STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER

19 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
23 California (Board). He brought this action solely in his official capacity and is represented in this
24 matter by Rob Bonta, Attorney General of the State of California, by Jonathan Nguyen, Deputy
25 Attorney General.

26 2. Respondent Perry Hsien-Tsung Liu, M.D. (Respondent) is represented in this
27 proceeding by attorney Derek F. O'Reilly-Jones, Esq., whose address is: 355 South Grand
28 Avenue, Suite 1750, Los Angeles, CA 90071-1562.

1 3. On or about July 28, 2006, the Board issued Physician's and Surgeon's Certificate No.
2 A 96604 to Perry Hsien-Tsung Liu, M.D. (Respondent). The Physician's and Surgeon's
3 Certificate was in full force and effect at all times relevant to the charges brought in Accusation
4 No. 800-2018-045514, and will expire on November 30, 2021, unless renewed.

5 **JURISDICTION**

6 4. Accusation No. 800-2018-045514 was filed before the Board, and is currently
7 pending against Respondent. The Accusation and all other statutorily required documents were
8 properly served on Respondent on May 20, 2021. Respondent timely filed his Notice of Defense
9 contesting the Accusation.

10 5. A copy of Accusation No. 800-2018-045514 is attached as exhibit A and incorporated
11 herein by reference.

12 **ADVISEMENT AND WAIVERS**

13 6. Respondent has carefully read, fully discussed with counsel, and understands the
14 charges and allegations in Accusation No. 800-2018-045514. Respondent has also carefully read,
15 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and
16 Disciplinary Order.

17 7. Respondent is fully aware of his legal rights in this matter, including the right to a
18 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
19 the witnesses against him; the right to present evidence and to testify on his own behalf; the right
20 to the issuance of subpoenas to compel the attendance of witnesses and the production of
21 documents; the right to reconsideration and court review of an adverse decision; and all other
22 rights accorded by the California Administrative Procedure Act and other applicable laws.

23 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
24 every right set forth above.

25 **CULPABILITY**

26 9. Respondent understands and agrees that the charges and allegations in Accusation
27 No. 800-2018-045514, if proven at a hearing, constitute cause for imposing discipline upon his
28 Physician's and Surgeon's Certificate.

10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case or factual basis for the charges in the Accusation, and that Respondent hereby gives up his right to contest those charges.

11. Respondent does not contest that, at an administrative hearing, complainant could establish a prima facie case with respect to the charges and allegations in Accusation No. 800-2018-045514, a true and correct copy of which is attached hereto as Exhibit A, and that he has thereby subjected his Physician's and Surgeon's Certificate, No. A 96604 to disciplinary action.

ACKNOWLEDGMENT

12. Respondent acknowledges the Disciplinary Order below, requiring the disclosure of probation pursuant to Business and Professions Code section 2228.1, serves to protect the public interest.

13. Respondent agrees that his Physician's and Surgeon's Certificate is subject to discipline and he agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order below.

CONTINGENCY

14. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

15. Respondent agrees that if he ever petitions for early termination or modification of probation, or if an accusation and/or petition to revoke probation is filed against him before the Board, all of the charges and allegations contained in Accusation No. 800-2018-045514 shall be

1 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any
2 other licensing proceeding involving Respondent in the State of California.

3 16. The parties understand and agree that Portable Document Format (PDF) and facsimile
4 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
5 signatures thereto, shall have the same force and effect as the originals.

6 17. In consideration of the foregoing admissions and stipulations, the parties agree that
7 the Board may, without further notice or opportunity to be heard by the Respondent, issue and
8 enter the following Disciplinary Order:

5 A medical record keeping course taken after the acts that gave rise to the charges in the
6 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board

8 been approved by the Board or its designee had the course been taken after the effective date of
9 this Decision.

24 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
25 or its designee, be accepted towards the fulfillment of this condition if the program would have
26 been approved by the Board or its designee had the program been taken after the effective date of

4 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
5 Chief Executive Officer at every hospital where privileges or membership are extended to
6 Respondent, at any other facility where Respondent engages in the practice of medicine,
7 including all physician and locum tenens registries or other similar agencies, and to the Chief
8 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
9 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15

11 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

12 5. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
13 governing the practice of medicine in California and remain in full compliance with any court
14 ordered criminal probation, payments, and other orders.

