17 treatment that the Board or its designee deems necessary.

18 If, prior to the completion of probation, Respondent is found to be physically incapable of
19 resuming the practice of medicine without restrictions, the Board shall retain continuing
20 jurisdiction over Respondent's license and the period of probation shall be extended until the
21 Board determines that Respondent is physically capable of resuming the practice of medicine
22 without restrictions. Respondent shall pay the cost of the medical evaluation(s) and treatment.

23 9. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
24 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
25 Chief Executive Officer at every hospital where privileges or membership are extended to
26 Respondent, at any other facility where Respondent engages in the practice of medicine,
27 including all physician and locum tenens registries or other similar agencies, and to the Chief
28 Executive Officer at every insurance carrier which extends malpractice insurance coverage to

1 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
2 calendar days. This condition shall apply to any change(s) in hospitals, other facilities or

5 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
6 advanced practice nurses.

7 11. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
8 governing the practice of medicine in California and remain in full compliance with any court
9 ordered criminal probation, payments, and other orders.

10 12. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
11 under penalty of perjury on forms provided by the Board, stating whether there has been
12 compliance with all the conditions of probation.

13 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
14 of the preceding quarter.

15 13. GENERAL PROBATION REQUIREMENTS.

16 Compliance with Probation Unit

17 Respondent shall comply with the Board's probation unit.

18 Address Changes

19 Respondent shall, at all times, keep the Board informed of Respondent's business and
20 residence addresses, email address (if available), and telephone number. Changes of such
21 addresses shall be immediately communicated in writing to the Board or its designee. Under no
22 circumstances shall a post office box serve as an address of record, except as allowed by Business
23 and Professions Code section 2021, subdivision (b).

24 Place of Practice

25 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
26 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
27 facility.

28 //

1 License Renewal

2 Respondent shall maintain a current and renewed California physician's and surgeon's
3 license.

4 Travel or Residence Outside California

5 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
6 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
7 (30) calendar days.

8 In the event Respondent should leave the State of California to reside or to practice,
9 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
10 departure and return.

11 14. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
12 available in person upon request for interviews either at Respondent's place of business or at the
13 probation unit office, with or without prior notice throughout the term of probation.

14 15. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
15 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
16 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
17 defined as any period of time Respondent is not practicing medicine as defined in Business and
18 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
19 patient care, clinical activity or teaching, or other activity as approved by the Board. If
20 Respondent resides in California and is considered to be in non-practice, Respondent shall
21 comply with all terms and conditions of probation. All time spent in an intensive training
22 program which has been approved by the Board or its designee shall not be considered non-
23 practice and does not relieve Respondent from complying with all the terms and conditions of
24 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
25 on probation with the medical licensing authority of that state or jurisdiction shall not be
26 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
27 period of non-practice.

28 In the event Respondent's period of non-practice while on probation exceeds 18 calendar

1 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
2 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
3 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
4 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

5 Respondent's period of non-practice while on probation shall not exceed two (2) years.

6 Periods of non-practice will not apply to the reduction of the probationary term.

7 Periods of non-practice for a Respondent residing outside of California will relieve
8 Respondent of the responsibility to comply with the probationary terms and conditions with the
9 exception of this condition and the following terms and conditions of probation: Obey All Laws;
10 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
11 Controlled Substances; and Biological Fluid Testing.

12 16. COMPLETION OF PROBATION. Respondent shall comply with all financial
13 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
14 completion of probation. Upon successful completion of probation, Respondent's certificate shall
15 be fully restored.

16 17. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
17 of probation is a violation of probation. If Respondent violates probation in any respect, the
18 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
19 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
20 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
21 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
22 the matter is final.

23 18. LICENSE SURRENDER. Following the effective date of this Decision, if
24 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
25 the terms and conditions of probation, Respondent may request to surrender his or her license.
26 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
27 determining whether or not to grant the request, or to take any other action deemed appropriate
28 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent

1 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
2 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
3 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
4 application shall be treated as a petition for reinstatement of a revoked certificate.

5 19. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
6 with probation monitoring each and every year of probation, as designated by the Board, which
7 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
8 California and delivered to the Board or its designee no later than January 31 of each calendar
9 year.

10 20. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
11 a new license or certification, or petition for reinstatement of a license, by any other health care
12 licensing action agency in the State of California, all of the charges and allegations contained in
13 Accusation No. 800-2020-066844 shall be deemed to be true, correct, and admitted by
14 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
15 restrict license.

The record of the conviction is conclusive evidence of such unprofessional conduct.

22 FACTUAL ALLEGATIONS

23 12. On or about April 20, 2012, Respondent was driving a 2016 dark BMW sedan in the
24 area of Championship Drive and Nelson Road, in the city of Moorpark, California, at
25 approximately 7:59 p.m. Ventura County Sheriff's Deputy G. responded to a 911 call, where
26 another driver reported that Respondent was driving, swerving and almost caused a collision.
27 Deputy G. observed that Respondent was driving extremely slowly as he made a left turn from
28 Walnut Canyon Drive to Championship Drive. Deputy G. observed that Respondent was having
a hard time negotiating the turn. Respondent turned left onto Nelson Street, which is the entrance
to a gated neighborhood. Respondent drove on the left side of the road, and attempted to enter
through the exit gate of the community.

