A. Section 2227 of the Code provides, in part, that the Board may revoke, suspend for a period not to exceed one year, or place on probation, the license of any licensee who has been found guilty under the Medical Practice Act, and may recover the costs of probation monitoring.

C. Section 2305 of the Code provides, in part, that the revocation, suspension, or other discipline, restriction or limitation imposed by another state upon a license to practice medicine issued by that state, or the revocation, suspension, or restriction of the authority to practice medicine by any agency of the federal government, that would have been grounds for discipline in California under the Medical Practice Act, constitutes grounds for discipline for unprofessional conduct against the licensee in California.

“(a) For any licensee holding a license issued by a board under the jurisdiction of a department, a disciplinary action taken by another state, by any agency of the federal government, or by another country for any act substantially related to the practice regulated by the California license, may be a ground for disciplinary action by the respective state licensing board. A certified copy of the record of the disciplinary action taken against the licensee by another state, an agency of the federal government, or another country shall be conclusive evidence of the events related therein.

2

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Discipline, Restriction, or Limitation Imposed by Another State)**

3 4. Respondent Jon Lane Siems, M.D. is subject to disciplinary action under sections  
4 2305 and/or 141 of the Code in that on March 6, 2020, the Nevada State Board of Medical  
5 Examiners ordered that a settlement agreement with Respondent was approved. Respondent's  
6 Nevada license was accordingly disciplined, restricted, and limited. The circumstances are as  
7 follows:

8 5. At all times relevant to the underlying matter, Respondent was licensed to practice  
9 medicine in the State of Nevada. On August 15, 2019, the Investigative Committee of the  
10 Nevada State Board of Medical Examiners filed a formal Complaint (Case No. 19-13009-1)  
11 against Respondent. In pertinent part, the formal Complaint alleged in Count I and Count III that  
12 Respondent failed to maintain timely, legible, accurate, and complete medical records relating to  
13 the diagnosis, treatment, and care of two patients (one in Count I and one in Count III) when he  
14 failed to document the risks, benefits, and alternatives for ophthalmologic laser treatments.  
15 Counts I and III also alleged that Respondent failed to document informed consent for the laser  
16 treatments.

17 6. In response to the formal Complaint in Nevada Case No. 19-13009-1, on December  
18 17, 2019 Respondent signed a Settlement Agreement with the Investigative Committee of the  
19 Nevada State Board of Medical Examiners. On March 6, 2020, the Nevada State Board of  
20 Medical Examiners approved and accepted the Settlement Agreement. This constituted an Order  
21 from the Nevada State Board of Medical Examiners that made the Settlement Agreement in Case  
22 No. 19-13009-1 an Order of the Nevada State Board of Medical Examiners (the Nevada Order).

23 7. The Nevada Order found, and Respondent agreed, that the Nevada State Board of  
24 Medical Examiners could issue an order finding that Respondent engaged in conduct that is  
25 grounds for discipline pursuant to the Nevada Medical Practice Act. As part of the Nevada  
26 Order, Respondent admitted to Counts I and III of the formal Complaint—the failure to maintain  
27 timely, legible, accurate, and complete medical records relating to the diagnosis, treatment and  
28

1 care of a patient (a violation of Nevada Revised Statute 630.3062(1)(a)). The Nevada Order  
2 disciplined, limited, and restricted Respondent's Nevada license, including the following terms:

- 3 • Respondent was required pay a \$1,000 fine;
- 4 • Respondent was required to complete four hours of continuing medical education,  
5 approved by the Nevada State Board of Medical Examiners in advance, related to  
6 proper medical-record maintenance;
- 7 • Respondent received a Public Letter of Reprimand; and
- 8 • Respondent was required to pay the costs of the investigation and prosecution of the  
9 matter.

10 The Nevada Order set forth that Respondent's failure to comply with any term in the Order  
11 would authorize the Investigative Committee of the Nevada State Board of Medical Examiners to  
12 immediately suspend Respondent's license to practice medicine in Nevada, pending noticed  
13 hearing proceedings, and support additional disciplinary action taken against Respondent.

14 8. A copy of the Nevada Order in Nevada Case No. 19-13009-1, which includes the  
15 Settlement Agreement and the formal Complaint, is attached to this Accusation as Exhibit A.

16 9. The actions of the Nevada State Board of Medical Examiners and the Nevada Order,  
17 set forth above, constitute cause for discipline pursuant to sections 2305 and/or 141 of the Code.

