12 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
13 circumstances shall a post office box serve as an address of record, except as allowed by Business  
14 and Professions Code section 2021, subdivision (b).

11 Respondent shall notify the Board or its designee in writing within fifteen (15) calendar  
12 days of any periods of non-practice lasting more than thirty (30) calendar days and within fifteen  
13 (15) calendar days of Respondent's return to practice. Non-practice is defined as any period of  
14 time Respondent is not practicing medicine as defined in Business and Professions Code sections  
15 2051 and 2052 for at least forty (40) hours in a calendar month in direct patient care, clinical

17 California and is considered to be in non-practice, Respondent shall comply with all terms and  
18 conditions of probation. All time spent in an intensive training program which has been approved  
19 by the Board or its designee shall not be considered non-practice and does not relieve Respondent

1 Respondent's period of non-practice while on probation shall not exceed two (2) years.

2 Periods of non-practice will not apply to the reduction of the probationary term.

3 Periods of non-practice for a Respondent residing outside of California will relieve  
4 Respondent of the responsibility to comply with the probationary terms and conditions with the  
5 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
6 General Probation Requirements; and Quarterly Declarations.

7 10. COMPLETION OF PROBATION.

10 successful completion of probation, Respondent's certificate shall be fully restored.

13 If Respondent violates probation in any respect, the Board, after giving Respondent notice and the  
14 opportunity to be heard, may revoke probation and carry out the disciplinary order that was  
15 stayed. If an Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed  
16 against Respondent during probation, the Board shall have continuing jurisdiction until the matter  
17 is final, and the period of probation shall be extended until the matter is final.

18 12. LICENSE SURRENDER.

19 Following the effective date of this Decision, if Respondent ceases practicing due to  
20 retirement or health reasons or is otherwise unable to satisfy the terms and conditions of  
21 probation, Respondent may request to surrender his license. The Board reserves the right to  
22 evaluate Respondent's request and to exercise its discretion in determining whether or not to  
23 grant the request, or to take any other action deemed appropriate and reasonable under the  
24 circumstances. Upon formal acceptance of the surrender, Respondent shall within fifteen (15)  
25 calendar days deliver Respondent's wallet and wall certificate to the Board or its designee and  
26 Respondent shall no longer practice medicine. Respondent will no longer be subject to the terms  
27 and conditions of probation. If Respondent re-applies for a medical license, the application shall  
28 be treated as a petition for reinstatement of a revoked certificate.

1 conditions.

2 1. EDUCATION COURSE. Within 60 calendar days of the effective date of this  
3 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee  
4 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours  
5 per year, for each year of probation. The educational program(s) or course(s) shall be aimed at  
6 correcting any areas of deficient practice or knowledge and shall be Category I certified. The  
7 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to  
8 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the  
9 completion of each course, the Board or its designee may administer an examination to test  
10 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65  
11 hours of CME of which 40 hours were in satisfaction of this condition.

12 2. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of  
13 the effective date of this Decision, Respondent shall enroll in a professionalism program, that  
14 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.  
15 Respondent shall participate in and successfully complete that program. Respondent shall  
16 provide any information and documents that the program may deem pertinent. Respondent shall  
17 successfully complete the classroom component of the program not later than six (6) months after  
18 Respondent's initial enrollment, and the longitudinal component of the program not later than the  
19 time specified by the program, but no later than one (1) year after attending the classroom  
20 component. The professionalism program shall be at Respondent's expense and shall be in  
21 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

22 A professionalism program taken after the acts that gave rise to the charges in the  
23 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
24 or its designee, be accepted towards the fulfillment of this condition if the program would have  
25 been approved by the Board or its designee had the program been taken after the effective date of  
26 this Decision.

27 Respondent shall submit a certification of successful completion to the Board or its  
28 designee not later than 15 calendar days after successfully completing the program or not later

1 than 15 calendar days after the effective date of the Decision, whichever is later.

2 3. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this  
3 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
4 monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose  
5 licenses are valid and in good standing, and who are preferably American Board of Medical  
6 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
7 relationship with Respondent, or other relationship that could reasonably be expected to  
8 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
9 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
10 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

11 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
12 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the  
13 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed  
14 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role  
15 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees  
16 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
17 signed statement for approval by the Board or its designee.

18 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
19 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
20 make all records available for immediate inspection and copying on the premises by the monitor  
21 at all times during business hours and shall retain the records for the entire term of probation.

22 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
23 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
24 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
25 shall cease the practice of medicine until a monitor is approved to provide monitoring  
26 responsibility.

