DISCIPLINARY ORDER

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
23 California (Board). He brought this action solely in his official capacity and is represented in this
24 matter by Rob Bonta, Attorney General of the State of California, by Ana Gonzalez, Deputy
25 Attorney General.
26
27
28

2. Respondent Stephen Winslow Gordon, M.D. (Respondent) is represented in this proceeding by attorney Marglyn E. Paseka, whose address is: 50 California Street, 34th Floor San Francisco, CA 94111.

3. On or about May 14, 2018, the Board issued Physician's and Surgeon's Certificate No. G 155995 to Stephen Winslow Gordon, M.D. (Respondent). The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in First Amended Accusation No. 800-2019-057659, and will expire on May 31, 2022, unless renewed.

JURISDICTION

4. First Amended Accusation No. 800-2019-057659 was filed before the Board, and is currently pending against Respondent. The First Amended Accusation and all other statutorily required documents were properly served on Respondent on April 20, 2021. Respondent timely filed his Notice of Defense contesting the First Amended Accusation.

5. A copy of First Amended Accusation No. 800-2019-057659 is attached as exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in First Amended Accusation No. 800-2019-057659. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the First Amended Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

1 **CULPABILITY**

2 9. Respondent agrees that, at a hearing, Complainant could establish a prima facie case
3 or factual basis for the charges in the First Amended Accusation, and that Respondent hereby
4 gives up his right to contest those charges.

5 10. Respondent does not contest that, at an administrative hearing, complainant could
6 establish a prima facie case with respect to the charges and allegations in First Amended
7 Accusation No. 800-2019-057659, a true and correct copy of which is attached hereto as Exhibit
8 A, and that he has thereby subjected his Physician's and Surgeon's Certificate, No. G 155995 to
9 disciplinary action.

10 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
11 discipline and he agrees to be bound by the Board's probationary terms as set forth in the
12 Disciplinary Order below.

13 12. Respondent agrees that if he ever petitions for early termination or modification of
14 probation, or if an accusation and/or petition to revoke probation is filed against him before the
15 Board, all of the charges and allegations contained in First Amended Accusation No. 800-2019-
16 057659 shall be deemed true, correct and fully admitted by respondent for purposes of any such
17 proceeding or any other licensing proceeding involving Respondent in the State of California.

18 **CONTINGENCY**

19 13. This stipulation shall be subject to approval by the Medical Board of California.
20 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
21 Board of California may communicate directly with the Board regarding this stipulation and
22 settlement, without notice to or participation by Respondent or his counsel. By signing the
23 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
24 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
25 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
26 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
27 action between the parties, and the Board shall not be disqualified from further action by having
28 considered this matter.

14. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

15. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by the Respondent, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 155995 issued to Respondent Stephen Winslow Gordon, M.D. is revoked. However, the revocation is stayed and Respondent is placed on probation for five (5) years on the following terms and conditions:

1. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a course in medical record keeping approved in advance by the Board or its designee. Respondent shall provide the approved course provider with any information and documents that the approved course provider may deem pertinent. Respondent shall participate in and successfully complete the classroom component of the course not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully complete any other component of the course within one (1) year of enrollment. The medical record keeping course shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

A medical record keeping course taken after the acts that gave rise to the charges in the First Amended Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the course would have been approved by the Board or its designee had the course been taken after the effective date of this Decision.

Respondent shall submit a certification of successful completion to the Board or its designee not later than 15 calendar days after successfully completing the course, or not later than 15 calendar days after the effective date of the Decision, whichever is later.

///

1 2. EDUCATION COURSE. Within 60 calendar days of the effective date of this
2 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee
3 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours
4 per year, for each year of probation. The educational program(s) or course(s) shall be aimed at
5 correcting any areas of deficient practice or knowledge and shall be Category I certified. The
6 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to
7 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the
8 completion of each course, the Board or its designee may administer an examination to test
9 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65
10 hours of CME of which 40 hours were in satisfaction of this condition.

11 3. CLINICAL COMPETENCE ASSESSMENT PROGRAM. Within 60 calendar
12 days of the effective date of this Decision, Respondent shall enroll in a clinical competence
13 assessment program approved in advance by the Board or its designee. Respondent shall
14 successfully complete the program not later than six (6) months after Respondent's initial
15 enrollment unless the Board or its designee agrees in writing to an extension of that time.