13. Deputy G. conducted a traffic stop and noticed Respondent's eyes were watery and he

1 had a blank stare on his face. Deputy G. asked for his driver's license, registration and insurance.
2 Respondent struggled to find the documents. Two times, Respondent tried to hand Deputy G.
3 unrelated paperwork. Respondent had a difficult time finding and removing his license from his
4 wallet. Deputy G. smelled the odor of an alcoholic beverage emanating from his breath.

5 14. Respondent agreed and attempted to perform standard field sobriety tests (SFSTs),
6 but he could not perform them. Deputy G. observed when Respondent walked, he was very
7 unsteady on his feet and had poor coordination. Deputy G. did not ask him to perform two of the
8 evaluations out of concern for his safety, since it appeared that as though he might fall over.

9 15. The following is a summary of the SFST evaluations:

10 A. Horizontal Gaze Nystagmus (HGN) Test, Vertical Gaze Nystagmus (VGN)
11 Test, Lack of Convergence Test (LOC): Respondent was unable to follow a stimulus without
12 moving his head. Deputy G. told Respondent several times to follow his finger with his eyes
13 only, without moving his head and Respondent stated he understood, but, during the horizontal
14 gaze check, the vertical gaze check and the lack of convergence check, Respondent moved his
15 head in order to follow Deputy G.'s finger.

16 B. Modified Romberg Balance Test: Respondent estimated 30 seconds to be 33
17 actual seconds. Respondent had a sway of approximately 2-3 inches. Additionally, it took
18 several times of explaining the test before Respondent was able to comprehend what Deputy G.
19 was asking him to do.

20 C. Walk and Turn: Respondent was unable to keep his balance during the
21 instruction phase of the test. Additionally, Respondent was unable to stand in the instructed
22 position during the instruction phase. Deputy G. explained the test to Respondent several times,
23 but Respondent appeared to have difficulty understanding the instructions. At one point in time,
24 Deputy G. asked if Respondent remembered how many steps to take and Respondent stated nine.
25 Satisfied that Respondent understood the instructions, Deputy G. asked him to start, but
26 Respondent did not move. It appeared as though Respondent might fall if he were to walk.
27 Therefore, Deputy G. stopped the evaluation.

28 D. One Leg Stand. During the one leg stand, Respondent lifted his right leg

1 approximately three inches off the ground, with his knee bent, his arms approximately six inches
2 away from his body for balance, and Respondent was looking at the horizon. Respondent lifted
3 his foot for approximately two seconds before returning it to the ground. Respondent appeared to
4 be swaying approximately 2-3 inches during this test. Afraid Respondent might fall, Deputy G.
5 stopped the evaluation.

6 E. Finger to Nose: Deputy G. did not have Respondent complete the evaluation,
7 due to fear Respondent might fall.

8 16. After the SFSTs were complete, Deputy G. asked if Respondent would provide a
9 Preliminary Alcohol Screen (PAS) breath sample and Respondent stated he would not and asked
10 for an attorney. Deputy G. then read the Admin Per Se document to Respondent, explaining that
11 Respondent did not have the right to an attorney before deciding which test to take. Additionally,
12 Deputy G. explained the process of obtaining a search warrant for a blood sample. Afterward,
13 Respondent stated he would provide a PAS breath sample. The PAS showed Respondent had a
14 blood alcohol concentration(BAC) of 0.23%, almost three times the Per Se Limit of 0.08% BAC
15 or higher.

16 17. Deputy G. placed Respondent under arrest for a violation of Vehicle Code Section
17 23152, subdivision(a) – Driving under the influence, and Vehicle Code Section 23152,
18 subdivision(b) – Driving with a BAC of 0.08% or higher. After telling Respondent he was under
19 arrest and without placing him in handcuffs, Deputy G. read the Miranda Advisement to
20 Respondent from his department-issued card. While Deputy G. was reading this to Respondent,
21 Respondent shook his head, indicating he understood. Deputy G. asked Respondent if he would
22 answer audibly, but Respondent just continued to shake his head. Respondent then provided an
23 evidentiary breath sample. The evidentiary breath sample showed Respondent had a BAC of
24 0.22% at 21:21 hours (9:21 p.m.) and 0.21% at 21:24 hours (9:24 p.m.).

25 18. Deputy G. transported Respondent to the Moorpark Police Station to complete the
26 pre-booking paperwork. Afterward, Deputy G. transported Respondent to the Pre-Trial Detention
27 facility to be booked. Respondent agreed to and submitted to PAS testing; The results were
28 .147% at 1:53 a.m. .164% at 1:57 a.m. and .158% at 2:00 a.m.

13 20. On or about August 5, 2020, Respondent pled guilty to all counts. He admitted to all
