**STIPULATED SETTLEMENT AND**  
**DISCIPLINARY ORDER**

19  
20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
24 California (Board). He brought this action solely in his official capacity and is represented in this  
25 matter by Rob Bonta, Attorney General of the State of California, by Christine R. Friar, Deputy  
26 Attorney General.

27 2. Respondent Bruce Mark Albert, M.D. (Respondent) is represented in this proceeding  
28 by attorneys Dennis Ames and Poge Henderson of La Follette, Johnson, Dehaas, Fesler &

1 Ames, whose address is: 2677 North Main Street, Suite 901, Santa Ana, CA 92705-6632.

2 3. On or about August 24, 1979, the Board issued Physician's and Surgeon's Certificate  
3 No. G 40650 to Respondent. The Physician's and Surgeon's Certificate was in full force and  
4 effect at all times relevant to the charges brought in Accusation No. 800-2017-032243, and will  
5 expire on December 31, 2022, unless renewed.

6 **JURISDICTION**

7 4. Accusation No. 800-2017-032243 was filed before the Board, and is currently  
8 pending against Respondent. The Accusation and all other statutorily required documents were  
9 properly served on Respondent on April 3, 2020. Respondent timely filed his Notice of Defense  
10 contesting the Accusation.

11 5. A copy of Accusation No. 800-2017-032243 is attached as Exhibit A and  
12 incorporated herein by reference.

13 **ADVISEMENT AND WAIVERS**

14 6. Respondent has carefully read, fully discussed with counsel, and understands the  
15 charges and allegations in Accusation No. 800-2017-032243. Respondent has also carefully read,  
16 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and  
17 Disciplinary Order.

18 7. Respondent is fully aware of his legal rights in this matter, including the right to a  
19 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine  
20 the witnesses against him; the right to present evidence and to testify on his own behalf; the right  
21 to the issuance of subpoenas to compel the attendance of witnesses and the production of  
22 documents; the right to reconsideration and court review of an adverse decision; and all other  
23 rights accorded by the California Administrative Procedure Act and other applicable laws.

24 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
25 every right set forth above.

26 **CULPABILITY**

27 9. Respondent agrees that, at a hearing, Complainant could establish a *prima facie* case  
28 for the charges and allegations contained in Accusation No. 800-2017-032243 and Respondent

1 hereby gives up his right to contest those charges.

2 10. Respondent does not contest that, at an administrative hearing, Complainant could  
3 establish a *prima facie* case with respect to the charges and allegations in Accusation No. 800-  
4 2017-032243, a true and correct copy of which is attached hereto as Exhibit A, and that he has  
5 thereby subjected his Physician's and Surgeon's Certificate No. A 40650 to disciplinary action.

6 11. Respondent agrees that if he ever petitions for early termination or modification of  
7 probation, or if an Accusation and/or Petition to Revoke Probation is filed against him before the  
8 Board, all of the charges and allegations contained in Accusation No. 800-2017-032243 shall be  
9 deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or  
10 any other licensing proceeding involving Respondent in the State of California.

11 12. Respondent agrees to be bound by the Board's imposition of discipline as set forth in  
12 the Disciplinary Order below.

13 **CONTINGENCY**

14 13. This stipulation shall be subject to approval by the Medical Board of California.  
15 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
16 Board of California may communicate directly with the Board regarding this stipulation and  
17 settlement, without notice to or participation by Respondent or his counsel. By signing the  
18 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
19 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
20 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
21 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
22 action between the parties, and the Board shall not be disqualified from further action by having  
23 considered this matter.

24 14. The parties understand and agree that Portable Document Format (PDF) and facsimile  
25 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
26 signatures thereto, shall have the same force and effect as the originals.

27 15. In consideration of the foregoing admissions and stipulations, the parties agree that  
28 the Board may, without further notice or formal proceeding, issue and enter the following

1 Disciplinary Order:

2 **DISCIPLINARY ORDER**

3 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 40650 issued  
4 to Respondent Bruce Mark Albert, M.D. is revoked. However, the revocation is stayed and  
5 Respondent is placed on probation for three (3) years on the following terms and conditions:

6 1. **EDUCATION COURSE.** Within 60 calendar days of the effective date of this  
7 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee  
8 for its prior approval educational program(s) or course(s) which shall not be less than 25 hours  
9 per year, for each year of probation. The educational program(s) or course(s) shall be aimed at  
10 correcting any areas of deficient practice or knowledge and shall be Category I certified. The  
11 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to  
12 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the  
13 completion of each course, the Board or its designee may administer an examination to test  
14 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 50  
15 hours of CME of which 25 hours were in satisfaction of this condition.

