1 CULPABILITY

2 9. Respondent does not contest that, at an administrative hearing, Complainant could

12 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 157176  
13 issued to Respondent Vishal Kashyap Gajendran, M.D., is revoked. However, the revocation is  
14 stayed and Respondent is placed on probation for seven (7) years on the following terms and  
15 conditions:

17 of this Order and while Respondent is on probation, Respondent must provide all patients, or  
18 patient's guardian or health care surrogate, with a separate disclosure that includes Respondent's  
19 probation status, the length of the probation, the probation end date, all practice restrictions  
20 placed on Respondent by the Board, the Board's telephone number, and an explanation of how  
21 the patient can find further information on Respondent's probation on Respondent's profile page  
22 on the Board's website. Respondent shall obtain from the patient, or the patient's guardian or  
23 health care surrogate, a separate, signed copy of that disclosure. Respondent shall not be required  
24 to provide a disclosure if any of the following applies: (1) The patient is unconscious or  
25 otherwise unable to comprehend the disclosure and sign the copy of the disclosure and a guardian

4 practice of medicine for sixty (60) days beginning on the effective date of this Decision.

5 3. CONTROLLED SUBSTANCES - MAINTAIN RECORDS AND ACCESS TO  
6 RECORDS AND INVENTORIES. Respondent shall maintain a record of all controlled  
7 substances ordered, prescribed, dispensed, administered, or possessed by Respondent, and any  
8 recommendation or approval which enables a patient or patient's primary caregiver to possess or  
9 cultivate marijuana for the personal medical purposes of the patient within the meaning of Health  
10 and Safety Code section 11362.5, during probation, showing all of the following: 1) the name and  
11 address of the patient; 2) the date; 3) the character and quantity of controlled substances involved;  
12 and 4) the indications and diagnosis for which the controlled substances were furnished.

13 Respondent shall keep these records in a separate file or ledger, in chronological order. All  
14 records and any inventories of controlled substances shall be available for immediate inspection  
15 and copying on the premises by the Board or its designee at all times during business hours and  
16 shall be retained for the entire term of probation.

17 4. CONTROLLED SUBSTANCES - ABSTAIN FROM USE. Respondent shall abstain  
18 completely from the personal use or possession of controlled substances as defined in the  
19 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and  
20 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not

28 use of products or beverages containing alcohol.

2 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee  
3 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours  
4 per year, for each year of probation. The educational program(s) or course(s) shall be aimed at  
5 correcting any areas of deficient practice or knowledge and shall be Category I certified. The  
6 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to  
7 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the  
8 completion of each course, the Board or its designee may administer an examination to test  
9 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65  
10 hours of CME of which 40 hours were in satisfaction of this condition.

11           7.    PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of  
12 the effective date of this Decision, Respondent shall enroll in a professionalism program, that  
13 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.  
14 Respondent shall participate in and successfully complete that program. Respondent shall  
15 provide any information and documents that the program may deem pertinent. Respondent shall  
16 successfully complete the classroom component of the program not later than six (6) months after  
17 Respondent's initial enrollment, and the longitudinal component of the program not later than the  
18 time specified by the program, but no later than one (1) year after attending the classroom  
19 component. The professionalism program shall be at Respondent's expense and shall be in  
20 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

21           A professionalism program taken after the acts that gave rise to the charges in the  
22 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
23 or its designee, be accepted towards the fulfillment of this condition if the program would have  
24 been approved by the Board or its designee had the program been taken after the effective date of  
25 this Decision.

26           Respondent shall submit a certification of successful completion to the Board or its  
27 designee not later than 15 calendar days after successfully completing the program or not later  
28 than 15 calendar days after the effective date of the Decision, whichever is later.

1           8.    PSYCHOTHERAPY. Within 60 calendar days of the effective date of this Decision,  
2 Respondent shall submit to the Board or its designee for prior approval the name and  
3 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who  
4 has a doctoral degree in psychology and at least five years of postgraduate experience in the  
5 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall  
6 undergo and continue psychotherapy treatment, including any modifications to the frequency of  
7 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

8           The psychotherapist shall consider any information provided by the Board or its designee  
9 and any other information the psychotherapist deems relevant and shall furnish a written  
10 evaluation report to the Board or its designee. Respondent shall cooperate in providing the  
11 psychotherapist with any information and documents that the psychotherapist may deem  
12 pertinent.

