DISCIPLINARY ORDER**

21 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-
22 entitled proceedings that the following matters are true:

23 **PARTIES**

24 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
25 California (Board). He brought this action solely in his official capacity and is represented in this
26 matter by Rob Bonta, Attorney General of the State of California, by Martin W. Hagan, Deputy
27 Attorney General.

28 *////*

2. Respondent Mario Z. Rosenberg, M.D. (Respondent) is represented in this proceeding by M. Bradley Wishek, Esq., whose address is 765 University Avenue, Sacramento, CA 95825.

3. On or about April 4, 1977, the Board issued Physician's and Surgeon's Certificate No. A 30941 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in First Amended Accusation No. 800-2019-055905, and will expire on August 31, 2023, unless renewed.

JURISDICTION

4. Accusation No. 800-2019-055905 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on July 7, 2021. Respondent timely filed his Notice of Defense contesting the Accusation. First Amended Accusation No. 800-2019-055905 was filed on January 25, 2022, a true and correct copy of which is attached hereto as Exhibit A and incorporated by reference as if fully set forth herein.

ADVISEMENT AND WAIVERS

5. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in First Amended Accusation No. 800-2019-055905. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

6. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the First Amended Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

////

1 **CULPABILITY**

2 8. Respondent admits the truth of each and every charge and allegation in First
3 Amended Accusation No. 800-2019-055905. On or about April 22, 2022, the Orange County
4 Superior Court reduced Respondent's felony conviction to Count 145 under Penal Code section
5 550, subdivision (b)(1) to a misdemeanor which was then expunged and dismissed pursuant to
6 Penal Code sections 17, subdivision (b), and 1203.4.

7 9. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
8 discipline and he agrees to be bound by the Board's probationary terms as set forth in the
9 Disciplinary Order below.

10 **CONTINGENCY**

11 10. This stipulation shall be subject to approval by the Medical Board of California.
12 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
13 Board of California may communicate directly with the Board regarding this stipulation and
14 settlement, without notice to or participation by Respondent or his counsel. By signing the
15 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
16 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
17 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
18 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
19 action between the parties, and the Board shall not be disqualified from further action by having
20 considered this matter.

21 11. Respondent agrees that if he ever petitions for early termination or modification of
22 probation, or if an accusation and/or petition to revoke probation is filed against him before the
23 Board, all of the charges and allegations contained in First Amended Accusation No. 800-2019-
24 055905 shall be deemed true, correct and fully admitted by respondent for purposes of any such
25 proceeding or any other licensing proceeding involving Respondent in the State of California.

26 12. The parties understand and agree that Portable Document Format (PDF) and facsimile
27 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
28 signatures thereto, shall have the same force and effect as the originals.

13. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by the Respondent, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 30941 issued to Respondent MARIO Z. ROSENBERG, M.D. is revoked. However, the revocation is stayed and Respondent is placed on probation for four (4) years on the following terms and conditions

1. **COMMUNITY SERVICE - FREE SERVICES.** Within 60 calendar days of the effective date of this Decision, Respondent shall submit to the Board or its designee for prior approval a community service plan in which Respondent shall, within the first 2 years of probation, provide four hundred eighty (480) hours of free services (e.g., medical or nonmedical) to a community or non-profit organization. If the term of probation is designated for 2 years or less, the community service hours must be completed not later than 6 months prior to the completion of probation.

Prior to engaging in any community service, Respondent shall provide a true copy of the Decision(s) to the chief of staff, director, office manager, program manager, officer, or the chief executive officer at every community or non-profit organization where Respondent provides community service and shall submit proof of compliance to the Board or its designee within 15 calendar days. This condition shall also apply to any change(s) in community service.

Community service performed prior to the effective date of the Decision shall not be accepted in fulfillment of this condition.

2. **PROFESSIONALISM PROGRAM (ETHICS COURSE).** Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a professionalism program, that meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1. Respondent shall participate in and successfully complete that program. Respondent shall provide any information and documents that the program may deem pertinent. Respondent shall successfully complete the classroom component of the program not later than six (6) months after

Respondent's initial enrollment, and the longitudinal component of the program not later than the time specified by the program, but no later than one (1) year after attending the classroom component. The professionalism program shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

A professionalism program taken after the acts that gave rise to the charges in the First Amended Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the program would have been approved by the Board or its designee had the program been taken after the effective date of this Decision.

Respondent shall submit a certification of successful completion to the Board or its designee not later than 15 calendar days after successfully completing the program or not later than 15 calendar days after the effective date of the Decision, whichever is later.

