21 **PARTIES**

22 1. William Prasifka ("Complainant") is the Executive Director of the Medical Board of
23 California ("Board"). He brought this action solely in his official capacity and is represented in
24 this matter by Rob Bonta, Attorney General of the State of California, by John S. Gatschet,
25 Deputy Attorney General.

3. On or about June 4, 2004, the Board issued Physician's and Surgeon's Certificate No. A 87444 to Manjula Bobbala, M.D. ("Respondent"). That Certificate was in full force and effect at all times relevant to the charges brought in First Amended Accusation No. 800-2018-041844, and will expire on June 30, 2022, unless renewed.

JURISDICTION

4. First Amended Accusation No. 800-2018-041844 was filed before the Board, and is currently pending against Respondent. The First Amended Accusation and all other statutorily required documents were properly served on Respondent. Respondent waives the Statute of Limitations as it relates to the filing of a First Amended Accusation and hereby agrees that the original Accusation was properly filed on December 4, 2020. Respondent timely filed her Notice of Defense contesting both the Accusation and the First Amended Accusation.

5. A copy of the First Amended Accusation No. 800-2018-041844 is attached as exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in the First Amended Accusation No. 800-2018-041844. Respondent has also carefully read, fully discussed with her counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of her legal rights in this matter, including the right to a hearing on the charges and allegations in the First Amended Accusation; the right to confront and cross-examine the witnesses against her; the right to present evidence and to testify on her own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

9. Respondent understands and agrees that the charges and allegations in the First Amended Accusation No. 800-2018-041844, if proven at a hearing, constitute cause for imposing discipline upon her Physician's and Surgeon's Certificate.

10. Respondent agrees that, at a hearing, Complainant could establish a *prima facie* case for the charges in the First Amended Accusation, and that Respondent hereby gives up her right to contest those charges.

11. Respondent agrees that her Physician's and Surgeon's Certificate is subject to discipline and she agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order below.

CONTINGENCY

12. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or her counsel. By signing the stipulation, Respondent understands and agrees that she may not withdraw her agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter. Respondent hereby waives the Statute of Limitations as set forth in Business and Professions Code section 2230.5 for all purposes as it applies to the facts and circumstances set forth in MBC Case Nos. 800-2018-041844 and 800-2018-041845.

13. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

14. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by the Respondent, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

A. PUBLIC REPRIMAND

IT IS HEREBY ORDERED THAT the Physician's and Surgeon's Certificate No. 8744 issues to Respondent Manjula Bobbala, M.D. shall be and is hereby publically reprimanded pursuant to California Business and Professions Code section 2227, subdivision (a)(4). This Public Reprimand, which is issued in connection with First Amended Accusation No. 800-2018-041844, is as follows:

A medical record keeping course taken after the acts that gave rise to the charges in the originally filed Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the course would have been approved by the Board or its designee had the course been taken after the effective date of this Decision.

Respondent shall successfully complete all coursework and provide proof of completion of the Medical Record Keeping Course to the Board within one year of the effective date of the Decision and Order. This condition shall be monitored by the Probation Department.

C. FAILURE TO COMPLY

If Respondent fails to enroll, participate in, or successfully complete the educational program(s) or course(s), described in conditions B and C, within the designated time period, Respondent shall receive and comply with a notification from the Board or its designee to cease the practice of medicine within three (3) calendar days after being so notified. Respondent shall not resume the practice of medicine until enrollment or participation in the educational program(s) or course(s) has been completed as required by the express language of the Decision and Order. In addition, failure to successfully complete the education program(s) or course(s) outlined above shall also constitute unprofessional conduct and is grounds for further immediate disciplinary action.

20 FACTUAL ALLEGATIONS

21 Patient 1¹

22
23 7. On or about June 15, 2017, Patient 1, an inmate at California State Prison-
24 Sacramento, a California Department of Corrections and Rehabilitation facility ("CSP-Sac"),
25 presented at the Triage and Treatment Area ("TTA") at approximately 6:20 p.m. Patient 1
26 showed evidence of physical assault and trauma in the form of blood and bruising on the left side

27
28 ¹ Witness names have been removed to protect confidentiality. All witnesses will be fully
identified in discovery.

1 of his face. A TTA nurse performed a brief examination and could not determine if there were
2 any other injuries present. The TTA nurse documented that Patient 1 reported that he had pain to
3 the right side of his forehead and his back, that Patient 1 was laughing while questioned, that
4 Patient 1 had slightly slurred speech, and that Patient 1 responded to all questions. The TTA
5 nurse contacted the on duty physician, Doctor 1, at approximately 6:40 p.m., and provided an
6 assessment of Patient 1.

7 8. Doctor 1, who was not on site in the TTA, issued orders to have Patient 1 transferred
8 to a local hospital emergency room to receive care and treatment. The Respondent, the Chief
9 Medical Executive at CSP-Sac, was informed of the impending transfer, contacted Doctor 1, and
10 instructed Doctor 1 to first evaluate Patient 1 in person at the TTA prior to Patient 1 being
11 transferred to a local hospital emergency room. According to Doctor 1, the Respondent cancelled
12 his transfer order pending his evaluation of Patient 1. At approximately 7:30 p.m., Doctor 1
13 evaluated Patient 1 in the TTA. Doctor 1 noted that Patient 1 had alcohol on his breath, slurred
14 speech, cervical neck pain, and a facial droop. At approximately 7:37 p.m., Doctor 1 documented
15 that he contacted the Respondent and informed her of his findings, that the patient had altered
16 mental status, and needed c-spine clearance. Doctor 1 requested that Patient 1 be transferred to a
17 local hospital ER for further evaluation.

