2. Respondent Linhkieu Thi Nguyen, M.D. (Respondent) is represented in this proceeding by attorney Robert W. Frank, Esq., whose address is: Neil, Dymott, Frank, McCabe & Hudson APLC, 110 West A Street, Suite 1200, San Diego, CA 92101.

3. On or about July 2, 2003, the Board issued Physician's and Surgeon's Certificate No. A 83886 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in First Amended Accusation No. 800-2019-051998, and will expire on September 30, 2022, unless renewed.

JURISDICTION

4. On or about March 22, 2022, First Amended Accusation No. 800-2019-051998 was filed before the Board, and is currently pending against Respondent. Respondent timely filed her Notice of Defense contesting the First Amended Accusation.

5. A true and correct copy of First Amended Accusation No. 800-2019-051998 is attached as Exhibit A and incorporated herein by reference as if fully set forth herein.

Frank, Esq.

///

8. Having the benefit of counsel, Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

9. Respondent does not contest that, at an administrative hearing, Complainant could establish a *prima facie* case with respect to the charges and allegations in First Amended Accusation No. 800-2019-051998, and Respondent hereby gives up her rights to contest those charges. Respondent further agrees that she has thereby subjected her Physician's and Surgeon's Certificate No. A 83886 to disciplinary action.

By signing the stipulation, Respondent understands and agrees that she may not withdraw her agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

///

13. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to be an integrated writing representing the complete, final, and exclusive embodiment of the agreements of the parties in the above-entitled matter.

14. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

15. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by the Respondent, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 83886 issued to Respondent Linhkieu Thi Nguyen, M.D., is revoked. However, the revocation is stayed and Respondent is placed on probation for three (3) years from the effective date of the Decision on the following terms and conditions:

1. EDUCATION COURSE. Within 60 calendar days of the effective date of this Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee for its prior approval educational program(s) or course(s) which shall not be less than 40 hours per year, for each year of probation. The educational program(s) or course(s) shall be aimed at correcting any areas of deficient practice or knowledge and shall be Category I certified. The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure. Following the completion of each course, the Board or its designee may administer an examination to test Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65 hours of CME of which 40 hours were in satisfaction of this condition.

2. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a course in medical record keeping approved in advance by the Board or its designee. Respondent shall provide the approved course provider with any information and documents that the approved course provider may deem pertinent.

1 Respondent shall participate in and successfully complete the classroom component of the course
2 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
3 complete any other component of the course within one (1) year of enrollment. The medical
4 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing
5 Medical Education (CME) requirements for renewal of licensure.

6 A medical record keeping course taken after the acts that gave rise to the charges in the
7 First Amended Accusation, but prior to the effective date of the Decision may, in the sole
8 discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the
9 course would have been approved by the Board or its designee had the course been taken after the
10 effective date of this Decision.

11 Respondent shall submit a certification of successful completion to the Board or its
12 designee not later than 15 calendar days after successfully completing the course, or not later than
13 15 calendar days after the effective date of the Decision, whichever is later.

14 3. PROFESSIONALISM PROGRAM (ETHICS COURSE). Within 60 calendar days of
15 the effective date of this Decision, Respondent shall enroll in a professionalism program, that
16 meets the requirements of Title 16, California Code of Regulations (CCR) section 1358.1.
17 Respondent shall participate in and successfully complete that program. Respondent shall
18 provide any information and documents that the program may deem pertinent. Respondent shall
19 successfully complete the classroom component of the program not later than six (6) months after
20 Respondent's initial enrollment, and the longitudinal component of the program not later than the
21 time specified by the program, but no later than one (1) year after attending the classroom
22 component. The professionalism program shall be at Respondent's expense and shall be in
23 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

24 A professionalism program taken after the acts that gave rise to the charges in the First
25 Amended Accusation, but prior to the effective date of the Decision may, in the sole discretion of
26 the Board or its designee, be accepted towards the fulfillment of this condition if the program
27 would have been approved by the Board or its designee had the program been taken after the
28 effective date of this Decision.

