1 2. Respondent Allan H. Rabin, M.D. (Respondent) is represented in this proceeding by
2 attorney Robert W. Frank, Esq. whose address is: Neil, Dymott, Frank, McCabe & Hudson
3 APLC, 110 West A Street, Suite 1200, San Diego, CA 92101.

4 3. On or about March 19, 1965, the Board issued Physician's and Surgeon's License
5 No. G 10534 to Allan H. Rabin, M.D. (Respondent). The Physician's and Surgeon's License was
6 in full force and effect at all times relevant to the charges brought in Accusation No. 800-2018-
7 043751, and will expire on October-31, 2023, unless renewed.

8 JURISDICTION

9 4. Accusation No. 800-2018-043751 was filed before the Board, and is currently
10 pending against Respondent. The Accusation and all other statutorily required documents were
11 properly served on Respondent on May 24, 2021. Respondent timely filed his Notice of Defense
12 contesting the Accusation.

13 5. A copy of Accusation No. 800-2018-043751 is attached as exhibit A and incorporated
14 herein by reference.

15 ADVISEMENT AND WAIVERS

16 6. Respondent has carefully read, fully discussed with counsel, and understands the
17 charges and allegations in Accusation No. 800-2018-043751. Respondent has also carefully read,
18 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and
19 Disciplinary Order.

20 7. Respondent is fully aware of his legal rights in this matter, including the right to a
21 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
22 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
23 to the issuance of subpoenas to compel the attendance of witnesses and the production of
24 documents; the right to reconsideration and court review of an adverse decision; and all other
25 rights accorded by the California Administrative Procedure Act and other applicable laws.

26 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
27 every right set forth above.

28 ///

1 CULPABILITY

2 9. Respondent does not contest that, at an administrative hearing, Complainant could
3 establish a *prima facie* case with respect to the charges and allegations contained in Accusation
4 No. 800-2018-043751, a copy of which is attached hereto as exhibit A, and that he has thereby
5 subjected his Physician's and Surgeon's Certificate No. G 10534 to disciplinary action.

6 10. Respondent agrees that his Physician's and Surgeon's License is subject to discipline
7 and he agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order
8 below.

9 11. Respondent agrees that if he ever petitions for early termination or modification of
10 probation, or if an accusation and/or petition to revoke probation is filed against him before the
11 Board, all of the charges and allegations contained in Accusation No. 800-2018-043751 shall be
12 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any
13 other licensing proceeding involving Respondent in the State of California.

14 CONTINGENCY

15 12. This stipulation shall be subject to approval by the Medical Board of California.
16 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
17 Board of California may communicate directly with the Board regarding this stipulation and
18 settlement, without notice to or participation by Respondent or his counsel. By signing the
19 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
20 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
21 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
22 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
23 action between the parties, and the Board shall not be disqualified from further action by having
24 considered this matter.

25 ADDITIONAL PROVISIONS

26 13. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to
27 be an integrated writing representing the complete, final and exclusive embodiment of the
28 agreements of the parties in the above-entitled matter.

1 practices course shall be at Respondent's expense and shall be in addition to the Continuing
2 Medical Education (CME) requirements for renewal of licensure.

3 A prescribing practices course taken after the acts that gave rise to the charges in the
4 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
5 or its designee, be accepted towards the fulfillment of this condition if the course would have
6 been approved by the Board or its designee had the course been taken after the effective date of
7 this Decision.

8 Respondent shall submit a certification of successful completion to the Board or its
9 designee not later than 15 calendar days after successfully completing the course, or not later than
10 15 calendar days after the effective date of the Decision, whichever is later.

12 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in
13 advance by the Board or its designee. Respondent shall provide the approved course provider
14 with any information and documents that the approved course provider may deem pertinent.
15 Respondent shall participate in and successfully complete the classroom component of the course
16 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
17 complete any other component of the course within one (1) year of enrollment. The medical
18 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing
19 Medical Education (CME) requirements for renewal of licensure.

20 A medical record keeping course taken after the acts that gave rise to the charges in the
21 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
22 or its designee, be accepted towards the fulfillment of this condition if the course would have
23 been approved by the Board or its designee had the course been taken after the effective date of
24 this Decision.

25 Respondent shall submit a certification of successful completion to the Board or its
26 designee not later than 15 calendar days after successfully completing the course, or not later than
27 15 calendar days after the effective date of the Decision, whichever is later.

28 ///

1 4. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this
2 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice
3 monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose
4 licenses are valid and in good standing, and who are preferably American Board of Medical
5 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal
6 relationship with Respondent, or other relationship that could reasonably be expected to
7 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
8 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
9 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

10 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
11 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the
12 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed
13 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role
14 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
15 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
16 signed statement for approval by the Board or its designee.

17 Within 60 calendar days of the effective date of this Decision, and continuing throughout
18 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall
19 make all records available for immediate inspection and copying on the premises by the monitor
20 at all times during business hours and shall retain the records for the entire term of probation.

21 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
22 date of this Decision, Respondent shall receive a notification from the Board or its designee to
23 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
24 shall cease the practice of medicine until a monitor is approved to provide monitoring
25 responsibility.