13           Respondent shall have the treating psychotherapist submit quarterly status reports to the  
14 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric  
15 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of  
16 probation, Respondent is found to be mentally unfit to resume the practice of medicine without  
17 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the  
18 period of probation shall be extended until the Board determines that Respondent is mentally fit  
19 to resume the practice of medicine without restrictions.

20           Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

21           9.    MEDICAL EVALUATION AND TREATMENT. Within 30 calendar days of the  
22 effective date of this Decision, and on a periodic basis thereafter as may be required by the Board  
23 or its designee, Respondent shall undergo a medical evaluation by a Board-appointed physician  
24 who shall consider any information provided by the Board or designee and any other information  
25 the evaluating physician deems relevant and shall furnish a medical report to the Board or its  
26 designee. Respondent shall provide the evaluating physician with any information and  
27 documentation that the evaluating physician may deem pertinent.

28    ///

1 Following the evaluation, Respondent shall comply with all restrictions or conditions  
2 recommended by the evaluating physician within 15 calendar days after being notified by the  
3 Board or its designee. If Respondent is required by the Board or its designee to undergo medical  
4 treatment, Respondent shall within 30 calendar days of the requirement notice, submit to the  
5 Board or its designee for prior approval the name and qualifications of a California licensed  
6 treating physician of Respondent's choice. Upon approval of the treating physician, Respondent  
7 shall within 15 calendar days undertake medical treatment and shall continue such treatment until  
8 further notice from the Board or its designee.

9 The treating physician shall consider any information provided by the Board or its designee  
10 or any other information the treating physician may deem pertinent prior to commencement of  
11 treatment. Respondent shall have the treating physician submit quarterly reports to the Board or  
12 its designee indicating whether or not the Respondent is capable of practicing medicine safely.  
13 Respondent shall provide the Board or its designee with any and all medical records pertaining to  
14 treatment that the Board or its designee deems necessary.

15 If, prior to the completion of probation, Respondent is found to be physically incapable of  
16 resuming the practice of medicine without restrictions, the Board shall retain continuing  
17 jurisdiction over Respondent's license and the period of probation shall be extended until the  
18 Board determines that Respondent is physically capable of resuming the practice of medicine  
19 without restrictions. Respondent shall pay the cost of the medical evaluation(s) and treatment.

20 Respondent shall not engage in the practice of medicine until notified in writing by the  
21 Board or its designee of its determination that Respondent is medically fit to practice safely.

22 10. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this  
23 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
24 monitor, the name and qualifications of one or more licensed physicians and surgeons whose  
25 licenses are valid and in good standing, and who are preferably American Board of Medical  
26 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
27 relationship with Respondent, or other relationship that could reasonably be expected to  
28 compromise the ability of the monitor to render fair and unbiased reports to the Board, including

1 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
2 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

3 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
4 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the  
5 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed  
6 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role  
7 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees  
8 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
9 signed statement for approval by the Board or its designee.

10 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
11 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
12 make all records available for immediate inspection and copying on the premises by the monitor  
13 at all times during business hours and shall retain the records for the entire term of probation.

14 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
15 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
16 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
17 shall cease the practice of medicine until a monitor is approved to provide monitoring  
18 responsibility.

19 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
20 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
21 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
22 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
23 that the monitor submits the quarterly written reports to the Board or its designee within 10  
24 calendar days after the end of the preceding quarter.

25 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
26 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
27 name and qualifications of a replacement monitor who will be assuming that responsibility within  
28 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60

1 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
2 notification from the Board or its designee to cease the practice of medicine within three (3)  
3 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
4 replacement monitor is approved and assumes monitoring responsibility.

5 In lieu of a monitor, Respondent may participate in a professional enhancement program  
6 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
7 review, semi-annual practice assessment, and semi-annual review of professional growth and  
8 education. Respondent shall participate in the professional enhancement program at Respondent's  
9 expense during the term of probation.