16 2. **MEDICAL RECORD KEEPING COURSE.** Within 60 calendar days of the effective  
17 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in  
18 advance by the Board or its designee. Respondent shall provide the approved course provider  
19 with any information and documents that the approved course provider may deem pertinent.  
20 Respondent shall participate in and successfully complete the classroom component of the course  
21 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully  
22 complete any other component of the course within one (1) year of enrollment. The medical  
23 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing  
24 Medical Education (CME) requirements for renewal of licensure.

25 A medical record keeping course taken after the acts that gave rise to the charges in the  
26 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
27 or its designee, be accepted towards the fulfillment of this condition if the course would have  
28 been approved by the Board or its designee had the course been taken after the effective date of

1 this Decision.

2 Respondent shall submit a certification of successful completion to the Board or its  
3 designee not later than 15 calendar days after successfully completing the course, or not later than  
4 15 calendar days after the effective date of the Decision, whichever is later.

5 3. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of  
6 the effective date of this Decision, Respondent shall enroll in a professionalism program, that  
7 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.  
8 Respondent shall participate in and successfully complete that program. Respondent shall  
9 provide any information and documents that the program may deem pertinent. Respondent shall  
10 successfully complete the classroom component of the program not later than six (6) months after  
11 Respondent's initial enrollment, and the longitudinal component of the program not later than the  
12 time specified by the program, but no later than one (1) year after attending the classroom  
13 component. The professionalism program shall be at Respondent's expense and shall be in  
14 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

15 A professionalism program taken after the acts that gave rise to the charges in the  
16 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
17 or its designee, be accepted towards the fulfillment of this condition if the program would have  
18 been approved by the Board or its designee had the program been taken after the effective date of  
19 this Decision.

20 Respondent shall submit a certification of successful completion to the Board or its  
21 designee not later than 15 calendar days after successfully completing the program or not later  
22 than 15 calendar days after the effective date of the Decision, whichever is later.

23 4. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this  
24 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
25 monitor, the name and qualifications of one or more licensed physicians and surgeons whose  
26 licenses are valid and in good standing, and who are preferably American Board of Medical  
27 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
28 relationship with Respondent, or other relationship that could reasonably be expected to

1 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
2 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
3 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

4 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
5 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the  
6 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed  
7 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role  
8 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees  
9 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
10 signed statement for approval by the Board or its designee.

11 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
12 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
13 make all records available for immediate inspection and copying on the premises by the monitor  
14 at all times during business hours and shall retain the records for the entire term of probation.

15 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
16 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
17 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
18 shall cease the practice of medicine until a monitor is approved to provide monitoring  
19 responsibility.

20 The monitor shall submit a quarterly written report to the Board or its designee which  
21 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
22 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
23 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the  
24 quarterly written reports to the Board or its designee within 10 calendar days after the end of the  
25 preceding quarter.

26 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
27 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
28 name and qualifications of a replacement monitor who will be assuming that responsibility within

1 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
2 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
3 notification from the Board or its designee to cease the practice of medicine within three (3)  
4 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
5 replacement monitor is approved and assumes monitoring responsibility.

6 In lieu of a monitor, Respondent may participate in a professional enhancement program  
7 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
8 review, semi-annual practice assessment, and semi-annual review of professional growth and  
9 education. Respondent shall participate in the professional enhancement program at Respondent's  
10 expense during the term of probation.

11 5. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
12 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
13 Chief Executive Officer at every hospital where privileges or membership are extended to  
14 Respondent, at any other facility where Respondent engages in the practice of medicine,  
15 including all physician and locum tenens registries or other similar agencies, and to the Chief  
16 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
17 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
18 calendar days.

19 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

20 6. SUPERVISION OF ADVANCED PRACTICE NURSES. During probation,  
21 Respondent is prohibited from supervising advanced practice nurses.

22 7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
23 governing the practice of medicine in California and remain in full compliance with any court  
24 ordered criminal probation, payments, and other orders.

25 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
26 under penalty of perjury on forms provided by the Board, stating whether there has been  
27 compliance with all the conditions of probation.

28 Respondent shall submit quarterly declarations not later than 10 calendar days after the end

1 of the preceding quarter.

2 9. GENERAL PROBATION REQUIREMENTS.

3 Compliance with Probation Unit

4 Respondent shall comply with the Board's probation unit.

5 Address Changes

6 Respondent shall, at all times, keep the Board informed of Respondent's business and  
7 residence addresses, email address (if available), and telephone number. Changes of such  
8 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
9 circumstances shall a post office box serve as an address of record, except as allowed by Business  
10 and Professions Code section 2021, subdivision (b).

11 Place of Practice

12 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
13 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
14 facility.