16 The program shall consist of a comprehensive assessment of Respondent's physical and
17 mental health and the six general domains of clinical competence as defined by the Accreditation
18 Council on Graduate Medical Education and American Board of Medical Specialties pertaining to
19 Respondent's current or intended area of practice. The program shall take into account data
20 obtained from the pre-assessment, self-report forms and interview, and the Decision(s), First
21 Amended Accusation(s), and any other information that the Board or its designee deems relevant.
22 The program shall require Respondent's on-site participation for a minimum of three (3) and no
23 more than five (5) days as determined by the program for the assessment and clinical education
24 evaluation. Respondent shall pay all expenses associated with the clinical competence
25 assessment program.

26 At the end of the evaluation, the program will submit a report to the Board or its designee
27 which unequivocally states whether the Respondent has demonstrated the ability to practice
28 safely and independently. Based on Respondent's performance on the clinical competence

1 assessment, the program will advise the Board or its designee of its recommendation(s) for the
2 scope and length of any additional educational or clinical training, evaluation or treatment for any
3 medical condition or psychological condition, or anything else affecting Respondent's practice of
4 medicine. Respondent shall comply with the program's recommendations.

5 Determination as to whether Respondent successfully completed the clinical competence
6 assessment program is solely within the program's jurisdiction.

7 Respondent shall not practice medicine, , until Respondent has successfully completed the
8 program and has been so notified by the Board or its designee in writing. The Clinical
9 Competence Assessment shall specifically address Respondent's competence in the area of
10 cosmetic surgery, and Respondent shall not practice cosmetic surgery in California until such
11 time as the program has notified the Board or its designee that he is safe to practice in that
12 specialty.

13 4. MONITORING - PRACTICE. Within 30 calendar days of the effective date of
14 this Decision, Respondent shall submit to the Board or its designee for prior approval as a
15 practice monitor(s), the name and qualifications of one or more licensed physicians and surgeons
16 whose licenses are valid and in good standing, and who are preferably American Board of
17 Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or
18 personal relationship with Respondent, or other relationship that could reasonably be expected to
19 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
20 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
21 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

22 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
23 and First Amended Accusation, and a proposed monitoring plan. Within 15 calendar days of
24 receipt of the Decision, First Amended Accusation, and proposed monitoring plan, the monitor
25 shall submit a signed statement that the monitor has read the Decision and First Amended
26 Accusation, fully understands the role of a monitor, and agrees or disagrees with the proposed
27 monitoring plan. If the monitor disagrees with the proposed monitoring plan, the monitor shall
28 submit a revised monitoring plan with the signed statement for approval by the Board or its

1 designee.

2 Within 60 calendar days of the effective date of this Decision, and continuing throughout
3 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall
4 make all records available for immediate inspection and copying on the premises by the monitor
5 at all times during business hours and shall retain the records for the entire term of probation.

6 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
7 date of this Decision, Respondent shall receive a notification from the Board or its designee to
8 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
9 shall cease the practice of medicine until a monitor is approved to provide monitoring
10 responsibility.

11 The monitor(s) shall submit a quarterly written report to the Board or its designee which
12 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
13 are within the standards of practice of medicine, and whether Respondent is practicing medicine
14 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure
15 that the monitor submits the quarterly written reports to the Board or its designee within 10
16 calendar days after the end of the preceding quarter.

17 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
18 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
19 name and qualifications of a replacement monitor who will be assuming that responsibility within
20 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
21 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
22 notification from the Board or its designee to cease the practice of medicine within three (3)
23 calendar days after being so notified. Respondent shall cease the practice of medicine until a
24 replacement monitor is approved and assumes monitoring responsibility.

25 In lieu of a monitor, Respondent may participate in a professional enhancement program
26 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
27 review, semi-annual practice assessment, and semi-annual review of professional growth and
28 education. Respondent shall participate in the professional enhancement program at Respondent's

1 expense during the term of probation.

2 5. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
3 Respondent shall provide a true copy of this Decision and First Amended Accusation to the Chief
4 of Staff or the Chief Executive Officer at every hospital where privileges or membership are
5 extended to Respondent, at any other facility where Respondent engages in the practice of
6 medicine, including all physician and locum tenens registries or other similar agencies, and to the
7 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage
8 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within
9 15 calendar days.

10 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

11 6. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
12 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
13 advanced practice nurses.

14 7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all
15 rules governing the practice of medicine in California and remain in full compliance with any
16 court ordered criminal probation, payments, and other orders.

17 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly
18 declarations under penalty of perjury on forms provided by the Board, stating whether there has
19 been compliance with all the conditions of probation.

20 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
21 of the preceding quarter.

22 9. GENERAL PROBATION REQUIREMENTS.