10 11. PROHIBITED PRACTICE. During probation, when Respondent resumes practice,  
11 Respondent is prohibited from direct patient care or access to medications for two (2) months,  
12 and will only resume direct patient care and access to medications with the approval of Loma  
13 Linda University Medical Center's Well Being Committee and Respondent's addiction  
14 psychiatrist. Respondent is also required to continue to receive monthly Vivitrol injections for a  
15 total period of two (2) years.

16 12. CLINICAL DIAGNOSTIC EVALUATIONS AND REPORTS: Within thirty (30)  
17 calendar days of the effective date of this Decision, and on whatever periodic basis thereafter as  
18 may be required by the Board or its designee, Respondent shall undergo and complete a clinical  
19 diagnostic evaluation, including any and all testing deemed necessary, by a Board-appointed  
20 board certified physician and surgeon. The examiner shall consider any information provided by  
21 the Board or its designee and any other information he or she deems relevant, and shall furnish a  
22 written evaluation report to the Board or its designee.

23 The clinical diagnostic evaluation shall be conducted by a licensed physician and surgeon  
24 who holds a valid, unrestricted license, has three (3) years' experience in providing evaluations of  
25 physicians and surgeons with substance abuse disorders, and is approved by the Board or its  
26 designee. The clinical diagnostic evaluation shall be conducted in accordance with acceptable  
27 professional standards for conducting substance abuse clinical diagnostic evaluations. The  
28 evaluator shall not have a current or former financial, personal, or business relationship with

1 Respondent within the last five (5) years. The evaluator shall provide an objective, unbiased, and  
2 independent evaluation. The clinical diagnostic evaluation report shall set forth, in the  
3 evaluator's opinion, whether Respondent has a substance abuse problem, whether Respondent is a  
4 threat to himself or others, and recommendations for substance abuse treatment, practice  
5 restrictions, or other recommendations related to Respondent's rehabilitation and ability to  
6 practice safely. If the evaluator determines during the evaluation process that Respondent is a  
7 threat to himself or others, the evaluator shall notify the Board within twenty-four (24) hours of  
8 such a determination.

9 In formulating his or her opinion as to whether Respondent is safe to return to either part-  
10 time or full-time practice and what restrictions or recommendations should be imposed, including  
11 participation in an inpatient or outpatient treatment program, the evaluator shall consider the  
12 following factors: Respondent's license type; Respondent's history; Respondent's documented  
13 length of sobriety (i.e., length of time that has elapsed since Respondent's last substance use);  
14 Respondent's scope and pattern of substance abuse; Respondent's psychiatric treatment history;  
15 Respondent's treatment history, medical history and current medical condition; the nature,  
16 duration and severity of Respondent's substance abuse problem or problems; and whether  
17 Respondent is a threat to himself or herself or the public.

18 For all clinical diagnostic evaluations, a final written report shall be provided to the Board  
19 no later than ten (10) days from the date the evaluator is assigned the matter. If the evaluator  
20 requests additional information or time to complete the evaluation and report, an extension may  
21 be granted, but shall not exceed thirty (30) days from the date the evaluator was originally  
22 assigned the matter.

23 The Board shall review the clinical diagnostic evaluation report within five (5) business  
24 days of receipt to determine whether Respondent is safe to return to either part-time or full-time  
25 practice and what restrictions or recommendations shall be imposed on Respondent based on the  
26 recommendations made by the evaluator. Respondent shall not be returned to practice until he  
27 has at least thirty (30) days of negative biological fluid tests or biological fluid tests indicating

28 ///

1 that he has not used, consumed, ingested, or administered to himself a prohibited substance, as  
2 defined in section 1361.51, subdivision (e), of Title 16 of the California Code of Regulations.

3 Clinical diagnostic evaluations conducted prior to the effective date of this Decision shall  
4 not be accepted towards the fulfillment of this requirement. The cost of the clinical diagnostic  
5 evaluation, including any and all testing deemed necessary by the examiner, the Board or its  
6 designee, shall be borne by the licensee.

7 Respondent shall not engage in the practice of medicine until notified by the Board or its  
8 designee that he is fit to practice medicine safely. The period of time that Respondent is not  
9 practicing medicine shall not be counted toward completion of the term of probation. Respondent  
10 shall undergo biological fluid testing as required in this Decision at least two (2) times per week  
11 while awaiting the notification from the Board if he is fit to practice medicine safely.

