**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

17 Respondent.

18
19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
23 California (Board). He brought this action solely in his official capacity and is represented in this
24 matter by Rob Bonta, Attorney General of the State of California, by Rebecca L. Smith, Deputy
25 Attorney General.

26 2. Jill Adrienne Hoffman, M.D. (Respondent) is represented in this proceeding by
27 attorney Daniel H. Willick, whose address is 1860 Bridgegate Street, Westlake Village,
28 California 91361.

3. On or about April 2, 1990, the Board issued Physician's and Surgeon's Certificate No. G 68269 to Respondent. That license was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2018-044188, and will expire on November 30, 2023, unless renewed.

JURISDICTION

4. Accusation No. 800-2018-044188 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on May 11, 2021. Respondent timely filed her Notice of Defense contesting the Accusation.

5. A copy of Accusation No. 800-2018-044188 is attached as Exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2018-044188. Respondent has also carefully read, fully discussed with her counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of her legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against her; the right to present evidence and to testify on her own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

9. Respondent understands and agrees that the charges and allegations in Accusation No. 800-2018-044188, if proven at a hearing, constitute cause for imposing discipline upon her Physician's and Surgeon's Certificate.

10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case or factual basis for the charges in the Accusation, and that Respondent hereby gives up her right to contest those charges.

11. Respondent does not contest that, at an administrative hearing, Complainant could establish a prima facie case with respect to the charges and allegations in Accusation No. 800-2018-044188, a true and correct copy of which is attached hereto as Exhibit A, and that she has thereby subjected her Physician's and Surgeon's Certificate, No. G 68269 to disciplinary action.

12. Respondent agrees that her Physician's and Surgeon's Certificate is subject to discipline and she agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order below.

CONTINGENCY

13. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or her counsel. By signing the stipulation, Respondent understands and agrees that she may not withdraw her agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

14. Respondent agrees that if she ever petitions for early termination or modification of probation, or if an accusation and/or petition to revoke probation is filed against her before the Board, all of the charges and allegations contained in Accusation No. 800-2018-044188 shall be deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or any other licensing proceeding involving Respondent in the State of California.

15. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

16. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by Respondent, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 68269 issued to Respondent JILL ADRIENNE HOFFMAN, M.D. is revoked. However, the revocation is stayed and Respondent is placed on probation for seven (7) years on the following terms and conditions:

In addition, Respondent shall inform the patient or the patient's primary caregiver that Respondent is prohibited from issuing a recommendation or approval for the possession or cultivation of marijuana for the personal medical purposes of the patient and that the patient or the patient's primary caregiver may not rely on Respondent's statements to legally possess or

1 cultivate marijuana for the personal medical purposes of the patient. Respondent shall fully
2 document in the patient's chart that the patient or the patient's primary caregiver was so
3 informed. Nothing in this condition prohibits Respondent from providing the patient or the
4 patient's primary caregiver information about the possible medical benefits resulting from the use
5 of marijuana.

7 RECORDS AND INVENTORIES. Respondent shall maintain a record of all controlled
8 substances ordered, prescribed, dispensed, administered, or possessed by Respondent, and any
9 recommendation or approval which enables a patient or patient's primary caregiver to possess or
10 cultivate marijuana for the personal medical purposes of the patient within the meaning of Health
11 and Safety Code section 11362.5, during probation, showing all of the following: 1) the name and
12 address of the patient; 2) the date; 3) the character and quantity of controlled substances involved;
13 and 4) the indications and diagnosis for which the controlled substances were furnished.

14 Respondent shall keep these records in a separate file or ledger, in chronological order. All

22 apply to medications lawfully prescribed to Respondent by another practitioner for a bona fide
23 illness or condition.

24 Within fifteen (15) calendar days of receiving any lawfully prescribed medications,

7 aimed at correcting any areas of deficient practice or knowledge and shall be Category I certified.
8 The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition
9 to the Continuing Medical Education (CME) requirements for renewal of licensure. Following
10 the completion of each course, the Board or its designee may administer an examination to test
11 Respondent's knowledge of the course. Respondent shall provide proof of attendance for sixty-

12 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
13 or its designee, be accepted towards the fulfillment of this condition if the course would have
14 been approved by the Board or its designee had the course been taken after the effective date of
15 this Decision.

16 Respondent shall submit a certification of successful completion to the Board or its
17 designee not later than fifteen (15) calendar days after successfully completing the course, or not
18 later than fifteen (15) calendar days after the effective date of the Decision, whichever is later.

