**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

18
19 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
23 California (Board). He brought this action solely in his official capacity and is represented in this
24 matter by Rob Bonta, Attorney General of the State of California, by Vladimir Shalkevich,
25 Deputy Attorney General.

26 2. Respondent Michael Alexander Giuffrida, M.D. (Respondent) is represented in this
27 proceeding by attorney Derek O'Reilly-Jones, of Bonne, Bridges, Muller, O'Keefe Nichols, 355
28 South Grand Avenue, Suite 1750, Los Angeles, CA 90071.

1 CULPABILITY

2 9. Respondent understands and agrees that the charges and allegations in the First
3 Amended Accusation No. 800-2018-044554, if proven at a hearing, constitute cause for imposing
4 discipline upon his Physician's and Surgeon's Certificate.

5 10. Respondent does not contest that, at an administrative hearing, complainant could
6 establish a *prima facie* case with respect to the charges and allegations in First Amended
7 Accusation No. 800-2018-044554. Respondent hereby gives up his right to contest the charges
8 and allegations in First Amended Accusation No. 800-2018-044554 and agrees that he has
9 thereby subjected his Physician's and Surgeon's Certificate, No. G 89167 to disciplinary action.

10 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
11 discipline and he agrees to be bound by the Board's probationary terms as set forth in the
12 Disciplinary Order below.

13 CONTINGENCY

14 12. This stipulation shall be subject to approval by the Medical Board of California.
15 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
16 Board of California may communicate directly with the Board regarding this stipulation and
17 settlement, without notice to or participation by Respondent or his counsel. By signing the
18 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
19 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
20 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
21 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
22 action between the parties, and the Board shall not be disqualified from further action by having
23 considered this matter.

24 13. Respondent agrees that if he ever petitions for early termination or modification of
25 probation, or if an accusation and/or petition to revoke probation is filed against him before the
26 Board, all of the charges and allegations contained in First Amended Accusation No. 800-2018-
27 044554 shall be deemed true, correct and fully admitted by respondent for purposes of any such
28 proceeding or any other licensing proceeding involving Respondent in the State of California.

1 Respondent shall participate in and successfully complete the classroom component of the course
2 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
3 complete any other component of the course within one (1) year of enrollment. The medical
4 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing
5 Medical Education (CME) requirements for renewal of licensure.

6 A medical record keeping course taken after the acts that gave rise to the charges in the
7 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
8 or its designee, be accepted towards the fulfillment of this condition if the course would have
9 been approved by the Board or its designee had the course been taken after the effective date of
10 this Decision.

11 Respondent shall submit a certification of successful completion to the Board or its
12 designee not later than 15 calendar days after successfully completing the course, or not later than
13 15 calendar days after the effective date of the Decision, whichever is later.

14 4. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
15 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
16 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
17 Respondent shall participate in and successfully complete that program. Respondent shall
18 provide any information and documents that the program may deem pertinent. Respondent shall
19 successfully complete the classroom component of the program not later than six (6) months after
20 Respondent's initial enrollment, and the longitudinal component of the program not later than the
21 time specified by the program, but no later than one (1) year after attending the classroom
22 component. The professionalism program shall be at Respondent's expense and shall be in
23 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

24 A professionalism program taken after the acts that gave rise to the charges in the
25 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
26 or its designee, be accepted towards the fulfillment of this condition if the program would have
27 been approved by the Board or its designee had the program been taken after the effective date of
28 this Decision.

1 Respondent shall submit a certification of successful completion to the Board or its
2 designee not later than 15 calendar days after successfully completing the program or not later
3 than 15 calendar days after the effective date of the Decision, whichever is later.

4 5. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this
5 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice
6 monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose
7 licenses are valid and in good standing, and who are preferably American Board of Medical
8 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal
9 relationship with Respondent, or other relationship that could reasonably be expected to
10 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
11 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
12 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

13 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
14 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the
15 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed
16 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role
17 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
18 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
19 signed statement for approval by the Board or its designee.

20 Within 60 calendar days of the effective date of this Decision, and continuing throughout
21 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall
22 make all records available for immediate inspection and copying on the premises by the monitor
23 at all times during business hours and shall retain the records for the entire term of probation.

