2 9. Respondent understands and agrees that the charges and allegations in Accusation
3 No. 800-2019-060321, if proven at a hearing, constitute cause for imposing discipline upon his
4 Physician's and Surgeon's Certificate.

5 10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case
6 or factual basis for the charges in the Accusation, and that Respondent hereby gives up his right
7 to contest those charges.

8 11. Respondent does not contest that, at an administrative hearing, Complainant could
9 establish a prima facie case with respect to the charges and allegations in Accusation No. 800-
10 2019-060321, a true and correct copy of which is attached hereto as Exhibit A, and that he has
11 thereby subjected his Physician's and Surgeon's Certificate, No. A 160282 to disciplinary action.

12 12. **ACKNOWLEDGMENT.** Respondent acknowledges the Disciplinary Order below,
13 requiring the disclosure of probation pursuant to Business and Professions Code section 2228.1,
14 serves to protect the public interest.

15 13. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
16 discipline and he agrees to be bound by the Board's probationary terms as set forth in the
17 Disciplinary Order below.

18 14. The admissions made by Respondent herein are only for the purposes of this
19 proceeding, or any other proceedings in which the Medical Board of California or other
20 professional licensing agency is involved, and shall not be admissible in any other criminal or
21 civil proceeding.

22 **CONTINGENCY**

23 15. This stipulation shall be subject to approval by the Medical Board of California.
24 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
25 Board of California may communicate directly with the Board regarding this stipulation and
26 settlement, without notice to or participation by Respondent or his counsel. By signing the

3 action between the parties, and the Board shall not be disqualified from further action by having
4 considered this matter.

5 16. Respondent agrees that if he ever petitions for early termination or modification of
6 probation, or if an accusation and/or petition to revoke probation is filed against him before the
7 Board, all of the charges and allegations contained in Accusation No. 800-2019-060321 shall be
8 deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or
9 any other licensing proceeding involving Respondent in the State of California.

10 17. The parties understand and agree that Portable Document Format (PDF) and facsimile
11 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile

25 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
26 or its designee, be accepted towards the fulfillment of this condition if the program would have

Respondent shall cooperate in providing the psychotherapist with any information and documents that the psychotherapist may deem pertinent.

Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

6. SOLO PRACTICE PROHIBITION. Respondent is prohibited from engaging in the solo practice of medicine. Prohibited solo practice includes, but is not limited to, a practice where: 1) Respondent merely shares office space with another physician but is not affiliated for purposes of providing patient care, or 2) Respondent is the sole physician practitioner at that location.

1 If Respondent fails to establish a practice with another physician or secure employment in
2 an appropriate practice setting within sixty (60) calendar days of the effective date of this
3 Decision, Respondent shall receive a notification from the Board or its designee to cease the
4 practice of medicine within three (3) calendar days after being so notified. Respondent shall not
5 resume practice until an appropriate practice setting is established.

6 If, during the course of the probation, Respondent's practice setting changes and
7 Respondent is no longer practicing in a setting in compliance with this Decision, Respondent
8 shall notify the Board or its designee within five (5) calendar days of the practice setting change.
9 If Respondent fails to establish a practice with another physician or secure employment in an
10 appropriate practice setting within sixty (60) calendar days of the practice setting change,
11 Respondent shall receive a notification from the Board or its designee to cease the practice of
12 medicine within three (3) calendar days after being so notified. Respondent shall not resume
13 practice until an appropriate practice setting is established.

14 7. NOTICE OF EMPLOYER OR SUPERVISOR INFORMATION. Within seven (7)
15 days of the effective date of this Decision, Respondent shall provide to the Board the names,
16 physical addresses, mailing addresses, and telephone numbers of any and all employers and
17 supervisors. Respondent shall also provide specific, written consent for the Board, Respondent's
18 worksite monitor, and Respondent's employers and supervisors to communicate regarding
19 Respondent's work status, performance, and monitoring.

20 For purposes of this section, "supervisors" shall include the Chief of Staff and Health or
21 Well Being Committee Chair, or equivalent, if applicable, when Respondent has medical staff
22 privileges.

