20 (Board).

21 2. On or about September 14, 2001, the Medical Board issued Physician's and

26 3. This Accusation is brought before the Board, under the authority of the following  
27 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
28 indicated.

1 STATUTORY PROVISIONS

2 4. Section 2227 of the Code provides that a licensee who is found guilty under the  
3 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed  
4 one year, placed on probation and required to pay the costs of probation monitoring, or such other  
5 action taken in relation to discipline as the Board deems proper.

6 5. Section 2234 of the Code, states:

7 The board shall take action against any licensee who is charged with

9 conduct includes, but is not limited to, the following:

10 (a) Violating or attempting to violate, directly or indirectly, assisting in or  
11 abetting the violation of, or conspiring to violate any provision of this chapter.

12 (b) Gross negligence.

13 (c) Repeated negligent acts. To be repeated, there must be two or more  
14 negligent acts or omissions. An initial negligent act or omission followed by a  
15 separate and distinct departure from the applicable standard of care shall constitute  
16 repeated negligent acts.

17 (1) An initial negligent diagnosis followed by an act or omission medically  
18 appropriate for that negligent diagnosis of the patient shall constitute a single  
19 negligent act.

20 (2) When the standard of care requires a change in the diagnosis, act, or  
21 omission that constitutes the negligent act described in paragraph (1), including, but  
22 not limited to, a reevaluation of the diagnosis or a change in treatment, and the  
23 licensee's conduct departs from the applicable standard of care, each departure  
24 constitutes a separate and distinct breach of the standard of care.

25 (d) Incompetence.

26 (e) The commission of any act involving dishonesty or corruption that is  
27 substantially related to the qualifications, functions, or duties of a physician and  
28 surgeon.

(f) Any action or conduct that would have warranted the denial of a certificate.

(g) The failure by a certificate holder, in the absence of good cause, to attend  
and participate in an interview by the board. This subdivision shall only apply to a  
certificate holder who is the subject of an investigation by the board.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Gross Negligence)**

3 6. Respondent Jonathan Edward Perley, M.D. is subject to disciplinary action under  
4 section 2234, subdivision (b), of the Code in that he was grossly negligent in the care and  
5 treatment of a patient. The circumstances are as follows:

6 Factual Allegations re: Patient A<sup>1</sup>

7 7. On or about August 20, 2018, Patient A, a twenty-six (26) year-old man, first  
8 presented to Respondent with complaints of discomfort in the left groin. He was diagnosed with  
9 a left varicocele<sup>2</sup> which is a dilation of the venous plexus around the left testicle. Respondent  
10 conducted a patient history, and ordered an ultrasound, urinalysis and hormone panel.

11 8. On or about September 5, 2018, Respondent saw the patient again and scheduled the  
12 surgery after discussion about options for pain relief. The surgery was scheduled for  
13 September 11, 2018, at the R.S. Surgery Center.

14 9. On or about September 11, 2018, Patient A was brought into the operating room at  
15 R.S. Surgery Center. The medical records indicate that the site of the surgery was marked.  
16 According to Respondent, the patient was draped on the right side. Respondent began the surgery  
17 by making an incision on the right side Patient A's groin (which carried through the superficial  
18 fat tissue). Upon realizing that he was operating on the wrong side of Patient A, Respondent  
19 closed the patient's right groin, and made an incision on the left side of the patient. The  
20 procedure was then performed and completed on Patient A without incident.

21 10. As the surgeon, Respondent was required to take steps to ensure that the surgery on  
22 Patient A was performed at the correct location, including, marking the patient's correct side for  
23 the procedure during the preoperative period. In addition, prior to draping the patient, the  
24 location of the procedure and correct side are required to be announced.

25 \_\_\_\_\_  
26 <sup>1</sup> Letters are used in lieu of names to address privacy concerns. The identity of the  
patients is known to the Respondent and will be further provided in response to an appropriate  
Request for Discovery.

27 <sup>2</sup> This can result in chronic left testicular pain (treated with surgical ligation of the  
28 testicular vein, a varicocelectomy) due to the process of venous pressure building up as the left  
testicle drains into the left renal vein.
