**STIPULATED SETTLEMENT AND  
DISCIPLINARY ORDER**

20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
24 California (Board). He brought this action solely in his official capacity and is represented in this  
25 matter by Rob Bonta, Attorney General of the State of California, by Hansa M. Murthy, Deputy  
26 Attorney General.

27 2. Respondent Gary Neal Furness, M.D. (Respondent) is represented in this proceeding  
28 by attorney Robert Hodges, whose business address is: 3480 Buskirk Avenue, Suite 250

1 Pleasant Hill, CA 94523. On or about October 15, 1985, the Board issued Physician's and  
2 Surgeon's Certificate No. A 42216 to Gary Neal Furness, M.D. (Respondent). The Physician's  
3 and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought  
4 in Accusation/ Petition to Revoke Probation No. 800-2021-077490, and will expire on November  
5 30, 2022 unless renewed.

### 6 **JURISDICTION**

7 3. Accusation/Petition to Revoke Probation No. 800-2021-077490 was filed before the  
8 Board, and is currently pending against Respondent. The Accusation/Petition to Revoke  
9 Probation and all other statutorily required documents were properly served on Respondent on  
10 July 21, 2021. Respondent timely filed his Notice of Defense contesting the Accusation/Petition  
11 to Revoke Probation.

12 4. A copy of Accusation/Petition to Revoke Probation No. 800-2021-077490 is attached  
13 as Exhibit A and incorporated herein by reference.

### 14 **ADVISEMENT AND WAIVERS**

15 5. Respondent has carefully read, fully discussed with counsel, and understands the  
16 charges and allegations in Accusation/Petition to Revoke Probation No. 800-2021-077490.  
17 Respondent has also carefully read, fully discussed with his counsel, and understands the effects  
18 of this Stipulated Settlement and Disciplinary Order.

19 6. Respondent is fully aware of his legal rights in this matter, including the right to a  
20 hearing on the charges and allegations in the Accusation/Petition to Revoke Probation; the right  
21 to confront and cross-examine the witnesses against him; the right to present evidence and to  
22 testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of  
23 witnesses and the production of documents; the right to reconsideration and court review of an  
24 adverse decision; and all other rights accorded by the California Administrative Procedure Act  
25 and other applicable laws.

26 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
27 every right set forth above.  
28

1 CULPABILITY

2 8. Respondent understands and agrees that the charges and allegations in  
3 Accusation/Petition to Revoke Probation No. 800-2021-077490, if proven at a hearing, constitute  
4 cause for imposing discipline upon his Physician's and Surgeon's Certificate.

5 9. Respondent does not contest that, at an administrative hearing, complainant could  
6 establish a prima facie case with respect to the charges and allegations in Accusation/Petition to  
7 Revoke Probation No. 800-2021-077490, and that he has thereby subjected his Physician's and  
8 Surgeon's Certificate, No. A 42216 to disciplinary action.

9 CONTINGENCY

10 10. This stipulation shall be subject to approval by the Medical Board of California.  
11 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
12 Board of California may communicate directly with the Board regarding this stipulation and  
13 settlement, without notice to or participation by Respondent or his counsel. By signing the  
14 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
15 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
16 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
17 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
18 action between the parties, and the Board shall not be disqualified from further action by having  
19 considered this matter.

20 11. Respondent agrees that if he ever petitions for early termination or modification of  
21 probation, or if an accusation and/or petition to revoke probation is filed against him before the  
22 Board, all of the charges and allegations contained in Accusation/Petition to Revoke Probation  
23 No. 800-2021-077490 shall be deemed true, correct and fully admitted by respondent for  
24 purposes of any such proceeding or any other licensing proceeding involving Respondent in the  
25 State of California.

26 12. The parties understand and agree that Portable Document Format (PDF) and facsimile  
27 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
28 signatures thereto, shall have the same force and effect as the originals.

1 13. In consideration of the foregoing admissions and stipulations, the parties agree that  
2 the Board may, without further notice or opportunity to be heard by the Respondent, issue and  
3 enter the following Disciplinary Order:

4 **DISCIPLINARY ORDER**

7 Board's order in Case No. 800-2015-016308, Respondent's Physician's and Surgeon's Certificate

12 of the Board and extension of probation until resolution of Case No. 800-2021-077490. (See

20 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

21 A professionalism program taken after the acts that gave rise to the charges in the  
22 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
23 or its designee, be accepted towards the fulfillment of this condition if the program would have  
24 been approved by the Board or its designee had the program been taken after the effective date of  
25 this Decision.

26 Respondent shall submit a certification of successful completion to the Board or its  
27 designee not later than 15 calendar days after successfully completing the program or not later  
28 than 15 calendar days after the effective date of the Decision, whichever is later.

11 governing the practice of medicine in California and remain in full compliance with any court  
12 ordered criminal probation, payments, and other orders.

13          5.    QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
14 under penalty of perjury on forms provided by the Board, stating whether there has been  
15 compliance with all the conditions of probation.

16          Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
17 of the preceding quarter.

18          6.    GENERAL PROBATION REQUIREMENTS.

19               Compliance with Probation Unit

20               Respondent shall comply with the Board's probation unit.

21               Address Changes

22               Respondent shall, at all times, keep the Board informed of Respondent's business and  
23 residence addresses, email address (if available), and telephone number. Changes of such  
24 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
25 circumstances shall a post office box serve as an address of record, except as allowed by Business  
26 and Professions Code section 2021, subdivision (b).

27               Place of Practice

28               Respondent shall not engage in the practice of medicine in Respondent's or patient's place

1 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
2 facility.

3 License Renewal

4 Respondent shall maintain a current and renewed California physician's and surgeon's  
5 license.

6 Travel or Residence Outside California

7 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
8 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
9 (30) calendar days.

10 In the event Respondent should leave the State of California to reside or to practice  
11 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
12 departure and return.

