12 In the Matter of the First Amended Accusation Against:	Case No. 800-2017-037688
13 <b>MUHAMMAD RAFIQ NASIR, M.D.</b>	OAH No. 2021050051
14 <b>2052 North Lake Avenue</b>	<b>STIPULATED SETTLEMENT AND</b>
15 <b>Altadena, CA 91001</b>	<b>DISCIPLINARY ORDER</b>
16 <b>Physician's and Surgeon's Certificate</b>	
17 <b>No. A 44253,</b>	
18 <b>Respondent.</b>	

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
23 California (Board). He brought this action solely in his official capacity and is represented in this  
24 matter by Rob Bonta, Attorney General of the State of California, by Christine R. Friar, Deputy  
25 Attorney General.

26 2. Respondent Muhammad Rafiq Nasir, M.D. (Respondent) is represented in this  
27 proceeding by attorney Robert K. Weinberg, Esq., Law Office of Robert K. Weinberg, 19200  
28 Von Karman Avenue, Suite 380, Irvine, California 92612.

1        9. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
2 every right set forth above.

3                                        **CULPABILITY**

4        10. Respondent does not contest that, at an administrative hearing, Complainant  
5 could establish a *prima facie* case with respect to the charges and allegations contained in  
6 First Amended Accusation No. 800-2017-037688 and that he has thereby subjected his  
7 license to disciplinary action.

8        11. Respondent agrees that if he ever petitions for early termination or modification of  
9 probation, or if the Board ever petitions for revocation of probation, all of the charges and  
10 allegations contained in First Amended Accusation No. 800-2017-037688 shall be deemed true,  
11 correct and fully admitted by Respondent for purposes of that proceeding or any other licensing  
12 proceeding involving Respondent in the State of California.

13        12. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
14 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
15 Disciplinary Order below.

16                                        **CONTINGENCY**

17        13. This stipulation shall be subject to approval by the Medical Board of California.  
18 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
19 Board of California may communicate directly with the Board regarding this stipulation and  
20 settlement, without notice to or participation by Respondent or his counsel. By signing the  
21 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
22 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
23 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
24 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
25 action between the parties, and the Board shall not be disqualified from further action by having  
26 considered this matter.

27        14. Respondent agrees that if he ever petitions for early termination or modification of  
28 probation, or if an accusation and/or petition to revoke probation is filed against him before the

1 Board, all of the charges and allegations contained in First Amended Accusation No. 800-2017-  
2 037688 shall be deemed true, correct and fully admitted by Respondent for purposes of any such  
3 proceeding or any other licensing proceeding involving Respondent in the State of California.

4 15. The parties understand and agree that Portable Document Format (PDF) and facsimile  
5 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
6 signatures thereto, shall have the same force and effect as the originals.

7 16. In consideration of the foregoing admissions and stipulations, the parties agree that  
8 the Board may, without further notice or opportunity to be heard by the Respondent, issue and  
9 enter the following Disciplinary Order:

10 **DISCIPLINARY ORDER**

11 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 44253 issued  
12 to Respondent Muhammad Rafiq Nasir, M.D. is revoked. However, the revocation is stayed and  
13 Respondent is placed on probation for three (3) years on the following terms and conditions:

14 1. **CONTROLLED SUBSTANCES - MAINTAIN RECORDS AND ACCESS TO**  
15 **RECORDS AND INVENTORIES.** Respondent shall maintain a record of all controlled  
16 substances ordered, prescribed, dispensed, administered, or possessed by Respondent, and any  
17 recommendation or approval which enables a patient or patient's primary caregiver to possess or  
18 cultivate marijuana for the personal medical purposes of the patient within the meaning of Health  
19 and Safety Code section 11362.5, during probation, showing all of the following: 1) the name and  
20 address of the patient; 2) the date; 3) the character and quantity of controlled substances involved;  
21 and 4) the indications and diagnosis for which the controlled substances were furnished.

22 Respondent shall keep these records in a separate file or ledger, in chronological order. All  
23 records and any inventories of controlled substances shall be available for immediate inspection  
24 and copying on the premises by the Board or its designee at all times during business hours and  
25 shall be retained for the entire term of probation.

26 2. **EDUCATION COURSE.** Within 60 calendar days of the effective date of this  
27 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee  
28 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours

2 correcting any areas of deficient practice or knowledge and shall be Category I certified. The  
3 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to  
4 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the  
5 completion of each course, the Board or its designee may administer an examination to test  
6 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65  
7 hours of CME of which 40 hours were in satisfaction of this condition.

