3 9. Government Code section 11506 states, in pertinent part:

4 (c) The respondent shall be entitled to a hearing on the merits if the respondent  
5 files a notice of defense, and the notice shall be deemed a specific denial of all parts  
6 of the accusation not expressly admitted. Failure to file a notice of defense shall  
7 constitute a waiver of respondent's right to a hearing, but the agency in its discretion  
8 may nevertheless grant a hearing.

9 10. To date, Respondent has not filed a Notice of Defense. (Exhibit D ¶ 9.)

10 11. Respondent failed to file a Notice of Defense within 15 days after service upon him  
11 of the Accusation, and therefore waived his right to a hearing on the merits of Accusation No.  
12 800-2019-060299.

13 12. California Government Code section 11520 states, in pertinent part:

14 (a) If the respondent either fails to file a notice of defense or to appear at the  
15 hearing, the agency may take action based upon the respondent's express admissions  
16 or upon other evidence and affidavits may be used as evidence without any notice to  
17 respondent.

18 13. Pursuant to its authority under Government Code section 11520, the Board finds  
19 Respondent is in default. The Board will take action without further hearing and, based on  
20 Respondent's express admissions by way of default and the evidence before it as contained in the  
21 separate accompanying Default Decision Evidence Packet, Exhibits A through F, finds that the  
22 allegations in Accusation No. 800-2019-060299, and each of them, separately and severally, are  
23 true and correct.

24 14. Section 118 of the Code states, in pertinent part:

25 ...

26 (b) The suspension, expiration, or forfeiture by operation of law of a license  
27 issued by a board in the department, or its suspension, forfeiture, or cancellation by  
28 order of the board or by order of a court of law, or its surrender without the written  
consent of the board, shall not, during any period in which it may be renewed,  
restored, reissued, or reinstated, deprive the board of its authority to institute or  
continue a disciplinary proceeding against the licensee upon any ground provided by  
law or to enter an order suspending or revoking the license or otherwise taking  
disciplinary action against the licensee on any such ground.

...

1 15. Section 494.5 of the Code states, in pertinent part:

2 (a)(1) Except as provided in paragraphs (2), (3), and (4), a state governmental  
3 licensing entity shall refuse to issue, reactivate, reinstate, or renew a license and shall  
4 suspend a license if a licensee's name is included on a certified list.

4 ...

5 (b) For purposes of this section:

6 (1) "Certified list" means either the list provided by the State Board of  
7 Equalization or the list provided by the Franchise Tax Board of persons whose names  
8 appear on the lists of the 500 largest tax delinquencies pursuant to Section 7063 or  
9 19195 of the Revenue and Taxation Code, as applicable.

10 (2) "License" includes a certificate, registration, or any other authorization to  
11 engage in a profession or occupation issued by a state governmental licensing entity.  
12 "License" includes a driver's license issued pursuant to Chapter 1 (commencing with  
13 Section 12500) of Division 6 of the Vehicle Code. "License" excludes a vehicle  
14 registration issued pursuant to Division 3 (commencing with Section 4000) of the  
15 Vehicle Code.

16 (3) "Licensee" means an individual authorized by a license to drive a motor  
17 vehicle or authorized by a license, certificate, registration, or other authorization to  
18 engage in a profession or occupation issued by a state governmental licensing entity.

19 (4) "State governmental licensing entity" means any entity listed in Section  
20 101, 1000, or 19420, the office of the Attorney General, the Department of Insurance,  
21 the Department of Motor Vehicles, the State Bar of California, the Department of  
22 Real Estate, and any other state agency, board, or commission that issues a license,  
23 certificate, or registration authorizing an individual to engage in a profession or  
24 occupation, including any certificate, business or occupational license, or permit or  
25 license issued by the Department of Motor Vehicles or the Department of the  
26 California Highway Patrol. "State governmental licensing entity" shall not include the  
27 Contractors State License Board.