13 7. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
14 available in person upon request for interviews either at Respondent's place of business or at the  
15 probation unit office, with or without prior notice throughout the term of probation.

16 8. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
17 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
18 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
19 defined as any period of time Respondent is not practicing medicine as defined in Business and  
20 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
21 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
22 Respondent resides in California and is considered to be in non-practice, Respondent shall  
23 comply with all terms and conditions of probation. All time spent in an intensive training  
24 program which has been approved by the Board or its designee shall not be considered non-  
25 practice and does not relieve Respondent from complying with all the terms and conditions of  
26 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
27 on probation with the medical licensing authority of that state or jurisdiction shall not be  
28 considered non-practice. A Board-ordered suspension of practice shall not be considered as a

1 period of non-practice.

2 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
3 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
4 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
5 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
6 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

7 Respondent's period of non-practice while on probation shall not exceed two (2) years.

8 Periods of non-practice will not apply to the reduction of the probationary term.

9 Periods of non-practice for a Respondent residing outside of California will relieve  
10 Respondent of the responsibility to comply with the probationary terms and conditions with the  
11 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
12 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
13 Controlled Substances; and Biological Fluid Testing.

14 9. COMPLETION OF PROBATION. Respondent shall comply with all financial  
15 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
16 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
17 be fully restored.

18 10. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
19 of probation is a violation of probation. If Respondent violates probation in any respect, the  
20 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
21 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
22 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
23 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
24 the matter is final.

25 11. LICENSE SURRENDER. Following the effective date of this Decision, if  
26 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
27 the terms and conditions of probation, Respondent may request to surrender his license. The  
28 Board reserves the right to evaluate Respondent's request and to exercise its discretion in

1 determining whether or not to grant the request, or to take any other action deemed appropriate  
2 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
3 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
4 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
5 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
6 application shall be treated as a petition for reinstatement of a revoked certificate.

7 12. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
8 with probation monitoring each and every year of probation, as designated by the Board, which  
9 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
10 California and delivered to the Board or its designee no later than January 31 of each calendar  
11 year.

12 13. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
13 a new license or certification, or petition for reinstatement of a license, by any other health care  
14 licensing action agency in the State of California, all of the charges and allegations contained in  
15 Accusation/Petition to Revoke Probation No. 800-2021-077490 shall be deemed to be true,  
16 correct, and admitted by Respondent for the purpose of any Statement of Issues or any other  
17 proceeding seeking to deny or restrict license.

1 **JURISDICTION**

2 3. This Accusation and Petition to Revoke Probation is brought before the Board, under  
3 the authority of the following laws. All section references are to the Business and Professions  
4 Code (Code) unless otherwise indicated.

5 4. Section 2227 of the Code provides that a licensee who is found guilty under the  
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
8 action taken in relation to discipline as the Board deems proper.

9 5. Section 2234 of the Code states, in pertinent parts: "The board shall take action  
10 against any licensee who is charged with unprofessional conduct. In addition to other provisions  
11 of this article, unprofessional conduct includes, but is not limited to, the following:

18 6. Section 2266 of the Code states: "The failure of a physician and surgeon to maintain  
19 adequate and accurate records relating to the provision of services to their patients constitutes  
20 unprofessional conduct."

21 **FACTUAL ALLEGATIONS**

22 7. Respondent is a board certified family medicine physician and the medical director,  
23 with responsibility for utilization and quality of care, for a health maintenance organization  
24 (HMO) in Northern California. At all times relevant to this matter, Respondent was licensed and  
25 practicing medicine in California.

26 8. Pursuant to a Decision entered by the Board on October 3, 2018 and effective on  
27 November 2, 2018 (attached herewith as Exhibit A), Respondent's Physician's and Surgeon's  
28 Certificate Number A 42216 is subject to a three year probationary term as part of the resolution

1 of Board Case No. 800-2015-016308. In that case, Complainant alleged that Respondent  
2 committed gross negligence and/or repeated negligent acts and/or failed to maintain adequate  
3 medical records for a patient to whom Respondent prescribed large doses of Vicodin 5/500,  
4 among other controlled substances. Complainant also alleged that Respondent improperly  
5 prescribed controlled substances to his daughter and wife without examination.

6 **FIRST CAUSE FOR DISCIPLINE**  
7 **(Unprofessional Conduct/ Gross Negligence/ Repeated Negligent Acts)**

8 9. Paragraphs 7 and 8 are incorporated herein. Respondent is guilty of unprofessional  
9 conduct and his license is subject to disciplinary action under sections 2234, 2234(b) and/or  
10 2234(c) in that Respondent was grossly negligent and/or committed repeated negligent acts. The  
11 circumstances are as follows:

12 10. In his capacity as a primary care physician, Respondent saw Patient 1, an established  
13 elderly, female patient, on September 21, 2015 for an office visit.<sup>1</sup> At that visit, Patient 1  
14 complained of fatigue, vaginal discharge, vaginal irritation, urinary discomfort and less restful  
15 sleep. Due to her fatigue and abdominal systems, Respondent ordered an ultrasound of Patient  
16 1's pelvis and abdomen. At an urgent follow up visit with Patient 1 on September 30, 2015 to  
17 discuss the ultrasound results, Respondent noted a mass in the tail of the pancreas to be further  
18 evaluated via CT scan, as well as need for uterine biopsy due to possible uterine cancer.  
19 Respondent ordered a CT scan of Patient 1's abdomen and pelvis and referred her to gynecology.

20 11. On October 8, 2015, Respondent saw Patient 1 at an office visit for surgical clearance  
21 for endometrial biopsy and also discussed Patient 1's CT scan results with her. Respondent noted  
22 Patient 1 had a very high likelihood of having only benign pancreatic lesions, that Patient 1 will  
23 be due for a repeat CT scan in March 2016, and that "this" was discussed in detail. Respondent  
24 does not indicate in the medical record or specify appropriate discussion of the potential benefits  
25 and disadvantages of the option of an endoscopic ultrasound with potential biopsy, a more  
26 invasive option to investigate the pancreatic abnormality further. There is no indication of  
27 weighing the option of endoscopic ultrasound against the option of repeated CT scanning.

