26 2. Respondent Perry Hsien-Tsung Liu, M.D. (Respondent) is represented in this  
27 proceeding by attorney Derek F. O'Reilly-Jones, Esq., whose address is: 355 South Grand  
28 Avenue, Suite 1750, Los Angeles, CA 90071-1562.

1 3. On or about July 28, 2006, the Board issued Physician's and Surgeon's Certificate No.  
2 A 96604 to Perry Hsien-Tsung Liu, M.D. (Respondent). The Physician's and Surgeon's  
3 Certificate was in full force and effect at all times relevant to the charges brought in Accusation  
4 No. 800-2018-045514, and will expire on November 30, 2021, unless renewed.

5 **JURISDICTION**

6 4. Accusation No. 800-2018-045514 was filed before the Board, and is currently  
7 pending against Respondent. The Accusation and all other statutorily required documents were  
8 properly served on Respondent on May 20, 2021. Respondent timely filed his Notice of Defense  
9 contesting the Accusation.

10 5. A copy of Accusation No. 800-2018-045514 is attached as exhibit A and incorporated  
11 herein by reference.

12 **ADVISEMENT AND WAIVERS**

13 6. Respondent has carefully read, fully discussed with counsel, and understands the  
14 charges and allegations in Accusation No. 800-2018-045514. Respondent has also carefully read,  
15 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and  
16 Disciplinary Order.

17 7. Respondent is fully aware of his legal rights in this matter, including the right to a  
18 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine  
19 the witnesses against him; the right to present evidence and to testify on his own behalf; the right  
20 to the issuance of subpoenas to compel the attendance of witnesses and the production of  
21 documents; the right to reconsideration and court review of an adverse decision; and all other  
22 rights accorded by the California Administrative Procedure Act and other applicable laws.

23 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
24 every right set forth above.

25 **CULPABILITY**

26 9. Respondent understands and agrees that the charges and allegations in Accusation  
27 No. 800-2018-045514, if proven at a hearing, constitute cause for imposing discipline upon his  
28 Physician's and Surgeon's Certificate.

1 10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case  
2 or factual basis for the charges in the Accusation, and that Respondent hereby gives up his right  
3 to contest those charges.

4 11. Respondent does not contest that, at an administrative hearing, complainant could  
5 establish a prima facie case with respect to the charges and allegations in Accusation No. 800-  
6 2018-045514, a true and correct copy of which is attached hereto as Exhibit A, and that he has  
7 thereby subjected his Physician's and Surgeon's Certificate, No. A 96604 to disciplinary action.

8 **ACKNOWLEDGMENT**

9 12. Respondent acknowledges the Disciplinary Order below, requiring the disclosure of  
10 probation pursuant to Business and Professions Code section 2228.1, serves to protect the public  
11 interest.

13 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
14 Disciplinary Order below.

15 **CONTINGENCY**

16 14. This stipulation shall be subject to approval by the Medical Board of California.  
17 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
18 Board of California may communicate directly with the Board regarding this stipulation and  
19 settlement, without notice to or participation by Respondent or his counsel. By signing the  
20 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
21 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
22 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
23 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
24 action between the parties, and the Board shall not be disqualified from further action by having  
25 considered this matter.

26 15. Respondent agrees that if he ever petitions for early termination or modification of  
27 probation, or if an accusation and/or petition to revoke probation is filed against him before the  
28 Board, all of the charges and allegations contained in Accusation No. 800-2018-045514 shall be

1 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any  
2 other licensing proceeding involving Respondent in the State of California.

3 16. The parties understand and agree that Portable Document Format (PDF) and facsimile  
4 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
5 signatures thereto, shall have the same force and effect as the originals.

5 A medical record keeping course taken after the acts that gave rise to the charges in the  
6 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board

20 to pay such costs shall be considered a violation of probation.

21 Any and all requests for a payment plan shall be submitted in writing by Respondent to the  
22 Board.

23 The filing of bankruptcy by respondent shall not relieve Respondent of the responsibility to  
24 repay investigation and enforcement costs.

25 7. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
26 under penalty of perjury on forms provided by the Board, stating whether there has been  
27 compliance with all the conditions of probation.

28 Respondent shall submit quarterly declarations not later than 10 calendar days after the end

1 of the preceding quarter.

2 8. GENERAL PROBATION REQUIREMENTS.

3 Compliance with Probation Unit

4 Respondent shall comply with the Board's probation unit.

5 Address Changes

6 Respondent shall, at all times, keep the Board informed of Respondent's business and  
7 residence addresses, email address (if available), and telephone number. Changes of such  
8 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
9 circumstances shall a post office box serve as an address of record, except as allowed by Business  
10 and Professions Code section 2021, subdivision (b).