26 The monitor(s) shall submit a quarterly written report to the Board or its designee which
27 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
28 are within the standards of practice of medicine, and whether Respondent is practicing medicine

1 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure
2 that the monitor submits the quarterly written reports to the Board or its designee within 10
3 calendar days after the end of the preceding quarter.

4 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
5 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
6 name and qualifications of a replacement monitor who will be assuming that responsibility within
7 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
8 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
9 notification from the Board or its designee to cease the practice of medicine within three (3)
10 calendar days after being so notified. Respondent shall cease the practice of medicine until a
11 replacement monitor is approved and assumes monitoring responsibility.

12 In lieu of a monitor, Respondent may participate in a professional enhancement program
13 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
14 review, semi-annual practice assessment, and semi-annual review of professional growth and
15 education. Respondent shall participate in the professional enhancement program at Respondent's
16 expense during the term of probation.

17 5. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
18 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
19 Chief Executive Officer at every hospital where privileges or membership are extended to
20 Respondent, at any other facility where Respondent engages in the practice of medicine,
21 including all physician and locum tenens registries or other similar agencies, and to the Chief
22 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
23 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
24 calendar days.

25 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

26 6. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
27 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
28 advanced practice nurses.

1 7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
2 governing the practice of medicine in California and remain in full compliance with any court
3 ordered criminal probation, payments, and other orders.

4 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
5 under penalty of perjury on forms provided by the Board, stating whether there has been
6 compliance with all the conditions of probation.

7 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
8 of the preceding quarter.

9 9. GENERAL PROBATION REQUIREMENTS.

10 Compliance with Probation Unit

11 Respondent shall comply with the Board's probation unit.

12 Address Changes

13 Respondent shall, at all times, keep the Board informed of Respondent's business and
14 residence addresses, email address (if available), and telephone number. Changes of such
15 addresses shall be immediately communicated in writing to the Board or its designee. Under no
16 circumstances shall a post office box serve as an address of record, except as allowed by Business
17 and Professions Code section 2021, subdivision (b).

18 Place of Practice

19 Respondent shall not engage in the practice of medicine in Respondent's or patient's place of
20 residence, unless the patient resides in a skilled nursing facility or other similar licensed facility.

21 License Renewal

22 Respondent shall maintain a current and renewed California physician's and surgeon's
23 license.

24 Travel or Residence Outside California

25 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
26 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
27 (30) calendar days.

28 ////

1 In the event Respondent should leave the State of California to reside or to practice,
2 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
3 departure and return.

4 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
5 available in person upon request for interviews either at Respondent's place of business or at the
6 probation unit office, with or without prior notice throughout the term of probation.

7 11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
8 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
9 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
10 defined as any period of time Respondent is not practicing medicine as defined in Business and
11 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
12 patient care, clinical activity or teaching, or other activity as approved by the Board. If
13 Respondent resides in California and is considered to be in non-practice, Respondent shall
14 comply with all terms and conditions of probation. All time spent in an intensive training program
15 which has been approved by the Board or its designee shall not be considered non-practice and
16 does not relieve Respondent from complying with all the terms and conditions of probation.
17 Practicing medicine in another state of the United States or Federal jurisdiction while on
18 probation with the medical licensing authority of that state or jurisdiction shall not be considered
19 non-practice. A Board-ordered suspension of practice shall not be considered as a period of non-
20 practice.

21 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
22 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
23 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
24 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
25 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

26 Respondent's period of non-practice while on probation shall not exceed two (2) years.

27 Periods of non-practice will not apply to the reduction of the probationary term.

28 Periods of non-practice for a Respondent residing outside of California will relieve

1 Respondent of the responsibility to comply with the probationary terms and conditions with the
2 exception of this condition and the following terms and conditions of probation: Obey All Laws;
3 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
4 Controlled Substances; and Biological Fluid Testing.

5 12. COMPLETION OF PROBATION. Respondent shall comply with all financial
6 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
7 completion of probation. Upon successful completion of probation, Respondent's certificate shall
8 be fully restored.

9 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
10 of probation is a violation of probation. If Respondent violates probation in any respect, the
11 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
12 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
13 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
14 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
15 the matter is final.

16 14. LICENSE SURRENDER. Following the effective date of this Decision, if
17 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
18 the terms and conditions of probation, Respondent may request to surrender his or her license.
19 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
20 determining whether or not to grant the request, or to take any other action deemed appropriate
21 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
22 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
23 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
24 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
25 application shall be treated as a petition for reinstatement of a revoked certificate.

26 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
27 with probation monitoring each and every year of probation, as designated by the Board, which
28 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of

1 California and delivered to the Board or its designee no later than January 31 of each calendar
2 year.

3 16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for a
4 new license or certification, or petition for reinstatement of a license, by any other health care
5 licensing action agency in the State of California, all of the charges and allegations contained in
6 Accusation No. 800-2018-043751 shall be deemed to be true, correct, and admitted by
7 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
8 restrict license.

