13 In the Matter of the Second Amended  
Accusation Against:  
14 MICHAEL GAYLE KLASSEN, M.D.  
15 3121 Middle Ranch Road  
16 Pebble Beach, California 93953-2953  
17 Physician's and Surgeon's Certificate No. G  
69478,  
18  
19 Respondent.

Case No. 800-2018-044818

OAH No. 2021110707

**STIPULATED SETTLEMENT AND  
DISCIPLINARY ORDER**

20  
21 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-  
22 entitled proceedings that the following matters are true:

23 **PARTIES**

24 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
25 California (Board). He brought this action solely in his official capacity and is represented in this  
26 matter by Rob Bonta, Attorney General of the State of California, by Wendy Widlus, Deputy  
27 Attorney General.

28 2. Respondent Michael Gayle Klassen, M.D. (Respondent) is represented in this

1 proceeding by attorney Aaron T. Schultz of 2300 Contra Costa Boulevard, Suite 350 Pleasant  
2 Hill, California 94523-2398.

3 3. On August 13, 1990, the Board issued Physician's and Surgeon's Certificate No. G  
4 69478 to Michael Gayle Klassen, M.D. (Respondent). That license was in full force and effect at  
5 all times relevant to the charges brought in Second Amended Accusation No. 800-2018-044818,  
6 and will expire on July 31, 2022, unless renewed.

7 **JURISDICTION**

8 4. Second Amended Accusation No. 800-2018-044818 was filed before the Board, and  
9 is currently pending against Respondent. The Second Amended Accusation and all other  
10 statutorily required documents were properly served on Respondent on April 5, 2022.

11 Respondent timely filed his Notice of Defense contesting the Second Amended Accusation.

12 5. A copy of Second Amended Accusation No. 800-2018-044818 is attached hereto as  
13 Exhibit A and is incorporated herein by reference.

14 **ADVISEMENT AND WAIVERS**

15 6. Respondent has carefully read, fully discussed with counsel, and understands the  
16 charges and allegations in Second Amended Accusation No. 800-2018-044818. Respondent has  
17 also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated  
18 Settlement and Disciplinary Order.

19 7. Respondent is fully aware of his legal rights in this matter, including the right to a  
20 hearing on the charges and allegations in the Second Amended Accusation; the right to confront  
21 and cross-examine the witnesses against him; the right to present evidence and to testify on his  
22 own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the  
23 production of documents; the right to reconsideration and court review of an adverse decision;  
24 and all other rights accorded by the California Administrative Procedure Act and other applicable  
25 laws.

26 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
27 every right set forth above.

28 //

1 CULPABILITY

2 9. Respondent understands and agrees that the charges and allegations in Second  
3 Amended Accusation No. 800-2018-044818, if proven at a hearing, constitute cause for imposing  
4 discipline upon his Physician's and Surgeon's Certificate Number G 39717.

5 10. For the purpose of resolving the Second Amended Accusation without the expense  
6 and uncertainty of further proceedings, Respondent does not contest that, at an administrative  
7 hearing, complainant could establish a *prima facie* case with respect to the charges and  
8 allegations contained in Second Amended Accusation No. 800-2018-044818.

9 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
10 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
11 Disciplinary Order below.

12 CONTINGENCY

13 12. This stipulation shall be subject to approval by the Medical Board of California.  
14 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
15 Board of California may communicate directly with the Board regarding this stipulation and  
16 settlement, without notice to or participation by Respondent or his counsel. By signing the  
17 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
18 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
19 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
20 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
21 action between the parties, and the Board shall not be disqualified from further action by having  
22 considered this matter.

23 13. Respondent agrees that if he ever petitions for early termination or modification of  
24 probation, or if an accusation and/or petition to revoke probation is filed against him before the  
25 Board, all of the charges and allegations contained in Second Amended Accusation No. 800-  
26 2018-044818 shall be deemed true, correct and fully admitted by Respondent for purposes of any  
27 such proceeding or any other licensing proceeding involving Respondent in the State of  
28 California.

1 designee not later than 15 calendar days after successfully completing the course, or not later than  
2 15 calendar days after the effective date of the Decision, whichever is later.

3 3. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of  
4 the effective date of this Decision, Respondent shall enroll in a professionalism program, that  
5 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.  
6 Respondent shall participate in and successfully complete that program. Respondent shall  
7 provide any information and documents that the program may deem pertinent. Respondent shall  
8 successfully complete the classroom component of the program not later than six (6) months after  
9 Respondent's initial enrollment, and the longitudinal component of the program not later than the  
10 time specified by the program, but no later than one (1) year after attending the classroom  
11 component. The professionalism program shall be at Respondent's expense and shall be in  
12 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

13 A professionalism program taken after the acts that gave rise to the charges in the Second  
14 Amended Accusation, but prior to the effective date of the Decision may, in the sole discretion of  
15 the Board or its designee, be accepted towards the fulfillment of this condition if the program  
16 would have been approved by the Board or its designee had the program been taken after the  
17 effective date of this Decision.