28 <sup>1</sup> Patient 1 and Patient 2 are used throughout to protect patient privacy.

1 Respondent also failed to properly educate Patient 1 regarding the potential for malignant  
2 transformation of the pancreatic abnormality, including but not limited to alarming signs,  
3 surveillance, complications, and alternatives.

4 12. Respondent subsequently saw Patient 1 for office visits related primarily to other  
5 concerns on April 14, 2016 and April 25, 2016. But he also did not educate or discuss with  
6 Patient 1 surveillance for symptoms of potential malignant transformation of the pancreatic mass  
7 at those times. At an office visit on June 19, 2017, Respondent recommended, with respect to the  
8 pancreatic mass, that there was no need for further imaging due to CT scans showing unchanged  
9 appearance of Patient 1's pancreas. June 19, 2017 was the last time he saw Patient 1.  
10 Respondent also did not educate Patient 1 on the possibility of subsequent malignant  
11 transformation of the pancreatic mass and looking out for symptoms at that time. Patient 1 passed  
12 away on June 7, 2019 of pancreatic adenocarcinoma.

13  
14 **SECOND CAUSE FOR DISCIPLINE**  
**(Unprofessional Conduct/ Gross Negligence/ Repeated Negligent Acts)**

15  
16 13. Paragraphs 7 through 12 are incorporated herein. Respondent is guilty of  
17 unprofessional conduct and his license is subject to disciplinary action under sections 2234,  
18 2234(b) and/or 2234(c) in that Respondent was grossly negligent and/or committed repeated  
19 negligent acts. The circumstances are as follows:

20 14. Patient 2 is a young adult male with history of Crohn's disease with significant  
21 complications and high risk of morbidity and mortality. On August 12, 2019, September 12,  
22 2019 and October 17, 2019, Patient 2 was seen by a gastroenterologist in the HMO for which  
23 Respondent serves as medical director. Due to deterioration in Patient 2's condition beginning in  
24 July 2019, Patient 2's gastroenterologist made several referrals during this period to UCSF, a  
25 tertiary care center for inflammatory bowel disease where Patient 2 had been previously seen for  
26 about a decade. The referrals were denied. Respondent, in his capacity as HMO medical director  
27 with responsibility for utilization management, denied those referrals due to Respondent's view  
28 that a different, in-network hospital could safely provide the required care to Patient 2.

1 Respondent, however, did not maintain any records of the referrals, and/or his denials, and/or his  
2 review of documents, and/or his reasoning regarding those denials. Respondent also failed to  
3 document communications related to the referrals, and no record of Respondent's reviews were  
4 provided to Patient 2 and/or maintained in Patient 2's medical record. Also, no records were  
5 maintained in a utilization review system for later review.

6  
7 **THIRD CAUSE FOR DISCIPLINE**  
8 **(Unprofessional Conduct/ Failure to Maintain Adequate and Accurate Records)**

9 15. Paragraphs 7 through 14 are incorporated herein. Respondent is guilty of  
10 unprofessional conduct and his license is subject to disciplinary action under section 2234 and/or  
11 2266 in that Respondent failed to maintain adequate and accurate records of the care and  
12 treatment provided to Patient 1, as a treating physician for her. Respondent is also guilty of  
13 unprofessional conduct and his license is subject to disciplinary action under section 2234 and/or  
14 2266 in that Respondent failed to maintain adequate and accurate records regarding the provision  
15 of services to Patient 2, as an HMO medical director with responsibility for reviewing and  
16 approving or denying referrals.

26 by attorney Ronald Goldman, Esq., whose address is: Ronald Goldman, Esq., The Goldman Law  
27 Firm, 55 Main Street, Tiburon, CA 94920.

1 3. On or about October 15, 1985, the Board issued Physician's and Surgeon's Certificate  
2 No. A42216 to Gary Neal Furness, M.D. (Respondent). The Physician's and Surgeon's Certificate  
3 was in full force and effect at all times relevant to the charges brought in Accusation No. 800-  
4 2015-016308, and will expire on November 30, 2018, unless renewed.

#### 5 JURISDICTION

6 4. Accusation No. 800-2015-016308 was filed before the Board, and is currently  
7 pending against Respondent. The Accusation and all other statutorily required documents were  
8 properly served on Respondent on December 1, 2016. Respondent timely filed his Notice of  
9 Defense contesting the Accusation.

10 5. A copy of Accusation No. 800-2015-016308 is attached as Exhibit A and  
11 incorporated herein by reference.

27 No. 800-2015-016308, if proven at a hearing, constitute cause for imposing discipline upon his  
28 Physician's and Surgeon's Certificate.

1 10. For the purpose of resolving the Accusation without the expense and uncertainty of  
2 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual  
3 basis for the charges in the Accusation, and that Respondent hereby gives up his right to contest  
4 those charges.

6 discipline and he agrees to be bound by the Board's probationary terms as set forth in the

14 to rescind the Stipulation prior to the time the Board considers and acts upon it. If the Board fails  
15 to adopt this Stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
16 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
17 action between the parties, and the Board shall not be disqualified from further action by having  
18 considered this matter.

19 13. The parties understand and agree that Portable Document Format (PDF) and facsimile  
20 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
21 signatures thereto, shall have the same force and effect as the originals.

26 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A42216 issued  
27 to Respondent Gary Neal Furness, M.D. is revoked. However, the revocation is stayed and  
28 Respondent is placed on probation for three (3) years on the following terms and conditions.

1           1.    CONTROLLED SUBSTANCES - MAINTAIN RECORDS AND ACCESS TO

7 address of the patient; 2) the date; 3) the character and quantity of controlled substances involved;  
8 and 4) the indications and diagnosis for which the controlled substances were furnished.

