**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

19
20 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
21 entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
24 California (Board). He brought this action solely in his official capacity and is represented in this
25 matter by Rob Bonta, Attorney General of the State of California, by Colleen M. McGurrin,
26 Deputy Attorney General.

27 2. Respondent Jaron Ross Andersen, M.D. (Respondent) is represented in this
28 proceeding by attorney Peter R. Osinoff, Esq. and Derek O'Reilly-Jones, Esq., of Bonne Bridges

1 Mueller O'Keefe & Nichols, whose address is: 355 South Grand Avenue, Suite 1750, Los
2 Angeles, CA 90071-1562.

3 3. On or about September 8, 2006, the Board issued Physician's and Surgeon's
4 Certificate Number A 97202 to Jaron Ross Andersen, M.D. (Respondent). The Physician's and
5 Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in
6 Second Amended Accusation No. 800-2018-048265, and will expire on April 30, 2024, unless
7 renewed.

8 JURISDICTION

9 4. Second Amended Accusation No. 800-2018-048265 was filed before the Board, and
10 is currently pending against Respondent. The Second Amended Accusation and all other
11 statutorily required documents were properly served on Respondent on February 8, 2022.
12 Respondent timely filed his Notice of Defense contesting the Second Amended Accusation.

13 5. A copy of Second Amended Accusation No. 800-2018-048265 is attached as Exhibit
14 A and incorporated herein by reference.

15 ADVISEMENT AND WAIVERS

16 6. Respondent has carefully read, fully discussed with counsel, and understands the
17 charges and allegations in Second Amended Accusation No. 800-2018-048265. Respondent has
18 also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated
19 Settlement and Disciplinary Order.

20 7. Respondent is fully aware of his legal rights in this matter, including the right to a
21 hearing on the charges and allegations in the Second Amended Accusation; the right to confront
22 and cross-examine the witnesses against him; the right to present evidence and to testify on his
23 own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the
24 production of documents; the right to reconsideration and court review of an adverse decision;
25 and all other rights accorded by the California Administrative Procedure Act and other applicable
26 laws.

27 8. Respondent freely, voluntarily, knowingly, and intelligently waives and gives up each
28 and every right set forth above.

1 **CULPABILITY**

2 9. Respondent understands and agrees that the charges and allegations in Second
3 Amended Accusation No. 800-2018-048265, if proven at a hearing, constitute cause for imposing
4 discipline upon his Physician's and Surgeon's Certificate.

5 10. Respondent agrees that, at a hearing, Complainant could establish a prima facie
6 factual basis for the charges in the Second Amended Accusation, and that Respondent hereby
7 gives up his right to contest those charges.

8 11. Respondent does not contest that, at an administrative hearing, complainant could
9 establish a prima facie case with respect to the charges and allegations in Second Amended
10 Accusation No. 800-2018-048265, a true and correct copy of which is attached hereto as Exhibit
11 A, and that he has thereby subjected his Physician's and Surgeon's Certificate Number A 97202 to
12 disciplinary action.

13 12. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
14 discipline and he agrees to be bound by the Board's imposition of discipline as set forth in the
15 Disciplinary Order below.

16 **CONTINGENCY**

17 13. This stipulation shall be subject to approval by the Medical Board of California.
18 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
19 Board of California may communicate directly with the Board regarding this stipulation and
20 settlement, without notice to or participation by Respondent or his counsel. By signing the
21 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
22 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
23 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
24 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
25 action between the parties, and the Board shall not be disqualified from further action by having
26 considered this matter.

27 14. The parties understand and agree that Portable Document Format (PDF) and facsimile
28 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile

1 signatures thereto, shall have the same force and effect as the originals.

2 15. In consideration of the foregoing admissions and stipulations, the parties agree that
3 the Board may, without further notice or opportunity to be heard by the Respondent, issue and
4 enter the following Disciplinary Order:

5 **DISCIPLINARY ORDER**

9 related preparation beginning January 1, 2022, in the amount of \$14,997.00 (fourteen thousand
10 nine hundred ninety-seven dollars and no cents). Costs shall be payable to the Medical Board of
11 California. Failure to pay such costs shall be considered a violation of this public reprimand and
12 shall be grounds for further discipline.

13 Any and all requests for a payment plan shall be submitted in writing by Respondent to the
14 Board.

15 The filing of bankruptcy by Respondent shall not relieve Respondent of the responsibility
16 to repay investigation and enforcement costs, including expert review costs.

17 F. **VIOLATION OF PUBLIC REPRIMAND.** Failure to fully comply with any
18 term or condition of this public reprimand is a violation of this stipulation. If Respondent violates

21 Accusation, or Petition to Revoke Probation, or an Interim Suspension Order is filed against
22 Respondent during the public reprimand, the Board shall have continuing jurisdiction until the
23 matter is final, and the period of this public reprimand shall be extended until the matter is final.