18 **PRAYER**

19 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,  
20 and that following the hearing, the Medical Board of California issue a decision:

21 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 54383,  
22 issued to Jon Lane Siems, M.D.;

23 2. Revoking, suspending or denying approval of Jon Lane Siems, M.D.'s authority to  
24 supervise physician assistants and advanced practice nurses;

25 3. Ordering Jon Lane Siems, M.D., if placed on probation, to pay the Board the costs of

In the Matter of Charges and  
Complaint Against

Respondent.

Case No. 19-13009-1

FILED

MAR - 9 2020

NEVADA STATE BOARD OF  
MEDICAL EXAMINERS

By: 

SETTLEMENT AGREEMENT

The Investigative Committee (IC) of the Nevada State Board of Medical Examiners (Board), by and through Donald R. White, Esq., Deputy General Counsel for the Board and attorney for the IC, and Jon L. Siems, M.D. (Respondent), a licensed physician in Nevada, hereby enter into this Settlement Agreement (Agreement) based on the following:<sup>1</sup>

**A. Background**

1. Respondent is a medical doctor licensed by the Board, pursuant to Chapter 630 of the Nevada Revised Statutes (NRS) and Chapter 630 of the Nevada Administrative Code (NAC) (collectively, the Medical Practice Act), to practice medicine in Nevada since December 20, 1999 (License No. 9250).

2. On August 15, 2019, in Case No. 19-13009-1, the IC filed a formal Complaint (Complaint) charging Respondent with violating the Medical Practice Act. Specifically, this Complaint alleges two (2) violations of NRS 630.3062(1)(a), failure to maintain timely, legible, accurate and complete medical records relating to the diagnosis, treatment and care of a patient (Counts I and III); and two (2) violations of NRS 630.304(7), terminating the medical care of a

<sup>1</sup> All agreements and admissions made by Respondent are solely for final disposition of this matter and any subsequent related administrative proceedings or civil litigation involving the Board and Respondent. Therefore, Respondent's agreements and admissions are not intended or made for any other use, such as in the context of another state or federal government regulatory agency proceeding, state or federal civil or criminal proceeding, any state or federal court proceeding, or any credentialing or privileges matter.

1 patient without adequate notice or without making other arrangements for the continued care of  
2 the patient (Counts II and IV).

3 3. By reason of the foregoing, Respondent is subject to discipline by the Board as  
4 provided in NRS 630.352.

5 4. Respondent was properly served with a copy of the Complaint, has reviewed and  
6 understands the Complaint, and has had the opportunity to consult with competent counsel  
7 concerning the nature and significance of the Complaint.

8 5. Respondent is hereby advised of his rights regarding this administrative matter, and of  
9 his opportunity to defend against the allegations in the Complaint. Specifically, Respondent has  
10 certain rights in this administrative matter as set out by the United States Constitution, the Nevada  
11 Constitution, the Medical Practice Act, the Nevada Open Meeting Law (OML), which is contained in  
12 NRS Chapter 241, and the Nevada Administrative Procedure Act (APA) applicable to certain  
13 regulatory bodies, which is contained in NRS Chapters 233B and 622A. These rights include the right  
14 to a formal hearing on the allegations in the Complaint, the right to representation by counsel, at his  
15 own expense, in the preparation and presentation of his defense, the right to confront and cross-  
16 examine the witnesses and evidence against him, the right to written findings of fact, conclusions of  
17 law and order reflecting the final decision of the Board, and the right to judicial review of the Board's  
18 order, if the decision is adverse to him.

19 6. Respondent understands that, under the Board's charge to protect the public by  
20 regulating the practice of medicine, the Board may take disciplinary action against Respondent's  
21 license, including license probation, license suspension, license revocation and imposition of  
22 administrative fines, as well as any other reasonable requirement or limitation, if the Board  
23 concludes that Respondent violated one or more provisions of the Medical Practice Act.

24 7. Respondent understands and agrees that this Agreement, by and between  
25 Respondent and the IC, is not with the Board, and that the IC will present this Agreement to the  
26 Board for consideration in open session at a duly noticed and scheduled meeting. Respondent  
27 understands that the IC shall advocate for the Board's approval of this Agreement, but that the  
28 Board has the right to decide in its own discretion whether or not to approve this Agreement.

Respondent further understands and agrees that if the Board approves this Agreement, then the terms and conditions enumerated below shall be binding and enforceable upon him and the Board.

**B. Terms & Conditions**

NOW, THEREFORE, in order to resolve the matters addressed herein, i.e., the matters with regard to the Complaint, Respondent and the IC hereby agree to the following terms and conditions:

1. Jurisdiction. Respondent was, and at all times relevant to the Complaint, a physician licensed to practice medicine in Nevada subject to the jurisdiction of the Board as set forth in the Medical Practice Act.