3 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
4 or its designee, be accepted towards the fulfillment of this condition if the program would have
5 been approved by the Board or its designee had the program been taken after the effective date of
6 this Decision.

7 Respondent shall submit a certification of successful completion to the Board or its
8 designee not later than 15 calendar days after successfully completing the program or not later
9 than 15 calendar days after the effective date of the Decision, whichever is later.

11 Decision, Respondent shall submit to the Board or its designee for prior approval the name and
12 qualifications of a California-licensed board certified psychiatrist or a licensed psychologist who
13 has a doctoral degree in psychology and at least five years of postgraduate experience in the
14 diagnosis and treatment of emotional and mental disorders. Upon approval, Respondent shall
15 undergo and continue psychotherapy treatment, including any modifications to the frequency of
16 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

17 The psychotherapist shall consider any information provided by the Board or its designee
18 and any other information the psychotherapist deems relevant and shall furnish a written
19 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
20 psychotherapist with any information and documents that the psychotherapist may deem
21 pertinent.

22 Respondent shall have the treating psychotherapist submit quarterly status reports to the
23 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric
24 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
25 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
26 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
27 period of probation shall be extended until the Board determines that Respondent is mentally fit
28 to resume the practice of medicine without restrictions.

1 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

2 10. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7)
3 days of the effective date of this Decision, Respondent shall provide to the Board the names,
4 physical addresses, mailing addresses, and telephone numbers of any and all employers and
5 supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's
6 worksite monitor, and Respondent's employers and supervisors to communicate regarding
7 Respondent's work status, performance, and monitoring.

8 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or
9 Well Being Committee Chair, or equivalent, if applicable, when Respondent has medical staff
10 privileges.

11 11. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to
12 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.
13 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair
14 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall
15 make daily contact with the Board or its designee to determine whether biological fluid testing is
16 required. Respondent shall be tested on the date of the notification as directed by the Board or its
17 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at
18 any time, including weekends and holidays. Except when testing on a specific date as ordered by
19 the Board or its designee, the scheduling of biological fluid testing shall be done on a random
20 basis. The cost of biological fluid testing shall be borne by Respondent.

21 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.
22 During the second year of probation and for the duration of the probationary term, up to five (5)
23 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no
24 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing
25 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number
26 of random tests to the first-year level of frequency for any reason.

27 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
28 approved in advance by the Board or its designee, that will conduct random, unannounced,

1 observed, biological fluid testing and meets all of the following standards:

2 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry
3 Association or have completed the training required to serve as a collector for the United
4 States Department of Transportation.

5 (b) Its specimen collectors conform to the current United States Department of
6 Transportation Specimen Collection Guidelines.

7 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published
8 by the United States Department of Transportation without regard to the type of test
9 administered.

10 (d) Its specimen collectors observe the collection of testing specimens.

11 (e) Its laboratories are certified and accredited by the United States Department of Health
12 and Human Services.

13 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day
14 of receipt and all specimens collected shall be handled pursuant to chain of custody
15 procedures. The laboratory shall process and analyze the specimens and provide legally
16 defensible test results to the Board within seven (7) business days of receipt of the
17 specimen. The Board will be notified of non-negative results within one (1) business day
18 and will be notified of negative test results within seven (7) business days.

19 (g) Its testing locations possess all the materials, equipment, and technical expertise
20 necessary in order to test Respondent on any day of the week.

21 (h) Its testing locations are able to scientifically test for urine, blood, and hair specimens
22 for the detection of alcohol and illegal and controlled substances.

23 (i) It maintains testing sites located throughout California.

24 (j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line
25 computer database that allows Respondent to check in daily for testing.

26 (k) It maintains a secure, HIPAA-compliant website or computer system that allows staff
27 access to drug test results and compliance reporting information that is available 24 hours a
28 day.

1 (l) It employs or contracts with toxicologists that are licensed physicians and have
2 knowledge of substance abuse disorders and the appropriate medical training to interpret
3 and evaluate laboratory biological fluid test results, medical histories, and any other
4 information relevant to biomedical information.

5 (m) It will not consider a toxicology screen to be negative if a positive result is obtained
6 while practicing, even if Respondent holds a valid prescription for the substance.

7 Prior to changing testing locations for any reason, including during vacation or other travel,
8 alternative testing locations must be approved by the Board and meet the requirements above.

9 The contract shall require that the laboratory directly notify the Board or its designee of
10 non-negative results within one (1) business day and negative test results within seven (7)
11 business days of the results becoming available. Respondent shall maintain this laboratory or
12 service contract during the period of probation.

