19  
20 Complainant alleges:

21 **PARTIES**

22 1. William Prasifka (Complainant) brings this Petition to Revoke Probation solely in his  
23 official capacity as the Executive Director of the Medical Board of California, Department of  
24 Consumer Affairs.

25 2. On or about September 15, 1993, the Medical Board of California (Board) issued  
26 Physician's and Surgeon's Certificate No. G 77555 to Terri Charisse Coble, M.D. (Respondent).  
27 The Physician's and Surgeon's Certificate was in effect at all times relevant to the charges  
28 brought herein and will expire on August 31, 2023, unless renewed.

1 PRIOR DISCIPLINARY HISTORY

2 3. In a prior disciplinary action titled *In the Matter of Accusation Against Terri Charisse*  
3 *Coble, M.D.*, Case No. 09-2009-203013, the Board, issued a Decision and Order, effective  
4 February 10, 2012, in which Respondent's Physician's and Surgeon's Certificate was revoked.  
5 However, the revocation was stayed and Respondent's Physician's and Surgeon's Certificate was  
6 placed on probation for a period of five (5) years, subject to terms and conditions of the Order. A  
7 copy of that Decision and Order is attached hereto as Exhibit A and is incorporated by reference.

8 JURISDICTION

9 4. This Petition to Revoke Probation is brought before the Board under the authority of  
10 the following laws, and under the Board's Decision and Order in Case No. 09-2009-203013. All  
11 section references are to the Business and Professions Code (Code) unless otherwise indicated.

12 5. Section 2227 of the Code states, in pertinent part:

13 (a) A licensee whose matter has been heard by an administrative law judge of  
14 the Medical Quality Hearing Panel as designated in Section 11371 of the Government  
15 Code, or whose default has been entered, and who is found guilty, or who has entered  
into a stipulation for disciplinary action with the board, may, in accordance with the  
provisions of this chapter:

16 (1) Have his or her license revoked upon order of the board.

17 (2) Have his or her right to practice suspended for a period not to exceed one  
18 year upon order of the board.

19 (3) Be placed on probation and be required to pay the costs of probation  
monitoring upon order of the board. acc.

20 (4) Be publicly reprimanded by the board. The public reprimand may include a  
21 requirement that the licensee complete relevant educational courses approved by the  
board.

22 (5) Have any other action taken in relation to discipline as part of an order of  
23 probation, as the board or an administrative law judge may deem proper.

24 ...

25 6. At all times after the effective date of the Decision and Order in Case No. 09-2009-  
26 203013, Probation Condition No. 15 stated:

27 VIOLATION OF PROBATION. Failure to fully comply with any term or  
28 condition of probation is a violation of probation. If respondent violates probation in  
any respect, the Board, after giving respondent notice and the opportunity to be heard,

1 may revoke probation and carry out the disciplinary order that was stayed. If an  
2 Accusation, Petition to Revoke Probation, or an Interim Suspension Order is filed  
3 against respondent during probation, the Board shall have continuing jurisdiction  
4 until the matter is final, and the period of probation shall be extended until the matter  
5 is final.

#### 6 **CAUSE TO REVOKE PROBATION**

##### 7 **(Residing or Practicing Out-of-State While on Probation)**

8 7. At all times after the effective date of the Decision and Order in Case No. 09-2009-  
9 203013, Probation Condition No. 12 stated:

10 **RESIDING OR PRACTICING OUT-OF-STATE.** In the event respondent  
11 should leave the State of California to reside or to practice, respondent shall notify the  
12 Board or its designee in writing 30 calendar days prior to the dates of departure and  
13 return. Non-practice is defined as any period of time exceeding 30 calendar days in  
14 which respondent is not engaging in any activities defined in Sections 2051 and 2052  
15 of the Business and Professions Code.