18 Respondent shall submit a certification of successful completion to the Board or its  
19 designee not later than 15 calendar days after successfully completing the program or not later  
20 than 15 calendar days after the effective date of the Decision, whichever is later.

21 4. MONITORING - PRACTICE/BILLING. Within 30 calendar days of the effective  
22 date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a  
23 practice monitor, the name and qualifications of one or more licensed physicians and surgeons  
24 whose licenses are valid and in good standing, and who are preferably American Board of  
25 Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or  
26 personal relationship with Respondent, or other relationship that could reasonably be expected to  
27 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
28 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree

1 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

2 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
3 and Second Amended Accusation(s), and a proposed monitoring plan. Within 15 calendar days  
4 of receipt of the Decision(s), Second Amended Accusation(s), and proposed monitoring plan, the  
5 monitor shall submit a signed statement that the monitor has read the Decision(s) and Second  
6 Amended Accusation(s), fully understands the role of a monitor, and agrees or disagrees with the  
7 proposed monitoring plan. If the monitor disagrees with the proposed monitoring plan, the  
8 monitor shall submit a revised monitoring plan with the signed statement for approval by the  
9 Board or its designee.

10 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
11 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
12 make all records available for immediate inspection and copying on the premises by the monitor  
13 at all times during business hours and shall retain the records for the entire term of probation.

14 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
15 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
16 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
17 shall cease the practice of medicine until a monitor is approved to provide monitoring  
18 responsibility.

19 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
20 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
21 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
22 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
23 that the monitor submits the quarterly written reports to the Board or its designee within 10  
24 calendar days after the end of the preceding quarter.

25 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
26 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
27 name and qualifications of a replacement monitor who will be assuming that responsibility within  
28 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60

1 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
2 notification from the Board or its designee to cease the practice of medicine within three (3)  
3 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
4 replacement monitor is approved and assumes monitoring responsibility.

5 In lieu of a monitor, Respondent may participate in a professional enhancement program  
6 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
7 review, semi-annual practice assessment, and semi-annual review of professional growth and  
8 education. Respondent shall participate in the professional enhancement program at Respondent's  
9 expense during the term of probation.

10 5. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
11 Respondent shall provide a true copy of this Decision and Second Amended Accusation to the  
12 Chief of Staff or the Chief Executive Officer at every hospital where privileges or membership  
13 are extended to Respondent, at any other facility where Respondent engages in the practice of  
14 medicine, including all physician and locum tenens registries or other similar agencies, and to the  
15 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage  
16 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within  
17 15 calendar days.

18 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

19 6. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
20 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
21 advanced practice nurses.

22 7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
23 governing the practice of medicine in California and remain in full compliance with any court  
24 ordered criminal probation, payments, and other orders.

25 8. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby  
26 ordered to reimburse the Board its costs of investigation and enforcement, in the amount of \$  
27 \$6,390.00. (Six thousand three hundred ninety dollars zero cents). Costs shall be payable to the  
28 Medical Board of California. Failure to pay such costs shall be considered a violation of

1 probation.

2 Any and all requests for a payment plan shall be submitted in writing by respondent to the  
3 Board.

4 The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to  
5 repay investigation and enforcement costs.

6 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
7 under penalty of perjury on forms provided by the Board, stating whether there has been  
8 compliance with all the conditions of probation.

9 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
10 of the preceding quarter.

11 10. GENERAL PROBATION REQUIREMENTS.

12 Compliance with Probation Unit

13 Respondent shall comply with the Board's probation unit.

14 Address Changes

15 Respondent shall, at all times, keep the Board informed of Respondent's business and  
16 residence addresses, email address (if available), and telephone number. Changes of such  
17 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
18 circumstances shall a post office box serve as an address of record, except as allowed by Business  
19 and Professions Code section 2021, subdivision (b).

20 Place of Practice

21 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
22 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
23 facility.

24 License Renewal

25 Respondent shall maintain a current and renewed California physician's and surgeon's  
26 license.

27 Travel or Residence Outside California

28 Respondent shall immediately inform the Board or its designee, in writing, of travel to any

1 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
2 (30) calendar days.

3 In the event Respondent should leave the State of California to reside or to practice  
4 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
5 departure and return.

6 11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
7 available in person upon request for interviews either at Respondent's place of business or at the  
8 probation unit office, with or without prior notice throughout the term of probation.