15 6. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby
16 ordered to reimburse the Board its costs of investigation and enforcement, including, but not
17 limited to, expert review, amended accusations, legal reviews, joint investigations, and subpoena
18 enforcement, as applicable, in the amount of \$7,187.50 (seven thousand one hundred eighty-
19 seven dollars and fifty cents). Costs shall be payable to the Medical Board of California. Failure
20 to pay such costs shall be considered a violation of probation.

21 Any and all requests for a payment plan shall be submitted in writing by Respondent to the
22 Board.

23 The filing of bankruptcy by respondent shall not relieve Respondent of the responsibility to
24 repay investigation and enforcement costs.

25 7. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
26 under penalty of perjury on forms provided by the Board, stating whether there has been
27 compliance with all the conditions of probation.

28 Respondent shall submit quarterly declarations not later than 10 calendar days after the end

1 of the preceding quarter.

2 8. GENERAL PROBATION REQUIREMENTS.

3 Compliance with Probation Unit

4 Respondent shall comply with the Board's probation unit.

5 Address Changes

6 Respondent shall, at all times, keep the Board informed of Respondent's business and
7 residence addresses, email address (if available), and telephone number. Changes of such
8 addresses shall be immediately communicated in writing to the Board or its designee. Under no
9 circumstances shall a post office box serve as an address of record, except as allowed by Business
10 and Professions Code section 2021, subdivision (b).

11 Place of Practice

12 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
13 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
14 facility.

15 License Renewal

16 Respondent shall maintain a current and renewed California physician's and surgeon's
17 license.

18 Travel or Residence Outside California

19 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
20 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
21 (30) calendar days.

22 In the event Respondent should leave the State of California to reside or to practice
23 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
24 departure and return.

25 9. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
26 available in-person upon request for interviews either at Respondent's place of business or at the
27 probation unit office, with or without prior notice throughout the term of probation.

28 ~~10. NON-PRACTICE WHILE ON PROBATION.~~ Respondent shall notify the Board or

1 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
2 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
3 defined as any period of time Respondent is not practicing medicine as defined in Business and
4 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
5 patient care, clinical activity or teaching, or other activity as approved by the Board. If
6 Respondent resides in California and is considered to be in non-practice, Respondent shall
7 comply with all terms and conditions of probation. All time spent in an intensive training
8 program which has been approved by the Board or its designee shall not be considered non-
9 practice and does not relieve Respondent from complying with all the terms and conditions of
10 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
11 on probation with the medical licensing authority of that state or jurisdiction shall not be
12 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
13 period of non-practice.

14 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
15 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
16 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
17 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
18 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

19 Respondent's period of non-practice while on probation shall not exceed two (2) years.

20 Periods of non-practice will not apply to the reduction of the probationary term.

21 Periods of non-practice for a Respondent residing outside of California will relieve
22 Respondent of the responsibility to comply with the probationary terms and conditions with the
23 exception of this condition and the following terms and conditions of probation: Obey All Laws;
24 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
25 Controlled Substances; and Biological Fluid Testing.

26 11. COMPLETION OF PROBATION. Respondent shall comply with all financial
27 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
28 completion of probation. Upon successful completion of probation, Respondent's certificate shall

1 be fully restored.

2 12. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
3 of probation is a violation of probation. If Respondent violates probation in any respect, the
4 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
5 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
6 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
7 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
8 be extended until the matter is final.

9 13. LICENSE SURRENDER. Following the effective date of this Decision, if
10 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
11 the terms and conditions of probation, Respondent may request to surrender his or her license.
12 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
13 determining whether or not to grant the request, or to take any other action deemed appropriate
14 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
15 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
16 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
17 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
18 application shall be treated as a petition for reinstatement of a revoked certificate.

19 14. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
20 with probation monitoring each and every year of probation, as designated by the Board, which
21 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
22 California and delivered to the Board or its designee no later than January 31 of each calendar
23 year.

24 15. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
25 a new license or certification, or petition for reinstatement of a license, by any other health care
26 licensing action agency in the State of California, all of the charges and allegations contained in
27 Accusation No. 800-2018-045514 shall be deemed to be true, correct, and admitted by
28 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or

1 restrict license.

