19
20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-

22 **PARTIES**

23 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
24 California (Board). He brought this action solely in his official capacity and is represented in this
25 matter by Rob Bonta, Attorney General of the State of California, by Christine A. Rhee, Deputy
26 Attorney General.

27 2. Respondent Brian Peter First, M.D. (Respondent) is representing himself in this

1 12. In consideration of the foregoing admissions and stipulations, the parties agree that
2 the Board may, without further notice or opportunity to be heard by Respondent, issue and enter
3 the following Disciplinary Order:

4 **DISCIPLINARY ORDER**

5 IT IS HEREBY ORDERED that Respondent Brian Peter First, M.D.'s, Physician's and
6 Surgeon's Certificate No. A 33952 shall be and is hereby Publicly Reprimanded pursuant to
7 California Business and Professions Code section 2227, subdivision (a)(4). This Public
8 Reprimand, which is issued in connection with Accusation No. 800-2021-082668, is as follows:

9 As more fully described in Accusation No. 800-2021-082668, you signed
10 vaccination exemption letters for two pediatric patients on or about May 5, 2021 even
11 though you had never properly examined or treated those patients. You went outside
the scope of your practice in doing so and failed to maintain adequate and accurate
records for these patients.

12 1. **PROFESSIONALISM PROGRAM (ETHICS COURSE)**. Within 60 calendar days of
13 the effective date of this Decision, Respondent shall enroll in a professionalism program that
14 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
15 Respondent shall participate in and successfully complete that program. Respondent shall
16 provide any information and documents that the program may deem pertinent. Respondent shall
17 successfully complete the classroom component of the program not later than six (6) months after
18 Respondent's initial enrollment, and the longitudinal component of the program not later than the
19 time specified by the program, but no later than one (1) year after attending the classroom
20 component. The professionalism program shall be at Respondent's expense and shall be in
21 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

22 A professionalism program taken after the acts that gave rise to the charges in the
23 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
24 or its designee, be accepted towards the fulfillment of this condition if the course would have
25 been approved by the Board or its designee had the course been taken after the effective date of
26 this Decision.

27 ///

28 ///

1 Respondent shall submit a certification of successful completion to the Board or its
2 designee not later than 15 days after successfully completing the course, or not later than 15
3 calendar days after the effective date of the Decision, whichever is later.

4 Any failure to fully comply with this term and condition of the Disciplinary Order shall
5 constitute unprofessional conduct and will subject Respondent's Physician's and Surgeon's
6 Certificate to further disciplinary action.

7 2. INVESTIGATION/ENFORCEMENT COST RECOVERY. Within 60 calendar days
8 of the effective date of this Decision, Respondent is hereby ordered to reimburse the Board its
9 costs of investigation and enforcement, including, but not limited to, expert review, amended
10 accusations, legal reviews, joint investigations, and subpoena enforcement, in the amount of
11 \$6,253.75 (six thousand, two hundred and fifty-three dollars and seventy-five cents). Costs shall
12 be payable to the Medical Board of California.

13 The filing of bankruptcy by Respondent shall not relieve Respondent of the responsibility
14 to repay investigation or enforcement costs.

15 Any failure to fully comply with this term and condition of the Disciplinary Order shall
16 constitute unprofessional conduct and will subject Respondent's Physician's and Surgeon's
17 Certificate to further disciplinary action.

JURISDICTION

1
2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227 of the Code states, in pertinent part:

6 (a) A licensee whose matter has been heard by an administrative law judge of
7 the Medical Quality Hearing Panel as designated in Section 11371 of the Government
8 Code, or whose default has been entered, and who is found guilty, or who has entered
9 into a stipulation for disciplinary action with the board, may, in accordance with the
10 provisions of this chapter:

11 (1) Have his or her license revoked upon order of the board.

12 (2) Have his or her right to practice suspended for a period not to exceed one
13 year upon order of the board.

14 (3) Be placed on probation and be required to pay the costs of probation
15 monitoring upon order of the board.

16 (4) Be publicly reprimanded by the board. The public reprimand may include a
17 requirement that the licensee complete relevant educational courses approved by the
18 board.

19 (5) Have any other action taken in relation to discipline as part of an order of
20 probation, as the board or an administrative law judge may deem proper.

21 ...

22 5. Section 2234 of the Code, states, in pertinent part:

23 The board shall take action against any licensee who is charged with
24 unprofessional conduct. In addition to other provisions of this article, unprofessional
25 conduct includes, but is not limited to, the following:

26 ...

27 (b) Gross negligence.

28 (c) Repeated negligent acts. To be repeated, there must be two or more
negligent acts or omissions. An initial negligent act or omission followed by a
separate and distinct departure from the applicable standard of care shall constitute
repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically
appropriate for that negligent diagnosis of the patient shall constitute a single
negligent act.

(2) When the standard of care requires a change in the diagnosis, act, or
omission that constitutes the negligent act described in paragraph (1), including, but

1 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
2 licensee's conduct departs from the applicable standard of care, each departure
3 constitutes a separate and distinct breach of the standard of care.

3 ...

4 6. Section 2266 of the Code states that the failure of a physician and surgeon to maintain
5 adequate and accurate medical records constitutes unprofessional conduct.

6 COST RECOVERY

7 7. Section 125.3 of the Code states:

8 (a) Except as otherwise provided by law, in any order issued in resolution of a
9 disciplinary proceeding before any board within the department or before the
10 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the
11 administrative law judge may direct a licensee found to have committed a violation or
12 violations of the licensing act to pay a sum not to exceed the reasonable costs of the
13 investigation and enforcement of the case.