9           Respondent shall keep these records in a separate file or ledger, in chronological order. All

11 and copying on the premises by the Board or its designee at all times during business hours and  
12 shall be retained for the entire term of probation.

13           2.    EDUCATION COURSE. Within 60 calendar days of the effective date of this

23           3.    PRESCRIBING PRACTICES COURSE. Within 60 calendar days of the effective

25 advance by the Board or its designee. Respondent shall provide the approved course provider  
26 with any information and documents that the approved course provider may deem pertinent.

28 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully

2 practices course shall be at Respondent's expense and shall be in addition to the Continuing  
3 Medical Education (CME) requirements for renewal of licensure.

4 A prescribing practices course taken after the acts that gave rise to the charges in the  
5 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
6 or its designee, be accepted towards the fulfillment of this condition if the course would have  
7 been approved by the Board or its designee had the course been taken after the effective date of  
8 this Decision.

9 Respondent shall submit a certification of successful completion to the Board or its  
10 designee not later than 15 calendar days after successfully completing the course, or not later than

13 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in  
14 advance by the Board or its designee. Respondent shall provide the approved course provider  
15 with any information and documents that the approved course provider may deem pertinent.  
16 Respondent shall participate in and successfully complete the classroom component of the course  
17 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully  
18 complete any other component of the course within one (1) year of enrollment. The medical  
19 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing  
20 Medical Education (CME) requirements for renewal of licensure.

21 A medical record keeping course taken after the acts that gave rise to the charges in the  
22 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
23 or its designee, be accepted towards the fulfillment of this condition if the course would have  
24 been approved by the Board or its designee had the course been taken after the effective date of  
25 this Decision.

26 Respondent shall submit a certification of successful completion to the Board or its  
27 designee not later than 15 calendar days after successfully completing the course, or not later than  
28 15 calendar days after the effective date of the Decision, whichever is later.

1           5.    PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of  
2 the effective date of this Decision, Respondent shall enroll in a professionalism program, that  
3 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.  
4 Respondent shall participate in and successfully complete that program. Respondent shall  
5 provide any information and documents that the program may deem pertinent. Respondent shall  
6 successfully complete the classroom component of the program not later than six (6) months after  
7 Respondent's initial enrollment, and the longitudinal component of the program not later than the

9 component. The professionalism program shall be at Respondent's expense and shall be in  
10 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

11           A professionalism program taken after the acts that gave rise to the charges in the  
12 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
13 or its designee, be accepted towards the fulfillment of this condition if the program would have  
14 been approved by the Board or its designee had the program been taken after the effective date of  
15 this Decision.

16           Respondent shall submit a certification of successful completion to the Board or its  
17 designee not later than 15 calendar days after successfully completing the program or not later  
18 than 15 calendar days after the effective date of the Decision, whichever is later.

19           6.    NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
20 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
21 Chief Executive Officer at every hospital where privileges or membership are extended to  
22 Respondent, at any other facility where Respondent engages in the practice of medicine,  
23 including all physician and locum tenens registries or other similar agencies, and to the Chief  
24 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
25 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
26 calendar days.

27           This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

28           //

1           7.    OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
2 governing the practice of medicine in California and remain in full compliance with any court  
3 ordered criminal probation, payments, and other orders.

4           8.    QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
5 under penalty of perjury on forms provided by the Board, stating whether there has been  
6 compliance with all the conditions of probation.

7           Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
8 of the preceding quarter.

9           9.    GENERAL PROBATION REQUIREMENTS.

10          Compliance with Probation Unit

11          Respondent shall comply with the Board's probation unit.

12          Address Changes

13          Respondent shall, at all times, keep the Board informed of Respondent's business and  
14 residence addresses, email address (if available), and telephone number. Changes of such  
15 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
16 circumstances shall a post office box serve as an address of record, except as allowed by Business  
17 and Professions Code section 2021(b).

18          Place of Practice

19          Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
20 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
21 facility.

22          License Renewal

23          Respondent shall maintain a current and renewed California physician's and surgeon's  
24 license.

25          Travel or Residence Outside California

26          Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
27 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
28 (30) calendar days.

1 In the event Respondent should leave the State of California to reside or to practice,  
2 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
3 departure and return.

4 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
5 available in person upon request for interviews either at Respondent's place of business or at the  
6 probation unit office, with or without prior notice throughout the term of probation.

7 11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
8 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
9 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
10 defined as any period of time Respondent is not practicing medicine as defined in Business and  
11 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
12 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
13 Respondent resides in California and is considered to be in non-practice, Respondent shall  
14 comply with all terms and conditions of probation. All time spent in an intensive training  
15 program which has been approved by the Board or its designee shall not be considered non-  
16 practice and does not relieve Respondent from complying with all the terms and conditions of  
17 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
18 on probation with the medical licensing authority of that state or jurisdiction shall not be  
19 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
20 period of non-practice.

21 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
22 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
23 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
24 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
25 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

26 Respondent's period of non-practice while on probation shall not exceed two (2) years.

27 Periods of non-practice will not apply to the reduction of the probationary term.

28 Periods of non-practice for a Respondent residing outside of California will relieve

1 Respondent of the responsibility to comply with the probationary terms and conditions with the  
2 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
3 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
4 Controlled Substances; and Biological Fluid Testing.

5 12. COMPLETION OF PROBATION. Respondent shall comply with all financial  
6 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
7 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
8 be fully restored.

9 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
10 of probation is a violation of probation. If Respondent violates probation in any respect, the  
11 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
12 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
13 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
14 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
15 the matter is final.

16 14. LICENSE SURRENDER. Following the effective date of this Decision, if  
17 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
18 the terms and conditions of probation, Respondent may request to surrender his or her license.  
19 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
20 determining whether or not to grant the request, or to take any other action deemed appropriate  
21 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
22 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
23 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
24 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
25 application shall be treated as a petition for reinstatement of a revoked certificate.