27 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
28 includes an evaluation of Respondent's performance, indicating whether Respondent's practices

1 are within the standards of practice of medicine and whether Respondent is practicing medicine  
2 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
3 that the monitor submits the quarterly written reports to the Board or its designee within 10  
4 calendar days after the end of the preceding quarter.

5 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
6 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
7 name and qualifications of a replacement monitor who will be assuming that responsibility within  
8 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
9 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
10 notification from the Board or its designee to cease the practice of medicine within three (3)  
11 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
12 replacement monitor is approved and assumes monitoring responsibility.

13 In lieu of a monitor, Respondent may participate in a professional enhancement program  
14 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
15 review, semi-annual practice assessment, and semi-annual review of professional growth and  
16 education. Respondent shall participate in the professional enhancement program at Respondent's  
17 expense during the term of probation.

18 4. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
19 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
20 Chief Executive Officer at every hospital where privileges or membership are extended to  
21 Respondent, at any other facility where Respondent engages in the practice of medicine,  
22 including all physician and locum tenens registries or other similar agencies, and to the Chief  
23 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
24 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
25 calendar days.

26 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

27 5. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
28 NURSES. During probation, Respondent is prohibited from supervising physician assistants and

1 advanced practice nurses.

2 6. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
3 governing the practice of medicine in California and remain in full compliance with any court  
4 ordered criminal probation, payments, and other orders.

5 7. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
6 under penalty of perjury on forms provided by the Board, stating whether there has been  
7 compliance with all the conditions of probation.

8 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
9 of the preceding quarter.

10 8. COMPLIANCE WITH PROBATION UNIT. Respondent shall comply with the  
11 Board's probation unit.

12 9. ADDRESS CHANGES. Respondent shall, at all times, keep the Board informed of  
13 Respondent's business and residence addresses, email address (if available), and telephone  
14 number. Changes of such addresses shall be immediately communicated in writing to the Board  
15 or its designee. Under no circumstances shall a post office box serve as an address of record,  
16 except as allowed by Business and Professions Code section 2021(b).

17 10. PLACE OF PRACTICE. Respondent shall not engage in the practice of medicine in  
18 Respondent's or patient's place of residence, unless the patient resides in a skilled nursing facility  
19 or other similar licensed facility.

20 11. LICENSE RENEWAL. Respondent shall maintain a current and renewed California  
21 physician's and surgeon's license.

22 12. TRAVEL OR RESIDENCE OUTSIDE CALIFORNIA. Respondent shall  
23 immediately inform the Board or its designee, in writing, of travel to any areas outside the  
24 jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar  
25 days.

26 In the event Respondent should leave the State of California to reside or to practice,  
27 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
28 departure and return.

1           13. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
2 available in person upon request for interviews either at Respondent's place of business or at the  
3 probation unit office, with or without prior notice throughout the term of probation.

4           14. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
5 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
6 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
7 defined as any period of time Respondent is not practicing medicine as defined in Business and  
8 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
9 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
10 Respondent resides in California and is considered to be in non-practice, Respondent shall  
11 comply with all terms and conditions of probation. All time spent in an intensive training  
12 program which has been approved by the Board or its designee shall not be considered non-  
13 practice and does not relieve Respondent from complying with all the terms and conditions of  
14 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
15 on probation with the medical licensing authority of that state or jurisdiction shall not be  
16 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
17 period of non-practice.

18           In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
19 months, Respondent shall successfully complete the Federation of State Medical Boards' Special  
20 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
21 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
22 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

23           Respondent's period of non-practice while on probation shall not exceed two (2) years.

24           Periods of non-practice will not apply to the reduction of the probationary term.

25           Periods of non-practice for a Respondent residing outside of California will relieve  
26 Respondent of the responsibility to comply with the probationary terms and conditions with the  
27 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
28 General Probation Requirements; Quarterly Declarations.

1           15. COMPLETION OF PROBATION. Respondent shall comply with all financial  
2 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
3 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
4 be fully restored.

5           16. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
6 of probation is a violation of probation. If Respondent violates probation in any respect, the  
7 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
8 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
9 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
10 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
11 the matter is final.

12           17. LICENSE SURRENDER. Following the effective date of this Decision, if  
13 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
14 the terms and conditions of probation, Respondent may request to surrender his or her license.  
15 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
16 determining whether or not to grant the request, or to take any other action deemed appropriate  
17 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
18 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
19 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
20 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
21 application shall be treated as a petition for reinstatement of a revoked certificate.

22           18. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
23 with probation monitoring each and every year of probation, as designated by the Board, which  
24 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
25 California and delivered to the Board or its designee no later than January 31 of each calendar  
26 year.

