STIPULATED SURRENDER OF
LICENSE AND ORDER

18 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
19 entitled proceedings that the following matters are true:

20 **PARTIES**

21 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
22 California (Board). He brought this action solely in his official capacity and is represented in this
23 matter by Rob Bonta, Attorney General of the State of California, by Brian D. Bill, Deputy
24 Attorney General.

25 2. SUNIL A. ROY, M.D. (Respondent) is represented in this proceeding by attorney
26 Gary Wittenberg, whose address is: 1901 Avenue of the Stars, Suite 1750, Los Angeles, CA
27 90067.

28 3. On or about February 21, 1984, the Board issued Physician's and Surgeon's

1 Certificate No. A 40667 to Respondent. The Physician's and Surgeon's Certificate was in full
2 force and effect at all times relevant to the charges brought in Accusation No. 800-2019-056885
3 and will expire on December 31, 2023, unless renewed.

4 **JURISDICTION**

5 4. Accusation No. 800-2019-056885 was filed before the Board, and is currently
6 pending against Respondent. The Accusation and all other statutorily required documents were
7 properly served on Respondent on February 15, 2022. Respondent timely filed his Notice of
8 Defense contesting the Accusation. A copy of Accusation No. 800-2019-056885 is attached as
9 Exhibit A and incorporated by reference.

10 **ADVISEMENT AND WAIVERS**

11 5. Respondent has carefully read, fully discussed with counsel, and understands the
12 charges and allegations in Accusation No. 800-2019-056885. Respondent also has carefully read,
13 fully discussed with counsel, and understands the effects of this Stipulated Surrender of License
14 and Order.

15 6. Respondent is fully aware of his legal rights in this matter, including the right to a
16 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
17 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
18 to the issuance of subpoenas to compel the attendance of witnesses and the production of
19 documents; the right to reconsideration and court review of an adverse decision; and all other
20 rights accorded by the California Administrative Procedure Act and other applicable laws.

21 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
22 every right set forth above.

23 **CULPABILITY**

24 8. Respondent understands that the charges and allegations in Accusation No. 800-2019-
25 056885, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and
26 Surgeon's Certificate.

27 9. For the purpose of resolving the Accusation without the expense and uncertainty of
28 further proceedings, Respondent gives up his right to contest that, at a hearing, Complainant

1 could establish a prima facie case with respect to the charges in the Accusation and that those
2 charges constitute cause for discipline. Respondent hereby gives up his right to contest that
3 cause for discipline exists based on those charges.

4 10. Respondent understands that by signing this stipulation he enables the Board to issue
5 an order accepting the surrender of his Physician's and Surgeon's Certificate without further
6 process.

7 **CONTINGENCY**

8 11. This stipulation shall be subject to approval by the Board. Respondent understands
9 and agrees that counsel for Complainant and the staff of the Board may communicate directly
10 with the Board regarding this stipulation and surrender, without notice to or participation by
11 Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he
12 may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board
13 considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order,
14 the Stipulated Surrender and Disciplinary Order shall be of no force or effect, except for this
15 paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not
16 be disqualified from further action by having considered this matter.

17 12. This Stipulated Surrender of License and Order is intended by the parties herein to be
18 an integrated writing representing the complete, final and exclusive embodiment of the agreement
19 of the parties in this above entitled matter

20 13. The parties understand and agree that Portable Document Format (PDF) and facsimile
21 copies of this Stipulated Surrender of License and Order, including PDF and facsimile signatures
22 thereto, shall have the same force and effect as the originals.

23 14. In consideration of the foregoing admissions and stipulations, the parties agree that
24 the Board may, without further notice or formal proceeding, issue and enter the following Order:

ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 40667, issued to Respondent SUNIL A. ROY, M.D., is surrendered and accepted by the Board.

1. The surrender of Respondent's Physician's and Surgeon's Certificate and the acceptance of the surrendered license by the Board shall constitute the imposition of discipline against Respondent. This stipulation constitutes a record of the discipline and shall become a part of Respondent's license history with the Board.

2. Respondent shall lose all rights and privileges as a Physician and Surgeon in California as of the effective date of the Board's Decision and Order.

3. Respondent shall cause to be delivered to the Board his pocket license and, if one was issued, his wall certificate on or before the effective date of the Decision and Order.

4. If Respondent ever files an application for licensure or a petition for reinstatement in the State of California, the Board shall treat it as a petition for reinstatement. Respondent must comply with all the laws, regulations and procedures for reinstatement of a revoked or surrendered license in effect at the time the petition is filed, and all of the charges and allegations contained in Accusation No. 800-2019-056885 shall be deemed to be true, correct and admitted by Respondent when the Board determines whether to grant or deny the petition.

