28 the effective date of this Decision, Respondent shall enroll in a professionalism program, that

2 Respondent shall participate in and successfully complete that program. Respondent shall
3 provide any information and documents that the program may deem pertinent. Respondent shall
4 successfully complete the classroom component of the program not later than six (6) months after
5 Respondent's initial enrollment, and the longitudinal component of the program not later than the
6 time specified by the program, but no later than one (1) year after attending the classroom
7 component. The professionalism program shall be at Respondent's expense and shall be in
8 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

9 A professionalism program taken after the acts that gave rise to the charges in the
10 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
11 or its designee, be accepted towards the fulfillment of this condition if the program would have
12 been approved by the Board or its designee had the program been taken after the effective date of
13 this Decision.

14 Respondent shall submit a certification of successful completion to the Board or its
15 designee not later than 15 calendar days after successfully completing the program or not later
16 than 15 calendar days after the effective date of the Decision, whichever is later.

17 5. PSYCHIATRIC EVALUATION. Within 30 calendar days of the effective date of
18 this Decision, and on whatever periodic basis thereafter may be required by the Board or its
19 designee, Respondent shall undergo and complete a psychiatric evaluation (and psychological
20 testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall
21 consider any information provided by the Board or designee and any other information the
22 psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its
23 designee. Psychiatric evaluations conducted prior to the effective date of the Decision shall not
24 be accepted towards the fulfillment of this requirement. Respondent shall pay the cost of all
25 psychiatric evaluations and psychological testing.

26 Respondent shall comply with all restrictions or conditions recommended by the evaluating
27 psychiatrist within 15 calendar days after being notified by the Board or its designee.

28 6. PSYCHOTHERAPY. If the evaluating psychiatrist described in the above paragraph

1 determines that Respondent requires psychotherapy treatment, within 15 calendar days of that
2 determination, Respondent shall submit to the Board or its designee for prior approval the name
3 and qualifications of a board certified psychiatrist or a licensed psychologist who has a doctoral
4 degree in psychology and at least five years of postgraduate experience in the diagnosis and
5 treatment of emotional and mental disorders. Upon approval, Respondent shall undergo and
6 continue psychotherapy treatment, including any modifications to the frequency of
7 psychotherapy, until the Board or its designee deems that no further psychotherapy is necessary.

8 The psychotherapist shall consider any information provided by the Board or its designee
9 and any other information the psychotherapist deems relevant and shall furnish a written
10 evaluation report to the Board or its designee. Respondent shall cooperate in providing the
11 psychotherapist with any information and documents that the psychotherapist may deem
12 pertinent.

13 Respondent shall have the treating psychotherapist submit quarterly status reports to the
14 Board or its designee. The Board or its designee may require Respondent to undergo psychiatric
15 evaluations by a Board-appointed board certified psychiatrist. If, prior to the completion of
16 probation, Respondent is found to be mentally unfit to resume the practice of medicine without
17 restrictions, the Board shall retain continuing jurisdiction over Respondent's license and the
18 period of probation shall be extended until the Board determines that Respondent is mentally fit
19 to resume the practice of medicine without restrictions.

20 Respondent shall pay the cost of all psychotherapy and psychiatric evaluations.

21 7. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
22 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
23 Chief Executive Officer at every hospital where privileges or membership are extended to
24 Respondent, at any other facility where Respondent engages in the practice of medicine,
25 including all physician and locum tenens registries or other similar agencies, and to the Chief
26 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
27 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
28 calendar days.

1 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

2 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
3 governing the practice of medicine in California and remain in full compliance with any court
4 ordered criminal probation, payments, and other orders.

5 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
6 under penalty of perjury on forms provided by the Board, stating whether there has been
7 compliance with all the conditions of probation.

8 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
9 of the preceding quarter.

10 10. GENERAL PROBATION REQUIREMENTS.

11 Compliance with Probation Unit

12 Respondent shall comply with the Board's probation unit.

13 Address Changes

14 Respondent shall, at all times, keep the Board informed of Respondent's business and
15 residence addresses, email address (if available), and telephone number. Changes of such
16 addresses shall be immediately communicated in writing to the Board or its designee. Under no
17 circumstances shall a post office box serve as an address of record, except as allowed by Business
18 and Professions Code section 2021, subdivision (b).

19 Place of Practice

20 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
21 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
22 facility.

23 License Renewal

24 Respondent shall maintain a current and renewed California physician's and surgeon's
25 license.

26 Travel or Residence Outside California

27 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
28 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty

1 (30) calendar days.

2 In the event Respondent should leave the State of California to reside or to practice
3 ,Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
4 departure and return.

5 11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
6 available in person upon request for interviews either at Respondent's place of business or at the
7 probation unit office, with or without prior notice throughout the term of probation.