12 Respondent shall comply with all restrictions or conditions recommended by the examiner  
13 conducting the clinical diagnostic evaluation within fifteen (15) calendar days after being notified  
14 by the Board or its designee.

15 13. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7)  
16 days of the effective date of this Decision, Respondent shall provide to the Board the names,  
17 physical addresses, mailing addresses, and telephone numbers of any and all employers and  
18 supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's  
19 worksite monitor, and Respondent's employers and supervisors to communicate regarding  
20 Respondent's work status, performance, and monitoring.

21 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or  
22 Well Being Committee Chair, or equivalent, if applicable, when the Respondent has medical staff  
23 privileges.

24 14. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to  
25 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.  
26 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair  
27 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall  
28 make daily contact with the Board or its designee to determine whether biological fluid testing is

1 required. Respondent shall be tested on the date of the notification as directed by the Board or its  
2 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at  
3 any time, including weekends and holidays. Except when testing on a specific date as ordered by  
4 the Board or its designee, the scheduling of biological fluid testing shall be done on a random  
5 basis. The cost of biological fluid testing shall be borne by the Respondent.

6 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.  
7 During the second year of probation and for the duration of the probationary term, up to five (5)  
8 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no  
9 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing  
10 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number  
11 of random tests to the first-year level of frequency for any reason.

12 Prior to practicing medicine, Respondent shall contract with a laboratory or service,  
13 approved in advance by the Board or its designee, that will conduct random, unannounced,  
14 observed, biological fluid testing and meets all of the following standards:

15 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry  
16 Association or have completed the training required to serve as a collector for the United  
17 States Department of Transportation.

18 (b) Its specimen collectors conform to the current United States Department of  
19 Transportation Specimen Collection Guidelines.

20 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published  
21 by the United States Department of Transportation without regard to the type of test  
22 administered.

23 (d) Its specimen collectors observe the collection of testing specimens.

24 (e) Its laboratories are certified and accredited by the United States Department of Health  
25 and Human Services.

26 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day  
27 of receipt and all specimens collected shall be handled pursuant to chain of custody  
28 procedures. The laboratory shall process and analyze the specimens and provide legally

1 defensible test results to the Board within seven (7) business days of receipt of the  
2 specimen. The Board will be notified of non-negative results within one (1) business day  
3 and will be notified of negative test results within seven (7) business days.

4 (g) Its testing locations possess all the materials, equipment, and technical expertise  
5 necessary in order to test Respondent on any day of the week.

6 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens  
7 for the detection of alcohol and illegal and controlled substances.

8 (i) It maintains testing sites located throughout California.

9 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line  
10 computer database that allows the Respondent to check in daily for testing.

11 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff  
12 access to drug test results and compliance reporting information that is available 24 hours a  
13 day.

14 (l) It employs or contracts with toxicologists that are licensed physicians and have  
15 knowledge of substance abuse disorders and the appropriate medical training to interpret  
16 and evaluate laboratory biological fluid test results, medical histories, and any other  
17 information relevant to biomedical information.

18 (m) It will not consider a toxicology screen to be negative if a positive result is obtained  
19 while practicing, even if the Respondent holds a valid prescription for the substance.

20 Prior to changing testing locations for any reason, including during vacation or other travel,  
21 alternative testing locations must be approved by the Board and meet the requirements above.

22 The contract shall require that the laboratory directly notify the Board or its designee of  
23 non-negative results within one (1) business day and negative test results within seven (7)  
24 business days of the results becoming available. Respondent shall maintain this laboratory or  
25 service contract during the period of probation.

26 A certified copy of any laboratory test result may be received in evidence in any  
27 proceedings between the Board and Respondent.

28 ///

1 If a biological fluid test result indicates Respondent has used, consumed, ingested, or  
2 administered to himself a prohibited substance, the Board shall order Respondent to cease  
3 practice and instruct Respondent to leave any place of work where Respondent is practicing  
4 medicine or providing medical services. The Board shall immediately notify all of Respondent's  
5 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or  
6 provide medical services while the cease-practice order is in effect.