5. Respondent shall pay the agency its costs of enforcement in the amount of sixteen thousand five hundred forty seven dollars and fifty cents (\$16,547.50) prior to issuance of a new or reinstated license.

6. If Respondent should ever apply or reapply for a new license or certification, or petition for reinstatement of a license, by any other health care licensing agency in the State of California, all of the charges and allegations contained in Accusation No. 800-2019-056885 shall be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or restrict licensure.

1 **JURISDICTION**

2 3. This Accusation is brought before the Board, under the authority of the following
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise
4 indicated.

5 4. Section 2227 of the Code provides that a licensee who is found guilty under the
6 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
7 one year, placed on probation and required to pay the costs of probation monitoring, or such other
8 action taken in relation to discipline as the Board deems proper.

9 5. Section 726 of the Code states:

10 (a) The commission of any act of sexual abuse, misconduct, or relations with a
11 patient, client, or customer constitutes unprofessional conduct and grounds for
12 disciplinary action for any person licensed under this or under any initiative act
13 referred to in this division.

14 (b) This section shall not apply to consensual sexual contact between a licensee
15 and his or her spouse or person in an equivalent domestic relationship when that
16 licensee provides medical treatment, to his or her spouse or person in an equivalent
17 domestic relationship.

18 6. Section 729 of the Code states:

19 (a) Any physician and surgeon, psychotherapist, alcohol and drug abuse
20 counselor or any person holding himself or herself out to be a physician and surgeon,
21 psychotherapist, or alcohol and drug abuse counselor, who engages in an act of sexual
22 intercourse, sodomy, oral copulation, or sexual contact with a patient or client, or
23 with a former patient or client when the relationship was terminated primarily for the
24 purpose of engaging in those acts, unless the physician and surgeon, psychotherapist,
25 or alcohol and drug abuse counselor has referred the patient or client to an
26 independent and objective physician and surgeon, psychotherapist, or alcohol and
27 drug abuse counselor recommended by a third-party physician and surgeon,
28 psychotherapist, or alcohol and drug abuse counselor for treatment, is guilty of sexual
exploitation by a physician and surgeon, psychotherapist, or alcohol and drug abuse
counselor.

(b) Sexual exploitation by a physician and surgeon, psychotherapist, or alcohol
and drug abuse counselor is a public offense:

(1) An act in violation of subdivision (a) shall be punishable by imprisonment
in a county jail for a period of not more than six months, or a fine not exceeding one
thousand dollars (\$1,000), or by both that imprisonment and fine.

(2) Multiple acts in violation of subdivision (a) with a single victim, when the
offender has no prior conviction for sexual exploitation, shall be punishable by
imprisonment in a county jail for a period of not more than six months, or a fine not
exceeding one thousand dollars (\$1,000), or by both that imprisonment and fine.

1 ...
2 For purposes of subdivision (a), in no instance shall consent of the patient or
3 client be a defense. However, physicians and surgeons shall not be guilty of sexual
4 exploitation for touching any intimate part of a patient or client unless the touching is
5 outside the scope of medical examination and treatment, or the touching is done for
6 sexual gratification.

7 (c) For purposes of this section:

8 ...
9 (3) "Sexual contact" means sexual intercourse or the touching of an intimate
10 part of a patient for the purpose of sexual arousal, gratification, or abuse.

11 (4) "Intimate part" and "touching" have the same meanings as defined in
12 Section 243.4 of the Penal Code.

13
14 7. Section 2234 of the Code, states:

15 The board shall take action against any licensee who is charged with
16 unprofessional conduct. In addition to other provisions of this article, unprofessional
17 conduct includes, but is not limited to, the following:

18 (a) Violating or attempting to violate, directly or indirectly, assisting in or
19 abetting the violation of, or conspiring to violate any provision of this chapter.

20 (b) Gross negligence.

21 (c) Repeated negligent acts. To be repeated, there must be two or more
22 negligent acts or omissions. An initial negligent act or omission followed by a
23 separate and distinct departure from the applicable standard of care shall constitute
24 repeated negligent acts.

25 (1) An initial negligent diagnosis followed by an act or omission medically
26 appropriate for that negligent diagnosis of the patient shall constitute a single
27 negligent act.

28 (2) When the standard of care requires a change in the diagnosis, act, or
omission that constitutes the negligent act described in paragraph (1), including, but
not limited to, a reevaluation of the diagnosis or a change in treatment, and the
licensee's conduct departs from the applicable standard of care, each departure
constitutes a separate and distinct breach of the standard of care.