13 A certified copy of any laboratory test result may be received in evidence in any
14 proceedings between the Board and Respondent.

15 If a biological fluid test result indicates Respondent has used, consumed, ingested, or
16 administered to himself or herself a prohibited substance, the Board shall order Respondent to
17 cease practice and instruct Respondent to leave any place of work where Respondent is practicing
18 medicine or providing medical services. The Board shall immediately notify all of Respondent's
19 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or
20 provide medical services while the cease-practice order is in effect.

21 A biological fluid test will not be considered negative if a positive result is obtained while
22 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
23 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

24 After the issuance of a cease-practice order, the Board shall determine whether the positive
25 biological fluid test is in fact evidence of prohibited substance use by consulting with the
26 specimen collector and the laboratory, communicating with the licensee, his or her treating
27 physician(s), other health care provider, or group facilitator, as applicable.

28 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the

1 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

2 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
3 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
4 Respondent and approved by the Board, alcohol, or any other substance Respondent has been
5 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

6 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
7 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the
8 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to
9 any other terms or conditions the Board determines are necessary for public protection or to
10 enhance Respondent's rehabilitation.

11 12. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of
12 the effective date of this Decision, Respondent shall submit to the Board or its designee, for its
13 prior approval, the name of a substance abuse support group which he or she shall attend for the
14 duration of probation. Respondent shall attend substance abuse support group meetings at least
15 once per week, or as ordered by the Board or its designee. Respondent shall pay all substance
16 abuse support group meeting costs.

17 The facilitator of the substance abuse support group meeting shall have a minimum of three
18 (3) years experience in the treatment and rehabilitation of substance abuse, and shall be licensed
19 or certified by the state or nationally certified organizations. The facilitator shall not have a
20 current or former financial, personal, or business relationship with Respondent within the last five
21 (5) years. Respondent's previous participation in a substance abuse group support meeting led by
22 the same facilitator does not constitute a prohibited current or former financial, personal, or
23 business relationship.

24 The facilitator shall provide a signed document to the Board or its designee showing
25 Respondent's name, the group name, the date and location of the meeting, Respondent's
26 attendance, and Respondent's level of participation and progress. The facilitator shall report any
27 unexcused absence by Respondent from any substance abuse support group meeting to the Board,
28 or its designee, within twenty-four (24) hours of the unexcused absence.

1 13. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty
2 (30) calendar days of the effective date of this Decision, Respondent shall submit to the Board or
3 its designee for prior approval as a worksite monitor, the name and qualifications of one or more
4 licensed physician and surgeon, other licensed health care professional if no physician and
5 surgeon is available, or, as approved by the Board or its designee, a person in a position of
6 authority who is capable of monitoring Respondent at work.

7 The worksite monitor shall not have a current or former financial, personal, or familial
8 relationship with Respondent, or any other relationship that could reasonably be expected to
9 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its
10 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite
11 monitor, this requirement may be waived by the Board or its designee, however, under no
12 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

13 The worksite monitor shall have an active unrestricted license with no disciplinary action
14 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms
15 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth
16 by the Board or its designee.

17 Respondent shall pay all worksite monitoring costs.

18 The worksite monitor shall have face-to-face contact with Respondent in the work
19 environment on as frequent a basis as determined by the Board or its designee, but not less than
20 once per week; interview other staff in the office regarding Respondent's behavior, if requested
21 by the Board or its designee; and review Respondent's work attendance.

22 The worksite monitor shall verbally report any suspected substance abuse to the Board and
23 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected
24 substance abuse does not occur during the Board's normal business hours, the verbal report shall
25 be made to the Board or its designee within one (1) hour of the next business day. A written
26 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and
27 any other information deemed important by the worksite monitor shall be submitted to the Board
28 or its designee within 48 hours of the occurrence.

1 The worksite monitor shall complete and submit a written report monthly or as directed by
2 the Board or its designee which shall include the following: (1) Respondent's name and
3 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)
4 the worksite monitor's license number, if applicable; (4) the location or location(s) of the
5 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the
6 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;
7 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can
8 lead to suspected substance abuse by Respondent. Respondent shall complete any required
9 consent forms and execute agreements with the approved worksite monitor and the Board, or its
10 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

11 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)
12 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
13 approval, the name and qualifications of a replacement monitor who will be assuming that
14 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a
15 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the
16 monitor, Respondent shall receive a notification from the Board or its designee to cease the
17 practice of medicine within three (3) calendar days after being so notified. Respondent shall
18 cease the practice of medicine until a replacement monitor is approved and assumes monitoring
19 responsibility.

