**STIPULATED SETTLEMENT AND**  
**DISCIPLINARY ORDER**

17  
18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-  
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
22 California (Board). He brought this action solely in his official capacity and is represented in this  
23 matter by Rob Bonta, Attorney General of the State of California, by Christina Sein Goot, Deputy  
24 Attorney General.

25 2. Respondent John Patrick Beauclair, M.D. (Respondent) is representing himself in this  
26 proceeding and has chosen not to exercise his right to be represented by counsel.

27 3. On or about November 5, 1969, the Board issued Physician's and Surgeon's  
28 Certificate No. G 17614 to Respondent. The Physician's and Surgeon's Certificate was in full

1 force and effect at all times relevant to the charges brought in Accusation No. 800-2018-042136,  
2 and will expire on December 31, 2023, unless renewed.

3 **JURISDICTION**

4 4. Accusation No. 800-2018-042136 was filed before the Board, and is currently  
5 pending against Respondent. The Accusation and all other statutorily required documents were  
6 properly served on Respondent on March 3, 2021. Respondent timely filed his Notice of Defense  
7 contesting the Accusation.

8 5. A copy of Accusation No. 800-2018-042136 is attached as exhibit A and incorporated  
9 herein by reference.

10 **ADVISEMENT AND WAIVERS**

11 6. Respondent has carefully read, fully discussed with counsel, and understands the  
12 charges and allegations in Accusation No. 800-2018-042136. Respondent has also carefully read,  
13 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and  
14 Disciplinary Order.

15 7. Respondent is fully aware of his legal rights in this matter, including the right to a  
16 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine  
17 the witnesses against him; the right to present evidence and to testify on his own behalf; the right  
18 to the issuance of subpoenas to compel the attendance of witnesses and the production of  
19 documents; the right to reconsideration and court review of an adverse decision; and all other  
20 rights accorded by the California Administrative Procedure Act and other applicable laws.

21 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
22 every right set forth above.

23 **CULPABILITY**

24 9. Respondent understand and agrees that the charges and allegations in Accusation No.  
25 800-2018-042136, if proven at a hearing, constitute cause for imposing discipline upon his  
26 Physician's and Surgeon's Certificate. Respondent hereby gives up his right to contest those  
27 charges and allegations.

28 10. Respondent does not contest that, at an administrative hearing, Complainant could

1 establish a *prima facie* case with respect to the charges and allegations contained in Accusation  
2 No. 800-2018-042 and that he has thereby subjected his license to disciplinary action.

3 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
4 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
5 Disciplinary Order below.

6 **RESERVATION**

7 12. The admissions made by Respondent herein are only for the purposes of this  
8 proceeding, or any other proceedings in which the Board is involved, and shall not be admissible  
9 in any other criminal or civil proceeding.

10 **CONTINGENCY**

11 13. This stipulation shall be subject to approval by the Medical Board of California.  
12 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
13 Board of California may communicate directly with the Board regarding this stipulation and  
14 settlement, without notice to or participation by Respondent or his counsel. By signing the  
15 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
16 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
17 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
18 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
19 action between the parties, and the Board shall not be disqualified from further action by having  
20 considered this matter.

21 14. Respondent agrees that if he ever petitions for early termination or modification of  
22 probation, or if an accusation and/or petition to revoke probation is filed against him before the  
23 Board, all of the charges and allegations contained in Accusation No. 800-2018-042136 shall be  
24 deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or  
25 any other licensing proceeding involving Respondent in the State of California.

26 15. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to  
27 be an integrated writing representing the complete, final and exclusive embodiment of the  
28 agreement of the parties in this above entitled matter.

1 component. The professionalism program shall be at Respondent's expense and shall be in  
2 addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

3 A professionalism program taken after the acts that gave rise to the charges in the  
4 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
5 or its designee, be accepted towards the fulfillment of this condition if the program would have  
6 been approved by the Board or its designee had the program been taken after the effective date of  
7 this Decision.

8 Respondent shall submit a certification of successful completion to the Board or its  
9 designee not later than 15 calendar days after successfully completing the program or not later  
10 than 15 calendar days after the effective date of the Decision, whichever is later.

11 3. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this  
12 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
13 monitor, the name and qualifications of one or more licensed physicians and surgeons whose  
14 licenses are valid and in good standing, and who are preferably American Board of Medical  
15 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
16 relationship with Respondent, or other relationship that could reasonably be expected to  
17 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
18 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
19 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

20 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
21 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the  
22 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed  
23 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role  
24 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees  
25 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
26 signed statement for approval by the Board or its designee.

27 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
28 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall

1 make all records available for immediate inspection and copying on the premises by the monitor  
2 at all times during business hours and shall retain the records for the entire term of probation.

3 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
4 date of this Decision, Respondent shall receive a notification from the Board or its designee to  
5 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
6 shall cease the practice of medicine until a monitor is approved to provide monitoring  
7 responsibility.

8 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
9 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
10 are within the standards of practice of medicine and whether Respondent is practicing medicine  
11 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the  
12 quarterly written reports to the Board or its designee within 10 calendar days after the end of the  
13 preceding quarter.

14 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
15 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
16 name and qualifications of a replacement monitor who will be assuming that responsibility within  
17 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
18 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
19 notification from the Board or its designee to cease the practice of medicine within three (3)  
20 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
21 replacement monitor is approved and assumes monitoring responsibility.