24 G. **LICENSE SURRENDER.** Following the effective date of this Decision, if
25 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
26 the terms and conditions of this public reprimand, Respondent may request to surrender his
27 license. The Board reserves the right to evaluate Respondent's request and to exercise its
28 discretion in determining whether or not to grant the request, or to take any other action deemed

1 appropriate and reasonable under the circumstances. Upon formal acceptance of the surrender,
2 Respondent shall within 15 calendar days deliver Respondent's wallet and wall certificate to the
3 Board or its designee and Respondent shall no longer practice medicine. Respondent will no
4 longer be subject to the terms and conditions of this public reprimand. If Respondent re-applies

6 certificate.

7 H. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or
8 reapply for a new license or certification, or petition for reinstatement of a license, by any other
9 health care licensing action agency in the State of California, the charges and allegations
10 contained in Second Amended Accusation No. 800-2018-040169 shall be deemed to be true,
11 correct, and admitted by Respondent for the purpose of any Statement of Issues or any other
12 proceeding seeking to deny or restrict license.

5 **FIRST CAUSE FOR DISCIPLINE**

6 **(Gross Negligence)**

7 14. Respondent Jaron Ross Andersen, M.D. is subject to disciplinary action under Code
8 section 2234, subdivision (b), in that he failed to remove the non-sterile contaminated cannulated
9 femur reamer, which had retained debris in it, and all other instruments that were in contact with
10 it, out of the sterile surgical field and to request a second sterile instrument tray in his care and
11 treatment of Patient A.¹ The circumstances are as follows:

12 15. On or about June 16, 2017, Patient A, a then fifty-nine-year-old male, presented to the
13 emergency room at California Hospital Medical Center after he had fallen from a ladder injuring
14 his left leg. He was found to have intertrochanteric² three-fragment fractures with displacement
15 of his left femur, among other injuries. He was admitted to the hospital for an open reduction
16 with internal fixation surgery.

17 16. On or about June 18, 2017, the patient was taken to the operating room where
18 Respondent was scheduled to perform a left proximal femur open reduction surgery with internal
19 fixation of the intertrochanteric fracture with intramedullary nailing.³ During the surgery, after
20 Respondent had inserted a wire into the patient's femur, he attempted to use a cannulated reamer⁴

21 ¹ For privacy, the patient in this Accusation is identified as Patient A. The patient's full
22 name will be disclosed to Respondent upon a timely request for discovery pursuant to
Government Code section 11507.6.

23 ² Intertrochanteric fracture is the fracture of the proximal femur located in the metaphyseal
24 bone in the region between the greater and lesser trochanters, which is a broad, flat process on the
25 femur, at the upper end of its lateral surface (greater trochanter), or a short conical process on the
posterior border of the base of its neck (lesser trochanter).

26 ³ Intramedullary nailing is surgery to repair a broken bone and keep it stable. A permanent
27 nail or rod is placed into the center of the bone that will help an individual to put weight on the
bone.

28 ⁴ A cannulated reamer is a medical device that allows a surgeon to remove bone in order
to place a rod or nail in a patient's bone.

1 and insert it into the femur, but noticed it would not go into the femur for more than a couple of
2 inches. He removed the reamer and noticed there was an obstruction in it (normally the inside of
3 the reamer is clear and one can see light at the end of it if one looks through it). Respondent
4 banged the reamer on the table and a wire came out indicating that the reamer had been
5 previously used and had not been properly sterilized and disinfected. Instead of removing the
6 contaminated reamer and all other instruments that had been in contact with it out of the surgical
7 field and ordering another sterile instrument tray, Respondent removed the retained wire from the
8 reamer and flushed the reamer with Betadine and saline, and continued with the surgery utilizing
9 the contaminated reamer. This exposed the patient to an increased risk for acquiring a surgical
10 wound infection.

11 17. In his operative report, Respondent failed to document the incident with the
12 contaminated cannulated reamer and his use of Betadine and saline in an attempt to sterilize the
13 contaminated instrument. In addition, the operative report contains numerous blank entries where
14 the transcriber was not able to transcribe all of Respondent's dictation; however, he failed to
15 augment his operative report.

16 18. Respondent's acts and omissions, collectively, constitute gross negligence in his care
17 and treatment of Patient A when he continued to utilize and failed to remove the contaminated
18 cannulated reamer on the patient after he discovered it had retained debris from a prior procedure
19 and had not been properly sterilized or disinfected, and failed to order a second sterile instrument
20 tray to utilize during the remainder of the procedure.