9 12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
10 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
11 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
12 defined as any period of time Respondent is not practicing medicine as defined in Business and  
13 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
14 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
15 Respondent resides in California and is considered to be in non-practice, Respondent shall  
16 comply with all terms and conditions of probation. All time spent in an intensive training  
17 program which has been approved by the Board or its designee shall not be considered non-  
18 practice and does not relieve Respondent from complying with all the terms and conditions of  
19 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
20 on probation with the medical licensing authority of that state or jurisdiction shall not be  
21 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
22 period of non-practice.

23 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
24 months, Respondent shall successfully complete the Federation of State Medical Board's Special  
25 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
26 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
27 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

28 Respondent's period of non-practice while on probation shall not exceed two (2) years.

1           Periods of non-practice will not apply to the reduction of the probationary term.

2           Periods of non-practice for a Respondent residing outside of California will relieve  
3 Respondent of the responsibility to comply with the probationary terms and conditions with the  
4 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
5 General Probation Requirements; and Quarterly Declarations.

6           13.   COMPLETION OF PROBATION. Respondent shall comply with all financial  
7 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
8 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
9 be fully restored.

10          14.   VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
11 of probation is a violation of probation. If Respondent violates probation in any respect, the  
12 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
13 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
14 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
15 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
16 the matter is final.

17          15.   LICENSE SURRENDER. Following the effective date of this Decision, if  
18 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
19 the terms and conditions of probation, Respondent may request to surrender his or her license.  
20 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
21 determining whether or not to grant the request, or to take any other action deemed appropriate  
22 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
23 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
24 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
25 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
26 application shall be treated as a petition for reinstatement of a revoked certificate.

27          16.   PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
28 with probation monitoring each and every year of probation, as designated by the Board, which

1 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
2 California and delivered to the Board or its designee no later than January 31 of each calendar  
3 year.

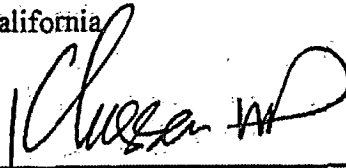

4 17. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
5 a new license or certification, or petition for reinstatement of a license, by any other health care  
6 licensing action agency in the State of California, all of the charges and allegations contained in  
7 Second Amended Accusation No. 800-2018-044818 shall be deemed to be true, correct, and  
8 admitted by Respondent for the purpose of any Statement of Issues or any other proceeding  
9 seeking to deny or restrict license.

10 ACCEPTANCE

11 I have carefully read the above Stipulated Settlement and Disciplinary Order and have fully  
12 discussed it with my attorney, Aaron T. Schultz, Esq. I understand the stipulation and the effect it  
13 will have on my Physician's and Surgeon's Certificate. I enter into this Stipulated Settlement and  
14 Disciplinary Order voluntarily, knowingly, and intelligently, and agree to be bound by the  
15 Decision and Order of the Medical Board of California

16  
17 DATED:

4/10/2022

18 MICHAEL GAYLE KLASSEN, M.D.  
Respondent

19 I have read and fully discussed with Respondent Michael Gayle Klassen, M.D. the terms  
20 and conditions and other matters contained in the above Stipulated Settlement and Disciplinary  
21 Order. I approve its form and content.

11 **STATE OF CALIFORNIA**

12 **In the Matter of the Second Amended**  
13 **Accusation Against:**

14 **MICHAEL GAYLE KLASSEN, M.D.**  
15 **3121 Middle Ranch Road**  
16 **Pebble Beach, CA 93953-2953**

17 **Physician's and Surgeon's Certificate**  
18 **No. G 69478,**

**Respondent.**

Case No. 800-2018-044818

OAH No. 2021110707

**SECOND AMENDED ACCUSATION**

19 **PARTIES**

20 1. William Prasifka (Complainant) brings this Second Amended Accusation solely in his  
21 official capacity as the Executive Director of the Medical Board of California (Board).

22 2. On August 13, 1990, the Board issued Physician's and Surgeon's Certificate Number  
23 G 69478 to Michael Gayle Klassen, M.D. (Respondent). That license was in full force and effect  
24 at all times relevant to the charges brought herein and will expire on July 31, 2024, unless  
25 renewed.

26 **JURISDICTION**

27 3. This Second Amended Accusation is brought before the Board under the authority of  
28

1 the following laws. All section references are to the Business and Professions Code (Code) unless  
2 otherwise indicated.

3 4. Section 2227 of the Code provides that a licensee who is found guilty under the  
4 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
5 one year, placed on probation and required to pay the costs of probation monitoring, or such  
6 other action taken in relation to discipline as the Board deems proper.