8       3. PRESCRIBING PRACTICES COURSE. Within 60 calendar days of the effective  
9 date of this Decision, Respondent shall enroll in a course in prescribing practices approved in  
10 advance by the Board or its designee. Respondent shall provide the approved course provider  
11 with any information and documents that the approved course provider may deem pertinent.  
12 Respondent shall participate in and successfully complete the classroom component of the course  
13 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully  
14 complete any other component of the course within one (1) year of enrollment. The prescribing  
15 practices course shall be at Respondent's expense and shall be in addition to the Continuing  
16 Medical Education (CME) requirements for renewal of licensure.

17       A prescribing practices course taken after the acts that gave rise to the charges in the First  
18 Amended Accusation, but prior to the effective date of the Decision may, in the sole discretion of  
19 the Board or its designee, be accepted towards the fulfillment of this condition if the course would  
20 have been approved by the Board or its designee had the course been taken after the effective date  
21 of this Decision.

22       Respondent shall submit a certification of successful completion to the Board or its  
23 designee not later than 15 calendar days after successfully completing the course, or not later than  
24 15 calendar days after the effective date of the Decision, whichever is later.

25       4. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective  
26 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in  
27 advance by the Board or its designee. Respondent shall provide the approved course provider  
28 with any information and documents that the approved course provider may deem pertinent.

1 Respondent shall participate in and successfully complete the classroom component of the course  
2 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully  
3 complete any other component of the course within one (1) year of enrollment. The medical  
4 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing  
5 Medical Education (CME) requirements for renewal of licensure.

6 A medical record keeping course taken after the acts that gave rise to the charges in the  
7 First Amended Accusation, but prior to the effective date of the Decision may, in the sole  
8 discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the  
9 course would have been approved by the Board or its designee had the course been taken after the  
10 effective date of this Decision.

11 Respondent shall submit a certification of successful completion to the Board or its  
12 designee not later than 15 calendar days after successfully completing the course, or not later than  
13 15 calendar days after the effective date of the Decision, whichever is later.

14 5. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this  
15 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
16 monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose  
17 licenses are valid and in good standing, and who are preferably American Board of Medical  
18 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
19 relationship with Respondent, or other relationship that could reasonably be expected to  
20 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
21 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
22 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

23 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
24 and First Amended Accusation(s), and a proposed monitoring plan. Within 15 calendar days of  
25 receipt of the Decision(s), First Amended Accusation(s), and proposed monitoring plan, the  
26 monitor shall submit a signed statement that the monitor has read the Decision(s) and First  
27 Amended Accusation(s), fully understands the role of a monitor, and agrees or disagrees with the  
28 proposed monitoring plan. If the monitor disagrees with the proposed monitoring plan, the

1 monitor shall submit a revised monitoring plan with the signed statement for approval by the  
2 Board or its designee.

3       Within 60 calendar days of the effective date of this Decision, and continuing throughout  
4 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
5 make all records available for immediate inspection and copying on the premises by the monitor  
6 at all times during business hours and shall retain the records for the entire term of probation.

7       If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
8 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
9 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
10 shall cease the practice of medicine until a monitor is approved to provide monitoring  
11 responsibility.

12       The monitor(s) shall submit a quarterly written report to the Board or its designee which  
13 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
14 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
15 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
16 that the monitor submits the quarterly written reports to the Board or its designee within 10  
17 calendar days after the end of the preceding quarter.

18       If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
19 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
20 name and qualifications of a replacement monitor who will be assuming that responsibility within  
21 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
22 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
23 notification from the Board or its designee to cease the practice of medicine within three (3)  
24 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
25 replacement monitor is approved and assumes monitoring responsibility.

26       In lieu of a monitor, Respondent may participate in a professional enhancement program  
27 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
28 review, semi-annual practice assessment, and semi-annual review of professional growth and

1 education. Respondent shall participate in the professional enhancement program at  
2 Respondent's expense during the term of probation.

3 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
4 Respondent shall provide a true copy of this Decision and First Amended Accusation to the Chief  
5 of Staff or the Chief Executive Officer at every hospital where privileges or membership are  
6 extended to Respondent, at any other facility where Respondent engages in the practice of  
7 medicine, including all physician and locum tenens registries or other similar agencies, and to the  
8 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage  
9 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within  
10 15 calendar days.