23 8. BIOLOGICAL FLUID TESTING. Respondent shall immediately submit to
24 biological fluid testing, at Respondent's expense, upon request of the Board or its designee.
25 "Biological fluid testing" may include, but is not limited to, urine, blood, breathalyzer, hair
26 follicle testing, or similar drug screening approved by the Board or its designee. Respondent shall
27 make daily contact with the Board or its designee to determine whether biological fluid testing is
28 required. Respondent shall be tested on the date of the notification as directed by the Board or its

1 designee. The Board may order a Respondent to undergo a biological fluid test on any day, at
2 any time, including weekends and holidays. Except when testing on a specific date as ordered by
3 the Board or its designee, the scheduling of biological fluid testing shall be done on a random
4 basis. The cost of biological fluid testing shall be borne by Respondent.

5 During the first year of probation, Respondent shall be subject to 52 to 104 random tests.
6 During the second year of probation and for the duration of the probationary term, up to five (5)
7 years, Respondent shall be subject to 36 to 104 random tests per year. Only if there has been no
8 positive biological fluid tests in the previous five (5) consecutive years of probation, may testing
9 be reduced to one (1) time per month. Nothing precludes the Board from increasing the number
10 of random tests to the first-year level of frequency for any reason.

11 Prior to practicing medicine, Respondent shall contract with a laboratory or service,
12 approved in advance by the Board or its designee, that will conduct random, unannounced,
13 observed, biological fluid testing and meets all of the following standards:

14 (a) Its specimen collectors are either certified by the Drug and Alcohol Testing Industry
15 Association or have completed the training required to serve as a collector for the United
16 States Department of Transportation.

17 (b) Its specimen collectors conform to the current United States Department of
18 Transportation Specimen Collection Guidelines.

19 (c) Its testing locations comply with the Urine Specimen Collection Guidelines published
20 by the United States Department of Transportation without regard to the type of test
21 administered.

22 (d) Its specimen collectors observe the collection of testing specimens.

23 (e) Its laboratories are certified and accredited by the United States Department of Health
24 and Human Services.

25 (f) Its testing locations shall submit a specimen to a laboratory within one (1) business day
26 of receipt and all specimens collected shall be handled pursuant to chain of custody
27 procedures. The laboratory shall process and analyze the specimens and provide legally
28 defensible test results to the Board within seven (7) business days of receipt of the

specimen. The Board will be notified of non-negative results within one (1) business day and will be notified of negative test results within seven (7) business days.

(g) Its testing locations possess all the materials, equipment, and technical expertise necessary in order to test Respondent on any day of the week.

(h) Its testing locations are able to scientifically test for urine, blood, and hair specimens for the detection of alcohol and illegal and controlled substances.

(i) It maintains testing sites located throughout California.

(j) It maintains an automated 24-hour toll-free telephone system and/or a secure on-line computer database that allows Respondent to check in daily for testing.

(k) It maintains a secure, HIPAA-compliant website or computer system that allows staff access to drug test results and compliance reporting information that is available 24 hours a day.

(l) It employs or contracts with toxicologists that are licensed physicians and have knowledge of substance abuse disorders and the appropriate medical training to interpret and evaluate laboratory biological fluid test results, medical histories, and any other information relevant to biomedical information.

(m) It will not consider a toxicology screen to be negative if a positive result is obtained while practicing, even if Respondent holds a valid prescription for the substance.

Prior to changing testing locations for any reason, including during vacation or other travel, alternative testing locations must be approved by the Board and meet the requirements above.

The contract shall require that the laboratory directly notify the Board or its designee of non-negative results within one (1) business day and negative test results within seven (7) business days of the results becoming available. Respondent shall maintain this laboratory or service contract during the period of probation.

A certified copy of any laboratory test result may be received in evidence in any proceedings between the Board and Respondent.

If a biological fluid test result indicates Respondent has used, consumed, ingested, or administered to himself or herself a prohibited substance, the Board shall order Respondent to

1 cease practice and instruct Respondent to leave any place of work where Respondent is practicing
2 medicine or providing medical services. The Board shall immediately notify all of Respondent's
3 employers, supervisors and work monitors, if any, that Respondent may not practice medicine or
4 provide medical services while the cease-practice order is in effect.

5 A biological fluid test will not be considered negative if a positive result is obtained while
6 practicing, even if the practitioner holds a valid prescription for the substance. If no prohibited
7 substance use exists, the Board shall lift the cease-practice order within one (1) business day.

8 After the issuance of a cease-practice order, the Board shall determine whether the positive
9 biological fluid test is in fact evidence of prohibited substance use by consulting with the
10 specimen collector and the laboratory, communicating with the licensee, his or her treating
11 physician(s), other health care provider, or group facilitator, as applicable.

12 For purposes of this condition, the terms "biological fluid testing" and "testing" mean the
13 acquisition and chemical analysis of a Respondent's urine, blood, breath, or hair.