7 5. Section 2234 of the Code states:

8 The board shall take action against any licensee who is charged with  
9 unprofessional conduct. In addition to other provisions of this article, unprofessional  
conduct includes, but is not limited to, the following:

10 (a) Violating or attempting to violate, directly or indirectly, assisting in or  
11 abetting the violation of, or conspiring to violate any provision of this chapter.

12 (b) Gross negligence.

13 (c) Repeated negligent acts. To be repeated, there must be two or more  
14 negligent acts or omissions. An initial negligent act or omission followed by a  
15 separate and distinct departure from the applicable standard of care shall constitute  
repeated negligent acts.

16 (1) An initial negligent diagnosis followed by an act or omission medically  
17 appropriate for that negligent diagnosis of the patient shall constitute a single  
negligent act.

18 (2) When the standard of care requires a change in the diagnosis, act, or  
19 omission that constitutes the negligent act described in paragraph (1), including, but  
20 not limited to, a reevaluation of the diagnosis or a change in treatment, and the  
licensee's conduct departs from the applicable standard of care, each departure  
constitutes a separate and distinct breach of the standard of care.

21 (d) Incompetence.

22 (e) The commission of any act involving dishonesty or corruption that is  
23 substantially related to the qualifications, functions, or duties of a physician and  
surgeon.

24 (f) Any action or conduct that would have warranted the denial of a certificate.

25 (g) The failure by a certificate holder, in the absence of good cause, to attend  
26 and participate in an interview by the board. This subdivision shall only apply to a  
27 certificate holder who is the subject of an investigation by the board.

28 6. Section 2266 of the Code states: The failure of a physician and surgeon to maintain

1 adequate and accurate records relating to the provision of services to their patients constitutes  
2 unprofessional conduct.

3 7. Section 4955 of the Code states: Unprofessional conduct shall include, but not be  
4 limited to, the following:

5 ...  
6 (k) The abandonment of a patient by the licensee without written notice to the  
7 patient that treatment is to be discontinued and before the patient has had a reasonable  
8 opportunity to secure the services of another practitioner

8 ....

### 9 COST RECOVERY

10 8. Effective on January 1, 2022, section 125.3 of the Code was amended to provide as  
11 follows:

12 (a) Except as otherwise provided by law, in any order issued in resolution of a  
13 disciplinary proceeding before any board within the department or before the  
14 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the  
15 administrative law judge may direct a licensee found to have committed a violation or  
16 violations of the licensing act to pay a sum not to exceed the reasonable costs of the  
17 investigation and enforcement of the case.

18 (b) In the case of a disciplined licensee that is a corporation or a partnership, the order  
19 may be made against the licensed corporate entity or licensed partnership.

20 (c) A certified copy of the actual costs, or a good faith estimate of costs where actual  
21 costs are not available, signed by the entity bringing the proceeding or its designated  
22 representative shall be prima facie evidence of reasonable costs of investigation and  
23 prosecution of the case. The costs shall include the amount of investigative and  
24 enforcement costs up to the date of the hearing, including, but not limited to, charges  
25 imposed by the Attorney General.

26 (d) The administrative law judge shall make a proposed finding of the amount of  
27 reasonable costs of investigation and prosecution of the case when requested pursuant  
28 to subdivision (a). The finding of the administrative law judge with regard to costs  
shall not be reviewable by the board to increase the cost award. The board may  
reduce or eliminate the cost award, or remand to the administrative law judge if the  
proposed decision fails to make a finding on costs requested pursuant to subdivision  
(a).

(e) If an order for recovery of costs is made and timely payment is not made as  
directed in the board's decision, the board may enforce the order for repayment in any  
appropriate court. This right of enforcement shall be in addition to any other rights  
the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be  
conclusive proof of the validity of the order of payment and the terms for payment.

1 (g)(1) Except as provided in paragraph (2), the board shall not renew or reinstate the  
license of any licensee who has failed to pay all of the costs ordered under this  
2 section.

3 (2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally  
renew or reinstate for a maximum of one year the license of any licensee who  
4 demonstrates financial hardship and who enters into a formal agreement with the  
board to reimburse the board within that one-year period for the unpaid costs.

5 (h) All costs recovered under this section shall be considered a reimbursement for  
costs incurred and shall be deposited in the fund of the board recovering the costs to  
6 be available upon appropriation by the Legislature.

7 (i) Nothing in this section shall preclude a board from including the recovery of the  
costs of investigation and enforcement of a case in any stipulated settlement.  
8

9 (j) This section does not apply to any board if a specific statutory provision in that  
board's licensing act provides for recovery of costs in an administrative disciplinary  
10 proceeding.<sup>1</sup>

### 11 FACTUAL ALLEGATIONS

12 9. In 2017, Respondent practiced medicine in a private practice as an orthopedist. He  
13 closed his practice because he had financial difficulty after he went through a divorce. The  
14 practice also converted their medical records to an electronic medical record system. Those  
15 factors combined created a cash squeeze for Respondent.