16 All time spent in an intensive training program outside the State of California  
17 which has been approved by the Board or its designee shall be considered as time  
18 spent in the practice of medicine within the State. A Board-ordered suspension of  
19 practice shall not be considered as a period of non-practice. Periods of temporary or  
20 permanent residence or practice outside California will not apply to the reduction of  
21 the probationary term. Periods of temporary or permanent residence or practice  
22 outside California will relieve respondent of the responsibility to comply with the  
23 probationary terms and conditions with the exception of this condition and the  
24 following terms and conditions of probation: Obey All Laws; Probation Unit  
25 Compliance; and Cost Recovery.

26 Respondent's license shall be automatically cancelled if respondent's periods of  
27 temporary or permanent residence or practice outside California total two years.  
28 However, respondent's license shall not be cancelled as long as respondent is residing  
and practicing medicine in another state of the United States and is on active  
probation with the medical licensing authority of that state, in which case the two  
year period shall begin on the date probation is completed or terminated in that state.

8. Respondent's probation is subject to revocation because she exceeded two years of  
temporary or permanent residence or practice outside California, pursuant to Probation Condition  
No. 12 referenced above. The facts and circumstances regarding this violation are as follows:

9. On or about January 25, 2012, C.V., an employee of the Board, mailed a letter to  
Respondent at her address of record in Missouri. This letter informed Respondent that her  
probation had been placed in a "Residing or Practicing Out-of-state" status, pursuant to Condition  
No. 12 of the Board's Decision in Case No 09-2009-203013, and that her out-of-state period  
could not exceed two years.

10. On or about August 27, 2012, in Case No. 2012-001353, the Missouri State Board of Registration for the Healing Arts placed Respondent's physician's and surgeon's License No. 2010018988 on probation for a period of five (5) years subject to various terms and conditions.

11. On or about August 28, 2017, Respondent's probation in Missouri Case No. 2012-001353 was terminated.

12. Between on or about September 13, 2017, and on or about June 28, 2019, C.V. mailed multiple letters to Respondent at her address of record in Missouri. These letters informed Respondent that her period of non-practice in California would exceed two years on August 28, 2019, and would be considered a violation of probation at that time. These letters further advised Respondent to inform C.V. in writing if she returned to the practice of medicine in California.

13. On or about May 18, 2020, C.V. mailed a letter to Respondent at her address of record in Missouri. This letter informed Respondent that her period of non-practice in California exceeded two years on August 28, 2019, and it was now considered a violation of probation.

14. Between on or about July 24, 2017, and on or about September 21, 2021, Respondent submitted multiple quarterly declarations to the Board. In these declarations, Respondent stated under penalty of perjury that she lived and worked full-time in Missouri.

15. Between on or about February 10, 2012, and on or about January 24, 2022, Respondent has never informed the Board that she has returned to California to live or practice.

16. Respondent's probation is subject to revocation because she has exceeded two (2) years of temporary or permanent residence or practice outside California from the date her probation in Missouri Case No. 2012-001353 was terminated.

## PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking the probation that was granted by the Medical Board of California in Case No. 09-2009-203013, and imposing the disciplinary order that was stayed thereby revoking Physician's and Surgeon's Certificate No. G 77555 issued to Respondent, Terri Charisse Coble, M.D.;

1        2.    Revoking or suspending Physician's and Surgeon's Certificate No. G 77555, issued  
2 to Respondent, Terri Charisse Coble, M.D.;

3        3.    Revoking, suspending or denying approval of Respondent, Terri Charisse Coble,  
4 M.D.'s authority to supervise physician's assistants, pursuant to section 3527 of the Code; and

5        4.    Taking such other and further action as deemed necessary and proper.

7 with the Board regarding this stipulation and settlement, without notice to or participation by  
8 Respondent. By signing the stipulation, Respondent understands and agrees that she may not  
9 withdraw her agreement or seek to rescind the stipulation prior to the time the Board considers  
10 and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the  
11 Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this  
12 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not  
13 be disqualified from further action by having considered this matter.