14 For purposes of this condition, the term "prohibited substance" means an illegal drug, a
15 lawful drug not prescribed or ordered by an appropriately licensed health care provider for use by
16 Respondent and approved by the Board, alcohol, or any other substance Respondent has been
17 instructed by the Board not to use, consume, ingest, or administer to himself or herself.

18 If the Board confirms that a positive biological fluid test is evidence of use of a prohibited
19 substance, Respondent has committed a major violation, as defined in section 1361.52(a), and the
20 Board shall impose any or all of the consequences set forth in section 1361.52(b), in addition to
21 any other terms or conditions the Board determines are necessary for public protection or to
22 enhance Respondent's rehabilitation.

23 9. SUBSTANCE ABUSE SUPPORT GROUP MEETINGS. Within thirty (30) days of
24 the effective date of this Decision, Respondent shall submit to the Board or its designee, for its
25 prior approval, the name of a substance abuse support group which he or she shall attend for the
26 duration of probation. Respondent shall attend substance abuse support group meetings at least
27 once per week, or as ordered by the Board or its designee. Respondent shall pay all substance
28 abuse support group meeting costs.

1 The facilitator of the substance abuse support group meeting shall have a minimum of three
2 (3) years' experience in the treatment and rehabilitation of substance abuse, and shall be licensed
3 or certified by the state or nationally certified organizations. The facilitator shall not have a
4 current or former financial, personal, or business relationship with Respondent within the last five
5 (5) years. Respondent's previous participation in a substance abuse group support meeting led by
6 the same facilitator does not constitute a prohibited current or former financial, personal, or
7 business relationship.

8 The facilitator shall provide a signed document to the Board or its designee showing
9 Respondent's name, the group name, the date and location of the meeting, Respondent's
10 attendance, and Respondent's level of participation and progress. The facilitator shall report any
11 unexcused absence by Respondent from any substance abuse support group meeting to the Board,
12 or its designee, within twenty-four (24) hours of the unexcused absence.

13 10. WORKSITE MONITOR FOR SUBSTANCE-ABUSING LICENSEE. Within thirty
14 (30) calendar days of the effective date of this Decision, Respondent shall submit to the Board or
15 its designee for prior approval as a worksite monitor, the name and qualifications of one or more
16 licensed physician and surgeon, other licensed health care professional if no physician and
17 surgeon is available, or, as approved by the Board or its designee, a person in a position of
18 authority who is capable of monitoring Respondent at work.

19 The worksite monitor shall not have a current or former financial, personal, or familial
20 relationship with Respondent, or any other relationship that could reasonably be expected to
21 compromise the ability of the monitor to render impartial and unbiased reports to the Board or its
22 designee. If it is impractical for anyone but Respondent's employer to serve as the worksite
23 monitor, this requirement may be waived by the Board or its designee, however, under no
24 circumstances shall Respondent's worksite monitor be an employee or supervisee of the licensee.

25 The worksite monitor shall have an active unrestricted license with no disciplinary action
26 within the last five (5) years, and shall sign an affirmation that he or she has reviewed the terms
27 and conditions of Respondent's disciplinary order and agrees to monitor Respondent as set forth
28 by the Board or its designee.

1 Respondent shall pay all worksite monitoring costs.

2 The worksite monitor shall have face-to-face contact with Respondent in the work
3 environment on as frequent a basis as determined by the Board or its designee, but not less than
4 once per week; interview other staff in the office regarding Respondent's behavior, if requested
5 by the Board or its designee; and review Respondent's work attendance.

6 The worksite monitor shall verbally report any suspected substance abuse to the Board and
7 Respondent's employer or supervisor within one (1) business day of occurrence. If the suspected
8 substance abuse does not occur during the Board's normal business hours, the verbal report shall
9 be made to the Board or its designee within one (1) hour of the next business day. A written
10 report that includes the date, time, and location of the suspected abuse; Respondent's actions; and
11 any other information deemed important by the worksite monitor shall be submitted to the Board
12 or its designee within forty-eight (48) hours of the occurrence.