16 10. On or about May 1, 2018, Respondent closed his practice. He filed bankruptcy on  
17 May 31, 2018.

18 11. The standard of care requires a physician who engages in surgery or  
19 interventional care to always have back-up call coverage or a back-up orthopedic surgeon to  
20 personally take over care if the physician is not immediately available to handle a particular call  
21 during the follow-up period for a surgery that he or she performed. As described below, there  
22 were no appropriate arrangements made for call coverage following the operations performed by  
23 Respondent that are described below, nor did Respondent take steps to assure that his patients  
24 could locate and call him in case of complications.

25 12. On April 30, 2018, a day before Respondent closed his practice, he operated on five

26 <sup>1</sup> Effective January 1, 2022, subdivision (k) of Section 125.3, which exempted physicians  
27 and surgeons from paying recovery of the costs of investigation and prosecution by the Board,  
was repealed.

1 patients at the Monterey Peninsula Surgery Center. In connection with those cases, he committed  
2 violations of the Medical Practice Act, as follows:

3 **A. Patient 1<sup>2</sup>**

4 Patient 1 is a 60-year-old female with a worker's compensation case. On April 30,  
5 2018, Respondent performed an arthroscopy on her knee. Respondent's records show he failed to  
6 provide adequate notice to Patient 1 regarding his practice's closure. The Medical Board's  
7 website addresses this issue as follows:

8 *Although a physician is allowed to sever or terminate the patient/physician*  
9 *relationship, in order to avoid allegations of patient abandonment (unprofessional conduct),*  
10 *a physician should notify patients of the following in writing when the physician wishes to*  
11 *discontinue care:*

12 *The last day the physician will be available to render medical care, assuring the*  
13 *patient has been provided at least 15 days of emergency treatment and prescriptions before*  
14 *discontinuing the physician's availability.*

15 *Alternative sources of medical care, i.e., refer patient to other physicians, by name, or*  
16 *to the local medical society's referral service.*

17 *The information necessary to obtain the medical records compiled during the patient's*  
18 *care (whom to contact, how and where).*

19 Respondent failed to meet these requirements. First, he failed to refer to the Medical Board  
20 and California Medical Association (CMA) websites regarding closure of practice requirements.  
21 Second, he failed to include a copy of the claimed notice letter in the medical records of Patients  
22 1 through 5. Third, he failed to retain a copy of the claimed notice letter. Finally, he failed to save  
23 a copy of the claimed notice letter in his computer system.

24 **B. Patient 2**

25 Patient 2 is a 51-year-old male. On April 30, 2018, Respondent performed arthroscopy  
26 and partial medial meniscectomy on the knee of Patient 2. Patient 2 had many medical  
27 problems and worker's compensation issues for which Respondent appeared to be treating  
28 him and directing treatment, particularly for his lumbar spine, with MRI scans; other medical  
follow-up; and medical direction. There was no reference to any follow-up for Patient 2's

---

<sup>2</sup> In the interest of privacy, the patients' names are rendered in this document by numbers and witnesses by initials.

1 medical conditions or any referrals for taking over as primary treating physician in the  
2 medical records maintained by Respondent. There were post-operative visits for three weeks  
3 following arthroscopy but, given the extent of his condition with grade 4 changes in the  
4 patellofemoral joint, as well as grade 4 changes in the femur and grade 3 changes in the tibial  
5 plateau, indicating advanced osteoarthritis, there was likely to be a lack of full recovery and a  
6 need for future treatment, injections, or consideration of more advanced surgery. The  
7 medical records do not reflect that any of this was provided. As with the other patients,  
8 Respondent claimed he sent a letter to all his patients, but his medical records contain neither a  
9 copy of such letter sent nor a chart note indicating that such a letter was sent to Patient 2.

10 **C. Patient 3**

11 Patient 3 is a 39-year-old male with a worker's compensation case. On April 30, 2018,  
12 Respondent operated on Patient 3 for right shoulder debridement, SLAP<sup>3</sup> repair, loose body  
13 removal, and rotator cuff repair. Patient 3 had severe and multiple medical conditions. He  
14 had two tibial fractures with IM rods and had not worked for over a year when he had the  
15 operation on his shoulder. The operation on his shoulder required a lengthy follow-up with  
16 maintenance of supervision and physical therapy to ensure that he had a maximum recovery,  
17 particularly in light of his other extremity injuries, making it even more important to have his  
18 other conditions to be well-situated. With rotator cuff repair and a SLAP lesion, there would  
19 normally be a minimum of three to four months of post-operative follow-up and supervised  
20 physical therapy, plus maintenance and evaluation after recovery with gradual transition and  
21 determination of his future ability to work and what restrictions for his future employment  
22 would be necessary. Respondent did not provide follow-up for his conditions. Respondent  
23 claimed that follow-up office visits occurred on May 2, 2018; May 21, 2018; May 22, 2018;  
24 June 5, 2018; June 11, 2018; and June 13, 2018; however, no records are available to show an  
25 actual meeting on those dates except for May 2, 2018. In regard to appropriate protocols for an  
26 office