24 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
25 date of this Decision, Respondent shall receive a notification from the Board or its designee to
26 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
27 shall cease the practice of medicine until a monitor is approved to provide monitoring
28 responsibility.

1 The monitor(s) shall submit a quarterly written report to the Board or its designee which
2 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
3 are within the standards of practice of medicine, and whether Respondent is practicing medicine
4 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the
5 quarterly written reports to the Board or its designee within 10 calendar days after the end of the
6 preceding quarter.

7 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
8 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
9 name and qualifications of a replacement monitor who will be assuming that responsibility within
10 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
11 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
12 notification from the Board or its designee to cease the practice of medicine within three (3)
13 calendar days after being so notified. Respondent shall cease the practice of medicine until a
14 replacement monitor is approved and assumes monitoring responsibility.

15 In lieu of a monitor, Respondent may participate in a professional enhancement program
16 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
17 review, semi-annual practice assessment, and semi-annual review of professional growth and
18 education. Respondent shall participate in the professional enhancement program at Respondent's
19 expense during the term of probation.

20 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
21 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
22 Chief Executive Officer at every hospital where privileges or membership are extended to
23 Respondent, at any other facility where Respondent engages in the practice of medicine,
24 including all physician and locum tenens registries or other similar agencies, and to the Chief
25 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
26 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
27 calendar days.

28 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

1 7. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
2 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
3 advanced practice nurses.

4 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
5 governing the practice of medicine in California and remain in full compliance with any court
6 ordered criminal probation, payments, and other orders.

7 9. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby
8 ordered to reimburse the Board its costs of investigation and enforcement in this matter, in the
9 amount of \$20,000 (twenty thousand dollars). Costs shall be payable to the Medical Board of
10 California. Failure to pay such costs shall be considered a violation of probation.

11 Any and all requests for a payment plan shall be submitted in writing by respondent to the
12 Board.

13 The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to
14 repay investigation and enforcement costs, including expert review costs (if applicable).

15 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
16 under penalty of perjury on forms provided by the Board, stating whether there has been
17 compliance with all the conditions of probation.

18 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
19 of the preceding quarter.

20 11. GENERAL PROBATION REQUIREMENTS.

21 Compliance with Probation Unit

22 Respondent shall comply with the Board's probation unit.

23 Address Changes

24 Respondent shall, at all times, keep the Board informed of Respondent's business and
25 residence addresses, email address (if available), and telephone number. Changes of such
26 addresses shall be immediately communicated in writing to the Board or its designee. Under no
27 circumstances shall a post office box serve as an address of record, except as allowed by Business
28 and Professions Code section 2021, subdivision (b).

1 Place of Practice

2 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
3 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
4 facility.

5 License Renewal

6 Respondent shall maintain a current and renewed California physician's and surgeon's
7 license.

8 Travel or Residence Outside California

9 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
10 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
11 (30) calendar days.

12 In the event Respondent should leave the State of California to reside or to practice
13 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
14 departure and return.

15 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
16 available in person upon request for interviews either at Respondent's place of business or at the
17 probation unit office, with or without prior notice throughout the term of probation.

18 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
19 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
20 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
21 defined as any period of time Respondent is not practicing medicine as defined in Business and
22 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
23 patient care, clinical activity or teaching, or other activity as approved by the Board. If
24 Respondent resides in California and is considered to be in non-practice, Respondent shall
25 comply with all terms and conditions of probation. All time spent in an intensive training
26 program which has been approved by the Board or its designee shall not be considered non-
27 practice and does not relieve Respondent from complying with all the terms and conditions of
28 probation. Practicing medicine in another state of the United States or Federal jurisdiction while

1 on probation with the medical licensing authority of that state or jurisdiction shall not be
2 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
3 period of non-practice.

4 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
5 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
6 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
7 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
8 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

9 Respondent's period of non-practice while on probation shall not exceed two (2) years.

10 Periods of non-practice will not apply to the reduction of the probationary term.

11 Periods of non-practice for a Respondent residing outside of California will relieve
12 Respondent of the responsibility to comply with the probationary terms and conditions with the
13 exception of this condition and the following terms and conditions of probation: Obey All Laws;
14 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
15 Controlled Substances; and Biological Fluid Testing..

