1 **JURISDICTION**

2 3. This Accusation is brought before the Board, under the authority of the following laws. All
3 section references are to the Business and Professions Code (Code) unless otherwise indicated.

4 4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical
5 Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on
6 probation and required to pay the costs of probation monitoring, or such other action taken in relation to
7 discipline as the Board deems proper.

8 5. Section 2234 of the Code provides that the Board shall take action against any licensee who
9 is charged with unprofessional conduct.

10 6. Section 2239 of the Code provides that it is unprofessional conduct for a licensee to use
11 alcohol, dangerous drugs or controlled substances to the extent or in such a manner as to be dangerous or
12 injurious to the licensee, or to any other person or to the public, or to the extent that such use impairs the
13 ability of the licensee to practice medicine safely.

14 7. Section 2236 of the Code provides that the conviction of any offense substantially related to
15 the qualifications, functions, or duties of a physician and surgeon constitutes unprofessional conduct
16 within the meaning of Chapter 5 of the Medical Practice Act. The record of conviction shall be conclusive
17 evidence only of the fact that the conviction occurred.

18 **FACTUAL ALLEGATIONS**

19
20 9. On January 31, 2019 at approximately 6:30 pm, police were dispatched to a hit and run
21 accident in the City of Cupertino. The victim stated the driver fled the scene in a dark Honda Odyssey
22 minivan and gave officers the direction of travel.

23 10. Police searched the area and located the vehicle at the cul-de-sac of Madera Drive, and saw
24 two people engaging with Respondent in an attempt to get her to stop driving the vehicle. One witness
25 stated she was in her backyard and came out to the street because she heard two loud noises. Once on the
26 street, she observed Respondent drive over a curb while making 5 attempts at a 3-point turn to exit the cul-
27 de-sac. The witness intervened by putting the vehicle in park to stop the Respondent from endangering
28 herself and others. The witnesses also stated Respondent was incoherent and disoriented.

1 11. When officers made contact with Respondent, they could smell the odor of an alcoholic
2 beverage coming from the vehicle and she appeared to be disoriented and incoherent. They asked
3 Respondent if she was having a medical emergency and she said she was not. They asked Respondent if
4 she needed medical attention and she complained of head pain and officers saw a scratch on her face.
5 Police called for Fire Department personnel to check on Respondent's medical condition.

6 12. Respondent was asked if she had consumed any alcohol but she replied with a slurred,
7 incoherent response that police were unable to understand. Respondent was initially uncooperative and
8 did not want to provide police with her license. Police were eventually able to identify Respondent by her
9 CA driver's license.

10 13. Respondent asked for her license back, but was told it would be returned to her at the
11 completion of the investigation. Respondent became belligerent and verbally aggressive, using profanity
12 towards the officers. This soon escalated to physical aggression when Respondent pushed a police officer
13 in the shoulder with her hand. When Respondent assaulted the investigating officer, she was handcuffed
14 and walked to a patrol car. The officers noticed her unsteady gait.

15 14. Since Respondent had physically assaulted an officer, the administration of Field Sobriety
16 Tests was not feasible. Respondent refused to provide a PAS breath sample.

17 15. Respondent was then arrested for driving under the influence, hit and run, and assaulting an
18 officer. After her arrest, Respondent made several spontaneous comments minimizing the severity of her
19 conduct, like "all this for a DUI." Respondent refused to give blood or breath samples for testing and
20 police obtained a search warrant.

21 16. After obtaining the search warrant for Respondent's blood, she had to be physically
22 restrained so the blood could be drawn, and she continued to be verbally abusive to the officers.

23 17. The blood drawn from Respondent was tested for the presence of alcohol and Respondent's
24 BAC was at .25%, over three times the legal limit of .08%. On April 3, 2019, Respondent was charged by
25 the Santa Clara District Attorney with driving under the influence, hit and run, and battery of a person. On
26 June 26, 2019, Respondent was convicted of driving under the influence of alcohol and battery.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Unprofessional Conduct: Conviction of a Crime/Dangerous Use of Alcohol)**

3 18. The allegations of paragraphs 9 through 17 above are incorporated by reference as if set out
4 in full. Respondent's criminal conviction for, and her action of driving while she had a blood alcohol
5 content of .25%, and her conduct in assaulting a police officer, is substantially related to the qualifications,
6 functions and duties of a physician, and constitutes cause for discipline for unprofessional conduct
7 pursuant to sections 2234 and/or 2236 of the Code.

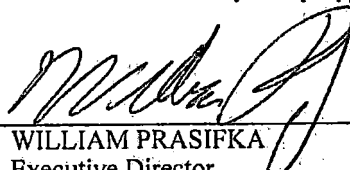

8 19. Respondent's conduct in driving while under the influence of alcohol with a high blood
9 alcohol content constitutes unprofessional conduct and the use of alcohol in a dangerous manner, and
10 constitutes cause for discipline pursuant to sections 2234 and/or 2239 of the Code.

11 **PRAYER**

12 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that
13 following the hearing, the Medical Board of California issue a decision:

- 14 1. Revoking or suspending Physician's and Surgeon's Certificate Number G 69219, issued to
15 Leslie Andrea Sullivan, M.D.;

19 probation monitoring; and