8 12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
9 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
10 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
11 defined as any period of time Respondent is not practicing medicine as defined in Business and
12 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
13 patient care, clinical activity or teaching, or other activity as approved by the Board. If
14 Respondent resides in California and is considered to be in non-practice, Respondent shall
15 comply with all terms and conditions of probation. All time spent in an intensive training
16 program which has been approved by the Board or its designee shall not be considered non-
17 practice and does not relieve Respondent from complying with all the terms and conditions of
18 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
19 on probation with the medical licensing authority of that state or jurisdiction shall not be
20 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
21 period of non-practice.

22 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
23 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
24 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
25 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
26 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

27 Respondent's period of non-practice while on probation shall not exceed two (2) years.

28 Periods of non-practice will not apply to the reduction of the probationary term.

1 Periods of non-practice for a Respondent residing outside of California will relieve
2 Respondent of the responsibility to comply with the probationary terms and conditions with the
3 exception of this condition and the following terms and conditions of probation: Obey All Laws;
4 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
5 Controlled Substances; and Biological Fluid Testing..

6 13. COMPLETION OF PROBATION. Respondent shall comply with all financial
7 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
8 completion of probation. Upon successful completion of probation, Respondent's certificate shall
9 be fully restored.

10 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
11 of probation is a violation of probation. If Respondent violates probation in any respect, the
12 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
13 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
14 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
15 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
16 the matter is final.

17 15. LICENSE SURRENDER. Following the effective date of this Decision, if
18 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
19 the terms and conditions of probation, Respondent may request to surrender his or her license.
20 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
21 determining whether or not to grant the request, or to take any other action deemed appropriate
22 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
23 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
24 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
25 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
26 application shall be treated as a petition for reinstatement of a revoked certificate.

27 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
28 with probation monitoring each and every year of probation, as designated by the Board, which

1 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
2 California and delivered to the Board or its designee no later than January 31 of each calendar
3 year.

4 17. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
5 a new license or certification, or petition for reinstatement of a license, by any other health care
6 licensing action agency in the State of California, all of the charges and allegations contained in
7 Accusation No. 800-2019-055303 shall be deemed to be true, correct, and admitted by
8 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
9 restrict license.

27 ¹ There is a nexus between a physician’s use of alcoholic beverages and his or her fitness to

used alcoholic beverages to the extent or in such a manner as to pose a danger to himself or others.”
(*Watson v. Superior Court (Medical Board)* (2009) 176 Cal.App.4th 1407, 1411.)

1 9. California Code of Regulations, title 16, section 1360, states:

2 "For the purposes of denial, suspension or revocation of a license, certificate or
3 permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime
4 or act shall be considered to be substantially related to the qualifications, functions or

11 violation of, or conspiring to violate any provision of the Medical Practice Act."

12 **FIRST CAUSE FOR DISCIPLINE**

13 **(Use of Alcohol in a Dangerous or Injurious Manner)**

14 10. Respondent is subject to disciplinary action under sections 2227 and 2234, as defined
15 by section 2239, of the Code, and California Code of Regulations, title 16, section 1360, in that
16 he used alcoholic beverages, to the extent, or in such a manner, as to be dangerous or injurious to
17 himself, or to any other person or to the public, as more particularly alleged as follows:

18 11. On or about June 10, 2017, at approximately 1:38 a.m., Sacramento Communications
19 Center advised of a solo vehicle traffic collision with an ambulance responding on the Mace
20 Boulevard off-ramp from Interstate-80 westbound. California Highway Patrol (CHP) Officers
21 A.P. and N.H.² responded and arrived at approximately 1:40 a.m. CHP Officer A.P. observed a
22 red Honda HRV against a large pole facing west. It had major front-end damage and the front
23 airbags were deployed. The CHP Officers checked the registration, which showed Respondent as
24 the owner.

25 12. CHP Officer A.P. observed paramedics evaluating Respondent behind the vehicle.
26 Respondent had sustained a small laceration to his left wrist as a result of the collision. (It was

1 discovered shortly after that Respondent had also suffered a broken back.) CHP Officer A.P.
2 observed that Respondent's eyes were red and watery, his speech was slurred, and his breath had
3 the strong odor of an alcoholic beverage.

4 13. While paramedics evaluated Respondent, CHP Officer A.P. contacted a male
5 ("Passenger A") who was sitting on the curb just north of Respondent's vehicle. He stated that he
6 was the right front passenger in Respondent's vehicle at the time of the collision. He further
7 stated that Respondent was driving the vehicle at the time of the collision, and that they were on
8 their way to Respondent's residence coming from a bar/nightclub in Sacramento.

9 14. After Respondent declined hospital treatment and signed a medical release, he
10 admitted to CHP Officer A.P. that he had been driving his vehicle. The ignition key was in his
11 right front pocket, which he provided to CHP Officer A.P. Respondent admitted to drinking two
12 16-ounce beers at the bar/nightclub in Sacramento prior to the collision. Respondent stated that he
13 was exiting on Mace Boulevard at an unknown speed when he hit the pole. He further stated that
14 he had lived in Davis since 2005 and taken that exit on countless occasions.

15 15. CHP Officer A.P. explained and demonstrated a series of field sobriety tests to