4 in that he was grossly negligent in his care and treatment of patient J.G., a minor, who he saw for  
5 six office visits between April 2014 and May 2015. The circumstances are as follows:

6 8. On April 3, 2014, two-year-old J.G. presented to Respondent for the first time. He  
7 was seen by Respondent for what the medical records describe as a "2 year." The visit of this date  
8 includes a summary of the patient's history with a brief description of J.G.'s prior vaccination  
9 reaction, as described by the patient's mother. Her description included, "shut down stools and  
10 urine" for 24 hours with 2 month vaccines and limp "like a ragdoll" lasting 24 hours and not  
11 himself for up to a week after 3 month vaccines.

12 9. Respondent wrote a letter dated April, 13, 2014, excusing patient J.G. from all future  
13 vaccinations. The letter indicates that the patient's kidneys and intestines shut down after prior  
14 vaccination and that at three months the patient suffered what appears to be a severe encephalitis  
15 reaction for 24 hours, starting approximately ten minutes after his vaccines, with lethargy,  
16 limpness, and poor responsiveness. The letter stated that, "Due to the severity of this second  
17 reaction, I recommend no more routine childhood vaccines for the duration of his childhood."

18 10. The letter dated April 13, 2014, was not maintained in patient J.G.'s medical chart in  
19 Respondent's office.

20 11. On May 14, 2014, patient J.G. had a consult visit with Respondent for constipation.  
21 A pertinent history was obtained, the abdominal exam was normal and a detailed treatment plan  
22 was devised.

23 12. On June 23, 2014, patient J.G. presented to Respondent with a chief complaint of  
24 headache with a history of patient being "hit on head with hammer" by Dad two weeks prior to  
25 the visit. A mention is made of a split lip prior to hammer incident without any additional history.  
26 A physical examination indicates, "no residual marks now." No additional physical exam,  
27 including neurological testing, was performed and no assessment with plans was recorded.  
28

1 13. An Emergency Response Notice of Referral Disposition dated June 25, 2014 with  
2 "Allegations cannot be substantiated - case closed" outcome is maintained in the patient chart.

3 14. On January 13, 2015, patient J.G. presented to Respondent with possible flu. He had  
4 a history of not eating, fever, and cough for three weeks, with lethargy, and a diagnosis of croup  
5 recorded per the nurse. His records indicate that the patient's previous diagnoses were treated  
6 with Xopenex and steroids. His OM (otitis media) was treated with Omnicef, all "improved now"  
7 with "flu today suddenly." A diagnosis of flu was made and Tamiflu was prescribed.

8 15. On March 11, 2015, patient J.G. again presented to Respondent. The only history  
9 recorded on that date included abdominal pain with a physical exam. Diagnoses made at that time  
10 included constipation resolved and mild OM. The plan included miralax, magnesium, aloe,  
11 garlic, and testing with urine culture.

12 16. On May 7, 2015, patient J.G. saw Respondent for the last time. Patient J.G. presented  
13 with upper respiratory illness/viral. Serous otitis media was diagnosed and garlic prescribed.

14 17. The standard of care requires that a physician evaluating a patient for a possible  
15 reaction to vaccines obtain a detailed history of the vaccines previously received as well as the  
16 reaction/reactions that occurred. Based on that information the physician should provide an  
17 evidence-based recommendation for future immunizations.

18 18. Respondent was grossly negligent and departed from the standard of care in that he  
19 did not obtain the basic information necessary for decision making, prior to determining to  
20 exclude the possibility of future vaccines, leaving both patient J.G., the patient's mother, and his  
21 future contacts at risk for preventable and communicable diseases.

22 **SECOND CAUSE FOR DISCIPLINE**

23 (Repeated Negligent Acts)

24 19. Respondent Robert Sears, M.D. is subject to disciplinary action under section 2234  
25 (c) in that he was repeatedly negligent in his care and treatment of patient J.G. The circumstances  
26 are as follows:

27 20. Paragraphs 7 through 18 are incorporated by reference as though fully set forth.

28 21. Respondent departed from the standard of care by:

1 (a) Failing to obtain the basic information necessary to make a decision  
2 related to the withholding of future vaccines; and

3 (b) Failing to conduct neurological testing as part of the physical examination  
4 of patient J.G. on June 23, 2014, when he presented to Respondent with complaints of headache,  
5 following head trauma.

6 **THIRD CAUSE FOR DISCIPLINE**

7 (Failure to Maintain Adequate and Accurate Records)

8 22. Respondent Robert Sears, M.D. is subject to disciplinary action under section 2266 in  
9 that he failed to maintain adequate and accurate records related to the care and treatment of  
10 patient J.G.

