OAH No. 2021110099

**STIPULATED SETTLEMENT AND**  
**DISCIPLINARY ORDER**

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
23 California (Board). He brought this action solely in his official capacity and is represented in this  
24 matter by Rob Bonta, Attorney General of the State of California, by Peggie Bradford Tarwater,  
25 Deputy Attorney General.

26 2. Respondent Son Ngoc Truong, M.D. (Respondent) is represented in this proceeding  
27 by attorney Gary Wittenberg, whose address is: 1901 Avenue of the Stars, Suite 1750, Los  
28 Angeles, CA 90067.

3. On September 8, 2006, the Board issued Physician's and Surgeon's Certificate No. A 97261 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation and Petition to Revoke Probation No. 800-2021-076708, and will expire on December 31, 2023, unless renewed.

## JURISDICTION

4. Accusation and Petition to Revoke Probation No. 800-2021-076708 was filed before the Board, and is currently pending against Respondent. The Accusation and Petition to Revoke Probation and all other statutorily required documents were properly served on Respondent on May 19, 2021. Respondent filed his Notice of Defense contesting the Accusation and Petition to Revoke Probation.

5. A copy of Accusation and Petition to Revoke Probation No. 800-2021-076708 is attached as Exhibit A and incorporated by reference.

## ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation and Petition to Revoke Probation No. 800-2021-076708. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation and Petition to Revoke Probation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

///

///

1 **CULPABILITY**

2 9. Respondent understands and agrees that the charges and allegations in Accusation  
3 and Petition to Revoke Probation No. 800-2021-076708, if proven at a hearing, constitute cause  
4 for imposing discipline upon his Physician's and Surgeon's Certificate.

5 10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case  
6 relating to the charges in the Accusation and Petition to Revoke Probation, and Respondent  
7 hereby gives up his right to contest those charges.

8 11. Respondent does not contest that, at an administrative hearing, complainant could  
9 establish a prima facie case with respect to the charges and allegations in Accusation and Petition  
10 to Revoke Probation No. 800-2021-076708, a true and correct copy of which is attached hereto as  
11 Exhibit A, and that he has thereby subjected his Physician's and Surgeon's Certificate, No. A  
12 97261 to disciplinary action.

13 12. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
14 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
15 Disciplinary Order below.

16 **CONTINGENCY**

17 13. This stipulation shall be subject to approval by the Medical Board of California.  
18 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
19 Board of California may communicate directly with the Board regarding this stipulation and  
20 settlement, without notice to or participation by Respondent or his counsel. By signing the  
21 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
22 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
23 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
24 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
25 action between the parties, and the Board shall not be disqualified from further action by having  
26 considered this matter.

27 ///

28 ///

14. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

15. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by Respondent, issue and enter the following Disciplinary Order:

13 or its designee, be accepted towards the fulfillment of this condition if the program would have

20 Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a  
21 clinical competence assessment program approved in advance by the Board or its designee.  
22 Respondent shall successfully complete the program not later than six months after Respondent's  
23 initial enrollment unless the Board or its designee agrees in writing to an extension of that time.

24           The program shall consist of a comprehensive assessment of Respondent's physical and  
25 mental health and the six general domains of clinical competence as defined by the Accreditation  
26 Council on Graduate Medical Education and American Board of Medical Specialties pertaining to  
27 Respondent's current or intended area of practice. The program shall take into account data  
28 obtained from the pre-assessment, self-report forms and interview, and the Decision(s).

1 Accusation(s), and any other information that the Board or its designee deems relevant. The  
2 program shall require Respondent's on-site participation for a minimum of three and no more  
3 than five days as determined by the program for the assessment and clinical education evaluation.  
4 Respondent shall pay all expenses associated with the clinical competence assessment program.

5 At the end of the evaluation, the program will submit a report to the Board or its designee  
6 which unequivocally states whether Respondent has demonstrated the ability to practice safely  
7 and independently. Based on Respondent's performance on the clinical competence assessment,  
8 the program will advise the Board or its designee of its recommendation(s) for the scope and  
9 length of any additional educational or clinical training, evaluation or treatment for any medical  
10 condition or psychological condition, or anything else affecting Respondent's practice of  
11 medicine. Respondent shall comply with the program's recommendations.

12 Determination as to whether Respondent successfully completed the clinical competence  
13 assessment program is solely within the program's jurisdiction.

14 If Respondent fails to enroll, participate in, or successfully complete the clinical  
15 competence assessment program within the designated time-period, Respondent shall receive a  
16 notification from the Board or its designee to cease the practice of medicine within three calendar  
17 days after being so notified. Respondent shall not resume the practice of medicine until  
18 enrollment or participation in the outstanding portions of the clinical competence assessment  
19 program have been completed. If Respondent did not successfully complete the clinical  
20 competence assessment program, Respondent shall not resume the practice of medicine until a  
21 final decision has been rendered on the accusation and/or a petition to revoke probation. The  
22 cessation of practice shall not apply to the reduction of the probationary time period.