16 14. COMPLETION OF PROBATION. Respondent shall comply with all financial
17 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
18 completion of probation. Upon successful completion of probation, Respondent's certificate shall
19 be fully restored.

20 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
21 of probation is a violation of probation. If Respondent violates probation in any respect, the
22 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
23 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
24 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
25 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
26 the matter is final.

27 16. LICENSE SURRENDER. Following the effective date of this Decision, if
28 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy

1 the terms and conditions of probation, Respondent may request to surrender his or her license.
2 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
3 determining whether or not to grant the request, or to take any other action deemed appropriate
4 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
5 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
6 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
7 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
8 application shall be treated as a petition for reinstatement of a revoked certificate.

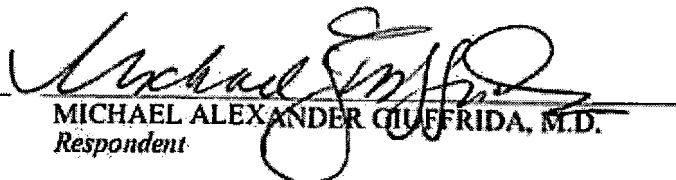

9 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
10 with probation monitoring each and every year of probation, as designated by the Board, which
11 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
12 California and delivered to the Board or its designee no later than January 31 of each calendar
13 year.

14 18. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
15 a new license or certification, or petition for reinstatement of a license by any other health care
16 licensing action agency in the State of California, all of the charges and allegations contained in
17 Accusation No. 800-2018-044554 shall be deemed to be true, correct, and admitted by
18 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
19 restrict license.

8. Effective on January 1, 2022, section 125.3 of the Code provides:

(a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board, upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

This right of enforcement shall be in addition to any other rights the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

(g) (1) Except as provided in paragraph (2), the board shall not renew or reinstate the license of any licensee who has failed to pay all of the costs ordered under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion, conditionally renew or reinstate for a maximum of one year the license of any licensee who demonstrates financial hardship and who enters into a formal agreement with the board to reimburse the board within that one-year period for the unpaid costs.

1 (h) All costs recovered under this section shall be considered a reimbursement for costs
2 incurred and shall be deposited in the fund of the board recovering the costs
3 to be available upon appropriation by the Legislature.

4 (i) Nothing in this section shall preclude a board from including the recovery of
5 the costs of investigation and enforcement of a case in any stipulated settlement.

6 (j) This section does not apply to any board if a specific statutory provision in
7 that board's licensing act provides for recovery of costs in an administrative
8 disciplinary proceeding.¹

9 FACTUAL ALLEGATIONS

10 9. In his interview with the Board's investigators, Respondent claimed that he was an
11 employee of Elite MD. Patient 1,² a 52-year-old woman, consulted with Elite MD in Danville,
12 California, regarding liposuction of her abdomen, on or about April 18, 2018.

13 10. Patient 1 weighed 121 pounds, and had a BMI of 22. Patient 1 was initially seen by
14 "Vanessa," a Patient Care Coordinator employed by Elite MD, on April 18, 2018. Vanessa
15 completed a "Plastic Surgery Consult Form" and provided Patient 1 with a treatment plan and a
16 fee. The anticipated use of Vaser technology was not noted.

17 11. Patient 1 returned to Elite MD on the following day, April 19, 2018, for a pre-
18 operative visit. At this visit, Patient 1 met with "Ivy," a medical assistant employed by Elite MD.
19 Patient 1 signed consent forms for surgery as well as an arbitration agreement, and paid for her
20 surgery with a check made out to Vivek Bansal, M.D., the owner of Elite MD. Patient 1 then
21 received her post-operative prescriptions for alprazolam #5 and acetaminophen with oxycodone
22 5/325 mg #15,³ prescribed by Malcolm Lesavoy, M.D., an itinerant plastic surgeon working at
23 Elite MD. Patient 1 never met and was never examined by Dr. Lesavoy. The Pre-Operative Visit
24 Form lists the "clinical staff" at the visit as Respondent and Ivy. Respondent was not present and
25 did not see Patient 1 during this visit, however, Respondent electronically signed this form on
26 May 22, 2018. Patient 1's "Liposuction Consent Form" listed the possibility of scars (minor) and

27 ¹ Effective January 1, 2022, subdivision (k) of Section 125.3, which exempted physicians
28 and surgeons from seeking recovery of the costs of investigation and prosecution by the
Board, was repealed.