14           11.    The parties understand and agree that facsimile copies of this Stipulated Settlement  
15 and Disciplinary Order, including facsimile signatures thereto, shall have the same force and  
16 effect as the originals.

17           12.    In consideration of the foregoing admissions and stipulations, the parties agree that  
18 the Board may, without further notice or formal proceeding, issue and enter the following  
19 Disciplinary Order:

20                                   DISCIPLINARY ORDER

21           IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 77555 issued  
22 to Respondent TERRI CHARISSE COBLE, M.D. (Respondent) is revoked. However, the  
23 revocation is stayed and Respondent is placed on probation for five (5) years on the following  
24 terms and conditions.

25           1.     CONTROLLED SUBSTANCES - ABSTAIN FROM USE Respondent shall abstain  
26 completely from the personal use or possession of controlled substances as defined in the  
27 California Uniform Controlled Substances Act, dangerous drugs as defined by Business and  
28 Professions Code section 4022, and any drugs requiring a prescription. This prohibition does not

1 apply to medications lawfully prescribed to respondent by another practitioner for a bona fide  
2 illness or condition.

3 Within 15 calendar days of receiving any lawful prescription medications, respondent shall  
4 notify the Board or its designee of the: issuing practitioner's name, address, and telephone

8 use of products or beverages containing alcohol.

9 3. BIOLOGICAL FLUID TESTING Respondent shall immediately submit to  
10 biological fluid testing, at respondent's expense, upon the request of the Board or its designee. A  
11 certified copy of any laboratory test results may be received in evidence in any proceedings  
12 between the Board and the respondent. Failure to submit to, or failure to complete the required  
13 biological fluid testing, is a violation of probation.

14 4. MEDICAL RECORD KEEPING COURSE Within 120 calendar days of the  
15 effective date of this decision, respondent shall enroll in a course in medical record keeping, at  
16 respondent's expense, approved in advance by the Board or its designee. Failure to successfully  
17 complete the course during the first 6 months of probation is a violation of probation.

18 A medical record keeping course taken after the acts that gave rise to the charges in the  
19 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board,  
20 or its designee, be accepted towards the fulfillment of this condition if the course would have  
21 been approved by the Board or its designee had the course been taken after the effective date of  
22 this Decision.

23 Respondent shall submit a certification of successful completion to the Board or its  
24 designee not later than 15 calendar days after successfully completing the course, or not later than  
25 15 calendar days after the effective date of the Decision, whichever is later.

27 respondent shall enroll in a course in ethics, at respondent's expense, approved in advance by the

1 Board or its designee. Failure to successfully complete the course during the first year of  
2 probation is a violation of probation.

3 An ethics course taken after the acts that gave rise to the charges in the Accusation, but  
4 prior to the effective date of the Decision may, in the sole discretion of the Board or its designee,  
5 be accepted towards the fulfillment of this condition if the course would have been approved by  
6 the Board or its designee had the course been taken after the effective date of this Decision.

7 Respondent shall submit a certification of successful completion to the Board or its  
8 designee not later than 15 calendar days after successfully completing the course, or not later than  
9 15 calendar days after the effective date of the Decision, whichever is later.

10 6. NOTIFICATION Prior to engaging in the practice of medicine, the respondent shall  
11 provide a true copy of the Decision(s) and Accusation(s) to the Chief of Staff or the Chief  
12 Executive Officer at every hospital where privileges or membership are extended to respondent,  
13 at any other facility where respondent engages in the practice of medicine, including all physician  
14 and locum tenens registries or other similar agencies, and to the Chief Executive Officer at every  
15 insurance carrier which extends malpractice insurance coverage to respondent. Respondent shall  
16 submit proof of compliance to the Board or its designee within 15 calendar days.

17 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

18 7. SUPERVISION OF PHYSICIAN ASSISTANTS During probation, respondent is  
19 prohibited from supervising physician assistants.