11 23. Specifically, Respondent did not maintain a copy of the letter he prepared exempting  
12 patient J.G. from future vaccinations and he failed to document an adequate physical examination  
13 of the patient on his visit of April 23, 2014, and merely wrote, "no residual marks."

14 **PRAYER**

15 **WHEREFORE**, Complainant requests that a hearing be held on the matters herein alleged,  
16 and that following the hearing, the Medical Board of California issue a decision:

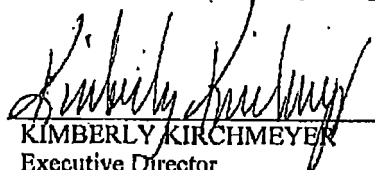

17 1. Revoking or suspending Physician's and Surgeon's Certificate Number A60936,  
18 issued to Robert Sears, M.D.;

19 2. Revoking, suspending or denying approval of his authority to supervise physician  
20 assistants, pursuant to section 3527 of the Code;

21 3. If placed on probation, ordering him to pay the Board the costs of probation  
22 monitoring; and

23 4. Taking such other and further action as deemed necessary and proper.

24 represented in this matter by Xavier Becerra, Attorney General of the State of California, by Trina  
25 L. Saunders, Deputy Attorney General.

26 2. Respondent Robert William Sears, M.D. (Respondent) is represented in this  
27 proceeding by attorney Raymond J. McMahon, whose address is, 5440 Trabuco Road,

1. 3. On or about September 25, 1996, the Board issued Physician's and Surgeon's

4 Accusation No. 800-2016-024774.

5 4. Respondent's Physician's and Surgeon's Certificate is currently subject to discipline.  
6 On June 27, 2018, pursuant to the Board's Decision and Order in Case No. 800-2015-012268,  
7 Respondent's Physician's and Surgeon's Certificate was revoked, revocation stayed, and placed  
8 on 35-months probation, subject to various terms and conditions.

9 5. Respondent's Physician's and Surgeon's Certificate No. A 60936, will expire on  
10 March 31, 2022, unless renewed.

11 **JURISDICTION**

12 6. First Amended Accusation No. 800-2016-024774 was filed before the Board, and is  
13 currently pending against Respondent. The First Amended Accusation and all other statutorily  
14 required documents were properly served on Respondent on September 10, 2019. Respondent  
15 timely filed his Notice of Defense contesting the First Amended Accusation.

16 7. A copy of First Amended Accusation No. 800-2016-024774 is attached as exhibit A  
17 and incorporated herein by reference.

18 **ADVISEMENT AND WAIVERS**

19 8. Respondent has carefully read, fully discussed with counsel, and understands the  
20 charges and allegations in First Amended Accusation No. 800-2016-024774. Respondent has  
21 also carefully read, fully discussed with counsel, and understands the effects of this Stipulated  
22 Settlement and Disciplinary Order.

26 behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the  
27 production of documents; the right to reconsideration and court review of an adverse decision;

28

1 and all other rights accorded by the California Administrative Procedure Act and other applicable  
2 laws.

3 10. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
4 every right set forth above.

5 **CULPABILITY**

6 11. Respondent understands and agrees that the charges and allegations in First Amended  
7 Accusation No. 800-2016-024774, if proven at a hearing, constitute cause for imposing discipline  
8 upon his Physician's and Surgeon's Certificate.

9 12. For the purpose of resolving the First Amended Accusation without the expense and  
10 uncertainty of further proceedings, Respondent agrees that, at a hearing, Complainant could  
11 establish a prima facie case for the charges in the First Amended Accusation, and that Respondent  
12 hereby gives up his right to contest those charges.

13 13. Respondent agrees the Disciplinary Order below, requiring the disclosure of  
14 probation pursuant to Business and Professions Code section 2228.1, serves to protect the public  
15 interest.

16 14. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
17 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
18 Disciplinary Order below.

19 **CONTINGENCY**

20 15. This stipulation shall be subject to approval by the Medical Board of California.  
21 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
22 Board of California may communicate directly with the Board regarding this stipulation and

24 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
25 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
26 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
27 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
28

1 action between the parties, and the Board shall not be disqualified from further action by having  
2 considered this matter.

3 16. The parties understand and agree that Portable Document Format (PDF) and facsimile  
4 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
5 signatures thereto, shall have the same force and effect as the originals..