3. **MONITORING - BILLING.** Within 30 calendar days of the effective date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a billing monitor, the name and qualifications of one or more licensed physicians and surgeons whose licenses are valid and in good standing, and who are preferably American Board of Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or personal relationship with Respondent, or other relationship that could reasonably be expected to compromise the ability of the monitor to render fair and unbiased reports to the Board, including but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

The Board or its designee shall provide the approved monitor with copies of the Decision and First Amended Accusation, and a proposed monitoring plan. Within 15 calendar days of receipt of the Decision, First Amended Accusation, and proposed monitoring plan, the monitor shall submit a signed statement that the monitor has read the Decision and First Amended Accusation, fully understands the role of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the signed statement for approval by the Board or its

1 designee.

2 Within 60 calendar days of the effective date of this Decision, and continuing throughout
3 probation, Respondent's billing shall be monitored by the approved monitor. Respondent shall
4 make all records available for immediate inspection and copying on the premises by the monitor
5 at all times during business hours and shall retain the records for the entire term of probation.

6 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
7 date of this Decision, Respondent shall receive a notification from the Board or its designee to
8 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
9 shall cease the practice of medicine until a monitor is approved to provide monitoring
10 responsibility.

11 The monitor(s) shall submit a quarterly written report to the Board or its designee which
12 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
13 are within the standards of practice of billing, and whether Respondent is practicing medicine
14 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure
15 that the monitor submits the quarterly written reports to the Board or its designee within 10
16 calendar days after the end of the preceding quarter.

17 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
18 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
19 name and qualifications of a replacement monitor who will be assuming that responsibility within
20 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
21 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
22 notification from the Board or its designee to cease the practice of medicine within three (3)
23 calendar days after being so notified. Respondent shall cease the practice of medicine until a
24 replacement monitor is approved and assumes monitoring responsibility.

25 In lieu of a monitor, Respondent may participate in a professional enhancement program
26 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
27 review, semi-annual practice assessment, and semi-annual review of professional growth and
28 education. Respondent shall participate in the professional enhancement program at Respondent's

1 expense during the term of probation.

2 4. **NOTIFICATION.** Within seven (7) days of the effective date of this Decision, the
3 Respondent shall provide a true copy of this Decision and First Amended Accusation to the Chief
4 of Staff or the Chief Executive Officer at every hospital where privileges or membership are
5 extended to Respondent, at any other facility where Respondent engages in the practice of
6 medicine, including all physician and locum tenens registries or other similar agencies, and to the
7 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage
8 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within
9 15 calendar days. This condition shall apply to any change(s) in hospitals, other facilities or
10 insurance carrier.

11 5. **SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED**
12 **PRACTICE NURSES.** During probation, Respondent is prohibited from supervising physician
13 assistants and advanced practice nurses.

14 6. **OBEY ALL LAWS.** Respondent shall obey all federal, state and local laws, all rules
15 governing the practice of medicine in California and remain in full compliance with any court
16 ordered criminal probation, payments, and other orders.

17 7. **ENFORCEMENT COST RECOVERY.** Respondent is hereby ordered to
18 reimburse the Board its costs of enforcement in the amount of \$20,000 (twenty thousand dollars)
19 which can be paid off in four annual installments of \$5,000 (five thousand dollars) for each year
20 of probation. The first annual installment shall be due on the effective date of this Decision and
21 Order and then annually thereafter. In the event Respondent petitions for early termination of
22 probation, all outstanding enforcement costs must be paid prior to the granting of any such
23 petition. Costs shall be payable to the Medical Board of California. Failure to pay such costs shall
24 be considered a violation of probation. Any and all requests for a payment plan shall be
25 submitted in writing by respondent to the Board. The filing of bankruptcy by respondent shall not
26 relieve respondent of the responsibility to repay enforcement costs.

27 8. **QUARTERLY DECLARATIONS.** Respondent shall submit quarterly declarations
28 under penalty of perjury on forms provided by the Board, stating whether there has been

1 compliance with all the conditions of probation. Respondent shall submit quarterly declarations
2 not later than 10 calendar days after the end of the preceding quarter.

3 9. **GENERAL PROBATION REQUIREMENTS.**

4 **Compliance with Probation Unit:** Respondent shall comply with the Board's probation
5 unit.