26 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
27 with probation monitoring each and every year of probation, as designated by the Board, which  
28 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of

**ACCUSATION**

Physician's and Surgeon's Certificate  
No. A42216,

Respondent.

Complainant alleges:

**PARTIES**

1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official capacity as the Executive Director of the Medical Board of California, Department of Consumer Affairs (Board).

2. On or about October 15, 1985, the Medical Board issued Physician's and Surgeon's Certificate Number A42216 to Gary Neal Furness, M.D. (Respondent). 1 **JURISDICTION**

2 3. This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code unless otherwise indicated.

4 4. Section 2004 of the Code states, in relevant part:

5 "The board shall have the responsibility for the following:

6 "(a) The enforcement of the disciplinary and criminal provisions of the Medical Practice  
7 Act.

8 "(b) The administration and hearing of disciplinary actions.

9 "(c) Carrying out of disciplinary actions appropriate to findings made by a panel or an  
10 administrative law judge.

11 "(d) Suspending, revoking, or otherwise limiting certificates after the conclusion of  
12 disciplinary actions.

13 "(e) Reviewing the quality of medical practices carried out by physician and surgeon  
14 certificate holders under the jurisdiction of the board."

15 5. Section 2227 of the Code provides that a licensee who is found guilty under the  
16 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
17 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
18 action taken in relation to discipline as the Board deems proper.

19 6. Section 2234 of the Code states, in relevant part:

20 "The board shall take action against any licensee who is charged with unprofessional  
21 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not  
22 limited to, the following:

23 "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the  
24 violation of, or conspiring to violate any provision of this chapter.

25 "(b) Gross negligence.

26 "(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or  
27 omissions. An initial negligent act or omission followed by a separate and distinct departure from  
28 the applicable standard of care shall constitute repeated negligent acts.

1 “(1) An initial negligent diagnosis followed by an act or omission medically appropriate  
2 for that negligent diagnosis of the patient shall constitute a single negligent act.

3 “(2) When the standard of care requires a change in the diagnosis, act, or omission that  
4 constitutes the negligent act described in paragraph (1), including, but not limited to, a  
5 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the  
6 applicable standard of care, each departure constitutes a separate and distinct breach of the  
7 standard of care.”

8 7. Section 2242, subdivision (a), of the Code states that “[p]rescribing, dispensing, or  
9 furnishing dangerous drugs as defined in Section 4022 without an appropriate prior examination  
10 and a medical indication, constitutes unprofessional conduct.”

11 8. Section 2266 of the Code states: “The failure of a physician and surgeon to maintain  
12 adequate and accurate records relating to the provision of services to their patients constitutes  
13 unprofessional conduct.”

14 9. At all times relevant to this matter, Respondent was licensed and practicing medicine  
15 in Santa Rosa, California.

16 **PATIENT P-1<sup>1</sup>**

17 10. Patient P-1 is a 71 year old man who has been a patient of Respondent for many  
18 years. He receives most of his care through the Veteran's Affairs (VA) system in Santa Rosa. P-  
19 1's VA records reflect diagnoses of, among other things, major depression, obesity, mitral valve  
20 regurgitation, post-traumatic stress disorder (PTSD), atrial fibrillation, osteoarthritis, concussion  
21 from a motor vehicle accident in 2006, cognitive impairment, hypertension, and opioid use  
22 disorder. His medication list from his VA records includes a number of drugs including  
23 Coumadin (a trade name for warfarin), a blood thinner for atrial fibrillation; bupropion (also sold  
24 under the trade name Wellbutrin) and Venlafaxine (also sold under the trade name Effexor) for  
25 depression; losartan for hypertension; and metoprolol, a beta blocker, for atrial fibrillation.

26  
27 <sup>1</sup> The patients are designated in this document as Patients P-1 through P-4 to protect their  
28 privacy. Respondent knows the names of the patients and can confirm their identities through  
discovery.

1 11. Respondent's records show that P-1 was getting prescriptions for  
2 hydrocodone/APAP<sup>2</sup> 5/500 (Vicodin) and hydrocodone/APAP 10/325 (Norco) as early as August  
3 24, 2010 with dosing of one tab of Vicodin 8 times a day as needed and one tab of Norco every 4-  
4 6 hours. This would provide as much as 5,950 mg of acetaminophen daily. The maximum 24  
5 hour dosage of acetaminophen should not exceed 4000 mg. Furthermore, while Respondent  
6 states that the hydrocodone was prescribed for headaches and body aches, there is no description  
7 of the headaches in his chart notes for P-1. There is also no measurement of the severity of P-1's  
8 pain in his chart notes.

9 12. On February 21, 2011, Respondent prescribed 450 tablets of Vicodin with dosing  
10 directions of 1-2 tablets every 4 hours. This would provide up to 6000 mg of acetaminophen per  
11 day if P-1 took the maximum amount. Respondent continued providing 450 tablet prescriptions  
12 for Vicodin through December 19, 2011 along with regular prescriptions for 30 tablets of Norco  
13 during the same period. The total number of tablets prescribed during this time period would  
14 have provided more than 4,000 mg of acetaminophen a day.

15 13. Respondent continued to prescribe tablets of hydrocodone/APAP from December 20,  
16 2011 through May 10, 2012. On May 10, 2012, he resumed prescribing 450 tablets of Vicodin at  
17 a time and, at the same time, issuing regular prescriptions for 30 tablets of Norco. He continued  
18 this regimen through June 7, 2013. The total number of tablets prescribed for P-1 during this time  
19 period would have provided over 5,500 mg of acetaminophen a day.