6 17. In consideration of the foregoing admissions and stipulations, the parties agree that  
7 the Board may, without further notice or formal proceeding, issue and enter the following  
8 Disciplinary Order:

9 **DISCIPLINARY ORDER**

10 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 60936 issued  
11 to Respondent Robert William Sears, M.D., is revoked. However, the revocation is stayed and  
12 Respondent's existing 35-month probation as set forth in the Board's Decision and Order in Case  
13 No. 800-2015-012268, is hereby extended for an additional two (2) years, on the following terms  
14 and conditions:

15 1. **MONITORING – PRACTICE.** Within 30 calendar days of the effective date of this  
16 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
17 monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose  
18 licenses are valid and in good standing, and who are preferably American Board of Medical  
19 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
20 relationship with Respondent, or other relationship that could reasonably be expected to  
21 compromise the ability for the monitor to render fair and unbiased reports to the Board, including  
22 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
23 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

24 The Board or its designee shall provide the approved monitor with copies of the  
25 Decision(s) and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of the  
26 receipt of the Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit  
27 a signed statement that the monitor has read the Decision(s) and Accusation(s), fully understands  
28 the role of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor

1 disagrees with the proposed monitoring plan, the monitor shall submit a revised monitoring plan  
2 with the signed statement for approval by the Board or its designee.

3           Within 60 calendar days of the effective date of this Decision, and continuing throughout  
4 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
5 make all records available for immediate inspection and copying on the premises by the monitor  
6 at all times during business hours and shall retain the records for the entire term of probation.

7           If Respondent fails to obtain approval of a monitor within 60 calendar days of the  
8 effective date of this Decision, Respondent shall receive a notification from the Board or its  
9 designee to cease the practice of medicine until a monitor is approved to provide monitoring  
10 responsibility.

11           The monitor(s) shall submit a quarterly written report to the Board or its designee which  
12 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
13 are within the standards of practice of medicine and whether Respondent is practicing medicine  
14 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
15 that the monitor submits the quarterly written reports to the Board or its designee within 10  
16 calendar days after the end of the preceding quarter.

17           If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days  
18 of such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
19 name and qualifications of a replacement monitor who will be assuming that responsibility within  
20 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
21 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
22 notification from the Board or its designee to cease the practice of medicine within three (3)  
23 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
24 replacement monitor is approved and assumes monitoring responsibility.

25           In lieu of the monitor, Respondent may participate in a professional enhancement program  
26 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
27 review, semi-annual practice assessment, and semi-annual review of professional growth and  
28 education. Respondent shall participate in the professional enhancement program at

1 Respondent's expense during the term of probation.

2 2. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
3 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
4 Chief Executive Officer at every hospital where privileges or membership are extended to  
5 Respondent, at any other facility where Respondent engages in the practice of medicine,  
6 including all physician and locum tenens registries or other similar agencies, and to the Chief  
7 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
8 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
9 calendar days.

10 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

11 3. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
12 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
13 advanced practice nurses.

14 4. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
15 governing the practice of medicine in California and remain in full compliance with any court  
16 ordered criminal probation, payments, and other orders.

17 5. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
18 under penalty of perjury on forms provided by the Board, stating whether there has been  
19 compliance with all the conditions of probation.

20 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
21 of the preceding quarter.

22 6. COMPLIANCE WITH PROBATION UNIT. Respondent shall comply with the  
23 Board's probation unit.

24 7. ADDRESS CHANGES. Respondent shall, at all times, keep the Board informed of  
25 Respondent's business and residence addresses, email address (if available), and telephone  
26 number. Changes of such addresses shall be immediately communicated in writing to the Board  
27 or its designee. Under no circumstances shall a post office box serve as an address of record,  
28 except as allowed by Business and Professions Code section 2021 (b).

1           8. PLACE OF PRACTICE. As of the effective date of the Decision and Order in this  
2 stipulated settlement and disciplinary order, Respondent is no longer prohibited from engaging in  
3 the practice of medicine in a residence, whether it be his own residence or a patient's place of  
4 residence, as set forth in the stipulated settlement and disciplinary order in Case No. 800-2015-  
5 012268.

6           Respondent shall maintain all records of patients for whom he provides home visits and/or  
7 care at a residence, at his medical office. He shall make all records of patients for whom he  
8 provides home visits and/or care at their residence, available for immediate inspection and  
9 copying at his medical office premises, by his approved practice monitor, at all times during  
10 business hours and shall retain the records for the entire term of probation.

11           9. LICENSE RENEWAL. Respondent shall maintain a current and renewed California  
12 physician's and surgeon's license.