1 JURISDICTION

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227, subdivision (a) of the Code states:

6 (a) A licensee whose matter has been heard by an administrative law judge of
7 the Medical Quality Hearing Panel as designated in Section 11371 of the Government
8 Code, or whose default has been entered, and who is found guilty, or who has entered
9 into a stipulation for disciplinary action with the board, may, in accordance with the
10 provisions of this chapter:

11 (1) Have his or her license revoked upon order of the board.

12 (2) Have his or her right to practice suspended for a period not to exceed one
13 year upon order of the board.

14 (3) Be placed on probation and be required to pay the costs of probation
15 monitoring upon order of the board.

16 (4) Be publicly reprimanded by the board. The public reprimand may include a
17 requirement that the licensee complete relevant educational courses approved by the
18 board.

19 (5) Have any other action taken in relation to discipline as part of an order of
20 probation, as the board or an administrative law judge may deem proper.

21 5. Section 2234 of the Code states:

22 The board shall take action against any licensee who is charged with
23 unprofessional conduct. In addition to other provisions of this article, unprofessional
24 conduct includes, but is not limited to, the following:

25 (a) Violating or attempting to violate, directly or indirectly, assisting in or
26 abetting the violation of, or conspiring to violate any provision of this chapter.

27 (b) Gross negligence.

28 (c) Repeated negligent acts. To be repeated, there must be two or more
negligent acts or omissions. An initial negligent act or omission followed by a
separate and distinct departure from the applicable standard of care shall constitute
repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically
appropriate for that negligent diagnosis of the patient shall constitute a single
negligent act.

(2) When the standard of care requires a change in the diagnosis, act, or
omission that constitutes the negligent act described in paragraph (1), including, but
not limited to, a reevaluation of the diagnosis or a change in treatment, and the

1 licensee's conduct departs from the applicable standard of care, each departure
2 constitutes a separate and distinct breach of the standard of care.

3 ...

4 6. At all times relevant to the acts or omissions alleged herein between and including
5 January 1, 2014 and December 31, 2020, Health and Safety Code section 11165, subdivision (a)
6 stated:¹

7 To assist health care practitioners in their efforts to ensure appropriate
8 prescribing, ordering, administering, furnishing, and dispensing of controlled
9 substances, law enforcement and regulatory agencies in their efforts to control the
10 diversion and resultant abuse of Schedule II, Schedule III, and Schedule IV controlled
11 substances, and for statistical analysis, education, and research, the Department of
12 Justice shall, contingent upon the availability of adequate funds in the CURES Fund,
maintain the Controlled Substance Utilization Review and Evaluation System
(CURES) for the electronic monitoring of, and internet access to information
regarding, the prescribing and dispensing of Schedule II, Schedule III, and
Schedule IV controlled substances by all practitioners authorized to prescribe, order,
administer, furnish, or dispense these controlled substances.

13 7. As in effect at all times between and including October 2, 2018 and March 31, 2020,
14 Health and Safety Code section 11165.4 stated, in pertinent part:

15 (a) (1) (A) (i) A health care practitioner authorized to prescribe, order,
16 administer, or furnish a controlled substance shall consult the CURES database to
17 review a patient's controlled substance history before prescribing a Schedule II,
18 Schedule III, or Schedule IV controlled substance to the patient for the first time and
at least once every four months thereafter if the substance remains part of the
treatment of the patient.

19 (ii) If a health care practitioner authorized to prescribe, order, administer, or
20 furnish a controlled substance is not required, pursuant to an exemption described in
21 subdivision (c), to consult the CURES database the first time he or she prescribes,
22 orders, administers, or furnishes a controlled substance to a patient, he or she shall
consult the CURES database to review the patient's controlled substance history
before subsequently prescribing a Schedule II, Schedule III, or Schedule IV
controlled substance to the patient and at least once every four months thereafter if
the substance remains part of the treatment of the patient.

23 (B) For purposes of this paragraph, first time means the initial occurrence in
24 which a health care practitioner, in his or her role as a health care practitioner, intends
25 to prescribe, order, administer, or furnish a Schedule II, Schedule III, or Schedule IV
controlled substance to a patient and has not previously prescribed a controlled
substance to the patient.

26 ////

27 ¹ Effective January 1, 2021, subdivision (a) of section 11165 of the Health and Safety
28 Code was amended to add references to Schedule V controlled substances. (See Stats. 2019,
c. 677, § 6.)

1 (2) A health care practitioner shall obtain a patient's controlled substance
2 history from the CURES database no earlier than 24 hours, or the previous business
3 day, before he or she prescribes, orders, administers, or furnishes a Schedule II,
4 Schedule III, or Schedule IV controlled substance to the patient.

5 ...

6 (d) (1) A health care practitioner who fails to consult the CURES database, as
7 described in subdivision (a), shall be referred to the appropriate state professional
8 licensing board solely for administrative sanctions, as deemed appropriate by that
9 board.

10

11 8. Section 2238 of the Code states:

12 A violation of any federal statute or federal regulation or any of the statutes or
13 regulations of this state regulating dangerous drugs or controlled substances