23 6. MONITORING – PRACTICE. Within 30 calendar days of the effective date of this  
24 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
25 monitor, the name and qualifications of one or more licensed physicians and surgeons whose  
26 licenses are valid and in good standing, and who are preferably American Board of Medical  
27 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
28 relationship with Respondent or other relationship that could reasonably be expected to

1 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
2 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
3 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

4 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
5 and Accusation(s) and Petition to Revoke Probation, and a proposed monitoring plan. Within 15  
6 calendar days of receipt of the Decision(s), Accusation(s) and Petition to Revoke Probation and  
7 proposed monitoring plan, the monitor shall submit a signed statement that the monitor has read  
8 the Decision(s) and Accusation(s) and Petition to Revoke Probation, fully understands the role of  
9 a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees  
10 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
11 signed statement for approval by the Board or its designee.

12 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
13 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
14 make all records available for immediate inspection and copying on the premises by the monitor  
15 at all times during business hours and shall retain the records for the entire term of probation.

16 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
17 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
18 cease the practice of medicine within three calendar days after being so notified. Respondent  
19 shall cease the practice of medicine until a monitor is approved to provide monitoring  
20 responsibility.

21 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
22 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
23 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
24 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure  
25 that the monitor submits the quarterly written reports to the Board or its designee within 10  
26 calendar days after the end of the preceding quarter.

27 If the monitor resigns or is no longer available, Respondent shall, within five calendar days  
28 of such resignation or unavailability, submit to the Board or its designee, for prior approval, the

1 name and qualifications of a replacement monitor who will be assuming that responsibility within  
2 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
3 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
4 notification from the Board or its designee to cease the practice of medicine within three calendar  
5 days after being so notified. Respondent shall cease the practice of medicine until a replacement  
6 monitor is approved and assumes monitoring responsibility.

7 In lieu of a monitor, Respondent may participate in a professional enhancement program  
8 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
9 review, semi-annual practice assessment, and semi-annual review of professional growth and  
10 education. Respondent shall participate in the professional enhancement program at  
11 Respondent's expense during the term of probation.

12 7. PROHIBITED PRACTICE. During probation, Respondent is prohibited from  
13 performing any procedures requiring any form of sedation in a non-accredited surgery center.  
14 After the effective date of this Decision, all patients for whom Respondent is performing any  
15 procedure(s) requiring any form of sedation shall be notified that Respondent is prohibited from  
16 performing the procedure(s) in a non-accredited surgery center.

17 Respondent shall maintain a log of all patients to whom the required oral notification was  
18 made. The log shall contain the: 1) patient's name, address and phone number; 2) patient's  
19 medical record number, if available; 3) the full name of the person making the notification; 4) the  
20 date the notification was made; and 5) a description of the notification given. Respondent shall  
21 keep this log in a separate file or ledger, in chronological order, shall make the log available for  
22 immediate inspection and copying on the premises at all times during business hours by the Board  
23 or its designee, and shall retain the log for the entire term of probation.

24 8. NOTIFICATION. Within seven days of the effective date of this Decision,  
25 Respondent shall provide a true copy of this Decision and Accusation and Petition to Revoke  
26 Probation to the Chief of Staff or the Chief Executive Officer at every hospital where privileges  
27 or membership are extended to Respondent, at any other facility where Respondent engages in the  
28 practice of medicine, including all physician and locum tenens registries or other similar agencies,

1 and to the Chief Executive Officer at every insurance carrier which extends malpractice insurance  
2 coverage to Respondent. Respondent shall submit proof of compliance to the Board or its  
3 designee within 15 calendar days.

4 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

5 9. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
6 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
7 advanced practice nurses.

8 10. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
9 governing the practice of medicine in California and remain in full compliance with any court  
10 ordered criminal probation, payments, and other orders.

11 11. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby  
12 ordered to reimburse the Board its costs of investigation and enforcement, in the amount of  
13 \$5,155. Costs shall be payable to the Medical Board of California. Failure to pay such costs shall  
14 be considered a violation of probation.

15 Any and all requests for a payment plan shall be submitted in writing by Respondent to the  
16 Board.

17 The filing of bankruptcy by Respondent shall not relieve Respondent of the responsibility  
18 to repay investigation and enforcement costs.

19 12. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
20 under penalty of perjury on forms provided by the Board, stating whether there has been  
21 compliance with all the conditions of probation.

22 Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
23 of the preceding quarter.

28 ///

1           13.   GENERAL PROBATION REQUIREMENTS.

2           Compliance with Probation Unit

3           Respondent shall comply with the Board's probation unit.

4           Address Changes

5           Respondent shall, at all times, keep the Board informed of Respondent's business and  
6 residence addresses, email address (if available), and telephone number. Changes of such  
7 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
8 circumstances shall a post office box serve as an address of record, except as allowed by Business  
9 and Professions Code section 2021, subdivision (b).