7 A biological fluid test will not be considered negative if a positive result is obtained while  
8 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited  
9 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

10 After the issuance of a cease-practice order, the Board shall determine whether the positive  
11 biological fluid test is in fact evidence of prohibited substance use by consulting with the  
12 specimen collector and the laboratory, communicating with the licensee, his or her treating  
13 physician(s), other health care provider, or group facilitator, as applicable.

14 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the  
15 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

16 For purposes of this condition, the term "prohibited substance" means an illegal drug, a  
17 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by  
18 Respondent and approved by the Board, alcohol, or any other substance the Respondent has been  
19 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

20 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited  
21 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the  
22 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to  
23 any other terms or conditions the Board determines are necessary for public protection or to  
24 enhance Respondent's rehabilitation.

25 15. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of  
26 the effective date of this Decision, Respondent shall submit to the Board or its designee, for its  
27 prior approval, the name of a substance abuse support group which he shall attend for the duration  
28 of probation. Respondent shall attend substance abuse support group meetings at least once per

1 week, or as ordered by the Board or its designee. Respondent shall pay all substance abuse  
2 support group meeting costs.

3 The facilitator of the substance abuse support group meeting shall have a minimum of three  
4 (3) years' experience in the treatment and rehabilitation of substance abuse, and shall be licensed  
5 or certified by the state or nationally certified organizations. The facilitator shall not have a  
6 current or former financial, personal, or business relationship with Respondent within the last five  
7 (5) years. Respondent's previous participation in a substance abuse group support meeting led by  
8 the same facilitator does not constitute a prohibited current or former financial, personal, or  
9 business relationship.

10 The facilitator shall provide a signed document to the Board or its designee showing  
11 Respondent's name, the group name, the date and location of the meeting, Respondent's  
12 attendance, and Respondent's level of participation and progress. The facilitator shall report any  
13 unexcused absence by Respondent from any substance abuse support group meeting to the Board,  
14 or its designee, within twenty-four (24) hours of the unexcused absence.

15 16. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty  
16 (30) calendar days of the effective date of this Decision, Respondent shall submit to the Board or  
17 its designee for prior approval as a worksite monitor, the name and qualifications of one or more  
18 licensed physician and surgeon, other licensed health care professional if no physician and  
19 surgeon is available, or, as approved by the Board or its designee, a person in a position of  
20 authority who is capable of monitoring the Respondent at work.

21 The worksite monitor shall not have a current or former financial, personal, or familial  
22 relationship with Respondent, or any other relationship that could reasonably be expected to  
23 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its  
24 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite  
25 monitor, this requirement may be waived by the Board or its designee, however, under no  
26 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

27 The worksite monitor shall have an active unrestricted license with no disciplinary action  
28 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms

1 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth  
2 by the Board or its designee.

3 Respondent shall pay all worksite monitoring costs.

4 The worksite monitor shall have face-to-face contact with Respondent in the work  
5 environment on as frequent a basis as determined by the Board or its designee, but not less than  
6 once per week; interview other staff in the office regarding Respondent's behavior, if requested  
7 by the Board or its designee; and review Respondent's work attendance.

8 The worksite monitor shall verbally report any suspected substance abuse to the Board and  
9 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected  
10 substance abuse does not occur during the Board's normal business hours, the verbal report shall  
11 be made to the Board or its designee within one (1) hour of the next business day. A written  
12 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and  
13 any other information deemed important by the worksite monitor shall be submitted to the Board  
14 or its designee within 48 hours of the occurrence.

15 The worksite monitor shall complete and submit a written report monthly or as directed by  
16 the Board or its designee which shall include the following: (1) Respondent's name and  
17 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)  
18 the worksite monitor's license number, if applicable; (4) the location or location(s) of the  
19 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the  
20 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;  
21 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can  
22 lead to suspected substance abuse by Respondent. Respondent shall complete any required  
23 consent forms and execute agreements with the approved worksite monitor and the Board, or its  
24 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

25 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)  
26 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior  
27 approval, the name and qualifications of a replacement monitor who will be assuming that  
28 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a

1 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the  
2 monitor, Respondent shall receive a notification from the Board or its designee to cease the  
3 practice of medicine within three (3) calendar days after being so notified. Respondent shall  
4 cease the practice of medicine until a replacement monitor is approved and assumes monitoring  
5 responsibility.