13           10. TRAVEL OR RESIDENCE OUTSIDE CALIFORNIA. Respondent shall  
14 immediately inform the Board or its designee, in writing, of travel to any areas outside the  
15 jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar  
16 days.

17           In the event Respondent should leave the State of California to reside or to practice,  
18 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
19 departure and return.

20           11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
21 available in person upon request for interviews either at Respondent's place of business or at the  
22 probation unit office, with or without prior notice throughout the term of probation.

23           12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
24 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
25 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
26 defined as any period of time Respondent is not practicing medicine as defined in Business and  
27 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
28 patient care, clinical activity or teaching, or other activity as approved by the Board. If

1 Respondent resides in California and is considered to be in non-practice, Respondent shall  
2 comply with all terms and conditions of probation. All time spent in an intensive training  
3 program which has been approved by the Board or its designee shall not be considered non-  
4 practice and does not relieve Respondent from complying with all the terms and conditions of  
5 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
6 on probation with the medical licensing authority of that state or jurisdiction shall not be  
7 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
8 period of non-practice.

9 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
10 months, Respondent shall successfully complete the Federation of State Medical Board's Special  
11 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
12 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
13 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

14 Respondent's period of non-practice while on probation shall not exceed two (2) years.  
15 Periods of non-practice will not apply to the reduction of the probationary term.

16 Periods of non-practice for a Respondent residing outside of California will relieve  
17 Respondent of the responsibility to comply with the probationary terms and conditions with the  
18 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
19 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
20 Controlled Substances; and Biological Fluid Testing.

21 13. COMPLETION OF PROBATION. Respondent shall comply with all financial  
22 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
23 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
24 be fully restored.

25 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
26 of probation is a violation of probation. If Respondent violates probation in any respect, the  
27 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
28 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,

1 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
2 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
3 the matter is final.

4 15. LICENSE SURRENDER. Following the effective date of this Decision, if  
5 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
6 the terms and conditions of probation, Respondent may request to surrender his or her license.  
7 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
8 determining whether or not to grant the request, or to take any other action deemed appropriate  
9 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
10 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
11 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
12 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
13 application shall be treated as a petition for reinstatement of a revoked certificate.

14 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
15 with probation monitoring each and every year of probation, as designated by the Board, which  
16 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
17 California and delivered to the Board or its designee no later than January 31 of each calendar  
18 year.

1 FIRST CAUSE FOR DISCIPLINE

2 (Repeated Negligent Acts)

3 7. Respondent Robert William Sears, M.D. is subject to disciplinary action under  
4 section 2234 (c), in that he was negligent in his treatment of four minor patients. In the case of  
5 each patient, he issued a vaccination exemption letter without an appropriate medical basis,  
6 leaving these patients and their future contacts at risk for preventable and communicable diseases.  
7 The circumstances are as follows:

8 Patient One

9 8. Patient One, a then seven-year-old child, was seen by Respondent on one occasion,  
10 on May 4, 2016. Patient One was accompanied by his mother. He was seen for a chief complaint  
11 of vaccine exemption. His past medical history documented psoriasis and no prior vaccines. No  
12 other past medical history was documented. His family history included autoimmune disorders,  
13 lupus, psoriasis (in Dad), inflammatory bowel disease, irritable bowel syndrome (in Dad), severe  
14 gluten sensitivity in Mom and Aunt, suspected CD in aunt, neurodevelopmental disorders,  
15 ADD/ADHD (in Dad), psychiatric disorders, schizophrenia (Dad), bipolar, and depression. No  
16 social history was documented. His examination documented, "psoriatic plaques on scalp, back  
17 of neck and ears." The rest of the exam is documented as normal. The assessment was that the  
18 patient qualified for medical exemption from vaccines for family history of autoimmune disorders  
19 (Dad and others), inflammatory bowel disease (Dad), neurodevelopmental disorders (Dad),  
20 psychiatric disorders (Dad), and child's own autoimmune disorder. He was diagnosed with viral  
21 infection, unspecified, and feeding difficulties.

22 9. On the same date, a medical exemption letter was generated for Patient One,  
23 exempting him from all vaccines for the rest of his childhood, through July 1, 2025.

24 10. An entry in the medical record maintained by Respondent for Patient One, and dated  
25 January 25, 2017, stated that a phone conversation was had with the patient's mom regarding the  
26 medical exemption letter. The mom advised Respondent that the patient's father retracted his  
27 consent regarding the medical exemption letter. Respondent reminded the mother that consent is  
28 required from both custodial parents. Respondent advised that the previously issued vaccine

1 exemption letter was no longer valid. In order for a new valid exemption letter to be issued for  
2 Patient One, both custodial parents would need to appear and consent, and the patient's past  
3 medical records were required.