22 After twenty four (24) months of continuous compliance with this condition, if the practice  
23 monitor determines, and so states in a written report, that Respondent no longer needs further  
24 practice monitoring, and the Board or its designee, in its sole discretion, determines that the  
25 further practice monitoring is no longer needed, this condition shall be deemed satisfied and  
26 completed, following written notification by the Board or its designee to the practice monitor.

27 In lieu of a monitor, Respondent may participate in a professional enhancement program  
28 approved in advance by the Board or its designee that includes, at minimum, quarterly chart

1 review, semi-annual practice assessment, and semi-annual review of professional growth and  
2 education. Respondent shall participate in the professional enhancement program at Respondent's  
3 expense during the term of probation.

4 4. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
5 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
6 Chief Executive Officer at every hospital where privileges or membership are extended to  
7 Respondent, at any other facility where Respondent engages in the practice of medicine,  
8 including all physician and locum tenens registries or other similar agencies, and to the Chief  
9 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
10 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
11 calendar days.

12 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

13 5. SUPERVISION OF ADVANCED PRACTICE NURSES. During probation,  
14 Respondent is prohibited from supervising advanced practice nurses.

15 6. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
16 governing the practice of medicine in California and remain in full compliance with any court  
17 ordered criminal probation, payments, and other orders.

18 7. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby  
19 ordered to reimburse the Board its costs of investigation and enforcement since 2022, including,  
20 but not limited to, expert review, amended accusations, legal reviews, joint investigations, and  
21 subpoena enforcement, as applicable, in the amount of \$9,505.00 (nine thousand five hundred  
22 five dollars and zero cents). Costs shall be payable to the Medical Board of California. Failure to  
23 pay such costs shall be considered a violation of probation.

24 Any and all requests for a payment plan shall be submitted in writing by Respondent to the  
25 Board.

26 The filing of bankruptcy by Respondent shall not relieve Respondent of the responsibility  
27 to repay investigation and enforcement costs.

28 ///

1           8.    QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
2 under penalty of perjury on forms provided by the Board, stating whether there has been  
3 compliance with all the conditions of probation.

4           Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
5 of the preceding quarter.

6           9.    GENERAL PROBATION REQUIREMENTS.

7           Compliance with Probation Unit

8           Respondent shall comply with the Board's probation unit.

9           Address Changes

10          Respondent shall, at all times, keep the Board informed of Respondent's business and  
11 residence addresses, email address (if available), and telephone number. Changes of such  
12 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
13 circumstances shall a post office box serve as an address of record, except as allowed by Business  
14 and Professions Code section 2021, subdivision (b).

15          Place of Practice

16          Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
17 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
18 facility.

19          License Renewal

20          Respondent shall maintain a current and renewed California physician's and surgeon's  
21 license.

22          Travel or Residence Outside California

23          Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
24 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
25 (30) calendar days.

26          In the event Respondent should leave the State of California to reside or to practice  
27 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
28 departure and return.

1           10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
2 available in person upon request for interviews either at Respondent's place of business or at the  
3 probation unit office, with or without prior notice throughout the term of probation.

4           11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
5 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
6 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
7 defined as any period of time Respondent is not practicing medicine as defined in Business and  
8 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
9 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
10 Respondent resides in California and is considered to be in non-practice, Respondent shall  
11 comply with all terms and conditions of probation. All time spent in an intensive training  
12 program which has been approved by the Board or its designee shall not be considered non-  
13 practice and does not relieve Respondent from complying with all the terms and conditions of  
14 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
15 on probation with the medical licensing authority of that state or jurisdiction shall not be  
16 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
17 period of non-practice.

18           In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
19 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
20 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
21 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
22 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

23           Respondent's period of non-practice while on probation shall not exceed two (2) years.

24           Periods of non-practice will not apply to the reduction of the probationary term.

25           Periods of non-practice for a Respondent residing outside of California will relieve  
26 Respondent of the responsibility to comply with the probationary terms and conditions with the  
27 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
28 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or

1 Controlled Substances; and Biological Fluid Testing.

2 12. COMPLETION OF PROBATION. Respondent shall comply with all financial  
3 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
4 completion of probation. Upon successful completion of probation, Respondent's certificate shall  
5 be fully restored.

6 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
7 of probation is a violation of probation. If Respondent violates probation in any respect, the  
8 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
9 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
10 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
11 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
12 the matter is final.

13 14. LICENSE SURRENDER. Following the effective date of this Decision, if  
14 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
15 the terms and conditions of probation, Respondent may request to surrender his or her license.  
16 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
17 determining whether or not to grant the request, or to take any other action deemed appropriate  
18 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
19 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
20 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
21 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
22 application shall be treated as a petition for reinstatement of a revoked certificate.

23 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
24 with probation monitoring each and every year of probation, as designated by the Board, which  
25 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
26 California and delivered to the Board or its designee no later than January 31 of each calendar  
27 year.

28 ///

1 16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
2 a new license or certification, or petition for reinstatement of a license, by any other health care  
3 licensing action agency in the State of California, all of the charges and allegations contained in  
4 Accusation No. 800-2018-042136 shall be deemed to be true, correct, and admitted by  
5 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
6 restrict license.