23 Compliance with Probation Unit

24 Respondent shall comply with the Board's probation unit.

25 Address Changes

26 Respondent shall, at all times, keep the Board informed of Respondent's business and
27 residence addresses, email address (if available), and telephone number. Changes of such
28 addresses shall be immediately communicated in writing to the Board or its designee. Under no

1 circumstances shall a post office box serve as an address of record, except as allowed by Business
2 and Professions Code section 2021, subdivision (b).

3 Place of Practice

4 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
5 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
6 facility.

7 License Renewal

8 Respondent shall maintain a current and renewed California physician's and surgeon's
9 license.

10 Travel or Residence Outside California

11 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
12 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
13 (30) calendar days.

14 In the event Respondent should leave the State of California to reside or to practice,
15 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
16 departure and return.

17 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
18 available in person upon request for interviews either at Respondent's place of business or
19 at the probation unit office, with or without prior notice throughout the term of probation.

20 11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board
21 or its designee in writing within 15 calendar days of any periods of non-practice lasting more than
22 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
23 defined as any period of time Respondent is not practicing medicine as defined in Business and
24 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
25 patient care, clinical activity or teaching, or other activity as approved by the Board. If
26 Respondent resides in California and is considered to be in non-practice, Respondent shall
27 comply with all terms and conditions of probation. All time spent in an intensive training
28 program which has been approved by the Board or its designee shall not be considered non-

1 practice and does not relieve Respondent from complying with all the terms and conditions of
2 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
3 on probation with the medical licensing authority of that state or jurisdiction shall not be
4 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
5 period of non-practice.

6 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
7 months, Respondent shall successfully complete the Federation of State Medical Boards' Special
8 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
9 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
10 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

11 Respondent's period of non-practice while on probation shall not exceed two (2) years.

12 Periods of non-practice will not apply to the reduction of the probationary term.

13 Periods of non-practice for a Respondent residing outside of California will relieve
14 Respondent of the responsibility to comply with the probationary terms and conditions with the
15 exception of this condition and the following terms and conditions of probation: Obey All Laws;
16 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
17 Controlled Substances; and Biological Fluid Testing.

18 12. COMPLETION OF PROBATION. Respondent shall comply with all financial
19 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
20 completion of probation. Upon successful completion of probation, Respondent's certificate shall
21 be fully restored.

22 13. VIOLATION OF PROBATION. Failure to fully comply with any term or
23 condition of probation is a violation of probation. If Respondent violates probation in any
24 respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke
25 probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition to
26 Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation,
27 the Board shall have continuing jurisdiction until the matter is final, and the period of probation
28 shall be extended until the matter is final.

1 14. LICENSE SURRENDER. Following the effective date of this Decision, if
2 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
3 the terms and conditions of probation, Respondent may request to surrender his or her license.
4 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
5 determining whether or not to grant the request, or to take any other action deemed appropriate
6 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
7 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
8 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
9 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
10 application shall be treated as a petition for reinstatement of a revoked certificate.

11 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
12 with probation monitoring each and every year of probation, as designated by the Board, which
13 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
14 California and delivered to the Board or its designee no later than January 31 of each calendar
15 year.

16 16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply
17 for a new license or certification, or petition for reinstatement of a license, by any other health
18 care licensing action agency in the State of California, all of the charges and allegations contained
19 in First Amended Accusation No. 800-2019-057659 shall be deemed to be true, correct, and
20 admitted by Respondent for the purpose of any Statement of Issues or any other proceeding
21 seeking to deny or restrict license.

1 **JURISDICTION**

2 This First Amended Accusation is brought before the Board, under the authority of the
3 following laws. All section references are to the Business and Professions Code (Code) unless
4 otherwise indicated.

5 3. Section 2227 of the Code provides in part that the Board may revoke, suspend for a
6 period not to exceed one year, or place on probation, the license of any licensee who has been
7 found guilty under the Medical Practice Act, and may recover the costs of probation monitoring.

8 4. Section 2305 of the Code provides, in part, that the revocation, suspension, or other
9 discipline, restriction or limitation imposed by another state upon a license to practice medicine
10 issued by that state, or the revocation, suspension, or restriction of the authority to practice
11 medicine by any agency of the federal government, that would have been grounds for discipline
12 in California under the Medical Practice Act, constitutes grounds for discipline for unprofessional
13 conduct.

14 5. Section 141 of the Code states:

15 (a) For any licensee holding a license issued by a board under the jurisdiction of
16 the department, a disciplinary action taken by another state, by any agency of the
17 federal government, or by another country for any act substantially related to the
18 practice regulated by the California license, may be a ground for disciplinary action
19 by the respective state licensing board. A certified copy of the record of the
disciplinary action taken against the licensee by another state, an agency of the
federal government, or another country shall be conclusive evidence of the events
related therein.