4 11. Patient One's medical records contain an amended copy of the medical exemption  
5 letter dated May 4, 2017, stating the original exemption letter is no longer valid and should be  
6 disregarded due to a change in family circumstances and consent.

7 12. Giving a childhood-long medical vaccine exemption letter to Patient One, based on a  
8 diagnosis of psoriasis, without immunosuppressive medication, is a simple departure from the  
9 standard of care. The diagnosis and the patient's family history are not a known contraindication  
10 or precaution to routine childhood vaccination.

11 Patient Two

12 13. Patient Two, who is the sister of Patient One, was seen by Respondent on one  
13 occasion, on May 4, 2016. Patient Two was also accompanied to her visit by her mother. She  
14 was seen for a chief complaint of "vaccine exemption appt." Her past medical history is only  
15 documented as significant for bee sting allergy. Her family history is identical to that of Patient  
16 One. It included autoimmune disorders, lupus, psoriasis (Dad), inflammatory bowel disease,  
17 irritable bowel syndrome (Dad), severe gluten sensitivity in Mom and Aunt, suspected CD in  
18 aunt, neurodevelopmental disorders, ADD/ADHD (Dad), psychiatric disorders, schizophrenia  
19 (Dad), bipolar, and depression. No social history was documented. Her examination was normal.  
20 Weight and height were documented, but no vital signs were documented. She was diagnosed  
21 with viral infection, unspecified, and feeding difficulties. The assessment discussed that Patient  
22 Two qualified for a medical exemption from vaccines based on review of her past medical  
23 history, family history, and current state of health.

24 14. On the same date, a medical exemption letter was generated for Patient Two,  
25 exempting her from all vaccines for the rest of her childhood.

26 15. An entry in the medical record maintained by Respondent for Patient Two, and dated  
27 January 25, 2017, stated that a phone conversation was had with the patient's mom regarding the  
28 medical exemption letter. The mom advised that the patient's father retracted his consent

1 regarding the medical exemption letter. Respondent reminded the mother that consent is required  
2 from both custodial parents. Respondent advised that the previously issued vaccine exemption  
3 letter was no longer valid. In order for a new valid exemption letter to be issued for Patient Two,  
4 both custodial parents would need to appear and provide consent, and the patient's past medical  
5 records were required.

6 16. Patient Two's medical records contain an amended copy of the medical exemption  
7 letter dated May 4, 2017, stating the original exemption letter is no longer valid and should be  
8 disregarded due to a change in family circumstances and consent.

9 17. Giving a childhood-long medical vaccine exemption letter to Patient Two, based on  
10 the identified family history alone, is a simple departure from the standard of care.

11 Patient Three

12 18. Patient Three was seen by Respondent on one occasion, on August 29, 2016. The  
13 minor patient was almost five-years-old, at the time of the visit. She was seen for a chief  
14 complaint of vaccine medical exemption. Her medical records show no symptoms, no vaccines,  
15 and no past medical history. Her family history is extensive and includes a second cousin having  
16 had a severe vaccine reaction with developmental regression and eventual diagnosis of autism  
17 spectrum disorder. The patient's family history also included mention of autoimmune disorders,  
18 neurological disorders, including seizure disorder (Mom), and 10 relatives with  
19 neurodevelopmental disorders including autism, ADHD/ADD and dyslexia (Dad), and OCD  
20 (mom). An intake questionnaire completed by a parent confirms this history. Her physical  
21 examination was normal. Weight and height were documented, but no vital signs were  
22 documented. The assessment discussed that Patient Three qualified for a medical exemption  
23 from vaccines based on a family history of vaccine reaction in a family member, autoimmune  
24 disorders, inflammatory bowel disease, neurological problems, neurodevelopmental disorders,  
25 and psychiatric disorders.

26 19. Respondent issued a medical exemption letter for Patient Three, for all vaccines  
27 through July 1, 2030.

28

1           20. Included in the records are brief records from Patient Three's mom, confirming her  
2 diagnosis of seizure disorder and from the patient's father, confirming his ADHD diagnosis.

3           21. Also included in the records are Patient Three's medical records from Valencia  
4 Pediatrics.

5           22. Giving a childhood-long medical vaccine exemption letter to Patient Three, who did  
6 not have a documented existing contraindication to routine childhood vaccination, is a simple  
7 departure from the standard of care.