...
(e) The commission of any act involving dishonesty or corruption which is
substantially related to the qualifications, functions, or duties of a physician and
surgeon.

///

1 8. California Code of Regulations, title 16, section 1360, subdivision (a), states:

2 For the purposes of denial, suspension or revocation of a license pursuant to
3 Section 141 or Division 1.5 (commencing with Section 475) of the code, a crime,
4 professional misconduct, or act shall be considered to be substantially related to the
5 qualifications, functions or duties of a person holding a license if to a substantial
6 degree it evidences present or potential unfitness of a person holding a license to
7 perform the functions authorized by the license in a manner consistent with the public
8 health, safety or welfare. Such crimes, professional misconduct, or acts shall include
9 but not be limited to the following: Violating or attempting to violate, directly or
10 indirectly, or assisting in or abetting the violation of, or conspiring to violate any
11 provision of state or federal law governing the applicant's or licensee's professional
12 practice.

8 COST RECOVERY

9 9. Section 125.3 of the Code states:

10 (a) Except as otherwise provided by law, in any order issued in resolution of a
11 disciplinary proceeding before any board within the department or before the
12 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the
13 administrative law judge may direct a licensee found to have committed a violation or
14 violations of the licensing act to pay a sum not to exceed the reasonable costs of the
15 investigation and enforcement of the case.

14 (b) In the case of a disciplined licensee that is a corporation or a partnership, the
15 order may be made against the licensed corporate entity or licensed partnership.

15 (c) A certified copy of the actual costs, or a good faith estimate of costs where
16 actual costs are not available, signed by the entity bringing the proceeding or its
17 designated representative shall be prima facie evidence of reasonable costs of
18 investigation and prosecution of the case. The costs shall include the amount of
19 investigative and enforcement costs up to the date of the hearing, including, but not
20 limited to, charges imposed by the Attorney General.

18 (d) The administrative law judge shall make a proposed finding of the amount
19 of reasonable costs of investigation and prosecution of the case when requested
20 pursuant to subdivision (a). The finding of the administrative law judge with regard
21 to costs shall not be reviewable by the board to increase the cost award. The board
22 may reduce or eliminate the cost award, or remand to the administrative law judge if
23 the proposed decision fails to make a finding on costs requested pursuant to
24 subdivision (a).

22 (e) If an order for recovery of costs is made and timely payment is not made as
23 directed in the board's decision, the board may enforce the order for repayment in any
24 appropriate court. This right of enforcement shall be in addition to any other rights
25 the board may have as to any licensee to pay costs.

25 (f) In any action for recovery of costs, proof of the board's decision shall be
26 conclusive proof of the validity of the order of payment and the terms for payment.

26 (g) (1) Except as provided in paragraph (2), the board shall not renew or
27 reinstate the license of any licensee who has failed to pay all of the costs ordered
28 under this section.

1 (2) Notwithstanding paragraph (1), the board may, in its discretion,
2 conditionally renew or reinstate for a maximum of one year the license of any
3 licensee who demonstrates financial hardship and who enters into a formal agreement
4 with the board to reimburse the board within that one-year period for the unpaid
5 costs.

6 (h) All costs recovered under this section shall be considered a reimbursement
7 for costs incurred and shall be deposited in the fund of the board recovering the costs
8 to be available upon appropriation by the Legislature.

9 (i) Nothing in this section shall preclude a board from including the recovery of
10 the costs of investigation and enforcement of a case in any stipulated settlement.

11 (j) This section does not apply to any board if a specific statutory provision in
12 that board's licensing act provides for recovery of costs in an administrative
13 disciplinary proceeding.

14 FACTUAL ALLEGATIONS

15 10. During the relevant time period, Respondent was employed as a primary care
16 physician at Southern California Permanente Medical Group, Baldwin Park Medical Center
17 ("SCPMG"), located in Baldwin Hills, California. Respondent specializes in Family Medicine.

18 11. Patient 1¹ and her husband were long-time primary care patients of Respondent at
19 SCPMG. After Patient 1's husband passed away in or about 2000, she continued to receive care
20 and treatment from Respondent.

21 12. In 2014, Patient 1 made plans to move from California to Hawaii. Patient 1 wanted
22 her dog to be able to fly with her on the plane. Through SCPMG, Patient 1 asked Respondent, as
23 her long-time primary care physician, to write her a letter stating that she needed to have her dog
24 with her as an "emotional service animal."

25 13. Respondent agreed to write the letter for Patient 1. When it was ready, Patient 1
26 planned to return to SCPMG to pick up the letter.