18 9. The Respondent overruled Doctor 1's transfer request and ordered that Patient 1 be
19 evaluated in the TTA for the next four hours. The Respondent issued verbal orders for additional
20 testing including a complete blood count ("CBC"), comprehensive metabolic panel ("CMP") and
21 urine toxicology screen. Doctor 1 documented that he "absolutely disagree(d)" with
22 Respondent's treatment plan. On June 16, 2017, at approximately 12:06 a.m., a nurse
23 documented that he contacted the Respondent and informed the Respondent of Patient 1's current
24 clinical presentation. According to the nurse, the Respondent discharged Patient 1 from the TTA
25 after Patient 1 was determined to be stable and in no apparent distress. On June 16, 2017, at
26 approximately 7:47 a.m., Patient 1 was seen by a nurse in the cell battery and he appeared to be in
27 no acute distress. On June 16, 2017, at approximately 11:25 p.m., Patient 1 was seen at his cell
28

1 and he refused to be seen at TTA for follow-up, stating that he had "no complaint, no pain, and no
2 problem walking, I'm good."

3 10. The Respondent failed to provide any documentation related to Patient 1 in his
4 medical record. The Respondent did not document an assessment and treatment plan for Patient
5 1. The Respondent did not document why she countermanded Doctor 1's repeated request to
6 transfer Patient 1 to a local emergency room. The Respondent did not delegate to a subordinate a
7 request to document a progress note on her behalf.

8 Patient 2

9 11. On or about September 5, 2017, Patient 2, an inmate at CSP-Sac, presented at TTA
10 for further evaluation of persistent asymptomatic hyponatremia. Doctor 1 had previously seen
11 Patient 2 on August 28, 2017, for diabetes, hyperlipidemia, and hypothyroidism. On or about
12 August 28, 2017, Patient 2 had a low sodium result of 127. On or about September 5, 2017,
13 Doctor 1 confirmed that Patient 2 denied consuming excessive fluids and currently had no
14 symptoms. Doctor 1 determined that Patient 2 needed to be transferred to San Joaquin General
15 Hospital code one for further evaluation of low sodium and issued transfer orders.

16 12. On September 5, 2017, at approximately 11:20 a.m., a nurse documented that
17 Respondent came to the TTA and examined Patient 2. The nurse documented that the
18 Respondent cancelled Doctor 1's transfer order and ordered that Patient 2 be given saline in the
19 TTA. At approximately 1:41 p.m., a nurse documented that the Respondent was informed of
20 Patient 2's status and Respondent had Patient 2 returned to housing. The nurse documented that
21 Respondent ordered a basic metabolic panel and Patient 2 was informed of the Respondent's plan
22 of care. On September 6, 2017, at approximately 9:58 a.m., the lab result indicated that Patient
23 2's sodium remained at 127. A nurse documented that they contacted the Respondent and the
24 Respondent ordered that Patient 2 receive saline. Patient 2 refused to receive saline. At
25 approximately 1:55 p.m., a nurse documented that the Respondent requested that Patient 2 come
26 to the clinic for further testing. The nurse documented that Patient 2 refused to see the
27 Respondent and went back to his cell. Patient 2 also refused to take part in any treatment and
28 refused to provide an additional blood test. The nurse documented that the Respondent was made

1 aware and the Respondent indicated that a new basic metabolic panel would be reoffered to
2 Patient 2 on the morning of September 7, 2017.

3 13. On September 7, 2017, at approximately 11:38 a.m., Doctor 1 saw Patient 2 in the
4 TTA. Doctor 1 documented that he had requested Patient 2 be transferred to San Joaquin General
5 Hospital on September 5, 2017, but that the Respondent had cancelled his orders. Doctor 1
6 documented that the Respondent ordered that Patient 2 receive saline and have follow-up labs.
7 Doctor 1 documented that Patient 2's sodium level in the follow-up labs remained at 127. Doctor
8 1 also documented that Patient 2 refused treatment on September 6, 2017. Doctor 1 examined
9 Patient 2 and determined that Patient 2 should be transferred to San Joaquin General Hospital for
10 further treatment. The Respondent initially cancelled Doctor 1's transfer order but allowed
11 Patient 2 to be transferred when Patient 2 refused further care in the TTA.

12 14. The Respondent failed to provide any documentation related to Patient 2 in his
13 medical record on September 5, 2017, September 6, 2017, and September 7, 2017. The
14 Respondent did not document an assessment and treatment plan for Patient 2. The Respondent
15 did not document why she countermanded Doctor 1's request to transfer Patient 2 to a San
16 Joaquin General Hospital. The Respondent did not delegate to a subordinate a request to
17 document a progress note on her behalf.

18 **FIRST CAUSE FOR DISCIPLINE**

19 **(Inadequate and Inaccurate Records)**

20 15. Respondent's license is subject to disciplinary action under Section 2266 of the Code
21 in that she kept inaccurate and inadequate medical records during her care and treatment of
22 Patients 1 and 2. The circumstances are set forth in paragraphs 7 through 14, which are
23 incorporated by reference as if fully set forth herein.
