JURISDICTION

- 3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.
- 4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.
 - 5. Section 2234 of the Code, states in part:

"The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

- "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter...
 - "(f) Any action or conduct that would have warranted the denial of a certificate."
 - 6. California Code of Regulations, Title 16, section 1360, states:

"For the purposes of denial, suspension or revocation of a license, certificate or permit pursuant to Division 1.5 (commencing with Section 475) of the code, a crime or act shall be considered to be substantially related to the qualifications, functions or duties of a person holding a license, certificate or permit under the Medical Practice Act if to a substantial degree it evidences present or potential unfitness of a person holding a license, certificate or permit to perform the functions authorized by the license, certificate or permit in a manner consistent with the public health, safety or welfare. Such crimes or acts shall include but not be limited to the following: Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate any provision of the Medical Practice Act."

CAUSE FOR DISCIPLINE

(Unprofessional Conduct)

- 7. Respondent is subject to disciplinary action under Business and Professions Code section 2234 (unprofessional conduct), and/or California Code of Regulations, Title 16, Code section 1360 (a crime or act), in that: Respondent assaulted a man, outside of Respondent's medical office building, on July 30, 2019. Respondent and his brother assaulted the man, who was helping a tenant move out of Respondent's office space. Police officers were called to the scene, and Respondent was placed under arrest. Respondent admitted to the officers that he hit the man because "I'm not going to let him push my brother." During an interview with the Board's investigator, Respondent repeated his admission that he hit the man, explaining that he did so because "...you don't touch my brother." During the interview, Respondent blamed the medical office tenant who was in the process of moving out, even though she was not physically present outside at the scene of the incident when it began, saying she was the "initiator," and is "always the initiator." When pressed to explain how the tenant initiated this fight, Respondent said, "I I don't remember exactly but it was uh a really stressful environment. She was trying to move her stuff out."
- 8. Respondent is subject to disciplinary action under section 2234 of the Code, and/or California Code of Regulations, title 16, Code section 1360, in that Respondent engaged in physical violence, which is inconsistent with his ethical obligation as a physician and surgeon and is conduct unbecoming of a member in good standing in the profession.