12 (b) In the case of a disciplined licensee that is a corporation or a partnership, the
13 order may be made against the licensed corporate entity or licensed partnership.

13 (c) A certified copy of the actual costs, or a good faith estimate of costs where
14 actual costs are not available, signed by the entity bringing the proceeding or its
15 designated representative shall be prima facie evidence of reasonable costs of
16 investigation and prosecution of the case. The costs shall include the amount of
17 investigative and enforcement costs up to the date of the hearing, including, but not
18 limited to, charges imposed by the Attorney General.

17 (d) The administrative law judge shall make a proposed finding of the amount
18 of reasonable costs of investigation and prosecution of the case when requested
19 pursuant to subdivision (a). The finding of the administrative law judge with regard to
20 costs shall not be reviewable by the board to increase the cost award. The board may
21 reduce or eliminate the cost award, or remand to the administrative law judge if the
22 proposed decision fails to make a finding on costs requested pursuant to subdivision
23 (a).

21 (e) If an order for recovery of costs is made and timely payment is not made as
22 directed in the board's decision, the board may enforce the order for repayment in any
23 appropriate court. This right of enforcement shall be in addition to any other rights
24 the board may have as to any licensee to pay costs.

23 (f) In any action for recovery of costs, proof of the board's decision shall be
24 conclusive proof of the validity of the order of payment and the terms for payment.

24 (g) (1) Except as provided in paragraph (2), the board shall not renew or
25 reinstate the license of any licensee who has failed to pay all of the costs ordered
26 under this section.

26 (2) Notwithstanding paragraph (1), the board may, in its discretion,
27 conditionally renew or reinstate for a maximum of one year the license of any
28 licensee who demonstrates financial hardship and who enters into a formal agreement

1 with the board to reimburse the board within that one-year period for the unpaid
2 costs.

3 (h) All costs recovered under this section shall be considered a reimbursement
4 for costs incurred and shall be deposited in the fund of the board recovering the costs
5 to be available upon appropriation by the Legislature.

6 (i) Nothing in this section shall preclude a board from including the recovery of
7 the costs of investigation and enforcement of a case in any stipulated settlement.

8 (j) This section does not apply to any board if a specific statutory provision in
9 that board's licensing act provides for recovery of costs in an administrative
10 disciplinary proceeding.

11 **FIRST CAUSE FOR DISCIPLINE**
12 **(Gross Negligence)**

13 8. Respondent has subjected his Physician's and Surgeon's Certificate No. A33952 to
14 disciplinary action under sections 2222 and 2234, as defined by section 2234, subdivision (b), of
15 the Code, in that he committed gross negligence in his care and treatment of Patient A and Patient
16 B,¹ as more particularly alleged hereafter:

17 9. On or about May 5, 2021, Respondent signed vaccination exemption letters
18 pertaining to Patient A, an eight-year-old, and Patient B, a six-year-old. Respondent specializes
19 in internal medicine and endocrinology and only treats adult patients. Other than identifying the
20 name and date of birth of each patient, the letters are identical.

21 10. In these letters, Respondent stated that Patient A and Patient B should be exempt
22 from all CDC-recommended vaccines "until more complete immunological testing can be
23 completed," because of their family medical history. Respondent wrote that both patients have a
24 "strong family history of autoimmune disease such as Multiple Sclerosis, [i]mmune cancer and a
25 genetic mutation that makes severe vaccine reactions more likely." The letters were ultimately
26 submitted to the California Department of Public Health for review.

27 11. On or about November 15, 2021, Board investigators interviewed Respondent about
28 these vaccination exemption letters. Respondent stated that no medical records exist for his
treatment and care of Patient A and Patient B because they were never his patients. Instead,
Respondent explained that he signed the vaccination exemption letters at the request of a close

¹ Names of the patients have been omitted to protect their privacy.

1 family friend, the father of Patient A and Patient B. Respondent said that he used a vaccination
2 exemption letter previously written by another treatment provider for the patients, changed the
3 wording a little, and signed it. Respondent admitted that he never saw or examined Patient A or
4 Patient B.

5 12. Respondent committed gross negligence in his care and treatment of Patient A and
6 Patient B, which includes, but is not limited to, the following:

7 a. Respondent failed to conduct a proper history and exam on each patient before
8 writing a vaccination exemption letter;

9 b. Respondent went outside the scope of his practice by writing vaccination
10 exemption letters for Patient A and Patient B, who were pediatric patients whom Respondent
11 would not normally treat; and

12 c. Respondent failed to maintain adequate and accurate medical records for
13 Patient A and Patient B.

14 **SECOND CAUSE FOR DISCIPLINE**
15 **(Repeated Negligent Acts)**

16 13. Respondent has further subjected his Physician's and Surgeon's Certificate
17 No. A 33952 to disciplinary action under sections 2227 and 2234, as defined by section 2234,
18 subdivision (c), of the Code, in that Respondent committed repeated negligent acts in his care and
19 treatment of Patient A and Patient B, as more particularly alleged in paragraphs 9 through 12,
20 above, which are hereby incorporated by reference and re-alleged as if fully set forth herein.

21 **THIRD CAUSE FOR DISCIPLINE**
22 **(Failure to Maintain Adequate and Accurate Records)**

23 14. Respondent has further subjected his Physician's and Surgeon's Certificate
24 No. A 33952 to disciplinary action under sections 2227 and 2234, as defined by section 2266 of
25 the Code, in that Respondent failed to maintain adequate and accurate records in his care and
26 treatment of Patient A and Patient B, as more particularly alleged in paragraphs 9 through 13,
27 above, which are hereby incorporated by reference and re-alleged as if fully set forth herein.