13 The worksite monitor shall complete and submit a written report monthly or as directed by
14 the Board or its designee which shall include the following: (1) Respondent's name and
15 Physician's and Surgeon's Certificate number; (2) the worksite monitor's name and signature; (3)
16 the worksite monitor's license number, if applicable; (4) the location or location(s) of the
17 worksite; (5) the dates Respondent had face-to-face contact with the worksite monitor; (6) the
18 names of worksite staff interviewed, if applicable; (7) a report of Respondent's work attendance;
19 (8) any change in Respondent's behavior and/or personal habits; and (9) any indicators that can
20 lead to suspected substance abuse by Respondent. Respondent shall complete any required
21 consent forms and execute agreements with the approved worksite monitor and the Board, or its
22 designee, authorizing the Board, or its designee, and worksite monitor to exchange information.

23 If the worksite monitor resigns or is no longer available, Respondent shall, within five (5)
24 calendar days of such resignation or unavailability, submit to the Board or its designee, for prior
25 approval, the name and qualifications of a replacement monitor who will be assuming that
26 responsibility within fifteen (15) calendar days. If Respondent fails to obtain approval of a
27 replacement monitor within sixty (60) calendar days of the resignation or unavailability of the
28 monitor, Respondent shall receive a notification from the Board or its designee to cease the

1 practice of medicine within three (3) calendar days after being so notified. Respondent shall
2 cease the practice of medicine until a replacement monitor is approved and assumes monitoring
3 responsibility.

4 11. VIOlation OF PROBATION CONDITION FOR SUBSTANCE ABUSING
5 LICENSEES. Failure to fully comply with any term or condition of probation is a violation of
6 probation.

7 A. If Respondent commits a major violation of probation as defined by section
8 1361.52, subdivision (a), of Title 16 of the California Code of Regulations, the Board shall take
9 one or more of the following actions:

10 (1) Issue an immediate cease-practice order and order Respondent to undergo a clinical
11 diagnostic evaluation to be conducted in accordance with section 1361.5, subdivision (c)(1), of
12 Title 16 of the California Code of Regulations, at Respondent's expense. The cease-practice
13 order issued by the Board or its designee shall state that Respondent must test negative for at least
14 a month of continuous biological fluid testing before being allowed to resume practice. For
15 purposes of determining the length of time a Respondent must test negative while undergoing
16 continuous biological fluid testing following issuance of a cease-practice order, a month is
17 defined as thirty calendar (30) days. Respondent may not resume the practice of medicine until
18 notified in writing by the Board or its designee that he or she may do so.

19 (2) Increase the frequency of biological fluid testing.

20 (3) Refer Respondent for further disciplinary action, such as suspension, revocation, or
21 other action as determined by the Board or its designee.

22 B. If Respondent commits a minor violation of probation as defined by section
23 1361.52, subdivision (c), of Title 16 of the California Code of Regulations, the Board shall take
24 one or more of the following actions:

25 (1) Issue a cease-practice order;

26 (2) Order practice limitations;

27 (3) Order or increase supervision of Respondent;

28 (4) Order increased documentation;

1 (5) Issue a citation and fine, or a warning letter;

2 (6) Order Respondent to undergo a clinical diagnostic evaluation to be conducted in
3 accordance with section 1361.5, subdivision (c)(1), of Title 16 of the California Code of
4 Regulations, at Respondent's expense;

5 (7) Take any other action as determined by the Board or its designee.

6 C. Nothing in this Decision shall be considered a limitation on the Board's authority
7 to revoke Respondent's probation if he or she has violated any term or condition of probation. If
8 Respondent violates probation in any respect, the Board, after giving Respondent notice and the
9 opportunity to be heard, may revoke probation and carry out the disciplinary order that was
10 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed
11 against Respondent during probation, the Board shall have continuing jurisdiction until the matter
12 is final, and the period of probation shall be extended until the matter is final.

13 12. PATIENT DISCLOSURE Before a patient's first visit following the effective date
14 of this order and while Respondent is on probation, Respondent must provide all patients, or
15 patient's guardian or health care surrogate, with a separate disclosure that includes Respondent's
16 probation status, the length of the probation, the probation end date, all practice restrictions
17 placed on Respondent by the board, the board's telephone number, and an explanation of how the
18 patient can find further information on Respondent's probation on Respondent's profile page on
19 the board's website. Respondent shall obtain from the patient, or the patient's guardian or health
20 care surrogate, a separate, signed copy of that disclosure. Respondent shall not be required to
21 provide a disclosure if any of the following applies: (1) The patient is unconscious or otherwise
22 unable to comprehend the disclosure and sign the copy of the disclosure and a guardian or health
23 care surrogate is unavailable to comprehend the disclosure and sign the copy; (2) The visit occurs
24 in an emergency room or an urgent care facility or the visit is unscheduled, including
25 consultations in inpatient facilities; (3) Respondent is not known to the patient until immediately
26 prior to the start of the visit; (4) Respondent does not have a direct treatment relationship with the
27 patient.