2. Representation by Counsel/Knowing, Willing and Intelligent Agreement. Respondent acknowledges he is not represented by counsel, and wishes to resolve the matters addressed herein without counsel. Respondent agrees that if representation by counsel in this matter materially changes prior to entering into this Agreement and for the duration of this Agreement, that counsel for the IC will be timely notified of the material change. Respondent agrees that he knowingly, willingly and intelligently enters into this Agreement without the advice of legal counsel.

3. Waiver of Rights. In connection with this Agreement, and the associated terms and conditions, Respondent knowingly, willingly and intelligently waives all rights in connection with this administrative matter. Respondent hereby knowingly, willingly and intelligently waives all rights arising under the United States Constitution, the Nevada Constitution, the Medical Practice Act, the OML, the APA, and any other legal rights that may be available to him or that may apply to him in connection with the administrative proceedings resulting from the Complaint filed in this matter, including defense of the Complaint, adjudication of the allegations set forth in the Complaint, and imposition of any disciplinary actions or sanctions ordered by the Board. Respondent agrees to settle and resolve the allegations of the Complaint as set out by this Agreement, without a hearing or any further proceedings and without the right to judicial review.

4. Acknowledgement of Reasonable Basis to Proceed. Respondent acknowledges that the IC believes it has a reasonable basis to allege that Respondent engaged in conduct that is

1 grounds for discipline pursuant to the Medical Practice Act. The IC acknowledges Respondent is  
2 not admitting that the IC's claims/counts as alleged in the Complaint have merit. Respondent is  
3 agreeing to resolve this matter to avoid the costs of a hearing and potential subsequent litigation.  
4 Although epithelial ingrowth and its treatment, including surgery, were addressed in the original  
5 Lasik consent form, the consent form did not specify laser as the specific treatment modality to be  
6 used, and Respondent treated both patients for epithelial ingrowth throughout several followup  
7 visits. Respondent asserts if this matter were to proceed to hearing, he has evidence, witnesses,  
8 expert witness(es) and defenses to the counts/claims alleged in the Complaint, but for the purposes  
9 of resolving the matter and for no other purpose, Respondent waives the presentation of evidence,  
10 witnesses, expert witnesses, and defenses in order to effectuate this Agreement.

11 **5. Consent to Entry of Order.** In order to resolve this Complaint pending against  
12 Respondent, Respondent hereby agrees that the Board may issue an order finding that Respondent  
13 engaged in conduct that is grounds for discipline pursuant to the Medical Practice Act. Accordingly,  
14 the following terms and conditions are hereby agreed upon:

15 a. Respondent admits to Counts I and III, failure to maintain timely, legible, accurate  
16 and complete medical records relating to the diagnosis, treatment and care of a patient (a violation  
17 of NRS 630.3062(1)(a)), of the Complaint.

18 b. Respondent will pay the costs and expenses incurred in the investigation and  
19 prosecution of this matter within sixty (60) days of the Board's acceptance, adoption and approval  
20 of this Agreement, the current amount being \$6,972.11, not including any costs that may be  
21 necessary to finalize this Agreement.

22 c. For Counts I and III, Respondent shall pay a fine of Five Hundred Dollars  
23 (\$500.00) each for a total of One Thousand Dollars (\$1,000.00) within sixty (60) days of the  
24 Board's acceptance, adoption and approval of this Agreement.

25 d. Respondent shall complete four (4) hours of continuing medical education (CME)  
26 related to the subject matter of maintaining proper medical records within six (6) months from the  
27 date of the Board's acceptance, adoption and approval of this Agreement. The aforementioned four  
28 (4) hours of CME shall be in addition to any CME requirements that are regularly imposed upon

Respondent as a condition of licensure in the State of Nevada and shall be approved by the Board prior to their completion.

e. This Agreement shall be reported to the appropriate entities and parties as required by law, including, but not limited to, the National Practitioner Data Bank.

f. Respondent shall receive a Public Letter of Reprimand.

g. Counts II and IV, terminating the medical care of a patient without adequate notice or without making other arrangements for the continued care of the patient, shall be dismissed with prejudice, and this Agreement shall encompass the resolution of the formal disciplinary case currently before the Board.

6. Release From Liability. In execution of this Agreement, Respondent understands and agrees that the State of Nevada, the Board, and each of its members, staff, counsel, investigators, experts, peer reviewers, committees, panels, hearing officers, consultants and agents are immune from civil liability for any decision or action taken in good faith in response to information acquired by the Board.