27 <sup>3</sup> The term SLAP stands for Superior Labrum Anterior and Posterior. In a SLAP  
28 injury, the top (superior) part of the labrum is injured. This top area is also where the biceps  
tendon attaches to the labrum. A SLAP tear occurs both in front (anterior) and back  
(posterior) of this attachment point. The biceps tendon can be involved in the injury, as well.

1 closure, Respondent admitted that he did not refer or inform Patient 3 as to the information on the  
2 Medical Board website regarding office closures.

3 **D. Patient 4**

4 Patient 4 is a 33-year-old male. On April 30, 2018, he had left shoulder arthroscopy  
5 with anterior and posterior labral repair with six anchors and synovectomy due to instability. On  
6 May 21, 2018, the patient had a follow-up meeting with Respondent, complaining about bilateral  
7 shoulder pain. Patient 4 indicated that he was post-arthroscopy and needed to begin physical  
8 therapy. He had bilateral shoulder pain. Patient 4 had a very significant complex operation  
9 with six suture anchors in the labrum for chronic dislocation. In addition, Patient 4 had a  
10 contralateral shoulder condition which was anticipated to need surgery also. He had short-  
11 term follow-up, but his condition was going to require lengthy physical therapy, as well as  
12 close supervision to maximize improvement or the amount of damage that had occurred  
13 within his shoulder joint and was now repaired with six anchors, a significant number.  
14 Given the extent of the operation, a length of three to four months of physical therapy  
15 follow-up would be anticipated as well as future treatment for the contralateral shoulder. In  
16 fact, this follow-up did not occur and was not noted in the patient's medical records.

17 Concerning appropriate protocols for an office closure, Respondent admitted he did not  
18 inform or refer Patient 4 to the Medical Board website's information regarding office closure, as  
19 was also the case with Patient 1, referenced above in paragraph 12 A.

20 **E. Patient 5**

21 Patient 5 is a 78-year-old female who had severe arthritis. On April 30, 2018, she had  
22 arthroscopic knee surgery performed by Respondent. Respondent admitted that he did not refer  
23 her to the Medical Board website's specific information regarding office closures. Respondent  
24 failed to provide the required notice of closure to Patient 4, as was the case with Patient 1,  
25 referenced above in paragraph 12 A.

26 13. On September 22, 2020, during an interview, Respondent stated to Board  
27 representatives that he had sent letters to his patients informing them of the closure of his practice  
28 and explaining how they could obtain their medical records. He stated further that his office still

1 had his medical assistant (M), after he closed his practice, who voluntarily helped him receiving  
2 calls, assisting patients on their requests for their medical records, such as putting medical records  
3 on a disk, and sending them to requesting patients. Aside from the medical assistant, another  
4 employee (T) was hired and paid monthly to take care of patients' phone requests, he said.

5 A. Respondent claimed sending 4,000 to 6,000 letters to inform his patients regarding  
6 his closure, but neither a copy of such letter sent to Patients 1 through 5 was  
7 presented, nor that fact of sending the letter entered in the medical records.  
8 Respondent admitted that he did not refer to the specific information written by the  
9 Medical Board or the California Medical Association in regard to closing his practice.  
10 There was not a single copy of such a letter in any of the medical records.  
11 Respondent did not retain a copy of the letter, and he admitted that he did not even  
12 retain an electronic copy in his computer system. In fact, his office's closure was a  
13 lengthy process that was anticipated well before the actual date of closure.

14 B. Regarding Patient 2:

15 Respondent claimed in his interview that a follow-up meeting with Patient 2 was  
16 made on March 2, 2018; March 21, 2018; and June 25, 2018; however, the June 25,  
17 2018 visit was not documented in the medical record, which reflects no such  
18 encounter. Respondent stated that he referred Patient 2 to Dr. H. (a neurologist) for  
19 a follow-up treatment for the patient's concussion, post-concussive syndrome. Also, he  
20 stated that he told Patient 2 to get physical therapy. Although Respondent claimed in  
21 his interview that he arranged referrals for his patients to three sources, Doctors R and  
22 T, both orthopedic surgeons, and to Natividad Medical Center, an orthopedic clinic,  
23 nothing in the medical records show any documentation indicating that Patient 2 was  
24 referred to any of those medical providers for post-operation care.