6 **Address Changes:** Respondent shall, at all times, keep the Board informed of
7 Respondent's business and residence addresses, email address (if available), and telephone
8 number. Changes of such addresses shall be immediately communicated in writing to the Board
9 or its designee. Under no circumstances shall a post office box serve as an address of record,
10 except as allowed by Business and Professions Code section 2021, subdivision (b).

11 **Place of Practice:** Respondent shall not engage in the practice of medicine in Respondent's
12 or patient's place of residence, unless the patient resides in a skilled nursing facility or other
13 similar licensed facility.

14 **License Renewal:** Respondent shall maintain a current and renewed California physician's
15 and surgeon's license.

16 **Travel or Residence Outside California:** Respondent shall immediately inform the Board
17 or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts,
18 or is contemplated to last, more than thirty (30) calendar days. In the event Respondent should
19 leave the State of California to reside or to practice Respondent shall notify the Board or its
20 designee in writing 30 calendar days prior to the dates of departure and return.

21 10. **INTERVIEW WITH THE BOARD OR ITS DESIGNEE.** Respondent shall be
22 available in person upon request for interviews either at Respondent's place of business or at the
23 probation unit office, with or without prior notice throughout the term of probation.

24 11. **NON-PRACTICE WHILE ON PROBATION.** Respondent shall notify the Board
25 or its designee in writing within 15 calendar days of any periods of non-practice lasting more than
26 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
27 defined as any period of time Respondent is not practicing medicine as defined in Business and
28 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct

1 patient care, clinical activity or teaching, or other activity as approved by the Board. If
2 Respondent resides in California and is considered to be in non-practice, Respondent shall
3 comply with all terms and conditions of probation. All time spent in an intensive training
4 program which has been approved by the Board or its designee shall not be considered non-
5 practice and does not relieve Respondent from complying with all the terms and conditions of
6 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
7 on probation with the medical licensing authority of that state or jurisdiction shall not be
8 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
9 period of non-practice.

10 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
11 months, Respondent shall successfully complete the Federation of State Medical Boards' Special
12 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
13 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
14 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

15 Respondent's period of non-practice while on probation shall not exceed two (2) years.

16 Periods of non-practice will not apply to the reduction of the probationary term.

17 Periods of non-practice for a Respondent residing outside of California will relieve
18 Respondent of the responsibility to comply with the probationary terms and conditions with the
19 exception of this condition and the following terms and conditions of probation: Obey All Laws;
20 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
21 Controlled Substances; and Biological Fluid Testing.

22 12. **COMPLETION OF PROBATION.** Respondent shall comply with all financial
23 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
24 completion of probation. Upon successful completion of probation, Respondent's certificate shall
25 be fully restored.

26 13. **VIOLATION OF PROBATION.** Failure to fully comply with any term or
27 condition of probation is a violation of probation. If Respondent violates probation in any
28 respect, the Board, after giving Respondent notice and the opportunity to be heard, may revoke

1 probation and carry out the disciplinary order that was stayed. If an Accusation, or Petition to
2 Revoke Probation, or an Interim Suspension Order is filed against Respondent during probation,
3 the Board shall have continuing jurisdiction until the matter is final, and the period of probation
4 shall be extended until the matter is final.

5 14. **LICENSE SURRENDER.** Following the effective date of this Decision, if
6 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
7 the terms and conditions of probation, Respondent may request to surrender his or her license.
8 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
9 determining whether or not to grant the request, or to take any other action deemed appropriate
10 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
11 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
12 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
13 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
14 application shall be treated as a petition for reinstatement of a revoked certificate.

15 15. **PROBATION MONITORING COSTS.** Respondent shall pay the costs associated
16 with probation monitoring each and every year of probation, as designated by the Board, which
17 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
18 California and delivered to the Board or its designee no later than January 31 of each calendar
19 year.

20 16. **FUTURE ADMISSIONS CLAUSE.** If Respondent should ever apply or reapply for
21 a new license or certification, or petition for reinstatement of a license, by any other health care
22 licensing action agency in the State of California, all of the charges and allegations contained in
23 First Amended Accusation No. 800-2019-055905 shall be deemed to be true, correct, and
24 admitted by Respondent for the purpose of any Statement of Issues or any other proceeding
25 seeking to deny or restrict license.

1 **JURISDICTION**

2 3. This First Amended Accusation, which supersedes the Accusation filed on July 7,
3 2021, is brought before the Board, under the authority of the following laws. All section
4 references are to the Business and Professions Code (Code) unless otherwise indicated.