11 Place of Practice

12 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
13 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
14 facility.

15 License Renewal

16 Respondent shall maintain a current and renewed California physician's and surgeon's  
17 license.

18 Travel or Residence Outside California

19 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
20 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
21 (30) calendar days.

22 In the event Respondent should leave the State of California to reside or to practice  
23 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
24 departure and return.

25 9. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
26 available in-person upon request for interviews either at Respondent's place of business or at the  
27 probation unit office, with or without prior notice throughout the term of probation.

28 ~~10. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or~~

1 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
2 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
3 defined as any period of time Respondent is not practicing medicine as defined in Business and  
4 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
5 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
6 Respondent resides in California and is considered to be in non-practice, Respondent shall  
7 comply with all terms and conditions of probation. All time spent in an intensive training  
8 program which has been approved by the Board or its designee shall not be considered non-  
9 practice and does not relieve Respondent from complying with all the terms and conditions of  
10 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
11 on probation with the medical licensing authority of that state or jurisdiction shall not be  
12 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
13 period of non-practice.

14 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
15 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
16 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
17 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
18 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

19 Respondent's period of non-practice while on probation shall not exceed two (2) years.

20 Periods of non-practice will not apply to the reduction of the probationary term.

21 Periods of non-practice for a Respondent residing outside of California will relieve  
22 Respondent of the responsibility to comply with the probationary terms and conditions with the  
23 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
24 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
25 Controlled Substances; and Biological Fluid Testing.

26 11. COMPLETION OF PROBATION. Respondent shall comply with all financial  
27 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
28 completion of probation. Upon successful completion of probation, Respondent's certificate shall

1 be fully restored.

2 12. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
3 of probation is a violation of probation. If Respondent violates probation in any respect, the  
4 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
5 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke  
6 Probation, or an Interim Suspension Order is filed against Respondent during probation, the  
7 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall  
8 be extended until the matter is final.

9 13. LICENSE SURRENDER. Following the effective date of this Decision, if  
10 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
11 the terms and conditions of probation, Respondent may request to surrender his or her license.  
12 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
13 determining whether or not to grant the request, or to take any other action deemed appropriate  
14 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
15 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
16 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
17 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
18 application shall be treated as a petition for reinstatement of a revoked certificate.

19 14. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
20 with probation monitoring each and every year of probation, as designated by the Board, which  
21 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
22 California and delivered to the Board or its designee no later than January 31 of each calendar  
23 year.

24 15. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
25 a new license or certification, or petition for reinstatement of a license, by any other health care  
26 licensing action agency in the State of California, all of the charges and allegations contained in  
27 Accusation No. 800-2018-045514 shall be deemed to be true, correct, and admitted by  
28 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or

1 restrict license.

2 The failure of a physician and surgeon to maintain adequate and accurate  
3 records relating to the provision of services to their patients constitutes unprofessional  
4 conduct.

4 COST RECOVERY

5 9. Section 125.3 of the Code states:

6 (a) Except as otherwise provided by law, in any order issued in resolution of a  
7 disciplinary proceeding before any board within the department or before the  
8 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the  
9 administrative law judge may direct a licensee found to have committed a violation or  
10 violations of the licensing act to pay a sum not to exceed the reasonable costs of the  
11 investigation and enforcement of the case.

12 (b) In the case of a disciplined licensee that is a corporation or a partnership, the  
13 order may be made against the licensed corporate entity or licensed partnership.

14 (c) A certified copy of the actual costs, or a good faith estimate of costs where  
15 actual costs are not available, signed by the entity bringing the proceeding or its  
16 designated representative shall be prima facie evidence of reasonable costs of  
17 investigation and prosecution of the case. The costs shall include the amount of  
18 investigative and enforcement costs up to the date of the hearing, including, but not  
19 limited to, charges imposed by the Attorney General.

20 (d) The administrative law judge shall make a proposed finding of the amount  
21 of reasonable costs of investigation and prosecution of the case when requested  
22 pursuant to subdivision (a). The finding of the administrative law judge with regard  
23 to costs shall not be reviewable by the board to increase the cost award. The board  
24 may reduce or eliminate the cost award, or remand to the administrative law judge if  
25 the proposed decision fails to make a finding on costs requested pursuant to  
26 subdivision (a).

27 (e) If an order for recovery of costs is made and timely payment is not made as  
28 directed in the board's decision, the board may enforce the order for repayment in any  
appropriate court. This right of enforcement shall be in addition to any other rights  
the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be  
conclusive proof of the validity of the order of payment and the terms for payment.