² The patient is identified by number in this Accusation for privacy concerns.

³ Alprazolam is a benzodiazepine and anxiolytic; oxycodone is an opiate narcotic. Both
are dangerous drugs and controlled substances.

1 skin loss as possible complications. The consent form did not mention the use of Vaser
2 technology and did not describe the possibility that the patient could sustain burns as a result of
3 the operation. Respondent did not sign the Liposuction Consent Form until May 22, 2018, well
4 after the surgery.

5 12. Patient 1 presented to Elite MD once again, on April 22, 2018. On this day, a history
6 and physical exam were documented, but neither Respondent nor any other licensed medical
7 professional saw Patient 1 that day. Patient 1 did not speak with Respondent. Respondent did,
8 however, sign the history and physical form dated April 22, 2018, well after the surgery, on May
9 22, 2018.

10 13. Patient 1 returned to Elite MD for her surgery on April 24, 2018. She met
11 Respondent on that day for the first time. Respondent obtained Patient 1's history and examined
12 her for the first time. Patient 1 was taken into the operating room where Respondent performed
13 liposuction of the anterior abdomen using Vaser (ultrasound) technology and tumescent
14 anesthesia. Respondent did not document the amount of tumescent fluid infiltrated during the
15 procedure. Respondent's procedure note described the use of Vaser as follows: "[f]or fibrous
16 areas, external ultrasound was applied for several minutes." The "fibrous" area of Patient 1's
17 body on which Respondent used Vaser, the length of time during which Vaser was used, or the
18 power setting with which Vaser was applied, were not described in Respondent's procedure note.
19 Respondent's procedure note documented that the amount of fat solute removed was 2200 cc.
20 The procedure note reported no complications. However, during this procedure Patient 1 suffered
21 a large full skin thickness burn on the right side of her abdomen. At the conclusion of the
22 surgery, Patient 1's wounds were covered with absorbent gauze pads and elastic support garments
23 to hold them in place. Patient 1 was given wound care, post-operative instructions and dressings.
24 She was discharged home after her surgery. Respondent did not contact Patient 1 after the
25 surgery.

26 14. Patient 1 returned to the clinic one day later, on April 25, 2018, where she was seen
27 by Dr. Bansal. After the dressing was removed, the patient was noted to have blisters on the left
28 side of her abdomen. Dr. Bansal's diagnosis was "traction dermatitis." The patient was advised

1 to discontinue the binder. She was seen again by Dr. Bansal on April 27 where he noted that the
2 "blister is getting bigger." He advised the patient to open the blister by herself in the shower. His
3 notes are illegible, but there is mention of HBO (hyperbaric oxygen) and antibiotic ointment. The
4 patient was then seen again on May 2, 2018, by Dr. Bansal and his wife, Dr. Badreshia, who
5 examined the wound. Dr. Badreshia recommended leaving the wound open to the air. Again,
6 there is mention of HBO in the medical record, and Dr. Bansal noted that he will contact the
7 patient's primary care physician at Kaiser. He prescribed moxifloxacin, an oral antibiotic, and
8 "antibiotic ointment" to the wound twice daily.

9 15. Patient 1 was finally seen post-operatively by Respondent on May 8, 2018.
10 Respondent documented in his note for that day that this is his "first notification" of her injury.
11 Respondent noted an 8 x 12 cm eschar in the left lower abdomen, and recommended silver
12 sulfadiazine (SSD) cream. No SSD cream was available at the Elite MD clinic, so Respondent
13 wrote a prescription for the cream and gave the prescription to the patient so she could obtain the
14 cream at a pharmacy. The patient was given no instructions on how to use the cream. Patient 1
15 went to the pharmacy, obtained the SSD cream, and returned to Elite MD for instructions on how
16 to use the SSD cream. She was placed in an exam room. After waiting several minutes, she left
17 the exam room to inquire when Respondent was going to see her. She was informed that
18 Respondent had left the clinic, as he had a plane to catch. One of the unlicensed medical
19 assistants showed Patient 1 how to use the SSD cream. Respondent did not contact and did not
20 follow up on Patient 1 after this visit. After this visit, Patient 1 did not return to Elite MD.