20 8. OBEY ALL LAWS Respondent shall obey all federal, state and local laws, all rules  
21 governing the practice of medicine in California, and remain in full compliance with any court  
22 ordered criminal probation, payments and other orders.

23 9. QUARTERLY DECLARATIONS Respondent shall submit quarterly declarations  
24 under penalty of perjury on forms provided by the Board, stating whether there has been  
25 compliance with all the conditions of probation. Respondent shall submit quarterly declarations  
26 not later than 10 calendar days after the end of the preceding quarter.

27 10. PROBATION UNIT COMPLIANCE Respondent shall comply with the Board's  
28 probation unit. Respondent shall, at all times, keep the Board informed of respondent's business

1 and residence addresses. Changes of such addresses shall be immediately communicated in  
2 writing to the Board or its designee. Under no circumstances shall a post office box serve as an  
3 address of record, except as allowed by Business and Professions Code section 2021(b).

4 Respondent shall not engage in the practice of medicine in respondent's place of residence.  
5 Respondent shall maintain a current and renewed California physician's and surgeon's license.

6 Respondent shall immediately inform the Board, or its designee, in writing, of travel to any  
7 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than 30  
8 calendar days.

9 11. INTERVIEW WITH THE BOARD, OR ITS DESIGNEE Respondent shall be  
10 available in person for interviews either at respondent's place of business or at the probation unit  
11 office, with the Board or its designee, upon request at various intervals, and either with or without  
12 prior notice throughout the term of probation.

13 12. RESIDING OR PRACTICING OUT-OF-STATE In the event respondent should  
14 leave the State of California to reside or to practice, respondent shall notify the Board or its  
15 designee in writing 30 calendar days prior to the dates of departure and return. Non-practice is  
16 defined as any period of time exceeding 30 calendar days in which respondent is not engaging in  
17 any activities defined in Sections 2051 and 2052 of the Business and Professions Code.

18 All time spent in an intensive training program outside the State of California which has  
19 been approved by the Board or its designee shall be considered as time spent in the practice of  
20 medicine within the State. A Board-ordered suspension of practice shall not be considered as a  
21 period of non-practice. Periods of temporary or permanent residence or practice outside  
22 California will not apply to the reduction of the probationary term. Periods of temporary or  
23 permanent residence or practice outside California will relieve respondent of the responsibility to  
24 comply with the probationary terms and conditions with the exception of this condition and the  
25 following terms and conditions of probation: Obey All Laws; Probation Unit Compliance; and  
26 Cost Recovery.

27 Respondent's license shall be automatically cancelled if respondent's periods of temporary  
28 or permanent residence or practice outside California total two years. However, respondent's

1 license shall not be cancelled as long as respondent is residing and practicing medicine in another  
2 state of the United States and is on active probation with the medical licensing authority of that  
3 state, in which case the two year period shall begin on the date probation is completed or  
4 terminated in that state.

5 13. FAILURE TO PRACTICE MEDICINE - CALIFORNIA RESIDENT

6 In the event respondent resides in the State of California and for any reason respondent  
7 stops practicing medicine in California, respondent shall notify the Board or its designee in  
8 writing within 30 calendar days prior to the dates of non-practice and return to practice. Any  
9 period of non-practice within California, as defined in this condition, will not apply to the  
10 reduction of the probationary term and does not relieve respondent of the responsibility to comply  
11 with the terms and conditions of probation. Non-practice is defined as any period of time  
12 exceeding 30 calendar days in which respondent is not engaging in any activities defined in  
13 sections 2051 and 2052 of the Business and Professions Code.

14 All time spent in an intensive training program which has been approved by the Board or its  
15 designee shall be considered time spent in the practice of medicine. For purposes of this  
16 condition, non-practice due to a Board-ordered suspension or in compliance with any other  
17 condition of probation, shall not be considered a period of non-practice.