25 C. Regarding Patient 3:

26 At his interview, Respondent stated he was treating and directing treatment for  
27 Patient 3. Patient 3 had multiple medical issues, but after the surgery, there were no  
28 referrals to another physician for further treatment of Patient 3's neck pain, headaches,

1 left knee pain, post-concussion, left leg pain, and insomnia. Given the extent of Patient  
2 3's condition, there was likely a need for future treatment and a consideration of more  
3 surgery, but none of this was provided to Patient 3. Respondent failed to show any  
4 proof that he informed Patient 3 about his closure.

5 14. Contrary to Respondent's statements at the subject interview, there were no notice  
6 letters to the patients regarding the closure of his practice in the medical records. The cited  
7 materials in the Board's website set forth this notice requirement, including information  
8 for closure of the practice, which includes sending out prior to closure a certified letter explaining  
9 the details and a return request so that it is ensured that the information has been received.  
10 Respondent failed to meet these requirements.

11 **FIRST CAUSE FOR DISCIPLINE**

12 **(Gross Negligence)**

13 15. Respondent is subject to disciplinary action under Code section 2234, subdivision  
14 (b), in that he was grossly negligent in conducting operations on Patients 1 through 5 the day  
15 before closing his practice. The circumstances and allegations set forth in Paragraphs 9 through  
16 14, above, are incorporated as if fully set forth herein and as follows:

17 A. Respondent performed five operations on the day before his practice  
18 termination date. Respondent had no overriding reason why the five operations had to be  
19 performed on the day before closing his practice because they were elective, not traumatic  
20 operations, and could have been scheduled and performed ahead of time before his  
21 practice termination date.

22 B. Respondent failed to account for the 90-day follow-up period, which includes  
23 all surgical fees for orthopedic surgery to cover subsequent provisional complications,  
24 emergencies, interactions, and questions that can occur during the 90 days following an  
25 operation. In orthopedic surgery, unexpected emergencies, complications, and  
26 situations frequently arise.

27 //

28 //

1 **SECOND CAUSE FOR DISCIPLINE**

2 **(Repeated Negligent Acts)**

3 16. Respondent is subject to disciplinary action under section Code 2234, subdivision  
4 (c), in that he engaged in repeated negligent acts in his care and treatment of Patients 1 through 5.  
5 The circumstances and allegations set forth in Paragraphs 9 through 15 above are incorporated by  
6 reference and re-alleged as if fully set forth herein. In addition, Respondent's management of  
7 care and inadequate medical record-keeping for Patients 1 through 5 constitutes negligence, and  
8 as follows:

9 A. Inappropriate protocol for office closure. In respect to his care and  
10 treatment of Patients 1 through 5, Respondent failed to follow appropriate professional  
11 protocols for office closure, which include informing the patients about the last day he  
12 would be available to render medical care, and his failure to refer his patients to other  
13 physicians, and his failure to inform patients how to get a copy of their medical  
14 records.

15 B. Respondent failed to provide appropriate follow-up regarding Patients 2  
16 through 5, as follows:

17 1) Inappropriate follow-up as follows for Patient 2:

- 18 a) Lack of follow-up for treatment of his lumbar spine and MRI scans;  
19 b) No medical reference to any follow-up for his medical conditions;  
20 c) No referrals to provide for taking over as primary treating physician;  
21 and  
22 d) Failure to provide future treatment, injections, or consideration of  
23 more advanced surgery.

24 2) Inappropriate follow-up as follows for Patient 3:

- 25 a) Failure to provide follow-up after operation on patient's shoulder; and  
26 b) Failure to follow-up and supervise the physical therapy with  
27 maintenance and evaluation after recovery with gradual transition and determination of  
28 his future ability to work and what restrictions were necessary for his future

1 employment;

2 C. Inappropriate timing of operative procedure in anticipation of closing practice  
3 regarding Patients 1 through 5, as follows:

4 1) Failure to make statements indicating that he was going to close his practice  
5 following the surgery;

6 2) Failure to notify and to document in the medical records that his practice  
7 was closing following the surgery;

8 3) Failure to document that there was any indication that the surgery was so  
9 critical or emergent that it had to be done even though there would be no practice left  
10 following the surgery;

11 4) Scheduling and performing the surgery the day before office closure  
12 which is inconsistent with preparation for transition of care; and

13 5) Respondent failed to follow appropriate professional protocols as follows:

14 a) He failed to refer to the Board and CMA websites regarding closure  
15 of practice requirements;

16 b) He failed to include a copy of the claimed notice letter in all of his  
17 patients' medical records, including Patients 1 through 5; and

18 c) He failed to retain a copy of the claimed notice letter, either in  
19 physical form or in his computer system.