5 **STATUTORY PROVISIONS**

6 4. Section 2227 of the Code provides that a licensee who is found guilty under the
7 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
8 one year, placed on probation and required to pay the costs of probation monitoring, or such other
9 action taken in relation to discipline as the Board deems proper.

10 5. Section 7.5 of the Code states:

11 (a) A conviction within the meaning of this code means a judgment following a
12 plea or verdict of guilty or a plea of nolo contendere or finding of guilt. Any action
13 which a board is permitted to take following the establishment of a conviction may be
14 taken when the time for appeal has elapsed, or the judgment of conviction has been
affirmed on appeal or when an order granting probation is made suspending the
imposition of sentence. However, a board may not deny a license to an applicant who
is otherwise qualified pursuant to subdivision (b) or (c) of Section 480.

15 (b)(1) Nothing in this section shall apply to the licensure of persons pursuant to
16 Chapter 4 (commencing with Section 6000) of Division 3.

17 (2) This section does not in any way modify or otherwise affect the existing
authority of the following entities in regard to licensure:

18 (A) The State Athletic Commission.

19 (B) The Bureau for Private Postsecondary Education.

20 (C) The California Horse Racing Board.

21 (c) Except as provided in subdivision (b), this section controls over and
22 supersedes the definition of conviction contained within individual practice acts under
this code.

23 (d) This section shall become operative on July 1, 2020.

24 6. Section 2234 of the Code, states:

25 The board shall take action against any licensee who is charged with
26 unprofessional conduct. In addition to other provisions of this article, unprofessional
conduct includes, but is not limited to, the following:

27 (a) Violating or attempting to violate, directly or indirectly, assisting in or
28 abetting the violation of, or conspiring to violate any provision of this chapter.

1 ...
2 (f) Any action or conduct that would have warranted the denial of a certificate.
3

4 7. Section 2236 of the Code states:

5 (a) The conviction of any offense substantially related to the qualifications,
6 functions, or duties of a physician and surgeon constitutes unprofessional conduct
7 within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record
8 of conviction shall be conclusive evidence only of the fact that the conviction
9 occurred.

10 (b) The district attorney, city attorney, or other prosecuting agency shall notify
11 the Medical Board of the pendency of an action against a licensee charging a felony
12 or misdemeanor immediately upon obtaining information that the defendant is a
13 licensee. The notice shall identify the licensee and describe the crimes charged and
14 the facts alleged. The prosecuting agency shall also notify the clerk of the court in
15 which the action is pending that the defendant is a licensee, and the clerk shall record
16 prominently in the file that the defendant holds a license as a physician and surgeon.

17 (c) The clerk of the court in which a licensee is convicted of a crime shall,
18 within 48 hours after the conviction, transmit a certified copy of the record of
19 conviction to the board. The division may inquire into the circumstances surrounding
20 the commission of a crime in order to fix the degree of discipline or to determine if
21 the conviction is of an offense substantially related to the qualifications, functions, or
22 duties of a physician and surgeon.

23 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is
24 deemed to be a conviction within the meaning of this section and Section 2236.1.
25 The record of conviction shall be conclusive evidence of the fact that the conviction
26 occurred.

27 8. Section 810 of the Code states:

28 (a) It shall constitute unprofessional conduct and grounds for disciplinary
action, including suspension or revocation of a license or certificate, for a health care
professional to do any of the following in connection with his or her professional
activities:

(1) Knowingly present or cause to be presented any false or fraudulent claim for
the payment of a loss under a contract of insurance.

(2) Knowingly prepare, make, or subscribe any writing, with intent to present or
use the same, or to allow it to be presented or used in support of any false or
fraudulent claim.

(b) It shall constitute cause for revocation or suspension of a license or
certificate for a health care professional to engage in any conduct prohibited under
Section 1871.4 of the Insurance Code or Section 549 or 550 of the Penal Code.

////

////

1 (c) (1) It shall constitute cause for automatic suspension of a license or
2 certificate issued pursuant to Chapter 4 (commencing with Section 1600), Chapter 5
3 (commencing with Section 2000), Chapter 6.6 (commencing with Section 2900),
4 Chapter 7 (commencing with Section 3000), or Chapter 9 (commencing with Section
5 4000), or pursuant to the Chiropractic Act or the Osteopathic Act, if a licensee or
6 certificate holder has been convicted of any felony involving fraud committed by the
7 licensee or certificate holder in conjunction with providing benefits covered by
8 worker's compensation insurance, or has been convicted of any felony involving
9 Medi-Cal fraud committed by the licensee or certificate holder in conjunction with
the Medi-Cal program, including the Denti-Cal element of the Medi-Cal program,
pursuant to Chapter 7 (commencing with Section 14000), or Chapter 8 (commencing
with Section 14200), of Part 3 of Division 9 of the Welfare and Institutions Code. The
board shall convene a disciplinary hearing to determine whether or not the license or
certificate shall be suspended, revoked, or some other disposition shall be considered,
including, but not limited to, revocation with the opportunity to petition for
reinstatement, suspension, or other limitations on the license or certificate as the