20

23 //

24 <sup>2</sup> Hydrocodone bitartrate is an opioid analgesic. Hydrocodone with acetaminophen—  
25 hydrocodone/APAP—is sold under trade names such as Norco and Vicodin. It is a Schedule II  
26 controlled substance and narcotic and is a dangerous drug as defined in section 4022.  
27 Hydrocodone can produce drug dependence and, therefore, has the potential for being abused. It  
28 has a CNS depressant effect. The strength of a tablet is indicated by mg of hydrocodone/mg of  
acetaminophen, e.g., 5/500 reflects 5 mg of hydrocodone and 500 mg of acetaminophen. The  
5/500 strength tablet is referred to as Vicodin in this document and the 10/325 strength tablet as  
Norco. At high levels, acetaminophen can cause liver toxicity and even death.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Gross Negligence, Repeated Negligent Acts, Failure to Maintain Adequate Records)**

3 14. Respondent is guilty of unprofessional conduct and subject to disciplinary action  
4 under section 2234, subdivision (b) (gross negligence) and/or (c) (repeated negligent acts), and  
5 section 2266 (inadequate records) of the Code in that Respondent was grossly negligent and/or  
6 committed repeated negligent acts and failed to maintain adequate records in the practice of  
7 medicine by engaging in the conduct described above including, but not limited to, the following:

8 A. Respondent prescribed large doses of Vicodin 5/500 providing potentially toxic  
9 amounts of acetaminophen for Patient P-1.

10 B. Respondent failed to describe P-1's headaches in his chart notes, the primary reason  
11 he stated he was prescribing hydrocodone/APAP to P-1, and failed to record any measurement of  
12 the severity of P-1's pain.

13 **PATIENT P-2**

14 15. Patient P-2 is Respondent's 17-year-old daughter. Respondent's records show that he  
15 prescribed 30 tablets of Lunesta,<sup>3</sup> a sleeping pill, for P-2 on March 18, 2015. The records do not  
16 reflect an office visit or an examination. Respondent stated that he prescribed Lunesta for P-2 to  
17 use on overseas trips with her mother.

18 **SECOND CAUSE FOR DISCIPLINE**

19 **(Gross Negligence, Repeated Negligent Acts, Prescribing Without an Adequate  
20 Examination, Failure to Maintain Adequate Records)**

21 16. Respondent is guilty of unprofessional conduct and subject to disciplinary action  
22 under section 2234, subdivision (b) (gross negligence) and/or (c) (repeated negligent acts);  
23 section 2242, subdivision (a) (prescribing without appropriate examination); and section 2266  
24 (inadequate records) of the Code in that Respondent was grossly negligent and/or committed  
25 repeated negligent acts, prescribed a controlled substance without an examination, prescribed to a

27 <sup>3</sup> Lunesta is a trade name for eszopiclone, a nonbenzodiazepine hypnotic agent used for

1 family member, and failed to maintain adequate records in the practice of medicine by engaging  
2 in the conduct described above including, but not limited to, the following:

3 A. Respondent failed to maintain a medical record reflecting an office visit for Patient P-2.

4 B. Respondent prescribed a controlled substance, Lunesta, to P-2 without a medical  
5 examination.

6 C. Respondent prescribed a controlled substance to a family member, his daughter, P-2.

7 **PATIENT P-3**

8 17. Patient P-3 is Respondent's wife. Respondent treated P-3 for at least four years yet,  
9 until October 21, 2015, when Respondent treated her for a superficial hand laceration and gave  
10 her a shingles shot, maintained no chart notes for her. During that time, he prescribed controlled  
11 substances Valium<sup>4</sup> and phentermine<sup>5</sup>, and other dangerous drugs such as Fioricet<sup>6</sup> for her.

12 18. The prescription record lists a history of migraine headaches as the reason for  
13 prescribing Fioricet, but there are no notes addressing the reasons for the many prescriptions for  
14 Valium and phentermine. On January 29, 2013, a note documents a telephone call from P-3  
15 requesting a lower dose of phentermine which should have, but did not, trigger an office visit to  
16 discuss and evaluate the change.

17 **THIRD CAUSE FOR DISCIPLINE**

18 **(Gross Negligence, Repeated Negligent Acts, Prescribing Without an Adequate  
19 Examination, Failure to Maintain Adequate Records)**

20 19. Respondent is guilty of unprofessional conduct and subject to disciplinary  
21 action under section 2234, subdivision (b) (gross negligence) and/or (c) (repeated negligent  
22 acts); section 2242, subdivision (a) (prescribing without appropriate examination); and

9           9.    GENERAL PROBATION REQUIREMENTS.

10          Compliance with Probation Unit

11          Respondent shall comply with the Board's probation unit.

12          Address Changes

13          Respondent shall, at all times, keep the Board informed of Respondent's business and  
14 residence addresses, email address (if available), and telephone number. Changes of such  
15 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
16 circumstances shall a post office box serve as an address of record, except as allowed by Business  
17 and Professions Code section 2021(b).

18          Place of Practice

19          Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
20 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
21 facility.

22          License Renewal

23          Respondent shall maintain a current and renewed California physician's and surgeon's  
24 license.

25          Travel or Residence Outside California

26          Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
27 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
28 (30) calendar days.

1 In the event Respondent should leave the State of California to reside or to practice,  
2 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
3 departure and return.

4 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
5 available in person upon request for interviews either at Respondent's place of business or at the  
6 probation unit office, with or without prior notice throughout the term of probation.

7 11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
8 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
9 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
10 defined as any period of time Respondent is not practicing medicine as defined in Business and  
11 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
12 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
13 Respondent resides in California and is considered to be in non-practice, Respondent shall  
14 comply with all terms and conditions of probation. All time spent in an intensive training  
15 program which has been approved by the Board or its designee shall not be considered non-  
16 practice and does not relieve Respondent from complying with all the terms and conditions of  
17 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
18 on probation with the medical licensing authority of that state or jurisdiction shall not be  
19 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
20 period of non-practice.