27 14. Instead, on or about the morning of June 19 or 20, 2014, Respondent arrived at
28 Patient 1's home with the letter. The letter is dated June 19, 2014. When he arrived at her house,
Respondent entered Patient 1's house and suggested that she have sexual intercourse with him in
exchange for the letter. Patient 1 and Respondent then had sexual intercourse in her home.

///

¹ The patient whose care and treatment is at-issue in this charging document is designated by number to address privacy concerns. The patient's identity is known to Respondent and will be further disclosed during discovery.

1 15. Respondent returned to Patient 1's home on one other occasion. Respondent and
2 Patient 1 had sexual intercourse again.

3 16. After engaging in sexual intercourse with Patient 1, Respondent continued to provide
4 medical care and treatment to Patient 1 as her primary care physician, until at least October of
5 2018. HOUSE.

6 17. In 2019, after her dog died, Patient 1 reported the incidents of sexual intercourse with
7 Respondent to SCPMG and the Los Angeles County Sheriff's Department. Patient 1 reported
8 that both incidents were non-consensual sexual assaults perpetrated by force.

9 18. Both SCPMG and the Sheriff's Department conducted investigations into Patient 1's
10 allegations against Respondent. When interviewed by SCPMG as part of its investigation,
11 Respondent admitted to going to Patient 1's home on two occasions. He further admitted to
12 engaging in consensual sexual activity with Patient 1 on one occasion and to calling her many
13 times afterward. Respondent also admitted that he continued to provide care and treatment to
14 Patient 1 after having sexual intercourse with her.

15 19. After SCPMG concluded its investigation into Patient 1's allegations, on June 4,
16 2019, Respondent submitted a letter of resignation to SCPMG, which SCPMG accepted effective
17 immediately. HOUSE.

18 20. On or about October 8, 2020, detectives at the Los Angeles County Sheriff's
19 Department received a letter of the same date from Respondent's counsel in response to their
20 request for a statement from Respondent regarding Patient 1's allegations of sexual assault. The
21 letter was written on behalf of Respondent and states, in pertinent part, "any interactions between
22 [Respondent] and [Patient 1] were consensual." The letter further admitted that "[f]ollowing their
23 brief interaction, [Patient 1] continued to be treated by [Respondent] until June 2019, for five
24 more years...When Kaiser Permanente learned of the interaction, [Respondent] resigned as an
25 emeritus physician..."

26 21. On or about May 20, 2021, Respondent was interviewed by an investigator for the
27 Medical Board regarding his relationship with Patient 1. Respondent asserted his Fifth
28 Amendment privilege in response to all of the investigator's questions.

1 RELEVANT STANDARD OF CARE

2 22. The standard of care in the medical community provides that physicians are to
3 preserve the boundaries of the physician-patient relationship. Boundaries of the physician-patient
4 relationship dictate that the physician avoid unprofessional conduct, which includes sexual
5 relations with a patient or former patient. Both consensual and non-consensual sexual activity
6 with a current or former patient are considered sexual misconduct.

7 23. In May 2015, the American Medical Association (AMA) opined on physician
8 boundaries in the AMA Journal of Ethics in an article entitled, "AMA Code of Medical Ethics'
9 Opinions on Observing Professional Boundaries and Meeting Professional Responsibilities" (with
10 previous versions issued in December 1989, updated in March 1992, based on the report "Sexual
11 Misconduct in the Practice of Medicine," adopted December 1990). Opinion 8.14 states, in
12 pertinent part, as follows:

13 Sexual contact that occurs concurrent with the patient-physician relationship
14 constitutes sexual misconduct. Sexual or romantic interactions between physicians
15 and patients detract from the goals of the physician-patient relationship, may exploit
16 the vulnerability of the patient, may obscure the physician's objective judgment
17 concerning the patient's health care, and ultimately may be detrimental to the
18 patient's well-being.

19 If a physician has reason to believe that non-sexual contact with a patient may be
20 perceived as or may lead to sexual contact, then he or she should avoid the non-sexual
21 contact. At a minimum, a physician's ethical duties include terminating the
22 physician-patient relationship before initiating dating, romantic, or sexual relationship
23 with a patient.

24 ...

25 24. The California Medical Board's policy regarding sexual activity between a physician
26 and patient was articulated in its April 1996 Action report, Policy Statement: Medical
27 Practitioners and Sexual Misconduct, which states, in pertinent part: "It is the policy of the
28 Medical Board of California that a medical practitioner who engages in sexual activity with a
current patient is guilty of unprofessional conduct."