10          Place of Practice

11          Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
12 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
13 facility.

14          License Renewal

15          Respondent shall maintain a current and renewed California physician's and surgeon's  
16 license.

17          Travel or Residence Outside California

18          Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
19 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than 30  
20 calendar days.

21          In the event Respondent should leave the State of California to reside or to practice  
22 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
23 departure and return.

24          14.   INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
25 available in person upon request for interviews either at Respondent's place of business or at the  
26 probation unit office, with or without prior notice throughout the term of probation.

27          15.   NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
28 its designee in writing within 15 calendar days of any periods of non-practice lasting more than

1 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
2 defined as any period of time Respondent is not practicing medicine as defined in Business and  
3 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
4 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
5 Respondent resides in California and is considered to be in non-practice, Respondent shall  
6 comply with all terms and conditions of probation. All time spent in an intensive training  
7 program which has been approved by the Board or its designee shall not be considered non-  
8 practice and does not relieve Respondent from complying with all the terms and conditions of  
9 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
10 on probation with the medical licensing authority of that state or jurisdiction shall not be  
11 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
12 period of non-practice.

13 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
14 months, Respondent shall successfully complete the Federation of State Medical Boards' Special  
15 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
16 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
17 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

18 Respondent's period of non-practice while on probation shall not exceed two years.

19 Periods of non-practice will not apply to the reduction of the probationary term.

20 Periods of non-practice for a Respondent residing outside of California will relieve  
21 Respondent of the responsibility to comply with the probationary terms and conditions with the  
22 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
23 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
24 Controlled Substances; and Biological Fluid Testing.

25 16. COMPLETION OF PROBATION. Respondent shall comply with all financial  
26 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
27 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
28 be fully restored.

1        17. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
2 of probation is a violation of probation. If Respondent violates probation in any respect, the  
3 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
4 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke  
5 Probation, or an Interim Suspension Order is filed against Respondent during probation, the  
6 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall  
7 be extended until the matter is final.

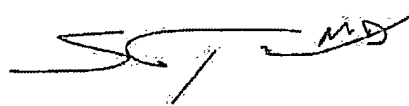

8        18. LICENSE SURRENDER. Following the effective date of this Decision, if  
9 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
10 the terms and conditions of probation, Respondent may request to surrender his or her license.  
11 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
12 determining whether or not to grant the request, or to take any other action deemed appropriate  
13 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
14 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
15 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
16 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
17 application shall be treated as a petition for reinstatement of a revoked certificate.

18        19. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
19 with probation monitoring each and every year of probation, as designated by the Board, which  
20 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
21 California and delivered to the Board or its designee no later than January 31 of each calendar  
22 year.

23        20. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
24 a new license or certification, or petition for reinstatement of a license, by any other health care  
25 licensing action agency in the State of California, all of the charges and allegations contained in  
26 Accusation and Petition to Revoke Probation No. 800-2021-076708 shall be deemed to be true,  
27 correct, and admitted by Respondent for the purpose of any Statement of Issues or any other  
28 proceeding seeking to deny or restrict license.

1 I have carefully read the above Stipulated Settlement and Disciplinary Order and have fully  
2 discussed it with my attorney, Gary Wittenberg. I understand the stipulation and the effect it will  
3 have on my Physician's and Surgeon's Certificate. I enter into this Stipulated Settlement and  
4 Disciplinary Order voluntarily, knowingly, and intelligently, and agree to be bound by the  
5 Decision and Order of the Medical Board of California.

Respondent

9 I have read and fully discussed with Respondent Son Ngoc Truong, M.D. the terms and  
10 conditions and other matters contained in the above Stipulated Settlement and Disciplinary Order.

#### DISCIPLINARY CONSIDERATIONS

48. To determine the degree of discipline, if any, to be imposed on Respondent, Complainant alleges that on or about March 1, 2017 (effective March 30, 2017), in the Decision, Respondent's Physician's and Surgeon's certificate was revoked, but the revocation was stayed, and he was placed on probation for five years, with terms and conditions, for admitted unprofessional conduct, in connection with the care and treatment of multiple patients. That decision is now final and is incorporated by reference as if fully set forth herein.

#### PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:

1. Revoking the probation that was granted by the Board in Case Number 18-2013-231897 and imposing the disciplinary order that was stayed, thereby revoking Physician's and Surgeon's Certificate Number A 97261, issued to Son Ngoc Truong, M.D.;

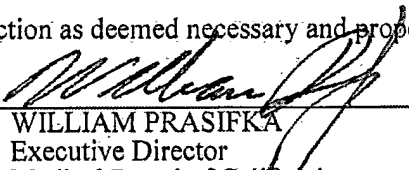

2. Revoking or suspending Physician's and Surgeon's Certificate Number A 97261, issued to Son Ngoc Truong, M.D.;

4. Ordering Son Ngoc Truong, M.D., if placed on probation, to pay the Board the costs of probation monitoring; and

5. Taking such other and further action as deemed necessary and proper.