Respondent shall submit a certification of successful completion to the Board or its designee not later than 15 calendar days after successfully completing the program or not later than 15 calendar days after the effective date of the Decision, whichever is later.

4. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a practice monitor, the name and qualifications of one or more licensed physicians and surgeons whose licenses are valid and in good standing, and who are preferably American Board of Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or personal relationship with Respondent, or other relationship that could reasonably be expected to compromise the ability of the monitor to render fair and unbiased reports to the Board, including but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

The Board or its designee shall provide the approved monitor with copies of the Decision and First Amended Accusation, and a proposed monitoring plan. Within 15 calendar days of receipt of the Decision, First Amended Accusation, and proposed monitoring plan, the monitor shall submit a signed statement that the monitor has read the Decision and First Amended Accusation, fully understands the role of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the signed statement for approval by the Board or its designee.

Within 60 calendar days of the effective date of this Decision, and continuing throughout probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall make all records available for immediate inspection and copying on the premises by the monitor at all times during business hours and shall retain the records for the entire term of probation.

///

///

///

1 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
2 date of this Decision, Respondent shall receive a notification from the Board or its designee to
3 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
4 shall cease the practice of medicine until a monitor is approved to provide monitoring
5 responsibility.

6 The monitor shall submit a quarterly written report to the Board or its designee which
7 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
8 are within the standards of practice of medicine, and whether Respondent is practicing medicine
9 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the
10 quarterly written reports to the Board or its designee within 10 calendar days after the end of the
11 preceding quarter.

12 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
13 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
14 name and qualifications of a replacement monitor who will be assuming that responsibility within
15 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
16 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
17 notification from the Board or its designee to cease the practice of medicine within three (3)
18 calendar days after being so notified. Respondent shall cease the practice of medicine until a
19 replacement monitor is approved and assumes monitoring responsibility.

20 In lieu of a monitor, Respondent may participate in a professional enhancement program
21 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
22 review, semi-annual practice assessment, and semi-annual review of professional growth and
23 education. Respondent shall participate in the professional enhancement program at
24 Respondent's expense during the term of probation.

25 5. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
26 Respondent shall provide a true copy of this Decision and First Amended Accusation to the Chief
27 of Staff or the Chief Executive Officer at every hospital where privileges or membership are
28 extended to Respondent, at any other facility where Respondent engages in the practice of

1 medicine, including all physician and locum tenens registries or other similar agencies, and to the
2 Chief Executive Officer at every insurance carrier which extends malpractice insurance coverage
3 to Respondent. Respondent shall submit proof of compliance to the Board or its designee within
4 15 calendar days.

5 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

6 6. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
7 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
8 advanced practice nurses.

9 7. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
10 governing the practice of medicine in California and remain in full compliance with any court
11 ordered criminal probation, payments, and other orders.

12 8. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby
13 ordered to reimburse the Board its costs of investigation and enforcement in the amount of
14 \$4,796.25 (four thousand seven hundred ninety-six dollars and twenty-five cents). Costs shall be
15 payable to the Medical Board of California. Failure to pay such costs shall be considered a
16 violation of probation.

17 Any and all requests for a payment plan shall be submitted in writing by Respondent to the
18 Board.

19 The filing of bankruptcy by respondent shall not relieve Respondent of the responsibility to
20 repay investigation and enforcement costs.

21 9. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
22 under penalty of perjury on forms provided by the Board, stating whether there has been
23 compliance with all the conditions of probation.

24 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
25 of the preceding quarter.

26 10. GENERAL PROBATION REQUIREMENTS.

27 Compliance with Probation Unit

28 Respondent shall comply with the Board's probation unit.

1 Address Changes

2 Respondent shall, at all times, keep the Board informed of Respondent's business and
3 residence addresses, email address (if available), and telephone number. Changes of such
4 addresses shall be immediately communicated in writing to the Board or its designee. Under no
5 circumstances shall a post office box serve as an address of record, except as allowed by Business
6 and Professions Code section 2021, subdivision (b).

7 Place of Practice

8 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
9 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
10 facility or the patient has been under Respondent's continuing care and is bed-bound such that the
11 patient can only be seen at his or her place of residence.