6 17. VIOLATION OF PROBATION CONDITION FOR SUBSTANCE ABUSING  
7 LICENSEES. Failure to fully comply with any term or condition of probation is a violation of  
8 probation.

9 A. If Respondent commits a major violation of probation as defined by section  
10 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take  
11 one or more of the following actions:

12 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical  
13 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of  
14 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice  
15 order issued by the Board or its designee shall state that Respondent must test negative for at least  
16 a month of continuous biological fluid testing before being allowed to resume practice. For  
17 purposes of determining the length of time a Respondent must test negative while undergoing  
18 continuous biological fluid testing following issuance of a cease-practice order, a month is  
19 defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until  
20 notified in writing by the Board or its designee that he may do so.

21 (2) Increase the frequency of biological fluid testing.

22 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or  
23 other action as determined by the Board or its designee.

24 B. If Respondent commits a minor violation of probation as defined by section  
25 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take  
26 one or more of the following actions:

27 (1) Issue a cease-practice order;

28 (2) Order practice limitations;

- 1 (3) Order or increase supervision of Respondent;
- 2 (4) Order increased documentation;
- 3 (5) Issue a citation and fine, or a warning letter;
- 4 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in
- 5 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of
- 6 Regulations, at Respondent's expense;
- 7 (7) Take any other action as determined by the Board or its designee.

8 C. Nothing in this Decision shall be considered a limitation on the Board's authority  
9 to revoke Respondent's probation if he has violated any term or condition of probation. If  
10 Respondent violates probation in any respect, the Board, after giving Respondent notice and the  
11 opportunity to be heard, may revoke probation and carry out the disciplinary order that was  
12 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed  
13 against Respondent during probation, the Board shall have continuing jurisdiction until the matter  
14 is final, and the period of probation shall be extended until the matter is final.

15 18. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
16 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
17 Chief Executive Officer at every hospital where privileges or membership are extended to  
18 Respondent, at any other facility where Respondent engages in the practice of medicine,  
19 including all physician and locum tenens registries or other similar agencies, and to the Chief  
20 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
21 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
22 calendar days.

23 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

24 19. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
25 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
26 advanced practice nurses.

27 ///  
28 ///

1           20. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
2 governing the practice of medicine in California and remain in full compliance with any court  
3 ordered criminal probation, payments, and other orders.

4           21. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
5 under penalty of perjury on forms provided by the Board, stating whether there has been  
6 compliance with all the conditions of probation.

7           Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
8 of the preceding quarter.

9           22. GENERAL PROBATION REQUIREMENTS.

10           Compliance with Probation Unit

11           Respondent shall comply with the Board's probation unit.

12           Address Changes

13           Respondent shall, at all times, keep the Board informed of Respondent's business and  
14 residence addresses, email address (if available), and telephone number. Changes of such  
15 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
16 circumstances shall a post office box serve as an address of record, except as allowed by Business  
17 and Professions Code section 2021, subdivision (b).

18           Place of Practice

19           Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
20 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
21 facility.

22           License Renewal

23           Respondent shall maintain a current and renewed California physician's and surgeon's  
24 license.

25           Travel or Residence Outside California

26           Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
27 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
28 (30) calendar days.

1 In the event Respondent should leave the State of California to reside or to practice,  
2 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
3 departure and return.

4 23. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
5 available in person upon request for interviews either at Respondent's place of business or at the  
6 probation unit office, with or without prior notice throughout the term of probation.

7 24. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
8 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
9 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
10 defined as any period of time Respondent is not practicing medicine as defined in Business and  
11 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
12 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
13 Respondent resides in California and is considered to be in non-practice, Respondent shall  
14 comply with all terms and conditions of probation. All time spent in an intensive training  
15 program which has been approved by the Board or its designee shall not be considered non-  
16 practice and does not relieve Respondent from complying with all the terms and conditions of  
17 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
18 on probation with the medical licensing authority of that state or jurisdiction shall not be  
19 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
20 period of non-practice.