3 Chief Executive Officer at every hospital where privileges or membership are extended to
4 Respondent, at any other facility where Respondent engages in the practice of medicine,
5 including all physician and locum tenens registries or other similar agencies, and to the Chief
6 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
7 Respondent. Respondent shall submit proof of compliance to the Board or its designee within
8 fifteen (15) calendar days.

11 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
12 advanced practice nurses.

28 circumstances shall a post office box serve as an address of record, except as allowed by Business

1 and Professions Code section 2021, subdivision (b).

2 Place of Practice

3 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
4 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
5 facility.

6 License Renewal

7 Respondent shall maintain a current and renewed California physician's and surgeon's
8 license.

9 Travel or Residence Outside California

10 Respondent shall immediately inform the Board or its designee, in writing, of travel to any

14 Respondent shall notify the Board or its designee in writing thirty (30) calendar days prior to the
15 dates of departure and return.

16 18. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
17 available in person upon request for interviews either at Respondent's place of business or at the
18 probation unit office, with or without prior notice throughout the term of probation.

19 19. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
20 its designee in writing within fifteen (15) calendar days of any periods of non-practice lasting
21 more than 30 calendar days and within fifteen (15) calendar days of Respondent's return to
22 practice. Non-practice is defined as any period of time Respondent is not practicing medicine as
23 defined in Business and Professions Code sections 2051 and 2052 for at least forty (40) hours in a
24 calendar month in direct patient care, clinical activity or teaching, or other activity as approved by
25 the Board. If Respondent resides in California and is considered to be in non-practice,
26 Respondent shall comply with all terms and conditions of probation. All time spent in an
27 intensive training program which has been approved by the Board or its designee shall not be
28 considered non-practice and does not relieve Respondent from complying with all the terms and

1 conditions of probation. Practicing medicine in another state of the United States or Federal
2 jurisdiction while on probation with the medical licensing authority of that state or jurisdiction
3 shall not be considered non-practice. A Board-ordered suspension of practice shall not be
4 considered as a period of non-practice.

5 In the event Respondent's period of non-practice while on probation exceeds eighteen (18)
6 calendar months, Respondent shall successfully complete the Federation of State Medical Boards'
7 Special Purpose Examination, or, at the Board's discretion, a clinical competence assessment
8 program that meets the criteria of Condition 18 of the current version of the Board's "Manual of
9 Model Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of
10 medicine.

11 Respondent's period of non-practice while on probation shall not exceed two (2) years.

12 Periods of non-practice will not apply to the reduction of the probationary term.

13 Periods of non-practice for a Respondent residing outside of California will relieve
14 Respondent of the responsibility to comply with the probationary terms and conditions with the
15 exception of this condition and the following terms and conditions of probation: Obey All Laws;
16 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
17 Controlled Substances; and Biological Fluid Testing.

18 20. COMPLETION OF PROBATION. Respondent shall comply with all financial
19 obligations (e.g., restitution, probation costs) not later than one hundred twenty (120) calendar
20 days prior to the completion of probation. Upon successful completion of probation,
21 Respondent's certificate shall be fully restored.

22 21. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
23 of probation is a violation of probation. If Respondent violates probation in any respect, the
24 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
25 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
26 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
27 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
28 be extended until the matter is final.

1 22. LICENSE SURRENDER. Following the effective date of this Decision, if
2 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
3 the terms and conditions of probation, Respondent may request to surrender his or her license.
4 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
5 determining whether or not to grant the request, or to take any other action deemed appropriate
6 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
7 shall within fifteen (15) calendar days deliver Respondent's wallet and wall certificate to the
8 Board or its designee and Respondent shall no longer practice medicine. Respondent will no
9 longer be subject to the terms and conditions of probation. If Respondent re-applies for a medical
10 license, the application shall be treated as a petition for reinstatement of a revoked certificate.

11 23. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
12 with probation monitoring each and every year of probation, as designated by the Board, which
13 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
14 California and delivered to the Board or its designee no later than January 31 of each calendar
15 year.

16 24. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
17 a new license or certification, or petition for reinstatement of a license, by any other health care
18 licensing action agency in the State of California, all of the charges and allegations contained in
19 Accusation No. 800-2019-060321 shall be deemed to be true, correct, and admitted by
20 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
21 restrict license.