18 Respondent's license shall be automatically cancelled if respondent resides in California  
19 and for a total of two years, fails to engage in California in any of the activities described in  
20 Business and Professions Code sections 2051 and 2052.

21 14. COMPLETION OF PROBATION Respondent shall comply with all financial  
22 obligations (e.g., cost recovery, restitution, probation costs) not later than 120 calendar days prior  
23 to the completion of probation. Upon successful completion of probation, respondent's certificate  
24 shall be fully restored.

25 15. VIOLATION OF PROBATION Failure to fully comply with any term or condition  
26 of probation is a violation of probation. If respondent violates probation in any respect, the  
27 Board, after giving respondent notice and the opportunity to be heard, may revoke probation and  
28 carry out the disciplinary order that was stayed. If an Accusation, Petition to Revoke Probation,

1 or an Interim Suspension Order is filed against respondent during probation, the Board shall have  
2 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
3 the matter is final.

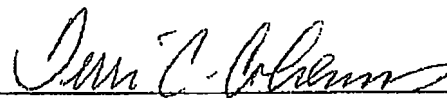

4 16. LICENSE SURRENDER Following the effective date of this Decision, if  
5 respondent ceases practicing due to retirement, health reasons or is otherwise unable to satisfy the  
6 terms and conditions of probation, respondent may request the voluntary surrender of  
7 respondent's license. The Board reserves the right to evaluate respondent's request and to  
8 exercise its discretion whether or not to grant the request, or to take any other action deemed  
9 appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender,  
10 respondent shall within 15 calendar days deliver respondent's wallet and wall certificate to the  
11 Board or its designee and respondent shall no longer practice medicine. Respondent will no  
12 longer be subject to the terms and conditions of probation and the surrender of respondent's  
13 license shall be deemed disciplinary action. If respondent re-applies for a medical license, the  
14 application shall be treated as a petition for reinstatement of a revoked certificate.

15 17. PROBATION MONITORING COSTS Respondent shall pay the costs associated  
16 with probation monitoring each and every year of probation, as designated by the Board, which  
17 may be adjusted on an annual basis. Such costs shall be payable to the Board and delivered to the  
18 Board or its designee no later than January 31 of each calendar year. Failure to pay costs within  
19 30 calendar days of the due date is a violation of probation.

22 stipulation and the effect it will have on my Physician's and Surgeon's Certificate. I enter into  
23 this Stipulated Settlement and Disciplinary Order voluntarily, knowingly, and intelligently, and

11 she may request that the second address not be disclosed to the public."

12 FIRST CAUSE FOR DISCIPLINE

13 (Use of Alcoholic Beverages to the Extent or in Such a Manner that  
14 Respondent Was a Danger to Herself or Others)

15 10. Respondent is subject to disciplinary action under sections 2227 and 2234, as defined  
16 by section 2239 of the Code, in that she used alcoholic beverages to the extent or in such a  
17 manner, as to be dangerous or injurious to herself, any other person or to the public. The  
18 circumstances are set forth below.

19 11. On or about December 9, 2008, in the middle of the day, Respondent was driving in  
20 the area of Fred Waring and Washington Street in the city of La Quinta, California. Respondent's  
21 vehicle was weaving in and out of lanes, nearly colliding with several other vehicles and hitting  
22 curbs. After a traffic stop of Respondent, Officers of the Riverside County Sheriff's Department  
23 spoke with Respondent who smelled of alcohol, was swaying from side to side, had red and  
24 watery eyes, was staggering and was slurring her speech. Respondent performed poorly on field  
25 sobriety tests. Her preliminary blood alcohol level ranged between .127% to .139%. Respondent  
26 was arrested for driving under the influence of alcohol.