28 (c) The State Board of Equalization and the Franchise Tax Board shall each  
submit its respective certified list to every state governmental licensing entity. The  
certified lists shall include the name, social security number or taxpayer identification  
number, and the last known address of the persons identified on the certified lists.

...  
28

(e)(1) Each state governmental licensing entity shall determine whether an  
applicant or licensee is on the most recent certified list provided by the State Board of  
Equalization and the Franchise Tax Board.

(2) If an applicant or licensee is on either of the certified lists, the state  
governmental licensing entity shall immediately provide a preliminary notice to the  
applicant or licensee of the entity's intent to suspend or withhold issuance or renewal  
of the license. The preliminary notice shall be delivered personally or by mail to the  
applicant's or licensee's last known mailing address on file with the state

///

1 governmental licensing entity within 30 days of receipt of the certified list. Service by  
2 mail shall be completed in accordance with Section 1013 of the Code of Civil  
3 Procedure.

4 ...

5 (f)(1) A state governmental licensing entity shall refuse to issue or shall  
6 suspend a license pursuant to this section no sooner than 90 days and no later than  
7 120 days of the mailing of the preliminary notice described in paragraph (2) of  
8 subdivision (e), unless the state governmental licensing entity has received a release  
9 pursuant to subdivision (h). The procedures in the administrative adjudication  
10 provisions of the Administrative Procedure Act (Chapter 4.5 (commencing with  
11 Section 11400) and Chapter 5 (commencing with Section 11500) of Part 1 of  
12 Division 3 of Title 2 of the Government Code) shall not apply to the denial or  
13 suspension of, or refusal to renew, a license or the issuance of a temporary license  
14 pursuant to this section.

15 ...

16 (g) Notices shall be developed by each state governmental licensing entity. For  
17 an applicant or licensee on the State Board of Equalization's certified list, the notice  
18 shall include the address and telephone number of the State Board of Equalization,  
19 and shall emphasize the necessity of obtaining a release from the State Board of  
20 Equalization as a condition for the issuance, renewal, or continued valid status of a  
21 license or licenses. For an applicant or licensee on the Franchise Tax Board's certified  
22 list, the notice shall include the address and telephone number of the Franchise Tax  
23 Board, and shall emphasize the necessity of obtaining a release from the Franchise  
24 Tax Board as a condition for the issuance, renewal, or continued valid status of a  
25 license or licenses.

26 ...

27 (2) The notice shall inform the licensee that any license suspended under this  
28 section will remain suspended until the state governmental licensing entity receives a  
release along with applications and fees, if applicable, to reinstate the license.

...

(h) If the applicant or licensee wishes to challenge the submission of their name  
on a certified list, the applicant or licensee shall make a timely written request for  
release to the State Board of Equalization or the Franchise Tax Board, whichever is  
applicable. The State Board of Equalization or the Franchise Tax Board shall  
immediately send a release to the appropriate state governmental licensing entity and  
the applicant or licensee, if any of the following conditions are met:

(1) The applicant or licensee has complied with the tax obligation, either by  
payment of the unpaid taxes or entry into an installment payment agreement, as  
described in Section 6832 or 19008 of the Revenue and Taxation Code, to satisfy the  
unpaid taxes.

(2) The applicant or licensee has submitted a request for release not later than  
45 days after the applicant's or licensee's receipt of a preliminary notice described in  
paragraph (2) of subdivision (e), but the State Board of Equalization or the Franchise  
Tax Board, whichever is applicable, will be unable to complete the release review and  
send notice of its findings to the applicant or licensee and state governmental  
licensing entity within 45 days after the State Board of Equalization's or the Franchise

1 Tax Board's receipt of the applicant's or licensee's request for release. Whenever a  
2 release is granted under this paragraph, and, notwithstanding that release, the  
3 applicable license or licenses have been suspended erroneously, the state  
4 governmental licensing entity shall reinstate the applicable licenses with retroactive  
effect back to the date of the erroneous suspension and that suspension shall not be  
reflected on any license record.