12 License Renewal

13 Respondent shall maintain a current and renewed California physician's and surgeon's
14 license.

15 Travel or Residence Outside California

16 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
17 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
18 (30) calendar days.

19 In the event Respondent should leave the State of California to reside or to practice
20 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
21 departure and return.

22 11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
23 available in person upon request for interviews either at Respondent's place of business or at the
24 probation unit office, with or without prior notice throughout the term of probation.

25 12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
26 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
27 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
28 defined as any period of time Respondent is not practicing medicine as defined in Business and

1 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
2 patient care, clinical activity or teaching, or other activity as approved by the Board. If
3 Respondent resides in California and is considered to be in non-practice, Respondent shall
4 comply with all terms and conditions of probation. All time spent in an intensive training
5 program which has been approved by the Board or its designee shall not be considered non-
6 practice and does not relieve Respondent from complying with all the terms and conditions of
7 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
8 on probation with the medical licensing authority of that state or jurisdiction shall not be
9 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
10 period of non-practice.

11 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
12 months, Respondent shall successfully complete the Federation of State Medical Boards' Special
13 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
14 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
15 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

16 Respondent's period of non-practice while on probation shall not exceed two (2) years.

17 Periods of non-practice will not apply to the reduction of the probationary term.

18 Periods of non-practice for a Respondent residing outside of California will relieve
19 Respondent of the responsibility to comply with the probationary terms and conditions with the
20 exception of this condition and the following terms and conditions of probation: Obey All Laws;
21 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
22 Controlled Substances; and Biological Fluid Testing.

23 13. COMPLETION OF PROBATION. Respondent shall comply with all financial
24 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
25 completion of probation. Upon successful completion of probation, Respondent's certificate shall
26 be fully restored.

27 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
28 of probation is a violation of probation. If Respondent violates probation in any respect, the

1 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
2 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
3 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
4 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
5 be extended until the matter is final.

6 15. LICENSE SURRENDER. Following the effective date of this Decision, if
7 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
8 the terms and conditions of probation, Respondent may request to surrender her license. The
9 Board reserves the right to evaluate Respondent's request and to exercise its discretion in
10 determining whether or not to grant the request, or to take any other action deemed appropriate
11 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
12 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
13 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
14 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
15 application shall be treated as a petition for reinstatement of a revoked certificate.

16 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
17 with probation monitoring each and every year of probation, as designated by the Board, which
18 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
19 California and delivered to the Board or its designee no later than January 31 of each calendar
20 year.

21 17. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
22 a new license or certification, or petition for reinstatement of a license, by any other health care
23 licensing action agency in the State of California, all of the charges and allegations contained in
24 First Amended Accusation No. 800-2019-051998 shall be deemed to be true, correct, and
25 admitted by Respondent for the purpose of any Statement of Issues or any other proceeding
26 seeking to deny or restrict license.

JURISDICTION

3. This First Amended Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2220 of the Code states:

Except as otherwise provided by law, the board may take action against all persons guilty of violating this chapter. . .

5. Section 2227 of the Code states:

(a) A licensee whose matter has been heard by an administrative law judge of the Medical Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary action with the board, may, in accordance with the provisions of this chapter:

(1) Have his or her license revoked upon order of the board.

(2) Have his or her right to practice suspended for a period not to exceed one year upon order of the board.

(3) Be placed on probation and be required to pay the costs of probation monitoring upon order of the board.

(4) Be publicly reprimanded by the board. The public reprimand may include a requirement that the licensee complete relevant educational courses approved by the board.

(5) Have any other action taken in relation to discipline as part of an order of probation, as the board or an administrative law judge may deem proper.

...

6. Section 2234 of the Code states:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

...

(c) Repeated negligent acts. To be repeated, there must be two or more negligent acts or omissions. An initial negligent act or omission followed by a separate and distinct departure from the applicable standard of care shall constitute repeated negligent acts.

///

///

1 (1) An initial negligent diagnosis followed by an act or omission medically
2 appropriate for that negligent diagnosis of the patient shall constitute a single
3 negligent act.