5 **COST RECOVERY**

6 9. Section 125.3 of the Code states:

7 (a) Except as otherwise provided by law, in any order issued in resolution of a
8 disciplinary proceeding before any board within the department or before the
9 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the

4 that board's licensing act provides for recovery of costs in an administrative
disciplinary proceeding.

5 **FACTUAL ALLEGATIONS**

6 10. On or about April 30, 2018, Patient A,¹ a 77 year-old female, sought a consultation
7 with Respondent regarding the appearance of her abdomen. Patient A previously had surgery on
8 her abdomen with other physicians that included a tummy tuck, liposuction, and fat grafting.
9 Respondent examined Patient A and noted that Patient A had prominent love handles, mons
10 pubis² nodules, and asymmetry of the abdomen. Respondent did not record Patient A's height or
11 weight during this visit and made no notes regarding the soft tissue of Patient A's inner thighs.

12 11. A surgery was scheduled for Patient A for May 25, 2018, at the Summit Surgical
13 Center in Beverly Hills, California. Billing documentation for the surgery listed the procedure as
14 abdominoplasty³ and liposuction⁴ of the inner thighs. Patient A underwent a medical pre-
15 operation evaluation by Dr. M. on May 7, 2018, which included blood work and an
16 electrocardiogram. Dr. M. described Patient A as medically stable and low risk for surgery.

17 12. Prior to the surgery, Patient A signed a copy of the American Society of Plastic
18 Surgery (ASPS) consent form for liposuction, however the document was not dated or witnessed
19 by a third party. Respondent's office records for Patient A do not contain any other consent
20 forms.

21 13. On or about May 25, 2018, Patient A underwent liposuction of the abdomen, mons
22 pubis, and inner thighs, in addition to plication⁵ of the rectus muscles, despite the surgery center
23 consent form only specifying abdominoplasty and liposuction of the abdomen and inner thighs.

24 ¹ Patient's name is anonymized for privacy concerns.

25 ² The mons pubis is an area of fatty tissue that covers the pubic bone.

26 ³ An abdominoplasty is a surgical procedure that flattens the abdomen by removing extra
fat and skin, and tightening muscles in the abdominal wall. This surgical procedure is commonly
known as a "tummy tuck."

27 ⁴ Liposuction is a surgical procedure that uses a suction technique to remove fat from
specific areas of the body such as the abdomen, hips, thighs, buttocks, arms or neck.

28 ⁵ Plication is a procedure in which muscles are tightened as part of the abdominoplasty
procedure.

1 Just prior to the surgery, Patient A signed a consent form provided by the surgical center listing
2 abdominoplasty as part of the procedure. It was a standardized form employed by the surgery
3 center and contained no specific information regarding abdominoplasty.

4 14. After the surgery, Patient A was picked up by a friend with the plan to be cared by
5 Patient A's daughter with whom she was living. The same evening of the surgery, Patient A
6 experienced pain with nausea and vomited, with the nausea persisting until the next day. On or
7 about May 27, 2018, the second post-operative day, Patient A experienced a large vomiting
8 episode and was later found unresponsive by her daughter, who called 911. Paramedics arrived at
9 Patient A's residence and found her unresponsive at 12:15 p.m. on May 27, 2018, and determined
10 that Patient A had died.

11 15. On or about May 30, 2018, an autopsy was performed on Patient A by the Medical
12 Examiner's Office. The autopsy findings documented perforation in the jejunum⁶ and the
13 omentum⁷ in the left upper abdominal cavity. The Medical Examiner's Office also describe in
14 their report: (1) the presence of succus entericus⁸ in the local area of the perforation; (2) a tract
15 through the left rectus abdominis;⁹ and (3) several defects in the peritoneum¹⁰ and omentum
16 indicating multiple passes of the liposuction cannula. The final cause of death was determined by
17 the Medical Examiner's Office to be acute peritonitis¹¹ secondary to small bowel perforation
18 during liposuction.

22 _____
23 ⁶ The jejunum is the part of the small intestine between the duodenum and ileum.

24 ⁷ The omentum is a curtain of fatty tissue that hangs down from the stomach and liver and
wraps around the intestines, and is known to play a role in immune responses and metabolism.