20 (b) Nothing in this section shall preclude a board from applying a specific
21 statutory provision in the licensing act administered by that board that provides for
discipline based upon a disciplinary action taken against the licensee by another state,
an agency of the federal government, or another country.

22 **FIRST CAUSE FOR DISCIPLINE**

23 **(Discipline, Restriction, or Limitation Imposed by Another State)**

24 6. On June 7, 2019, the Nevada State Board of Medical Examiners imposed restrictions
25 and discipline on Respondent's Nevada medical license. Respondent was ordered to refrain from
26 performing liposuction, liposculpture, fat grafting, and panniculectomy until further order of the
27 Board; a Public Letter of Reprimand was issued along with a fine of \$2,500.00. This discipline
28

1 was based on a Complaint setting out that Respondent's patient died from exsanguination caused
2 by perforation/puncture of internal organs committed during a liposuction, liposculpture, fat
3 grafting and panniculectomy procedure. A copy of the Nevada Settlement Agreement and
4 Complaint is attached as Exhibit A.

5 7. Respondent's conduct and the action of the Nevada Medical Board as set forth in
6 paragraph 6, above, constitute cause for discipline pursuant to sections 2305 and/or 141 of the
7 Code.

8 SECOND CAUSE FOR DISCIPLINE

9 (Discipline, Restriction, or Limitation Imposed by Another State)

10 8. On March 5, 2021, the Nevada State Board of Medical Examiners imposed
11 restrictions and discipline on Respondent's Nevada medical license. In addition to a Public Letter
12 of Reprimand, Respondent was ordered to complete 100 hours of community service, pay a fine,
13 and take continuing medical education courses in medical ethics and professionalism. This
14 discipline was based on a Complaint setting out that Respondent's patient died from a pulmonary
15 fat embolism after a procedure where fat was transferred into her buttocks after liposuction in her
16 lower back, abdomen and flanks. Respondent did not discuss the risk of death associated with
17 this procedure with this patient, and did not obtain written consent acknowledging the risk of
18 pulmonary fat embolism and potential death from the procedure. A copy of the Nevada
19 Settlement Agreement and Complaint is attached as Exhibit B.

20 9. Respondent's conduct and the action of the Nevada Medical Board as set forth in
21 paragraph 6, above, constitute cause for discipline pursuant to sections 2305 and/or 141 of the
22 Code.

23 PRAYER

24 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,
25 and that following the hearing, the Medical Board of California issue a decision:

26 1. Revoking or suspending Physician's and Surgeon's Certificate Number G 155995,
27 issued to Stephen Winslow Gordon, M.D.;

1 information acquired by the Board, NRS 630.364(2)(a). Respondent agrees to release the State of
2 Nevada, the Board, and each of its members, staff, counsel, investigators, experts, peer reviewers,
3 committees, panels, hearing officers, consultants and agents from any and all manner of actions,
4 causes of action, suits, debts, judgments, executions, claims and demands whatsoever, known and

10 recommend approval and adoption of the terms and conditions of this Agreement by the Board in
11 resolution of this Complaint. In the course of seeking Board acceptance, approval and adoption of
12 this Agreement, counsel for the IC may communicate directly with the Board staff and the
13 adjudicating members of the Board.

14 Respondent acknowledges that such contacts and communications may be made or
15 conducted ex parte, without notice or opportunity to be heard on his part until the public Board
16 meeting where this Agreement is discussed, and that such contacts and communications may
17 include, but may not be limited to, matters concerning this Agreement, the Complaint and any and
18 all information of every nature whatsoever related to this matter. The IC and its counsel agree that
19 Respondent and/or Counsel for the Respondent may appear at the Board meeting where this

21 IC or the IC's counsel.

22 8. Effect of Acceptance of Agreement by Board. In the event the Board accepts,
23 approves and adopts this Agreement, the Board shall issue a final order, making this Agreement
24 an order of the Board, and, pending full compliance with the terms herein, the case shall be closed
25 and all remaining claims arising out of the Complaint shall be dismissed with prejudice.

26 9. Effect of Rejection of Agreement by Board. In the event the Board does not
27 accept, approve and adopt this Agreement, this Agreement shall be null, void and of no force and
28 effect except as to the following agreement regarding adjudications: (1) Respondent agrees that,

notwithstanding rejection of this Agreement by the Board, nothing contained in this Agreement and nothing that occurs pursuant to efforts of the IC to seek the Board's acceptance of this Agreement shall disqualify any member of the adjudicating panel of the Board from considering this Complaint and from participating in disciplinary proceedings against Respondent, including adjudication of this case; and (2) Respondent further agrees that he shall not seek to disqualify any such member absent evidence of bad faith.