20 14. VIOlation OF PROBATION CONDITION FOR SUBSTANCE ABUSING
21 LICENSEES. Failure to fully comply with any term or condition of probation is a violation of
22 probation.

23 A. If Respondent commits a major violation of probation as defined by section 1361.52,
24 subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take one or
25 more of the following actions:

26 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical
27 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of
28 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice

1 order issued by the Board or its designee shall state that Respondent must test negative for at least
2 a month of continuous biological fluid testing before being allowed to resume practice. For
3 purposes of determining the length of time a Respondent must test negative while undergoing
4 continuous biological fluid testing following issuance of a cease-practice order, a month is
5 defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until
6 notified in writing by the Board or its designee that he or she may do so.

7 (2) Increase the frequency of biological fluid testing.

8 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or
9 other action as determined by the Board or its designee.

10 B. If Respondent commits a minor violation of probation as defined by section 1361.52,
11 subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take one or

22 C. Nothing in this Decision shall be considered a limitation on the Board's authority to
23 revoke Respondent's probation if he or she has violated any term or condition of probation. If
24 Respondent violates probation in any respect, the Board, after giving Respondent notice and the
25 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
26 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
27 against Respondent during probation, the Board shall have continuing jurisdiction until the matter
28 is final, and the period of probation shall be extended until the matter is final.

1 15. NOTIFICATION. Within seven (7) days of the effective date of this Decision,
2 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the

17 under penalty of perjury on forms provided by the Board, stating whether there has been

9 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
10 (30) calendar days.

11 In the event Respondent should leave the State of California to reside or to practice,

13 dates of departure and return.

14 20. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
15 available in person upon request for interviews either at Respondent's place of business or at the

18 its designee in writing within fifteen (15) calendar days of any periods of non-practice lasting
19 more than thirty (30) calendar days and within fifteen (15) calendar days of Respondent's return
20 to practice. Non-practice is defined as any period of time Respondent is not practicing medicine
21 as defined in Business and Professions Code sections 2051 and 2052 for at least forty (40) hours
22 in a calendar month in direct patient care, clinical activity or teaching, or other activity as
23 approved by the Board. If Respondent resides in California and is considered to be in non-
24 practice, Respondent shall comply with all terms and conditions of probation. All time spent in
25 an intensive training program which has been approved by the Board or its designee shall not be
26 considered non-practice and does not relieve Respondent from complying with all the terms and
27 conditions of probation. Practicing medicine in another state of the United States or Federal
28 jurisdiction while on probation with the medical licensing authority of that state or jurisdiction

1 shall not be considered non-practice. A Board-ordered suspension of practice shall not be

3 In the event Respondent's period of non-practice while on probation exceeds eighteen (18)
4 calendar months, Respondent shall successfully complete the Federation of State Medical Boards'
5 Special Purpose Examination, or, at the Board's discretion, a clinical competence assessment

9 Respondent's period of non-practice while on probation shall not exceed two (2) years.

10 Periods of non-practice will not apply to the reduction of the probationary term.

11 Periods of non-practice for a Respondent residing outside of California will relieve
12 Respondent of the responsibility to comply with the probationary terms and conditions with the
13 exception of this condition and the following terms and conditions of probation: Obey All Laws;
14 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or

19 Respondent's certificate shall be fully restored.

20 23. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
21 of probation is a violation of probation. If Respondent violates probation in any respect, the
22 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
23 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
24 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
25 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
26 be extended until the matter is final.

27 24. LICENSE SURRENDER. Following the effective date of this Decision, if
28 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy

1 the terms and conditions of probation, Respondent may request to surrender his or her license.
2 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
3 determining whether or not to grant the request, or to take any other action deemed appropriate
4 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
5 shall within fifteen (15) calendar days deliver Respondent's wallet and wall certificate to the
6 Board or its designee and Respondent shall no longer practice medicine. Respondent will no
7 longer be subject to the terms and conditions of probation. If Respondent re-applies for a medical
8 license, the application shall be treated as a petition for reinstatement of a revoked certificate.

9 25. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
10 with probation monitoring each and every year of probation, as designated by the Board, which
11 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
12 California and delivered to the Board or its designee no later than January 31 of each calendar
13 year.

14 26. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
15 a new license or certification, or petition for reinstatement of a license, by any other health care
16 licensing action agency in the State of California, all of the charges and allegations contained in
17 Accusation No. 800-2018-044188 shall be deemed to be true, correct, and admitted by
18 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
