LICENSE AND ORDER**

20
21 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
22 entitled proceedings that the following matters are true:

23 **PARTIES**

24 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
25 California (Board). He brought this action solely in his official capacity and is represented in this
26 matter by Rob Bonta, Attorney General of the State of California, by Megan R. O'Carroll, Deputy
27 Attorney General.

28 ///

1 2. David Leroy Sprenger, M.D. (Respondent) is represented in this proceeding by
2 attorney Steven L. Simas, whose address is: 354 Pacific Street, San Luis Obispo, CA 93401.

3 3. On or about August 20, 2004, the Board issued Physician's and Surgeon's Certificate
4 No. G 87304 to David Leroy Sprenger, M.D. (Respondent). The Physician's and Surgeon's
5 Certificate was in full force and effect at all times relevant to the charges brought in Accusation
6 No. 800-2019-058419 and will expire on January 31, 2022, unless renewed.

7 **JURISDICTION**

8 4. Accusation No. 800-2019-058419 was filed before the Board, and is currently
9 pending against Respondent. The Accusation and all other statutorily required documents were
10 properly served on Respondent on December 31, 2021. Respondent timely filed his Notice of
11 Defense contesting the Accusation. A copy of Accusation No. 800-2019-058419 is attached as
12 Exhibit A and incorporated by reference.

13 **ADVISEMENT AND WAIVERS**

14 5. Respondent has carefully read, fully discussed with counsel, and understands the
15 charges and allegations in Accusation No. 800-2019-058419. Respondent also has carefully read,
16 fully discussed with counsel, and understands the effects of this Stipulated Surrender of License
17 and Order.

18 6. Respondent is fully aware of his legal rights in this matter, including the right to a
19 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
20 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
21 to the issuance of subpoenas to compel the attendance of witnesses and the production of
22 documents; the right to reconsideration and court review of an adverse decision; and all other
23 rights accorded by the California Administrative Procedure Act and other applicable laws.

24 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
25 every right set forth above.

26 ///

27 ///

28 ///

1 **CULPABILITY**

2 8. Respondent understands that the charges and allegations in Accusation No. 800-2019-
3 058419, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and
4 Surgeon's Certificate.

5 9. For the purpose of resolving the Accusation without the expense and uncertainty of
6 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual
7 basis for the charges in the Accusation and that those charges constitute cause for discipline.
8 Respondent hereby gives up his right to contest that cause for discipline exists based on those
9 charges.

10 10. Respondent understands that by signing this stipulation he enables the Board to issue
11 an order accepting the surrender of his Physician's and Surgeon's Certificate without further
12 process.

13 **CONTINGENCY**

14 11. This stipulation shall be subject to approval by the Board. Respondent understands
15 and agrees that counsel for Complainant and the staff of the Board may communicate directly
16 with the Board regarding this stipulation and surrender, without notice to or participation by
17 Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he
18 may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board
19 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,
20 the Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this
21 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
22 be disqualified from further action by having considered this matter.

23 12. The parties understand and agree that Portable Document Format (PDF) and facsimile
24 copies of this Stipulated Surrender of License and Order, including PDF and facsimile signatures
25 thereto, shall have the same force and effect as the originals.

26 13. In consideration of the foregoing admissions and stipulations, the parties agree that
27 the Board may, without further notice or formal proceeding, issue and enter the following Order:
28 ///

1 **ORDER**

2 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 87304, issued
3 to Respondent David Leroy Sprenger, M.D., is surrendered and accepted by the Board.

4 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the
5 acceptance of the surrendered license by the Board shall constitute the imposition of discipline
6 against Respondent. This stipulation constitutes a record of the discipline and shall become a part
7 of Respondent's license history with the Board.

8 2. Respondent shall lose all rights and privileges as a Physician and Surgeon in
9 California as of the effective date of the Board's Decision and Order.

10 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was
11 issued, his wall certificate on or before the effective date of the Decision and Order.