10. Binding Effect. If approved by the Board, Respondent understands that this Agreement is a binding and enforceable contract upon Respondent and the Board.

11. Forum Selection Clause. The parties agree that in the event either party is required to seek enforcement of this Agreement in district court, the parties consent to such jurisdiction and agree that exclusive jurisdiction shall be in the Second Judicial District Court, State of Nevada, Washoe County.

12. Attorneys' Fees and Costs. The parties agree that in the event an action is commenced in district court to enforce any provision of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs.

13. Failure to Comply With Terms. Should Respondent fail to comply with any term or condition of this Agreement once the Agreement has been accepted, approved and adopted by the Board, the IC shall be authorized to immediately suspend Respondent's license to practice medicine in Nevada pending an Order To Show Cause Hearing, which will be duly noticed. Failure to comply with the terms of this Agreement, including failure to pay any fines, costs, expenses or fees owed to the Board, is a failure to comply with an order of the Board, which may result in additional disciplinary action being taken against Respondent. NRS 630.3065(2)(a). Further, Respondent's failure to remit payment to the Board for monies agreed to be paid as a condition of this Agreement may subject Respondent to civil collection efforts.

COMPLAINT

The Investigative Committee¹ (IC) of the Nevada State Board of Medical Examiners (Board) hereby issues this formal Complaint (Complaint) against Stephen Winslow Gordon, M.D. (Respondent), a physician licensed in Nevada. After investigating this matter, the IC has a reasonable basis to believe that Respondent has violated provisions of Nevada Revised Statutes (NRS) Chapter 630 and Nevada Administrative Code (NAC) Chapter 630 (collectively, the Medical Practice Act). The IC alleges the following facts:

1. Respondent is, and was at all times relevant to this case, a physician licensed to practice medicine in the State of Nevada (License No. 7986). His license was originally issued by the Board on September 23, 1996.

A. Respondent's Treatment of Patient A

2. Patient A's name is not disclosed in this Complaint to protect her identity, but her identity is disclosed in the Patient Designation contemporaneously served on Respondent with a copy of this Complaint.

3. Patient A was a healthy, 30-year-old female in February 2018, when she presented to Respondent for liposuction in her lower back, abdomen, and flanks, and fat transfer into her buttocks. The foregoing is commonly referred to as a "Brazilian Butt Lift" procedure (hereinafter, the "Operation"), a procedure with a risk of death far greater than any other cosmetic surgeries.

¹ The Investigative Committee of the Nevada State Board of Medical Examiners, at the time this formal Complaint was authorized for filing, was composed of Board members Mr. M. Neil Duxbury, Chairman, Aury Nagy, M.D., and Michael C. Edwards, M.D., FACS.

OFFICE OF THE GENERAL COUNSEL

Nevada State Board of Medical Examiners

Reno, Nevada 89521
(775) 688-2559

1 4. Respondent did not specifically discuss the risk of death associated with a Brazilian
2 Butt Lift and did not obtain written consent from Patient A that acknowledged the risk of
3 pulmonary fat embolism and potential death from the procedure.

4 5. Respondent performed the Operation on March 19, 2018. During the Operation,
5 Patient A went into cardiac arrest. Patient A was transported to Spring Valley Emergency Room,
6 where attempts to resuscitate her were unsuccessful.

7 6. Patient A died as a result of a pulmonary fat embolism suffered during the
8 Operation, that was performed by Respondent, or were caused by others acting at his direction, the
9 safety and performance of such tasks Respondent is professionally responsible for pursuant to
10 NAC 630.830.

11 **COUNT I**

12 **NRS 630.301(4) (Malpractice)**

13 7. All of the allegations in the above paragraphs are hereby incorporated as if fully set
14 forth herein.

15 8. Malpractice is grounds for disciplinary action against a licensee pursuant to
16 NRS 630.301(4).

17 9. NAC 630.040 defines malpractice as a practitioner's failure to use the reasonable
18 care, skill, or knowledge ordinarily used under similar circumstances when treating a patient.

19 10. As demonstrated by, but not limited to, the above-outlined facts, Respondent
20 committed malpractice with respect to his treatment of Patient A.

21 11. By reason of the foregoing, Respondent is subject to discipline by the Board as
22 provided in NRS 630.352.

23 **WHEREFORE**, the Investigative Committee prays:

24 1. That the Board give Respondent notice of the charges herein and give notice that
25 an answer to the Complaint herein may be filed as set forth in NRS 630.339(2) within twenty (20)
26 days of service of the Complaint;

27 2. That the Board set a time and place for a formal hearing after holding an Early
28 Case Conference pursuant to NRS 630.339(3);