13 2900), Chapter 7 (commencing with Section 3000), or Chapter 9 (commencing with
14 Section 4000), or pursuant to the Chiropractic Act or the Osteopathic Act, if a
15 licensee or certificate holder has more than one conviction of any felony arising out
16 of separate prosecutions involving fraud committed by the licensee or certificate
17 holder in conjunction with providing benefits covered by worker's compensation
18 insurance, or in conjunction with the Medi-Cal program, including the Denti-Cal
19 element of the Medi-Cal program pursuant to Chapter 7 (commencing with Section
20 14000), or Chapter 8 (commencing with Section 14200), of Part 3 of Division 9 of the
21 Welfare and Institutions Code. The board shall convene a disciplinary hearing to
22 revoke the license or certificate and an order of revocation shall be issued unless the
23 board finds mitigating circumstances to order some other disposition.

24 (3) It is the intent of the Legislature that paragraph (2) apply to a licensee or
25 certificate holder who has one or more convictions prior to January 1, 2004, as
26 provided in this subdivision.

27 (4) Nothing in this subdivision shall preclude a board from suspending or

8 **GENERAL UNPROFESSIONAL CONDUCT**

9 10. Unprofessional conduct is conduct which breaches rules or ethical codes of a
11 profession or conduct which is unbecoming a member in good standing of a profession. (*Shea v.*
12 *Board of Medical Examiners* (1978) 81 Cal.App.3rd 564, 575.)

15 administrative law judge to direct a licensee found to have committed a violation or violations of
16 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
17 enforcement of the case, with failure of the licensee to comply subjecting the license to not being
18 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
19 included in a stipulated settlement.

20 **FIRST CAUSE FOR DISCIPLINE**

21 **(Conviction of an Offense Substantially Related to the Qualifications, Functions, or Duties
22 of a Physician and Surgeon)**

23 12. Respondent is subject to disciplinary action under sections 2227 and 2234, as defined
24 by sections 7.5 and 2236, of the Code, in that he has been convicted of an offense substantially
25 related to the qualifications, functions, or duties of a physician and surgeon, as more particularly
26 alleged herein.

27 13. On or about June 13, 2008, a 179-count State Court indictment ("indictment") was
28 filed against Respondent and multiple other co-defendants in the Superior Court of the State of
California, for the County of Orange, in the action entitled *The People of the State of California v.*
Mario Z. Rosenberg, et al., Case No. 08ZF0025. The indictment charged Respondent and the
other co-defendants with various criminal charges associated with a wide-ranging insurance fraud
scheme in which cappers were compensated for bringing patients to various surgical centers for

unnecessary surgeries that were then fraudulently billed to different insurance companies.

Respondent, who was affiliated with Unity Surgery Center, operated on a large number of the patients recruited by the cappers and was alleged to have knowingly participated in the insurance fraud as one of the co-conspirators of the fraudulent scheme.

14. The indictment charged Respondent with one felony count of conspiracy to illegally use cappers in violation of Penal Code section 182 (a)(1) and Insurance Code section 750 (a); one felony count of conspiracy to commit insurance fraud in violation of Penal Code section 182 (a)(1) and Penal Code section 550; eight felony counts of illegally using cappers in violation of California Insurance Code section 750 (a); nineteen felony counts of insurance fraud in violation of Penal Code section 550 (a)(1); and nineteen felony counts of presenting false and fraudulent claims in violation of Penal Code section 549 and Insurance Code section 1871.4. The indictment also alleged "conduct enhancements" against Respondent for "property damage over \$2,500,000" pursuant to Penal Code section 12022.6, subdivision (a)(4); and for "aggravated white collar crime – over \$500,000" pursuant to Penal Code section 186.11, subdivision (a)(2).