27 12. On or about February 5, 2009, in the case entitled "*The People of the State of*  
28 *California v. Terri Charisse Coble*, Riverside County Superior Court Case No. INM194800,

1 Respondent was charged in Count 1 with violating of Vehicle Codes section 23152, subdivision  
2 (a) – driving under the influence of alcohol and in Count 2 with violating section 23152,  
3 subdivision (b) - driving with a blood alcohol level in excess of .08%.

4 13. On or about August 17, 2009, Respondent entered a plea of guilty to Count 2 and  
5 Count 1 was dismissed in the interests of justice. Respondent was placed on 36 months summary  
6 probation with terms including, but not limited to, one day in custody, a fine and a prohibition of  
7 driving with alcohol in her blood.

8 SECOND CAUSE FOR DISCIPLINE

9 (Conviction of a Crime Substantially Related to the  
10 Qualifications, Functions or Duties of a Physician and Surgeon)

11 14. Respondent is further subject to disciplinary action under sections 2227 and 2234, as  
12 defined by section 2236, of the Code, in that she was convicted of a crime substantially related to  
13 the qualifications, functions or duties of a physician and surgeon as more particularly described in  
14 paragraphs 11 through 13, above, which are hereby incorporated by reference as if full set forth  
15 herein.

16 THIRD CAUSE FOR DISCIPLINE

17 (Failure to Pay Fine)

18 15. Respondent is further subject to disciplinary action under sections 2227 and 2234, as  
19 defined by section 125.9, of the Code, in that she failed to pay a fine within 30 days of  
20 assessment. The circumstances are set forth below.

21 16. On or about August 28, 2009, the Chief of Enforcement of the Board issued a  
22 Citation Order to Respondent. Pursuant to Code sections 125.9 and 2234, Respondent was cited  
23 for failing to report her August 17, 2009 misdemeanor conviction referenced in Paragraph 12  
24 above, which is hereby incorporated by reference as if fully set forth herein. In addition, an  
25 administrative fine of \$750.00 was imposed. The Citation Order was sent by certified mail to  
26 Respondent at her address of record.

27 17. On or about September 28, 2009, Respondent sent a letter to the Board stating that  
28 she need to make arrangements to pay the fine over time. She included a check for \$100.00 and

1 offered to pay \$100.00 each month. On or about October 1, 2009, the Board notified her that the  
2 request for a payment plan was approved. Nevertheless, Respondent failed to make any  
3 additional payments and letters requesting such payments (dated November 16, 2009, December  
4 3, 2009, January 7, 2010 and February 10, 2010), sent by certified mail to Respondent's address  
5 of record, were returned as undeliverable. To date, Respondent has failed to pay \$650.00 of the  
6 administrative fine imposed by the Citation Order.

7 FOURTH CAUSE FOR DISCIPLINE

8 (Failure to Provide Medical Records)

9 18. Respondent is further subject to disciplinary action under sections 2227 and 2234, as  
10 defined in Section 2225.5, in that Respondent failed to provide patient RG's medical records to  
11 her and to her new physician within 15 days of receipt of requests for those records. The  
12 circumstances are set forth below.

13 19. On or about August 10, 2009, Respondent advised patient RG that Respondent was  
14 leaving her practice as of September 1, 2009. Patient RG asked for her medical records but was  
15 told that she had to sign a release and the records would then be sent to her new physician.  
16 Patient RG signed the required documents.

17 20. When patient RG's new physician did not receive the records, he had patient RG sign  
18 a release. However, he too was unable to obtain a copy of patient RG's records.

19 21. Patient RG made several calls to a number Respondent left for patients needing  
20 medical records. The number went unanswered except on one occasion. The person answering  
21 the phone hung up on patient RG after patient RG identified herself.

22 22. On or about February 4, 2010, patient RG sent a written request for records to  
23 Respondent. She sent the request by certified mail to Respondent's address of record with the  
24 Board. The letter was returned as "NOT DELIVERABLE AS ADDRESSED" and as "UNABLE  
25 TO FORWARD".