5 (3) The applicant or licensee is unable to pay the outstanding tax obligation due  
6 to a current financial hardship. "Financial hardship" means financial hardship as  
7 determined by the State Board of Equalization or the Franchise Tax Board, whichever  
8 is applicable, where the applicant or licensee is unable to pay any part of the  
9 outstanding liability and the applicant or licensee is unable to qualify for an  
10 installment payment arrangement as provided for by Section 6832 or Section 19008  
of the Revenue and Taxation Code. In order to establish the existence of a financial  
hardship, the applicant or licensee shall submit any information, including  
information related to reasonable business and personal expenses, requested by the  
State Board of Equalization or the Franchise Tax Board, whichever is applicable, for  
purposes of making that determination.

11 (i) An applicant or licensee is required to act with diligence in responding to  
12 notices from the state governmental licensing entity and the State Board of  
13 Equalization or the Franchise Tax Board with the recognition that the temporary  
14 license will lapse or the license suspension will go into effect after 90 days and that  
15 the State Board of Equalization or the Franchise Tax Board must have time to act  
16 within that period. An applicant's or licensee's delay in acting, without good cause,  
17 which directly results in the inability of the State Board of Equalization or the  
Franchise Tax Board, whichever is applicable, to complete a review of the applicant's  
or licensee's request for release shall not constitute the diligence required under this  
section which would justify the issuance of a release. An applicant or licensee shall  
have the burden of establishing that they diligently responded to notices from the  
state governmental licensing entity or the State Board of Equalization or the  
Franchise Tax Board and that any delay was not without good cause.

18 (j) The State Board of Equalization or the Franchise Tax Board shall create  
19 release forms for use pursuant to this section. When the applicant or licensee has  
20 complied with the tax obligation by payment of the unpaid taxes, or entry into an  
21 installment payment agreement, or establishing the existence of a current financial  
22 hardship as defined in paragraph (3) of subdivision (h), the State Board of  
23 Equalization or the Franchise Tax Board, whichever is applicable, shall mail a release  
24 form to the applicant or licensee and provide a release to the appropriate state  
25 governmental licensing entity. Any state governmental licensing entity that has  
26 received a release from the State Board of Equalization and the Franchise Tax Board  
27 pursuant to this subdivision shall process the release within five business days of its  
28 receipt. If the State Board of Equalization or the Franchise Tax Board determines  
subsequent to the issuance of a release that the licensee has not complied with their  
installment payment agreement, the State Board of Equalization or the Franchise Tax  
Board, whichever is applicable, shall notify the state governmental licensing entity  
and the licensee in a format prescribed by the State Board of Equalization or the  
Franchise Tax Board, whichever is applicable, that the licensee is not in compliance  
and the release shall be rescinded. The State Board of Equalization and the Franchise  
Tax Board may, when it is economically feasible for the state governmental licensing  
entity to develop an automated process for complying with this subdivision, notify the  
state governmental licensing entity in a manner prescribed by the State Board of  
Equalization or the Franchise Tax Board, whichever is applicable, that the licensee  
has not complied with the installment payment agreement. Upon receipt of this

1 notice, the state governmental licensing entity shall immediately notify the licensee  
2 on a form prescribed by the state governmental licensing entity that the licensee's  
3 license will be suspended on a specific date, and this date shall be no longer than 30  
4 days from the date the form is mailed. The licensee shall be further notified that the  
5 license will remain suspended until a new release is issued in accordance with this  
6 subdivision.

7 ...

8 (m) The process described in subdivision (h) shall constitute the sole  
9 administrative remedy for contesting the issuance of a temporary license or the denial  
10 or suspension of a license under this section.

11 ...

12 (r) If any provision of this section or the application thereof to any person or  
13 circumstance is held invalid, that invalidity shall not affect other provisions or  
14 applications of this section that can be given effect without the invalid provision or  
15 application, and to this end the provisions of this section are severable.