(g) (1) Except as provided in paragraph (2), the board shall not renew or  
reinstate the license of any licensee who has failed to pay all of the costs ordered  
under this section.

(2) Notwithstanding paragraph (1), the board may, in its discretion,  
conditionally renew or reinstate for a maximum of one year the license of any  
licensee who demonstrates financial hardship and who enters into a formal agreement  
with the board to reimburse the board within that one-year period for the unpaid  
costs.

(h) All costs recovered under this section shall be considered a reimbursement  
for costs incurred and shall be deposited in the fund of the board recovering the costs

1 to be available upon appropriation by the Legislature.

2 (i) Nothing in this section shall preclude a board from including the recovery of  
3 the costs of investigation and enforcement of a case in any stipulated settlement.

4 (j) This section does not apply to any board if a specific statutory provision in  
5 that board's licensing act provides for recovery of costs in an administrative  
6 disciplinary proceeding.

### 7 FACTUAL ALLEGATIONS

8 10. On or about April 30, 2018, Patient A,<sup>1</sup> a 77 year-old female, sought a consultation  
9 with Respondent regarding the appearance of her abdomen. Patient A previously had surgery on  
10 her abdomen with other physicians that included a tummy tuck, liposuction, and fat grafting.  
11 Respondent examined Patient A and noted that Patient A had prominent love handles, mons  
12 pubis<sup>2</sup> nodules, and asymmetry of the abdomen. Respondent did not record Patient A's height or  
13 weight during this visit and made no notes regarding the soft tissue of Patient A's inner thighs.

14 11. A surgery was scheduled for Patient A for May 25, 2018, at the Summit Surgical  
15 Center in Beverly Hills, California. Billing documentation for the surgery listed the procedure as  
16 abdominoplasty<sup>3</sup> and liposuction<sup>4</sup> of the inner thighs. Patient A underwent a medical pre-  
17 operation evaluation by Dr. M. on May 7, 2018, which included blood work and an  
18 electrocardiogram. Dr. M. described Patient A as medically stable and low risk for surgery.

19 12. Prior to the surgery, Patient A signed a copy of the American Society of Plastic  
20 Surgery (ASPS) consent form for liposuction, however the document was not dated or witnessed  
21 by a third party. Respondent's office records for Patient A do not contain any other consent  
22 forms.

23 13. On or about May 25, 2018, Patient A underwent liposuction of the abdomen, mons  
24 pubis, and inner thighs, in addition to plication<sup>5</sup> of the rectus muscles, despite the surgery center  
25 consent form only specifying abdominoplasty and liposuction of the abdomen and inner thighs.

26 <sup>1</sup> Patient's name is anonymized for privacy concerns.

27 <sup>2</sup> The mons pubis is an area of fatty tissue that covers the pubic bone.

28 <sup>3</sup> An abdominoplasty is a surgical procedure that flattens the abdomen by removing extra  
fat and skin, and tightening muscles in the abdominal wall. This surgical procedure is commonly  
known as a "tummy tuck."

<sup>4</sup> Liposuction is a surgical procedure that uses a suction technique to remove fat from  
specific areas of the body such as the abdomen, hips, thighs, buttocks, arms or neck.

<sup>5</sup> Plication is a procedure in which muscles are tightened as part of the abdominoplasty  
procedure.

1 Just prior to the surgery, Patient A signed a consent form provided by the surgical center listing  
2 abdominoplasty as part of the procedure. It was a standardized form employed by the surgery  
3 center and contained no specific information regarding abdominoplasty.

4 14. After the surgery, Patient A was picked up by a friend with the plan to be cared by  
5 Patient A's daughter with whom she was living. The same evening of the surgery, Patient A  
6 experienced pain with nausea and vomited, with the nausea persisting until the next day. On or  
7 about May 27, 2018, the second post-operative day, Patient A experienced a large vomiting  
8 episode and was later found unresponsive by her daughter, who called 911. Paramedics arrived at  
9 Patient A's residence and found her unresponsive at 12:15 p.m. on May 27, 2018, and determined  
10 that Patient A had died.

11 15. On or about May 30, 2018, an autopsy was performed on Patient A by the Medical  
12 Examiner's Office. The autopsy findings documented perforation in the jejunum<sup>6</sup> and the  
13 omentum<sup>7</sup> in the left upper abdominal cavity. The Medical Examiner's Office also describe in  
14 their report: (1) the presence of succus entericus<sup>8</sup> in the local area of the perforation; (2) a tract  
15 through the left rectus abdominis;<sup>9</sup> and (3) several defects in the peritoneum<sup>10</sup> and omentum  
16 indicating multiple passes of the liposuction cannula. The final cause of death was determined by  
17 the Medical Examiner's Office to be acute peritonitis<sup>11</sup> secondary to small bowel perforation  
18 during liposuction.