8           Patient Four

9           23. Patient Four was seen by Respondent on one occasion, on August 8, 2016, for a chief  
10 complaint of obtaining a vaccine medical exemption. The patient was twelve-years-old. Her  
11 medical records show no current symptoms. However, her past medical history showed that she  
12 had all vaccines aside from the pertussis series. She received a DTaP as a first round at two  
13 months of age. She had an encephalitis-like reaction with inconsolable high-pitched screaming  
14 for more than three hours and off and on crying for another one to two days. Past medical  
15 records showed that Patient Four received the DT for the other dosages. Further pertussis  
16 dosages were contraindicated in this patient. Patient Four's family history included several  
17 autoimmune disorders, neurological disorders including epilepsy, neurodevelopmental disorders,  
18 ADD/ADHD, and psychiatric disorders. In addition, one cousin had an encephalitis type  
19 reaction. Patient Four's physical examination was normal. The patient's weight and height were  
20 documented, but no vital signs were recorded. The assessment discussed that Patient Four  
21 qualified for a medical exemption from vaccination due to family history of vaccine reactions in a  
22 family member, autoimmune disorders, neurological and neurodevelopmental disorders,  
23 psychiatric disorders and the patient's own past severe reaction to vaccines.

24           24. Respondent issued a medical exemption letter for Patient Four, for all vaccines for the  
25 rest of childhood.

26           25. Respondent requested and obtained Patient Four's prior medical records.

27           26. Giving a childhood-long medical vaccine exemption letter for all vaccines was not  
28 indicated. The family and past medical history are appropriate for an exemption for the pertussis

1 portion of the tetanus vaccine, but is not a contraindication or precaution to every routine  
2 childhood vaccination. Respondent's issuance of a rest of childhood medical vaccine exemption  
3 letter for all vaccines is a simple departure from the standard of care.

4 **SECOND CAUSE FOR DISCIPLINE**

5 **(Failure to Maintain Adequate Records)**

6 27. Respondent is subject to disciplinary action under Code section 2266 in that he failed  
7 to maintain adequate medical records in the case of Patients One, Two, and Five.

8 28. Paragraphs 8 - 17 are incorporated here as though fully set forth.

9 **Patient Five**

10 29. On October 11, 2017, Patient Five, who was 10-years-old, presented to Respondent  
11 with a chief complaint of numbness of bilateral knees for every day of the past month. The  
12 physical examination reflects normal bilateral lower extremities, normal DTRs, FROM, non-  
13 tender and back/spine WNL. The assessment is "normal exam." The etiology is unclear and the  
14 plan is to observe. The documented exam is brief and only focused on the legs and spine.  
15 Laboratory results were reviewed and Vitamin D (5000 IU daily) and iron supplements (25 mg  
16 daily) were recommended. No follow-up is documented regarding the medication, nor was  
17 follow-up blood work recommended regarding the length of treatment with vitamin D and iron  
18 supplements.

19 30. Respondent failed to maintain adequate and accurate records in the case of four  
20 patients. In the case of Patient's One and Two, Respondent failed to obtain and document an  
21 appropriate and accurate past medical history, physical exam and family/social history. In the  
22 case of Patient Five, Respondent failed to document a thorough history and exam, or follow-up  
23 instructions related to the vitamins and supplements he recommended that the patient take.

24  
25 **DISCIPLINARY CONSIDERATIONS**

26 31. To determine the degree of discipline, if any, to be imposed on Respondent Robert  
27 William Sears, M.D., Complainant alleges that on or about July 27, 2018, in a prior disciplinary  
28 action entitled *In the Matter of the Accusation Against Robert William Sears, M.D.*, before the

1 Medical Board of California, in Case Number 800-2015-012268, Respondent's license was  
2 disciplined. Respondent's license is currently subject to a 35-month probation, and he is required  
3 to complete education course(s), a professionalism program and have a practice monitor.  
4 Discipline was imposed in the prior case for Respondent's failure to obtain necessary information  
5 regarding a patient, prior to issuing a childhood vaccination exemption letter. That decision is  
6 now final and is incorporated by reference as if fully set forth herein.

7 **PRAYER**

8 WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged,  
9 and that following the hearing, the Medical Board of California issue a decision:

- 10 1. Revoking or suspending Physician's and Surgeon's Certificate Number A 60936,  
11 issued to Robert William Sears, M.D.;
- 12 2. Revoking, suspending or denying approval of Robert William Sears, M.D.'s authority  
13 to supervise physician assistants and advanced practice nurses;
- 14 3. Ordering Robert William Sears, M.D., if placed on probation, to pay the Board the  
15 costs of probation monitoring; and
- 16 4. Taking such other and further action as deemed necessary and proper.
