2 the Medical Board of the pendency of an action against a licensee charging a felony  
3 or misdemeanor immediately upon obtaining information that the defendant is a  
4 licensee. The notice shall identify the licensee and describe the crimes charged and  
5 the facts alleged. The prosecuting agency shall also notify the clerk of the court in  
6 which the action is pending that the defendant is a licensee, and the clerk shall record  
7 prominently in the file that the defendant holds a license as a physician and surgeon.

8 (c) The clerk of the court in which a licensee is convicted of a crime shall,  
9 within 48 hours after the conviction, transmit a certified copy of the record of  
10 conviction to the board. The division may inquire into the circumstances surrounding  
11 the commission of a crime in order to fix the degree of discipline or to determine if  
12 the conviction is of an offense substantially related to the qualifications, functions, or  
13 duties of a physician and surgeon.

14 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is

17 occurred.

18 8. Section 2239 of the Code states:

21 4022, or of alcoholic beverages, to the extent, or in such a manner as to be dangerous  
22 or injurious to the licensee, or to any other person or to the public, or to the extent that  
23 such use impairs the ability of the licensee to practice medicine safely or more than  
24 one misdemeanor or any felony involving the use, consumption, or  
25 self-administration of any of the substances referred to in this section, or any  
26 combination thereof, constitutes unprofessional conduct. The record of the  
27 conviction is conclusive evidence of such unprofessional conduct.

28 (b) A plea or verdict of guilty or a conviction following a plea of nolo  
contendere is deemed to be a conviction within the meaning of this section. The  
Medical Board may order discipline of the licensee in accordance with Section 2227  
or the Medical Board may order the denial of the license when the time for appeal has  
elapsed or the judgment of conviction has been affirmed on appeal or when an order  
granting probation is made suspending imposition of sentence, irrespective of a  
subsequent order under the provisions of Section 1203.4 of the Penal Code allowing  
such person to withdraw his or her plea of guilty and to enter a plea of not guilty, or  
setting aside the verdict of guilty, or dismissing the accusation, complaint,  
information, or indictment.

9. California Code of Regulations, title 16, section 1360, states:

For the purposes of denial, suspension or revocation of a license, certificate or  
permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime  
or act shall be considered to be substantially related to the qualifications, functions or  
duties of a person holding a license, certificate or permit under the Medical Practice  
Act if to a substantial degree it evidences present or potential unfitness of a person  
holding a license, certificate or permit to perform the functions authorized by the  
license, certificate or permit in a manner consistent with the public health, safety or  
welfare. Such crimes or acts shall include but not be limited to the following:  
Violating or attempting to violate, directly or indirectly, or assisting in or abetting the  
violation of, or conspiring to violate any provision of the Medical Practice Act.

1           10. Section 490 of the Code states:

2           (a) In addition to any other action that a board is permitted to take against a  
3           licensee, a board may suspend or revoke a license on the ground that the licensee has  
4           been convicted of a crime, if the crime is substantially related to the qualifications,  
5           functions, or duties of the business or profession for which the license was issued.

6           (b) Notwithstanding any other provision of law, a board may exercise any  
7           authority to discipline a licensee for conviction of a crime that is independent of the  
8           authority granted under subdivision (a) only if the crime is substantially related to the  
9           qualifications, functions, or duties of the business or profession for which the  
10          licensee's license was issued.

11          (c) A conviction within the meaning of this section means a plea or verdict of  
12          guilty or a conviction following a plea of nolo contendere. Any action that a board is  
13          permitted to take following the establishment of a conviction may be taken when the  
14          time for appeal has elapsed, or the judgment of conviction has been affirmed on  
15          appeal, or when an order granting probation is made suspending the imposition of  
16          sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of  
17          the Penal Code.

18          (d) The Legislature hereby finds and declares that the application of this section  
19          has been made unclear by the holding in *Petropoulos v. Department of Real Estate*  
20          (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant  
21          number of statutes and regulations in question, resulting in potential harm to the  
22          consumers of California from licensees who have been convicted of crimes.  
23          Therefore, the Legislature finds and declares that this section establishes an  
24          independent basis for a board to impose discipline upon a licensee, and that the  
25          amendments to this section made by Chapter 33 of the Statutes of 2008 do not  
26          constitute a change to, but rather are declaratory of, existing law.

27          11. Section 493 of the Code states:

28          (a) Notwithstanding any other law, in a proceeding conducted by a board within  
the department pursuant to law to deny an application for a license or to suspend or  
revoke a license or otherwise take disciplinary action against a person who holds a  
license, upon the ground that the applicant or the licensee has been convicted of a  
crime substantially related to the qualifications, functions, and duties of the licensee  
in question, the record of conviction of the crime shall be conclusive evidence of the  
fact that the conviction occurred, but only of that fact.

(b) (1) Criteria for determining whether a crime is substantially related to the  
qualifications, functions, or duties of the business or profession the board regulates  
shall include all of the following:

(A) The nature and gravity of the offense.

(B) The number of years elapsed since the date of the offense.

(C) The nature and duties of the profession.

(2) A board shall not categorically bar an applicant based solely on the type of  
conviction without considering evidence of rehabilitation.

(c) As used in this section, "license" includes "certificate," "permit,"

“authority,” and “registration.”

(d) This section does not in any way modify or otherwise affect the existing authority of the following entities in regard to licensure:

(1) The State Athletic Commission.

(2) The Bureau for Private Postsecondary Education.

(3) The California Horse Racing Board.

(e) This section shall become operative on July 1, 2020.