21 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
22 months, Respondent shall successfully complete the Federation of State Medical Boards' Special  
23 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
24 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
25 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

26 Respondent's period of non-practice while on probation shall not exceed two (2) years.  
27 Periods of non-practice will not apply to the reduction of the probationary term.

28 ///

1           Periods of non-practice for a Respondent residing outside of California will relieve  
2 Respondent of the responsibility to comply with the probationary terms and conditions with the  
3 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
4 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
5 Controlled Substances; and Biological Fluid Testing..

6           25. COMPLETION OF PROBATION. Respondent shall comply with all financial  
7 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
8 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
9 be fully restored.

10           26. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
11 of probation is a violation of probation. If Respondent violates probation in any respect, the  
12 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
13 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
14 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
15 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
16 the matter is final.

17           27. LICENSE SURRENDER. Following the effective date of this Decision, if  
18 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
19 the terms and conditions of probation, Respondent may request to surrender his license. The  
20 Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
21 determining whether or not to grant the request, or to take any other action deemed appropriate  
22 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
23 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
24 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
25 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
26 application shall be treated as a petition for reinstatement of a revoked certificate.

27           28. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
28 with probation monitoring each and every year of probation, as designated by the Board, which

1 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
2 California and delivered to the Board or its designee no later than January 31 of each calendar  
3 year.

4 29. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
5 a new license or certification, or petition for reinstatement of a license, by any other health care  
6 licensing action agency in the State of California, all of the charges and allegations contained in  
7 Accusation No. 800-2021-074260 shall be deemed to be true, correct, and admitted by  
8 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
9 restrict license.

8 **FACTUAL ALLEGATIONS**

9 10. In or around December 2020, Respondent was a fourth-year resident specializing in  
11 anesthesiology at Loma Linda University Health.

12 11. On or about December 19, 2020, in the early evening, Respondent's girlfriend found  
13 Respondent in his home, unresponsive and unconscious. Respondent's girlfriend called a  
14 physician in Respondent's residency program. Respondent's girlfriend told the resident that  
15 Respondent had taken too much Fentanyl<sup>1</sup> and was not breathing. The resident told Respondent's  
16 girlfriend to call 911.

17 12. Not long after, Respondent's girlfriend called the resident back and said that  
18 Respondent had started breathing again. The resident spoke to Respondent. He told Respondent  
19 that Respondent needed to report the incident to J.G., M.D., the program director for Loma  
20 Linda's anesthesiology residency program. After hanging up with Respondent, the resident  
21 called and reported the incident to J.G., M.D.

22 13. After receiving the call from the resident and reporting the incident to Loma Linda's  
23 administration, J.G., M.D., called Respondent. Over the phone, Respondent admitted to J.G.,  
24 M.D., that he had taken narcotics. J.G., M.D., told Respondent that he had to go to the hospital's  
25 emergency department. J.G., M.D., went to Respondent's home and escorted him to the hospital.

26 14. As a result of the incident on or about December 19, 2020, Loma Linda University  
27 Health suspended Respondent's staff privileges and subsequently reported the incident to the  
28 Board.

15. On or about April 8, 2021, at the Medical Board's request, Respondent submitted to  
an evaluation by M.K., M.D., a Board-certified psychiatrist. Respondent admitted that on or

2 he had used Fentanyl in escalating doses approximately six times, and that he had also taken  
3 Precedex<sup>2</sup> approximately four times, propofol<sup>3</sup> approximately two or three times between August  
4 and November 2020, and ketamine<sup>4</sup> approximately two times. Respondent told M.K., M.D., that  
5 he had stolen the Fentanyl, Precedex, and ketamine from the hospital.

6 16. M.K., M.D., assessed Respondent with severe opioid and sedative use disorders, both  
7 in early remission. Following the December 2020 incident, and at Loma Linda's request,  
8 Respondent completed an inpatient treatment program for substance abuse. At the time of his  
9 evaluation with M.K., M.D., Respondent had been participating in an outpatient treatment  
10 program.

11 17. After reviewing documents from the Board's investigation which included statements  
12 from witnesses and Respondent's treatment records at a rehabilitation facility, M.K., M.D, opined  
13 that Respondent has mental illnesses or conditions which affect his ability to practice medicine  
14 safely. He also determined that allowing Respondent to continue to practice, especially as an