4 (2) When the standard of care requires a change in the diagnosis, act, or
5 omission that constitutes the negligent act described in paragraph (1), including, but
6 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
7 licensee's conduct departs from the applicable standard of care, each departure
8 constitutes a separate and distinct breach of the standard of care.

9 ...

10 7. Section 2266 of the Code states:

11 The failure of a physician and surgeon to maintain adequate and accurate
12 records relating to the provision of services to their patients constitutes unprofessional
13 conduct.

14 8. Unprofessional conduct under section 2234 of the Code is conduct which breaches
15 the rules or ethical code of the medical profession, or conduct which is unbecoming a member in
16 good standing of the medical profession, and which demonstrates an unfitness to practice
17 medicine. (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 564, 575.)

18 COST RECOVERY

19 9. Section 125.3 of the Code states:

20 (a) Except as otherwise provided by law, in any order issued in resolution of a
21 disciplinary proceeding before any board within the department or before the
22 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the
23 administrative law judge may direct a licensee found to have committed a violation or
24 violations of the licensing act to pay a sum not to exceed the reasonable costs of the
25 investigation and enforcement of the case.

26 (b) In the case of a disciplined licensee that is a corporation or a partnership, the
27 order may be made against the licensed corporate entity or licensed partnership.

28 (c) A certified copy of the actual costs, or a good faith estimate of costs where
actual costs are not available, signed by the entity bringing the proceeding or its
designated representative shall be prima facie evidence of reasonable costs of
investigation and prosecution of the case. The costs shall include the amount of
investigative and enforcement costs up to the date of the hearing, including, but not
limited to, charges imposed by the Attorney General.

(d) The administrative law judge shall make a proposed finding of the amount
of reasonable costs of investigation and prosecution of the case when requested
pursuant to subdivision (a). The finding of the administrative law judge with regard
to costs shall not be reviewable by the board to increase the cost award. The board
may reduce or eliminate the cost award, or remand to the administrative law judge if
the proposed decision fails to make a finding on costs requested pursuant to
subdivision (a).

1 (e) If an order for recovery of costs is made and timely payment is not made as
2 directed in the board's decision, the board may enforce the order for repayment in any
3 appropriate court. This right of enforcement shall be in addition to any other rights
4 the board may have as to any licensee to pay costs.

5 (f) In any action for recovery of costs, proof of the board's decision shall be
6 conclusive proof of the validity of the order of payment and the terms for payment.

7 (g) (1) Except as provided in paragraph (2), the board shall not renew or
8 reinstate the license of any licensee who has failed to pay all of the costs ordered
9 under this section.

1 12. Despite commencing treatment of Patient A in or about 2014, Respondent's certified
2 medical records failed to include any records of Patient A's first visit in 2014 or records of any
3 subsequent visits by Patient A in 2014.

4 13. Respondent's first progress note for Patient A is for a visit that took place on or about
5 December 16, 2015. The progress note for this visit referenced a flu vaccine that Patient A was
6 given on or about February 5, 2015. It also referenced a gynecological history review that was
7 performed on or about November 11, 2015. However, Respondent has no records of any visits by
8 Patient A in 2015 other than the December 16, 2015 visit, including any records of the visits

17 instructions and recommendations in her progress note.

18 15. On or about May 4, 2016, Respondent had a visit with Patient A. Respondent failed

13 included on the medication list for Patient A.

14 19. On or about October 25, 2017, Respondent had a visit with Patient A. The progress
15 notes for this visit included a list of medications containing prazosin 2 mg, which was filled on or

12 notation: "1st BP 141/97 and repeat manually 135/74." Respondent added this note on or about
13 October 2, 2018, at 7:47 p.m. In making these additions, Respondent failed to retain the blood
14 pressure reading initially obtained at the visit. Further, the progress note included a list of
15 medications containing losartan and prazosin, which had fill dates occurring in the future, *i.e.*, in
16 August 2018, and September 2018, respectively. According to Respondent, she did not know
17 Patient A was taking losartan until after Patient A passed away. Respondent also did not know