23 <sup>6</sup> The jejunum is the part of the small intestine between the duodenum and ileum.

24 <sup>7</sup> The omentum is a curtain of fatty tissue that hangs down from the stomach and liver and  
wraps around the intestines, and is known to play a role in immune responses and metabolism.

25 <sup>8</sup> Succus entericus is a clear to pale yellow watery secretion from the glands lining the  
small intestine walls, commonly known as intestinal juice. Intestinal juice contains hormones,  
digestive enzymes, mucus, and other substances to neutralize hydrochloric acid coming from the  
26 stomach.

27 <sup>9</sup> The left rectus abdominis is the left abdominal muscle.

28 <sup>10</sup> The peritoneum is tissue that lines the inner wall of the abdomen and covers and  
supports most of the abdominal organs.

<sup>11</sup> Peritonitis is an inflammation or infection of the peritoneum. Secondary peritonitis can  
result from a rupture or perforation in the abdomen.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Gross Negligence)**

3 16. Respondent Perry Hsien-Tsung Liu, M.D. is subject to disciplinary action under Code  
4 section 2234, subdivision (b), in that Respondent was grossly negligent. The circumstances are as  
5 follows:

6 17. The facts and circumstances as set forth in paragraphs 10 through 15 inclusive above,  
7 are incorporated by reference herein as if fully set forth.

8 18. Respondent's acts and/or omissions as set forth in paragraphs 10 through 15, whether  
9 proven individually, jointly, or in any combination thereof, constitute gross negligence.

10 19. Respondent was grossly negligent in his care of Patient A. Prior to the surgery,  
11 Patient A's medical records contain inadequate documentation of informed consent about the  
12 abdominoplasty procedure. Respondent's pre-operative treatment plan for Patient A's abdomen  
13 comprises of only two sentences. There is no consent for abdominoplasty in Patient A's records  
14 from Respondent's office and abdominoplasty is not referenced in Respondent's operative report.  
15 There is consent for liposuction in Patient A's records from Respondent's office. Although there  
16 is a signed consent form from Summit Surgical Center dated May 25, 2018, which lists  
17 abdominoplasty as part of the procedure, the form contained mostly boilerplate language and  
18 contained no specific information regarding abdominoplasty.

19 **SECOND CAUSE FOR DISCIPLINE**

20 **(Failure to Maintain Adequate and Accurate Medical Records)**

21 20. Respondent Perry Hsien-Tsung Liu, M.D. is subject to disciplinary action under Code  
22 section 2266 in that Respondent failed to maintain adequate and accurate records related to the  
23 provision of medical services to Patient A. The circumstances are as follows:

24 21. The facts and circumstances as set forth in paragraphs 10 through 15, inclusive above,  
25 are incorporated by reference herein as if fully set forth.

26 22. Respondent failed to adequately document his medical care for Patient A when he  
27 failed to have Patient A properly complete the ASPS consent form. Although the consent form is  
28 initialed on each page and signed on the last page, the form was not dated and was not signed as

1 witnessed by a third party. The ASPS consent form was incomplete.

2 23. Respondent failed to adequately document: (1) whether Patient A was adequately  
3 prepared to recover at home; (2) whether Patient A or her daughter were aware of when the first  
4 post-operative visit was going to occur; and (3) whether aftercare information was conveyed to  
5 Patient A's daughter.

6 24. Respondent failed to adequately document liposuction on Patient A's inner thighs  
7 prior to the surgery. Respondent's medical records for Patient A make no reference to the fat on  
8 Patient A's inner thighs or that Respondent recommended liposuction to Patient A in that area of  
9 her body. Respondent's medical records for Patient A lack sufficient information analyzing or  
10 pertaining to treatment of Patient A's thighs. As such, Respondent's medical records for Patient  
11 A lack informed consent regarding liposuction on Patient A's inner thighs.

12 **THIRD CAUSE FOR DISCIPLINE**

13 **(General Unprofessional Conduct)**

14 25. Respondent Perry Hsien-Tsung Liu, M.D. is subject to disciplinary action under Code  
15 section 2234, in that Respondent's actions and/or omissions represent unprofessional conduct,  
16 generally. The circumstances are as follows:

17 26. The facts and circumstances as set forth in paragraphs 10 through 24, inclusive above,  
18 are incorporated by reference herein as if fully set forth.

19 27. The allegations of the First and Second Causes for Discipline are incorporated herein  
20 by reference as if fully set forth.