11 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier

12 7. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
13 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
14 advanced practice nurses.

15 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
16 governing the practice of medicine in California and remain in full compliance with any court  
17 ordered criminal probation, payments, and other orders.

18 9. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby  
19 ordered to reimburse the Board its costs of investigation and enforcement, including, but not  
20 limited to, expert review, amended accusations, legal reviews, joint investigations, and subpoena  
21 enforcement, as applicable, in the amount of \$8,553.75. Costs shall be payable to the Medical  
22 Board of California. Failure to pay such costs shall be considered a violation of probation.

23 Any and all requests for a payment plan shall be submitted in writing by Respondent to the  
24 Board.

25 The filing of bankruptcy by Respondent shall not relieve Respondent of the responsibility  
26 to repay investigation and enforcement costs, including expert review costs (if applicable).

27 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
28 under penalty of perjury on forms provided by the Board, stating whether there has been

1 compliance with all the conditions of probation.

2 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
3 of the preceding quarter.

4 11. GENERAL PROBATION REQUIREMENTS

5 Compliance with Probation Unit

6 Respondent shall comply with the Board's probation unit.

7 Address Changes

8 Respondent shall, at all times, keep the Board informed of Respondent's business and  
9 residence addresses, email address (if available), and telephone number. Changes of such  
10 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
11 circumstances shall a post office box serve as an address of record, except as allowed by Business  
12 and Professions Code section 2021, subdivision (b).

13 Place of Practice

14 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
15 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
16 facility.

17 License Renewal

18 Respondent shall maintain a current and renewed California physician's and surgeon's  
19 license.

20 Travel or Residence Outside California

21 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
22 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
23 (30) calendar days.

24 In the event Respondent should leave the State of California to reside or to practice  
25 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
26 departure and return.

27 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
28 available in person upon request for interviews either at Respondent's place of business or at the

1 probation unit office, with or without prior notice throughout the term of probation.

2 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
3 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
4 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
5 defined as any period of time Respondent is not practicing medicine as defined in Business and  
6 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
7 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
8 Respondent resides in California and is considered to be in non-practice, Respondent shall  
9 comply with all terms and conditions of probation. All time spent in an intensive training  
10 program which has been approved by the Board or its designee shall not be considered non-  
11 practice and does not relieve Respondent from complying with all the terms and conditions of  
12 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
13 on probation with the medical licensing authority of that state or jurisdiction shall not be  
14 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
15 period of non-practice.

16 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
17 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
18 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
19 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
20 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

21 Respondent's period of non-practice while on probation shall not exceed two (2) years.

22 Periods of non-practice will not apply to the reduction of the probationary term.

23 Periods of non-practice for a Respondent residing outside of California will relieve  
24 Respondent of the responsibility to comply with the probationary terms and conditions with the  
25 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
26 General Probation Requirements; and Quarterly Declarations.

27 14. COMPLETION OF PROBATION. Respondent shall comply with all financial  
28 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the

1 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
2 be fully restored.

3 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
4 of probation is a violation of probation. If Respondent violates probation in any respect, the  
5 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
6 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke  
7 Probation, or an Interim Suspension Order is filed against Respondent during probation, the  
8 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall  
9 be extended until the matter is final.

10 16. LICENSE SURRENDER. Following the effective date of this Decision, if  
11 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
12 the terms and conditions of probation, Respondent may request to surrender his or her license.  
13 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
14 determining whether or not to grant the request, or to take any other action deemed appropriate  
15 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
16 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
17 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
18 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
19 application shall be treated as a petition for reinstatement of a revoked certificate.

20 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
21 with probation monitoring each and every year of probation, as designated by the Board, which  
22 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
23 California and delivered to the Board or its designee no later than January 31 of each calendar  
24 year.

25 18. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
26 a new license or certification, or petition for reinstatement of a license, by any other health care  
27 licensing action agency in the State of California, all of the charges and allegations contained in  
28 First Amended Accusation No. 800-2017-037688 shall be deemed to be true, correct, and

1 admitted by Respondent for the purpose of any Statement of Issues or any other proceeding  
2 seeking to deny or restrict license.

24 to costs shall not be reviewable by the board to increase the cost award. The board  
25 may reduce or eliminate the cost award, or remand to the administrative law judge if  
26 the proposed decision fails to make a finding on costs requested pursuant to  
27 subdivision (a).