15. On or about August 7, 2012, a Second Amended Indictment was filed in *The People of the State of California v. Mario Z. Rosenberg, et al.*, Case No. 08ZF0025. The Second Amended Indictment charged Respondent with one felony count of conspiracy to commit insurance fraud in violation of Penal Code section 182 (a)(1) and Penal Code section 550; nineteen felony counts of insurance fraud in violation of Penal Code section 550 (a)(1); nineteen felony counts of presenting false and fraudulent claims in violation of Penal Code section 549 and Insurance Code section 1871.4; and one felony count of Grand Theft in violation of Penal Code section 487 (a). The indictment also alleged "conduct enhancements" against Respondent for "property damage over \$2,500,000" pursuant to Penal Code section 12022.6, subdivision (a)(4); and for "aggravated white collar crime – over \$500,000" pursuant to Penal Code section 186.11, subdivision (a)(2).

16. On or about January 24, 2014, Respondent, who was represented by counsel, entered into a plea agreement to resolve the criminal charges against him in the indictment. As part of the plea agreement, Respondent entered a *nolo contendere* plea to Count 55 of the Second Amended

1 Indictment for insurance fraud in violation of Penal Code section 550 (a)(1) [with an associated
2 enhancement pursuant to Penal Code section 186.11 (a)(2)]¹ and Count 145 for presenting a false
3 or fraudulent insurance claim in violation of Penal Code section 550 (b)(1). The factual basis for
4 Count 55 was that "... between July 5, 2002 and July 20, 2004, [Respondent was] charged with
5 willfully, knowingly and unlawfully, and with the intent to defraud, caus[ed] to be presented and
6 did aid and abet and conspire with others to present materially false and fraudulent insurance
7 claims for payment in violation of Penal Code section 550 (a)(1)" to nineteen insurance
8 companies. The factual basis for Count 145 was that "...between May 28, 2002, and July 20,
9 2004, and with the intent to defraud, [Respondent was] charged with willfully and unlawfully,
10 and [did] knowingly assist and conspire with others to present and caused to be presented to
11 insurance companies, statements relating to claims for payment and other benefits pursuant to an
12 insurance policy knowing that the statement contained false and misleading information
13 concerning material facts related to the hours spent consulting and treating patients" to nineteen
14 insurance companies. The plea agreement also provided that Respondent agreed to make
15 restitution to all victims and that he agreed to waive any right he might have to object to any
16 restitution order and that his efforts and success in making restitution, along with his continued
17 cooperation with the prosecution of the case, would be considered in determining the appropriate
18 sentence to be imposed against him. Lastly, the plea agreement, provided as follows:

19 "Should the sentencing judge grant me probation, upon my successful
20 completion of the term of probation and the other terms and conditions of this grant
21 of probation, the People will move to dismiss my guilty plea to Count 55, a violation
22 of Penal Code, section 550(a)(1) and allow to stand my plea to County [sic] 145, a
23 violation of Penal Code, section 550(b)(1), with a possible punishment as either a
24 felony or as a misdemeanor, subject to my motion pursuant to Penal Code, 17(b)." (Exhibit 1 to Advisement and Waiver of Rights for Felony Guilty Plea, ¶ 11.)

25 17. On or about January 29, 2021, Respondent had his sentencing hearing. After
26 reviewing the sentencing briefs filed by the parties, and hearing the arguments of counsel,
27 Respondent was sentenced on his *nolo contendere* plea to Count 145, imposition of his sentence
28 was suspended, and he was placed on three years formal probation under various terms and

¹ Penal Code section 186.11 (a)(2) provides, "[i]f the pattern of related felony conduct involved the taking of, or results in the loss by another person or entity of, more than five hundred thousand dollars (\$500,000), the additional term of punishment shall be two, three, or five years in the state prison."

1 conditions, which included, but were not limited to, paying restitution, as determined and directed
2 by the Probation Department, not to exceed two million nine hundred thousand dollars
3 (\$2,900,000); payment of two hundred fifty thousand dollars (\$250,000) to the State Restitution
4 Fund; and performance of one thousand (1,000) hours of community service. Sentencing as to
5 Count 55 was continued to January 29, 2024, the end of Respondent's probation.

6 **SECOND CAUSE FOR DISCIPLINE**

7 **(General Unprofessional Conduct)**

8 18. Respondent is further subject to disciplinary action under sections 2227 and 2234, in
9 that he engaged in conduct which breached a rule or ethical code of the medical profession or
10 engaged in conduct which was unbecoming a member in good standing of the medical profession,
11 and which demonstrates an unfitness to practice medicine, as more particularly alleged in
12 paragraphs 12 through 17, above, which are hereby incorporated by reference and realleged as if
13 fully set forth herein.