21 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
22 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
23 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
24 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
25 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

26 Respondent's period of non-practice while on probation shall not exceed two (2) years.

27 Periods of non-practice will not apply to the reduction of the probationary term.

28 Periods of non-practice for a Respondent residing outside of California will relieve

1 Respondent of the responsibility to comply with the probationary terms and conditions with the  
2 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
3 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
4 Controlled Substances; and Biological Fluid Testing.

5 12. COMPLETION OF PROBATION. Respondent shall comply with all financial  
6 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
7 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
8 be fully restored.

9 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
10 of probation is a violation of probation. If Respondent violates probation in any respect, the  
11 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
12 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
13 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
14 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
15 the matter is final.

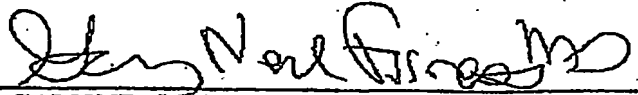

16 14. LICENSE SURRENDER. Following the effective date of this Decision, if  
17 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
18 the terms and conditions of probation, Respondent may request to surrender his or her license.  
19 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
20 determining whether or not to grant the request, or to take any other action deemed appropriate  
21 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
22 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
23 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
24 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
25 application shall be treated as a petition for reinstatement of a revoked certificate.

26 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
27 with probation monitoring each and every year of probation, as designated by the Board, which  
28 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of

1 California and delivered to the Board or its designee no later than January 31 of each calendar  
2 year.

Case No. 800-2015-016308  
**ACCUSATION**

Complainant alleges:

**PARTIES**

1. Kimberly Kirchmeyer (Complainant) brings this Accusation solely in her official capacity as the Executive Director of the Medical Board of California, Department of Consumer Affairs (Board).
  2. On or about October 15, 1985, the Medical Board issued Physician's and Surgeon's Certificate Number A42216 to Gary Neal Furness, M.D. (Respondent). The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought herein and will expire on November 30, 2018, unless renewed.

1 **JURISDICTION**

2 3. This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code unless otherwise indicated.

4 4. Section 2004 of the Code states, in relevant part:

5 "The board shall have the responsibility for the following:

6 "(a) The enforcement of the disciplinary and criminal provisions of the Medical Practice  
7 Act.

8 "(b) The administration and hearing of disciplinary actions.

9 "(c) Carrying out of disciplinary actions appropriate to findings made by a panel or an  
10 administrative law judge.

11 "(d) Suspending, revoking, or otherwise limiting certificates after the conclusion of  
12 disciplinary actions.

13 "(e) Reviewing the quality of medical practices carried out by physician and surgeon  
14 certificate holders under the jurisdiction of the board."

15 5. Section 2227 of the Code provides that a licensee who is found guilty under the  
16 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
17 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
18 action taken in relation to discipline as the Board deems proper.

19 6. Section 2234 of the Code states, in relevant part:

20 "The board shall take action against any licensee who is charged with unprofessional  
21 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not  
22 limited to, the following:

23 "(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the  
24 violation of, or conspiring to violate any provision of this chapter.

25 "(b) Gross negligence.

26 "(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or  
27 omissions. An initial negligent act or omission followed by a separate and distinct departure from  
28 the applicable standard of care shall constitute repeated negligent acts.

1 “(1) An initial negligent diagnosis followed by an act or omission medically appropriate  
2 for that negligent diagnosis of the patient shall constitute a single negligent act.

3 “(2) When the standard of care requires a change in the diagnosis, act, or omission that  
4 constitutes the negligent act described in paragraph (1), including, but not limited to, a  
5 reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the  
6 applicable standard of care, each departure constitutes a separate and distinct breach of the  
7 standard of care.”

8 7. Section 2242, subdivision (a), of the Code states that “[p]rescribing, dispensing, or  
9 furnishing dangerous drugs as defined in Section 4022 without an appropriate prior examination  
10 and a medical indication, constitutes unprofessional conduct.”

11 8. Section 2266 of the Code states: “The failure of a physician and surgeon to maintain  
12 adequate and accurate records relating to the provision of services to their patients constitutes  
13 unprofessional conduct.”

14 9. At all times relevant to this matter, Respondent was licensed and practicing medicine  
15 in Santa Rosa, California.

16 PATIENT P-1<sup>1</sup>

17 10. Patient P-1 is a 71 year old man who has been a patient of Respondent for many  
18 years. He receives most of his care through the Veteran’s Affairs (VA) system in Santa Rosa. P-  
19 1’s VA records reflect diagnoses of, among other things, major depression, obesity, mitral valve  
20 regurgitation, post-traumatic stress disorder (PTSD), atrial fibrillation, osteoarthritis, concussion  
21 from a motor vehicle accident in 2006, cognitive impairment, hypertension, and opioid use  
22 disorder. His medication list from his VA records includes a number of drugs including  
23 Coumadin (a trade name for warfarin), a blood thinner for atrial fibrillation; bupropion (also sold  
24 under the trade name Wellbutrin) and Venlafaxine (also sold under the trade name Effexor) for  
25 depression; losartan for hypertension; and metoprolol, a beta blocker, for atrial fibrillation.

26 \_\_\_\_\_  
27 <sup>1</sup> The patients are designated in this document as Patients P-1 through P-4 to protect their  
28 privacy. Respondent knows the names of the patients and can confirm their identities through  
discovery.

1 11. Respondent's records show that P-1 was getting prescriptions for  
2 hydrocodone/APAP<sup>2</sup> 5/500 (Vicodin) and hydrocodone/APAP 10/325 (Norco) as early as August  
3 24, 2010 with dosing of one tab of Vicodin 8 times a day as needed and one tab of Norco every 4-  
4 6 hours. This would provide as much as 5,950 mg of acetaminophen daily. The maximum 24  
5 hour dosage of acetaminophen should not exceed 4000 mg. Furthermore, while Respondent  
6 states that the hydrocodone was prescribed for headaches and body aches, there is no description  
7 of the headaches in his chart notes for P-1. There is also no measurement of the severity of P-1's  
8 pain in his chart notes.