25 ⁸ Succus entericus is a clear to pale yellow watery secretion from the glands lining the
small intestine walls, commonly known as intestinal juice. Intestinal juice contains hormones,
digestive enzymes, mucus, and other substances to neutralize hydrochloric acid coming from the
stomach.

26 ⁹ The left rectus abdominis is the left abdominal muscle.

27 ¹⁰ The peritoneum is tissue that lines the inner wall of the abdomen and covers and
supports most of the abdominal organs.

28 ¹¹ Peritonitis is an inflammation or infection of the peritoneum. Secondary peritonitis can
result from a rupture or perforation in the abdomen.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Gross Negligence)**

3 16. Respondent Perry Hsien-Tsung Liu, M.D. is subject to disciplinary action under Code
4 section 2234, subdivision (b), in that Respondent was grossly negligent. The circumstances are as
5 follows:

6 17. The facts and circumstances as set forth in paragraphs 10 through 15 inclusive above,
7 are incorporated by reference herein as if fully set forth.

8 18. Respondent's acts and/or omissions as set forth in paragraphs 10 through 15, whether
9 proven individually, jointly, or in any combination thereof, constitute gross negligence.

10 19. Respondent was grossly negligent in his care of Patient A. Prior to the surgery,
11 Patient A's medical records contain inadequate documentation of informed consent about the
12 abdominoplasty procedure. Respondent's pre-operative treatment plan for Patient A's abdomen
13 comprises of only two sentences. There is no consent for abdominoplasty in Patient A's records
14 from Respondent's office and abdominoplasty is not referenced in Respondent's operative report.
15 There is consent for liposuction in Patient A's records from Respondent's office. Although there
16 is a signed consent form from Summit Surgical Center dated May 25, 2018, which lists
17 abdominoplasty as part of the procedure, the form contained mostly boilerplate language and
18 contained no specific information regarding abdominoplasty.

19 **SECOND CAUSE FOR DISCIPLINE**

20 **(Failure to Maintain Adequate and Accurate Medical Records)**

21 20. Respondent Perry Hsien-Tsung Liu, M.D. is subject to disciplinary action under Code
22 section 2266 in that Respondent failed to maintain adequate and accurate records related to the
23 provision of medical services to Patient A. The circumstances are as follows:

24 21. The facts and circumstances as set forth in paragraphs 10 through 15, inclusive above,
25 are incorporated by reference herein as if fully set forth.

26 22. Respondent failed to adequately document his medical care for Patient A when he
27 failed to have Patient A properly complete the ASPS consent form. Although the consent form is
28 initialed on each page and signed on the last page, the form was not dated and was not signed as

1 witnessed by a third party. The ASPS consent form was incomplete.

2 23. Respondent failed to adequately document: (1) whether Patient A was adequately
3 prepared to recover at home; (2) whether Patient A or her daughter were aware of when the first
4 post-operative visit was going to occur; and (3) whether aftercare information was conveyed to
5 Patient A's daughter.

6 24. Respondent failed to adequately document liposuction on Patient A's inner thighs
7 prior to the surgery. Respondent's medical records for Patient A make no reference to the fat on
8 Patient A's inner thighs or that Respondent recommended liposuction to Patient A in that area of
9 her body. Respondent's medical records for Patient A lack sufficient information analyzing or
10 pertaining to treatment of Patient A's thighs. As such, Respondent's medical records for Patient
11 A lack informed consent regarding liposuction on Patient A's inner thighs.

12 **THIRD CAUSE FOR DISCIPLINE**

13 **(General Unprofessional Conduct)**

14 25. Respondent Perry Hsien-Tsung Liu, M.D. is subject to disciplinary action under Code
15 section 2234, in that Respondent's actions and/or omissions represent unprofessional conduct,
16 generally. The circumstances are as follows:

17 26. The facts and circumstances as set forth in paragraphs 10 through 24, inclusive above,
18 are incorporated by reference herein as if fully set forth.

19 27. The allegations of the First and Second Causes for Discipline are incorporated herein
20 by reference as if fully set forth.

27 M.D.'s authority to supervise physician assistants and advanced practice nurses;

28 3. Ordering Respondent Perry Hsien-Tsung Liu, M.D. to pay the Board the costs of the

1 investigation and enforcement of this case, and if placed on probation, to pay the Board the costs