15 License Renewal

16 Respondent shall maintain a current and renewed California physician's and surgeon's  
17 license.

18 Travel or Residence Outside California

19 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
20 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
21 (30) calendar days.

22 In the event Respondent should leave the State of California to reside or to practice,  
23 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
24 departure and return.

25 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
26 available in person upon request for interviews either at Respondent's place of business or at the  
27 probation unit office, with or without prior notice throughout the term of probation.

28 11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or

1 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
2 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
3 defined as any period of time Respondent is not practicing medicine as defined in Business and  
4 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
5 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
6 Respondent resides in California and is considered to be in non-practice, Respondent shall  
7 comply with all terms and conditions of probation. All time spent in an intensive training  
8 program which has been approved by the Board or its designee shall not be considered non-  
9 practice and does not relieve Respondent from complying with all the terms and conditions of  
10 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
11 on probation with the medical licensing authority of that state or jurisdiction shall not be  
12 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
13 period of non-practice.

14 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
15 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
16 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
17 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
18 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

19 Respondent's period of non-practice while on probation shall not exceed two (2) years.

20 Periods of non-practice will not apply to the reduction of the probationary term.

21 Periods of non-practice for a Respondent residing outside of California will relieve  
22 Respondent of the responsibility to comply with the probationary terms and conditions with the  
23 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
24 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
25 Controlled Substances; and Biological Fluid Testing..

26 12. COMPLETION OF PROBATION. Respondent shall comply with all financial  
27 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
28 completion of probation. Upon successful completion of probation, Respondent's certificate shall

1 be fully restored.

2 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
3 of probation is a violation of probation. If Respondent violates probation in any respect, the  
4 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
5 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
6 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
7 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
8 the matter is final.

9 14. LICENSE SURRENDER. Following the effective date of this Decision, if  
10 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
11 the terms and conditions of probation, Respondent may request to surrender his or her license.  
12 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
13 determining whether or not to grant the request, or to take any other action deemed appropriate  
14 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
15 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
16 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
17 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
18 application shall be treated as a petition for reinstatement of a revoked certificate.

19 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
20 with probation monitoring each and every year of probation, as designated by the Board, which  
21 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
22 California and delivered to the Board or its designee no later than January 31 of each calendar  
23 year.

24 16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
25 a new license or certification, or petition for reinstatement of a license, by any other health care  
26 licensing action agency in the State of California, all of the charges and allegations contained in  
27 Accusation No. 800-2017-032243 shall be deemed to be true, correct, and admitted by  
28 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or

5 **FACTUAL ALLEGATIONS**

6 20. At all relevant times herein, Respondent was a physician and surgeon, specializing in  
7 orthopaedic surgery and engaged in the solo practice of medicine.

8 21. Health and Safety Code section 106965 prohibits the performance of diagnostic and  
9 therapeutic X-ray on human beings, except by those who are properly permitted, are acting within  
10 the scope of that permit, and are acting under the supervision of a licentiate of the healing arts. A  
11 facility performing X-ray exams without employing operators trained with basic understanding of  
12 radiation and exam specific procedures, places both patients and operators at risk.

13 22. Respondent is the holder of Radiography and Fluoroscopy Supervisor and Operator  
14 Permit No. 122440 which was first issued on December 12, 1983. Holders of radiography and  
15 fluoroscopy supervisor and operations permits are subject to all of the applicable provisions of  
16 Health and Safety Code sections 106955 through 107115 and 114840 through 114896, and  
17 California Code of Regulations, title 17, sections 30100 *et seq.*

18 23. The Department of Public Health (CDPH) is the agency of the State of California  
19 responsible for the permitting of licentiates of the healing arts to administer or use diagnostic X-  
20 ray on human beings, pursuant to Health and Safety Code sections 107110, 114850, subdivision  
21 (h)(1), 114872, subdivision (a), and California Code of Regulations title 17, sections 30461,  
22 30463, 30464, 30466 and 30468. Specifically, the Radiologic Health Branch (RHB) is the  
23 program that administers the licensing and certification for the state's radiography and  
24 fluoroscopy supervisors and operators.

25 24. Brea Urgent Care is an outpatient medical facility located in Brea, California,  
26 partially owned by Respondent, and where Respondent practiced orthopaedic medicine during the  
27 relevant time period.

28 ///

1           25. Newport Urgent Care is an outpatient medical facility located in Newport Beach,  
2 California, partially owned by Respondent, and where Respondent practiced orthopaedic  
3 medicine during the relevant time period.

