11          Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
12 of residence, unless the patient resides in a skilled nursing facility or other similar licensed

14          License Renewal

15          Respondent shall maintain a current and renewed California physician's and surgeon's  
16 license.

18          Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
19 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
20 (30) calendar days.

21          In the event Respondent should leave the State of California to reside or to practice  
22 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
23 departure and return.

24          10.   INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
25 available in person upon request for interviews either at Respondent's place of business or at the

28 its designee in writing within 15 calendar days of any periods of non-practice lasting more than

2 defined as any period of time Respondent is not practicing medicine as defined in Business and  
3 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
4 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
5 Respondent resides in California and is considered to be in non-practice, Respondent shall  
6 comply with all terms and conditions of probation. All time spent in an intensive training

12 period of non-practice.

13 In the event Respondent's period of non-practice while on probation exceeds 18 calendar

18 Respondent's period of non-practice while on probation shall not exceed two (2) years.

19 Periods of non-practice will not apply to the reduction of the probationary term.

20 Periods of non-practice for a Respondent residing outside of California will relieve  
21 Respondent of the responsibility to comply with the probationary terms and conditions with the  
22 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
23 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or

2 of probation is a violation of probation. If Respondent violates probation in any respect, the  
3 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
4 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
5 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
6 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
7 the matter is final.

8           14. LICENSE SURRENDER. Following the effective date of this Decision, if  
9 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
10 the terms and conditions of probation, Respondent may request to surrender his or her license.  
11 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in

13 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
14 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
15 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
16 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
17 application shall be treated as a petition for reinstatement of a revoked certificate.

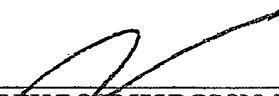

18           15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
19 with probation monitoring each and every year of probation, as designated by the Board, which  
20 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
21 California and delivered to the Board or its designee no later than January 31 of each calendar

24 a new license or certification, or petition for reinstatement of a license, by any other health care  
25 licensing action agency in the State of California, all of the charges and allegations contained in  
26 Accusation No. 800-2020-072479 shall be deemed to be true, correct, and admitted by
