent performed a right shoulder surgery for a rotator cuff repair on Patient A. The surgery put Patient A at an elevated risk for developing deep vein thrombosis (DVT).

1.3 During a follow-up appointment on or about July 31, 2015, Respondent did not document or address complaints of patient leg pain and swelling. On or about August 3, 2015, the patient was diagnosed with DVT and a pulmonary embolism at an emergency room, both potentially life-threatening conditions.

### 2. STIPULATION

2.1 The Commission alleges that the conduct described above, if proven, would constitute a violation of RCW 18.130.180(4).

ORIGINAL

2.2 The parties wish to resolve this matter by means of a Stipulation pursuant to RCW 18.130.172(1).

2.3 Respondent agrees to be bound by the terms and conditions of this Stipulation.

2.4 This Stipulation is of no force and effect and is not binding on the parties unless and until it is accepted by the Commission.

2.5 If the Commission accepts the Stipulation it will be reported to the National Practitioner Data Bank (45 CFR Part 60), the Federation of State Medical Boards' Physician Data Center and elsewhere as required by law.

2.6 The Statement of Allegations and this Stipulation are public documents. They will be placed on the Department of Health web site, disseminated via the Commission's electronic mailing list, and disseminated according to the Uniform Disciplinary Act (Chapter 18.130 RCW). They are subject to disclosure under the Public Records Act, Chapter 42.56 RCW, and shall remain part of Respondent's file according to the state's records retention law and cannot be expunged.

2.7 The Commission agrees to forgo further disciplinary proceedings concerning the allegations.

2.8 Respondent agrees to successfully complete the terms and conditions of this Informal disposition.

2.9 A violation of the provisions of Section 3 of this Stipulation, if proved, would constitute grounds for discipline under RCW 18.130.180 and the imposition of sanctions under RCW 18.130.160.

### 3. INFORMAL DISPOSITION

3.9 **Costs.** Respondent must assume all costs that Respondent incurs in complying with this Stipulation.

3.10 **Violations.** If Respondent violates any provision of this Stipulation in any respect, the Commission may initiate further action against Respondent's license.

3.11 **Change of Address or Name.** Respondent must inform the Commission and the Adjudicative Clerk Office in writing of changes in Respondent's name and residential and/or business address within thirty (30) days of such change.

3.12 **Effective Date.** The effective date of this Stipulation is the date the Adjudicative Clerk Office places the signed Stipulation into the U.S. mail. If required, Respondent shall not submit any fees or compliance documents until after the effective date of this Stipulation.

3.13 **Termination of Stipulation.** Respondent may petition the Commission in writing to terminate this Stipulation after completion of all terms and conditions. The Commission has the discretion as to whether to grant or deny the petition to terminate. If the Commission denies a petition to terminate, Respondent may petition again after an interval determined by the Commission.

#### 4. COMPLIANCE WITH SANCTION RULES

4.1 The Commission applies WAC 246-16-800, *et seq.*, to determine appropriate sanctions, including stipulations to informal disposition under RCW 18.130.172. Tier A of the "Practice Below Standard of Care" schedule, WAC 246-16-810, applies to cases where substandard practices resulted in minimal patient harm or risk of harm. Respondent's care of Patient A caused minimal harm in that the patient's discomfort was not treated until a more serious complication presented itself.

4.2 Tier A requires the imposition of sanctions ranging from zero years of oversight to three years of oversight, unless revocation. Under WAC 246-16-800(3)(d), the starting point for the duration of the sanctions is the middle of the range. The Commission uses aggravating and mitigating factors to move towards the maximum or minimum ends of the range.

4.3 While the ultimate duration of this Stipulation is undetermined to allow the Respondent time to complete the requirements of the Stipulation, the Respondent may petition to terminate after completion of the terms and conditions of the Stipulation.

placing the duration potentially at the shorter end of the range. The mitigating factors in this case, listed below, justify moving toward the minimum end of the range. The sanctions in this case include completion of a CME course, a paper, a personal appearance, partial cost recovery, and other terms designed to protect the public and provide meaningful oversight.

4.4 These sanctions are appropriate within the Tier A range given the alleged facts of the case, the Commission finding no aggravating factors, and the below mitigating factors:

Mitigating:

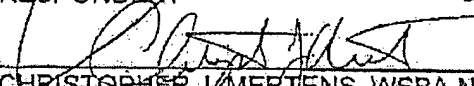

- Respondent has been practicing since 1996 with no prior disciplinary action.
- Respondent cooperated with the Commission's investigation.