12 4. If Respondent ever files an application for licensure or a petition for reinstatement in
13 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must
14 comply with all the laws, regulations and procedures for reinstatement of a revoked or
15 surrendered license in effect at the time the petition is filed, and all of the charges and allegations
16 contained in Accusation No. 800-2019-058419 shall be deemed to be true, correct and admitted
17 by Respondent when the Board determines whether to grant or deny the petition.

18 5. Respondent shall pay the agency its costs of investigation and enforcement in the
19 amount of \$7,991.25 prior to issuance of a new or reinstated license.

20 6. If Respondent should ever apply or reapply for a new license or certification, or
21 petition for reinstatement of a license, by any other health care licensing agency in the State of
22 California, all of the charges and allegations contained in Accusation, No. 800-2019-058419 shall
23 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of
24 Issues or any other proceeding seeking to deny or restrict licensure.

25 **ACCEPTANCE**

1 JURISDICTION

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227 of the Code provides that a licensee who is found guilty under the
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other
8 action taken in relation to discipline as the Board deems proper.

9 5. Section 820 of the Code states:

10 "Whenever it appears that any person holding a license, certificate or permit under this
11 division or under any initiative act referred to in this division may be unable to practice his or her
12 profession safely because the licentiate's ability to practice is impaired due to mental illness, or
13 physical illness affecting competency, the licensing agency may order the licentiate to be
14 examined by one or more physicians and surgeons or psychologists designated by the agency.
15 The report of the examiners shall be made available to the licentiate and may be received as direct
16 evidence in proceedings conducted pursuant to Section 822."

17 6. Section 822 of the Code states:

18 If a licensing agency determines that its licentiate's ability to practice his or her
19 profession safely is impaired because the licentiate is mentally ill, or physically ill
20 affecting competency, the licensing agency may take action by any one of the
21 following methods:

22 (a) Revoking the licentiate's certificate or license.

23 (b) Suspending the licentiate's right to practice.

24 (c) Placing the licentiate on probation.

25 (d) Taking such other action in relation to the licentiate as the licensing agency
26 in its discretion deems proper.

27 The licensing section shall not reinstate a revoked or suspended certificate or
28 license until it has received competent evidence of the absence or control of the
condition which caused its action and until it is satisfied that with due regard for the
public health and safety the person's right to practice his or her profession may be
safely reinstated.

1 7. Section 125.3 of the Code provides, in pertinent part, that the Board may request the
2 administrative law judge to direct a licensee found to have committed a violation or violations of
3 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
4 enforcement of the case, with failure of the licensee to comply subjecting the license to not being
5 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
6 included in a stipulated settlement.

7 **FACTUAL ALLEGATIONS**

8 8. On or about July 17, 2019, Respondent was in a motorized bicycle accident, causing
9 multiple traumatic injuries that required hospitalization. During his hospital course, he suffered a
10 stroke.

11 9. On or about August 7, 2019, Medical Board of California received an anonymous
12 complaint alleging that Respondent was incapacitated and that his medical corporation was
13 operating without a current medical director. The Medical Board commenced an investigation,
14 during which Respondent was interviewed and voluntarily agreed to submit to a mental
15 evaluation.

16 10. On or about May 12, 2021, Respondent was evaluated by a clinical
17 neuropsychologist. The neuropsychologist conducted a clinical interview with Respondent and
18 performed a full neuropsychological evaluation, including a battery of tests designed to measure
19 cognitive function. Following the assessment, the psychologist diagnosed Respondent with
20 Major Vascular Neurocognitive Disorder, secondary to stroke. The neuropsychologist concluded
21 that Respondent's condition has caused significant impairments in the moderate to severe range.
22 These impairments include loss of executive functions in areas such as sustained attention and
23 concentration, distractibility, new learning, sequencing, visual scanning, and abstract thinking.
24 The neuropsychologist opined that these are indications of significant cerebral trauma. As a
25 result of these impairments, the neuropsychologist concluded that Respondent's ability to practice
26 medicine is impaired at this time and that Respondent is not able to practice medicine safely.