20 D. Respondent failed to provide for future medical care regarding Patient 4  
21 and 5, as follows:

22 1) Regarding Patient 4:

23 a) Respondent failed to provide physical therapy supervision to  
24 maximize patient improvement and to limit the amount of damage that had  
25 occurred within his shoulder joint; and

26 b) Respondent failed to provide appropriate follow-up care needed for  
27 this patient's treatment for the collateral shoulder.

28 2) Regarding Patient 5:

1 a) Respondent failed to provide for future care that was anticipated, including  
2 a total knee arthroplasty and follow-up care, given the extent of the patient's  
3 degenerative changes with disability to the point of requiring a permanent parking  
4 placard for total disability for ambulation.

5 E. Respondent failed to follow protocol regarding Patients 1 through 5 as  
6 follows:

7 1) Respondent failed to refer to or to adhere to the guidance of the Board and  
8 CMA websites regarding closure of practice requirements; and

9 2) Respondent failed to include a copy of the claimed notice letter in all of his  
10 Patients' medical records, including Patients 1 through 5. Respondent failed to retain  
11 a copy of the claimed notice letter either as a physical document in his patient file or  
12 in his computer system.

13 **THIRD CAUSE FOR DISCIPLINE**

14 **(Patient Abandonment)**

15 17. Respondent is subject to disciplinary action under Code section 4955k, in that  
16 Respondent committed abandonment in his care and treatment of Patients 1 through 5. The  
17 circumstances and allegations outlined in Paragraphs 9 through 16 above are incorporated as if  
18 fully set forth herein. In addition, Respondent committed patient abandonment as follows:

19 A. Respondent failed to provide clear notice to Patients 1 through 5 that their  
20 treatment would be discontinued and failed to provide a reasonable opportunity for the  
21 patients to secure the services of another practitioner before discontinuance of treatment;

22 B. Respondent failed to provide follow-up arrangements and call coverage within the  
23 90-period following surgical operations on the patients; and

24 C. Respondent's failure to provide his patients with information as to closing of his  
25 practice as provided by the Medical Board and the CMA, and the lack of follow-up  
26 arrangements and call coverage, constitute abandonment, an extreme departure from the  
27 standard of care.

28 //

1 **FOURTH CAUSE FOR DISCIPLINE**

2 **(Inadequate and Inaccurate Medical Records)**

3 18. Respondent is subject to disciplinary action under Code section 2266, and California  
4 Code of Regulations, title 16, section 1356.6, subdivision (b) (4), by failing to maintain adequate  
5 and accurate records of his care and treatment of Patients 1 through 5. The circumstances and  
6 allegations set forth in Paragraphs 9 through 17, above are incorporated by reference and re-  
7 alleged as if fully set forth herein.

8 **FIFTH CAUSE FOR DISCIPLINE**

9 **(Incompetence)**

10 19. Respondent is subject to disciplinary action under Code section 2234, subdivision (d),  
11 for incompetence in his care and treatment of Patients 1 through 5. The circumstances and  
12 allegations set forth in Paragraphs 9 through 18 above are incorporated by reference and re-  
13 alleged as if fully set forth herein. Respondent failed to follow well-recognized professional  
14 protocols for the closure of a medical practice, and failed to provide post-surgical follow-up care  
15 for Patients 1 through 5.

16 **SIXTH CAUSE FOR DISCIPLINE**

17 **(Unprofessional Conduct)**

18 20. Respondent is subject to disciplinary action under Code section 2234 for  
19 unprofessional conduct in his care and treatment of Patients 1 through 5. The circumstances,  
20 including the facts and allegations as set forth in Paragraphs 9 through 19 above, are incorporated  
21 by reference and re-alleged as if fully set forth herein.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking or suspending Physician's and Surgeon's Certificate Number G 69478, issued to Respondent Michael Gayle Klassen, M.D.;
2. Revoking, suspending, or denying approval of Respondent Michael Gayle Klassen, M.D.'s authority to supervise physician assistants and advanced practice nurses;
3. Ordering Respondent Michael Gayle Klassen, M.D. to pay the Board reasonable costs of investigation and prosecution incurred after January 1, 2022;
4. If placed on probation, ordering Michael Gayle Klassen, M.D. to pay the Board the costs of probation monitoring; and
5. Taking such other and further action as deemed necessary and proper.

DATED: APR 05 2022

  
\_\_\_\_\_  
WILLIAM PRASIFKA  
Executive Director  
Medical Board of California  
Department of Consumer Affairs  
State of California

*Complainant*