4           26. On or about September 25, 2015, a radiation safety inspection was conducted at Brea  
5 Urgent Care, located at 395 W. Central Avenue, Brea, California 92821 after the CDPH received  
6 an anonymous complaint alleging that the facility, and another facility in Newport Beach owned  
7 by Respondent, were not registered. During the inspection, it was found that the Brea facility was  
8 not registered and that Respondent was supervising the use of X-ray by one individual who was  
9 working outside the scope of his X-ray Technician (XT) permit. A Notice of Violation and  
10 Raditation User's Declaration (NOVRUD) was issued to Respondent for supervising one  
11 individual working outside the scope of his permit. Respondent signed the NOVRUD on or about  
12 September 29, 2015, agreeing not to violate and to comply with the regulatory sections cited in  
13 the NOVRUD.

14           27. On or about November 16, 2016, a routine radiation safety inspection was conducted  
15 at Brea Urgent Care by the CDPH. During the inspection, it was found that Respondent was  
16 supervising the use of X-ray by three individuals who were working outside the scope of their XT  
17 permits. A NOVRUD was issued to Respondent for supervising and/or directing three Limited  
18 Permit X-ray Technicians who were working outside of the scope of their permits. A corrective  
19 action plan was submitted by the facility's Practice Manager on or about December 15, 2016,  
20 stating that the limited X-ray technicians will be monitored closely and will not be performing  
21 any radiological testing outside the scope of their permits. Respondent also submitted a  
22 corrective action plan dated January 20, 2017, to the CDPH.

23           28. On or about April 3, 2017, a radiation safety inspection was conducted at Newport  
24 Urgent Care, located at 1000 Bristol North, Suite 1B, Newport Beach, California 92260 by the  
25 CDPH. During the inspection, it was found that Respondent had supervised the use of X-ray by  
26 one individual who was working outside the scope of her XT permit. A NOVRUD was issued to  
27 Respondent for supervising an X-ray technician who was working outside the scope of her  
28 permit.

1 29. On or about February 25, 2019, a radiation safety inspection was conducted at Brea  
2 Urgent Care by the CDPH. During the inspection, it was again found that Respondent was  
3 supervising the use of X-ray by one individual who was working outside the scope of his XT  
4 permit. A NOVRUD was issued to Respondent for supervising and/or directing a Limited Permit  
5 X-ray technician who was working outside the scope of his permit.

6 30. On or about October 8, 2019, the CDPH served Respondent with an Accusation  
7 seeking to revoke his Radiography and Fluoroscopy Supervisor and Operator permit.  
8 Specifically, the Accusation alleges that on September 25, 2015, November 16, 2016, April 3,  
9 2017, and February 25, 2019, Respondent was found to be supervising use of X-ray by  
10 individuals working outside the scope of their permits and therefore not properly certified or  
11 permitted to conduct X-ray. Respondent's Radiography and Fluoroscopy Supervisor and  
12 Operator permit does not allow supervision of this nature. Additionally, the Accusation charges  
13 that it is unlawful for any person to direct, order, assist or abet the use of x-ray on human beings  
14 without the appropriate certification or permit.

15 **FIRST CAUSE FOR DISCIPLINE**

16 **(Aiding and Abetting the Unlicensed Practice of Medicine)**

19 abetted the unlicensed practice of medicine. The circumstances are as follows:

20 32. The allegations contained in paragraphs 20 through 30 herein are incorporated by  
21 reference as if fully set forth, and represent the aiding and abetting the unlicensed practice of  
22 medicine.

23 33. Respondent's acts and/or omissions set forth in paragraphs 20 through 30, above,  
24 whether proven individually, jointly, or in any combination thereof, constitute the aiding or  
25 abetting of an unlicensed person to engage in the practice of medicine in violation of sections  
26 2264, and 2234, subdivision (a), as defined by section 2052, subdivision (b), of the Code.  
27 Therefore, cause for discipline exists.

1 **SECOND CAUSE OF DISCIPLINE**

2 **(Repeated Negligent Acts)**

3 34. Respondent is subject to disciplinary action pursuant to Code section 2234,  
4 subdivision (c), in that he committed repeated negligent acts. The circumstances are as follows:

5 35. The allegations contained in paragraphs 20 through 30 herein are incorporated by  
6 reference as if fully set forth, and represent repeated negligent acts.

7 36. Respondent's acts and/or omissions set forth in paragraphs 20 through 30, above,  
8 whether proven individually, jointly, or in any combination thereof, constitute repeated negligent  
9 acts in violation of 2234, subdivision (c), of the Code. Therefore, cause for discipline exists.

10 **THIRD CAUSE FOR DISCIPLINE**

11 **(Unprofessional Conduct)**

12 37. Respondent is subject to disciplinary action pursuant to sections 2264, and 2234,

20 subdivision (b), of the Code. Therefore, cause for discipline exists.