9 12. On February 21, 2011, Respondent prescribed 450 tablets of Vicodin with dosing  
10 directions of 1-2 tablets every 4 hours. This would provide up to 6000 mg of acetaminophen per  
11 day if P-1 took the maximum amount. Respondent continued providing 450 tablet prescriptions  
12 for Vicodin through December 19, 2011 along with regular prescriptions for 30 tablets of Norco  
13 during the same period. The total number of tablets prescribed during this time period would  
14 have provided more than 4,000 mg of acetaminophen a day.

15 13. Respondent continued to prescribe tablets of hydrocodone/APAP from December 20,  
16 2011 through May 10, 2012. On May 10, 2012, he resumed prescribing 450 tablets of Vicodin at  
17 a time and, at the same time, issuing regular prescriptions for 30 tablets of Norco. He continued  
18 this regimen through June 7, 2013. The total number of tablets prescribed for P-1 during this time  
19 period would have provided over 5,500 mg of acetaminophen a day.

20

24 <sup>2</sup> Hydrocodone bitartrate is an opioid analgesic. Hydrocodone with acetaminophen—  
25 hydrocodone/APAP—is sold under trade names such as Norco and Vicodin. It is a Schedule II  
26 controlled substance and narcotic and is a dangerous drug as defined in section 4022.  
27 Hydrocodone can produce drug dependence and, therefore, has the potential for being abused. It  
28 has a CNS depressant effect. The strength of a tablet is indicated by mg of hydrocodone/mg of  
acetaminophen, e.g., 5/500 reflects 5 mg of hydrocodone and 500 mg of acetaminophen. The  
5/500 strength tablet is referred to as Vicodin in this document and the 10/325 strength tablet as  
Norco. At high levels, acetaminophen can cause liver toxicity and even death.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Gross Negligence, Repeated Negligent Acts, Failure to Maintain Adequate Records)**

3 14. Respondent is guilty of unprofessional conduct and subject to disciplinary action  
4 under section 2234, subdivision (b) (gross negligence) and/or (c) (repeated negligent acts), and  
5 section 2266 (inadequate records) of the Code in that Respondent was grossly negligent and/or  
6 committed repeated negligent acts and failed to maintain adequate records in the practice of  
7 medicine by engaging in the conduct described above including, but not limited to, the following:

8 A. Respondent prescribed large doses of Vicodin 5/500 providing potentially toxic  
9 amounts of acetaminophen for Patient P-1.

10 B. Respondent failed to describe P-1's headaches in his chart notes, the primary reason  
11 he stated he was prescribing hydrocodone/APAP to P-1, and failed to record any measurement of  
12 the severity of P-1's pain.

13 **PATIENT P-2**

14 15. Patient P-2 is Respondent's 17-year-old daughter. Respondent's records show that he  
15 prescribed 30 tablets of Lunesta,<sup>3</sup> a sleeping pill, for P-2 on March 18, 2015. The records do not  
16 reflect an office visit or an examination. Respondent stated that he prescribed Lunesta for P-2 to  
17 use on overseas trips with her mother.

18 **SECOND CAUSE FOR DISCIPLINE**

19 **(Gross Negligence, Repeated Negligent Acts, Prescribing Without an Adequate  
20 Examination, Failure to Maintain Adequate Records)**

21 16. Respondent is guilty of unprofessional conduct and subject to disciplinary action  
22 under section 2234, subdivision (b) (gross negligence) and/or (c) (repeated negligent acts);  
23 section 2242, subdivision (a) (prescribing without appropriate examination); and section 2266  
24 (inadequate records) of the Code in that Respondent was grossly negligent and/or committed  
25 repeated negligent acts, prescribed a controlled substance without an examination, prescribed to a

controlled substance.

1 family member, and failed to maintain adequate records in the practice of medicine by engaging  
2 in the conduct described above including, but not limited to, the following:

3 A. Respondent failed to maintain a medical record reflecting an office visit for Patient P-2.

4 B. Respondent prescribed a controlled substance, Lunesta, to P-2 without a medical  
5 examination.

6 C. Respondent prescribed a controlled substance to a family member, his daughter, P-2.

### 7 PATIENT P-3

8 17. Patient P-3 is Respondent's wife. Respondent treated P-3 for at least four years yet,  
9 until October 21, 2015, when Respondent treated her for a superficial hand laceration and gave  
10 her a shingles shot, maintained no chart notes for her. During that time, he prescribed controlled  
11 substances Valium<sup>4</sup> and phentermine<sup>5</sup>, and other dangerous drugs such as Fioricet<sup>6</sup> for her.

12 18. The prescription record lists a history of migraine headaches as the reason for  
13 prescribing Fioricet, but there are no notes addressing the reasons for the many prescriptions for  
14 Valium and phentermine. On January 29, 2013, a note documents a telephone call from P-3  
15 requesting a lower dose of phentermine which should have, but did not, trigger an office visit to  
16 discuss and evaluate the change.

### 17 THIRD CAUSE FOR DISCIPLINE

18 **(Gross Negligence, Repeated Negligent Acts, Prescribing Without an Adequate  
19 Examination, Failure to Maintain Adequate Records)**

20 19. Respondent is guilty of unprofessional conduct and subject to disciplinary  
21 action under section 2234, subdivision (b) (gross negligence) and/or (c) (repeated negligent  
22 acts); section 2242, subdivision (a) (prescribing without appropriate examination); and

similar to amphetamines. It is generally used to promote weight loss. It is a dangerous drug as

6 her. He failed to list the diagnoses for the medications prescribed or to document, among other  
7 things, the severity of the pain for which he was prescribing, the patient's compliance with the  
8 pain regimen, and an examination of the area of the pain.

9 B. Respondent prescribed controlled substances and other dangerous drugs for P-3  
10 without medical examinations.

11 C. Respondent prescribed a controlled substance to a family member, his wife, P-3.