16 (s) All rights to review afforded by this section to an applicant shall also be  
17 afforded to a licensee.

18 (t) Unless otherwise provided in this section, the policies, practices, and  
19 procedures of a state governmental licensing entity with respect to license  
20 suspensions under this section shall be the same as those applicable with respect to  
21 suspensions pursuant to Section 17520 of the Family Code.

22 ...

23 16. Section 2021 of the Code states, in pertinent part:

24 ...

25 (b) Each licensee shall report to the board each and every change of address,  
26 including an email address, within 30 days after each change, giving both the old and  
27 new address. If an address reported to the board at the time of application for  
28 licensure or subsequently is a post office box, the applicant shall also provide the  
board with a street address. If another address is the licensee's address of record, the  
licensee may request that the second address not be disclosed to the public.

...

17. Section 2052 of the Code states, in pertinent part:

(a) Notwithstanding Section 146, any person who practices or attempts to  
practice, or who advertises or holds himself or herself out as practicing, any system or  
mode of treating the sick or afflicted in this state, or who diagnoses, treats, operates  
for, or prescribes for any ailment, blemish, deformity, disease, disfigurement,  
disorder, injury, or other physical or mental condition of any person, without having  
at the time of so doing a valid, unrevoked, or unsuspended certificate as provided in  
this chapter [Chapter 5, the Medical Practice Act], or without being authorized to

The board shall enforce and administer this article as to physician and surgeon certificate holders, including those who hold certificates that do not permit them to practice medicine...

19. Section 2225 of the Code states, in pertinent part:

...

(e) If documents are lawfully requested from licensees in accordance with this section by the Attorney General or his or her agents or deputies, or investigators of the board or the California Board of Podiatric Medicine, the documents shall be provided within 15 business days of receipt of the request, unless the licensee is unable to provide the documents within this time period for good cause, including, but not limited to, physical inability to access the records in the time allowed due to illness or travel. Failure to produce requested documents or copies thereof, after being informed of the required deadline, shall constitute unprofessional conduct. The board may use its authority to cite and fine a physician and surgeon for any violation of this section. This remedy is in addition to any other authority of the board to sanction a licensee for a delay in producing requested records.

3           the Medical Quality Hearing Panel as designated in Section 11371 of the Government  
4           Code, or whose default has been entered, and who is found guilty, or who has entered  
5           into a stipulation for disciplinary action with the board, may, in accordance with the

22                  (a) Violating or attempting to violate, directly or indirectly, assisting in or  
23           abetting the violation of, or conspiring to violate any provision of this chapter.

24           ...

25                  (e) The commission of any act involving dishonesty or corruption that is  
26           substantially related to the qualifications, functions, or duties of a physician and  
27           surgeon.

28           ...

                (g) The failure by a certificate holder, in the absence of good cause, to attend  
                and participate in an interview by the board. This subdivision shall only apply to a  
                certificate holder who is the subject of an investigation by the board.

29           23. Unprofessional conduct under section 2234 of the Code is conduct which breaches  
30           the rules or ethical code of the medical profession, or conduct which is unbecoming a member in  
31           good standing of the medical profession, and which demonstrates an unfitness to practice  
32           medicine. (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 564, 575.)

1           24. Section 2238 of the Code states:

12           26. Section 2456.3 of the Code states:

16 and any other fees required by Section 2455. Except as provided in Section 2456.2,  
17 renewal under this section shall be effective on the date on which the renewal  
18 application is filed, on the date on which the renewal fee or accrued renewal fees are  
19 paid, or on the date on which the delinquency fee or the delinquency fee and penalty  
20 fee, if any, are paid, whichever last occurs. If so renewed, the license shall continue in  
21 effect through the expiration date set forth in Section 2456.1 which next occurs after  
22 the effective date of the renewal.

investigation and enforcement of the case.

                  (b) In the case of a disciplined licensee that is a corporation or a partnership, the  
order may be made against the licensed corporate entity or licensed partnership.
