23 **PARTIES**

24 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
25 California (Board). He brought this action solely in his official capacity and is represented in this
26 matter by Rob Bonta, Attorney General of the State of California, by Jason J. Ahn, Deputy
27 Attorney General.

28 ///

2. Respondent Tien Tan Vo, M.D. (Respondent) is represented in this proceeding by attorney Raymond J. McMahon, whose address is: 5440 Trabuco Road, Irvine, CA 92620.

3. On or about February 10, 2010, the Board issued Physician's and Surgeon's Certificate No. A 111104 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in First Amended Accusation No. 800-2020-069730, and will expire on November 30, 2023, unless renewed.

JURISDICTION

4. On December 6, 2021, Accusation No. 800-2020-069730 was filed before the Board. The Accusation and all other statutorily required documents were properly served on Respondent on or about December 6, 2021. Respondent timely filed his Notice of Defense contesting the Accusation. On February 11, 2022, First Amended Accusation No. 800-2020-069730 was filed before the Board, and is currently pending against Respondent. The First Amended Accusation and all other statutorily required documents were properly served on Respondent on or about February 11, 2022. A copy of First Amended Accusation No. 800-2020-069730 is attached as exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

5. Respondent has carefully read, fully discussed with counsel, and fully understands the charges and allegations in First Amended Accusation No. 800-2020-069730. Respondent has also carefully read, fully discussed with his counsel, and fully understands the effects of this Stipulated Settlement and Disciplinary Order.

6. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the First Amended Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

///

7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

CULPABILITY

8. Respondent does not contest that, at an administrative hearing, Complainant could establish a *prima facie* case with respect to the charges and allegations contained in First Amended Accusation No. 800-2020-069730, a copy of which is attached hereto as Exhibit A, and that he has thereby subjected his Physician's and Surgeon's Certificate No. A 111104 to disciplinary action.

9. Respondent agrees that if an accusation is ever filed against him before the Medical Board of California, all of the charges and allegations contained in First Amended Accusation No. 800-2020-069730 shall be deemed true, correct, and fully admitted by Respondent for purposes of that proceeding or any other licensing proceeding involving Respondent in the State of California.

10. Respondent agrees that his Physician's and Surgeon's Certificate No. A 111104 is subject to discipline and he agrees to be bound by the Board's imposition of discipline as set forth in the Disciplinary Order below.

CONTINGENCY

11. This stipulation shall be subject to approval by the Medical Board of California. Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

///

12. Respondent agrees that if he ever petitions for early termination or modification of probation, or if an accusation and/or petition to revoke probation is filed against him before the Board, all of the charges and allegations contained in First Amended Accusation No. 800-2020-069730 shall be deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or any other licensing proceeding involving Respondent in the State of California.

ADDITIONAL PROVISIONS

13. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to be an integrated writing representing the complete, final, and exclusive embodiment of the agreements of the parties in the above-entitled matter.

14. The parties agree that copies of this Stipulated Settlement and Disciplinary Order, including copies of the signatures of the parties, may be used in lieu of original documents and signatures and, further, that such copies shall have the same force and effect as originals.

15. In consideration of the foregoing admissions and stipulations, the parties agree the Board may, without further notice to or opportunity to be heard by Respondent, issue and enter the following Disciplinary Order:

DISCIPLINARY ORDER

1. PUBLIC REPRIMAND.

1. EDUCATION COURSE. Within 60 calendar days of the effective date of this Decision, Respondent shall submit to the Board or its designee for its prior approval educational program(s) or course(s) which shall not be less than 40 hours. The educational program(s) or

1 course(s) shall be aimed at correcting any areas of deficient practice or knowledge and shall be
2 Category I certified. The educational program(s) or course(s) shall be at Respondent's expense
3 and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of
4 licensure. Following the completion of each course, the Board or its designee may administer an
5 examination to test Respondent's knowledge of the course. Respondent shall provide proof of
6 attendance for 65 hours of CME of which 40 hours were in satisfaction of this condition.

7 2. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective
8 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in
9 advance by the Board or its designee. Respondent shall provide the approved course provider
10 with any information and documents that the approved course provider may deem pertinent.
11 Respondent shall participate in and successfully complete the classroom component of the course
12 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
13 complete any other component of the course within one (1) year of enrollment. The medical

15 Medical Education (CME) requirements for renewal of licensure.

16 A medical record keeping course taken after the acts that gave rise to the charges in the
17 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
18 or its designee, be accepted towards the fulfillment of this condition if the course would have
19 been approved by the Board or its designee had the course been taken after the effective date of
20 this Decision.

21 Respondent shall submit a certification of successful completion to the Board or its
22 designee not later than 15 calendar days after successfully completing the course, or not later than
23 15 calendar days after the effective date of the Decision, whichever is later.

25 of the effective date of this Decision, Respondent shall enroll in a clinical competence assessment
26 program approved in advance by the Board or its designee. Respondent shall successfully

28 the Board or its designee agrees in writing to an extension of that time.

1 The program shall consist of a comprehensive assessment of Respondent's physical and
2 mental health and the six general domains of clinical competence as defined by the Accreditation
3 Council on Graduate Medical Education and American Board of Medical Specialties pertaining to
4 Respondent's current or intended area of practice. The program shall take into account data
5 obtained from the pre-assessment, self-report forms and interview, and the Decision(s),
6 Accusation(s), and any other information that the Board or its designee deems relevant. The
7 program shall require Respondent's on-site participation for a minimum of three (3) and no more
8 than five (5) days as determined by the program for the assessment and clinical education
9 evaluation. Respondent shall pay all expenses associated with the clinical competence
10 assessment program.

11 At the end of the evaluation, the program will submit a report to the Board or its designee
12 which unequivocally states whether the Respondent has demonstrated the ability to practice
13 safely and independently. Based on Respondent's performance on the clinical competence
14 assessment, the program will advise the Board or its designee of its recommendation(s) for the
15 scope and length of any additional educational or clinical training, evaluation or treatment for any
16 medical condition or psychological condition, or anything else affecting Respondent's practice of
17 medicine. Respondent shall comply with the program's recommendations.

18 Determination as to whether Respondent successfully completed the clinical competence
19 assessment program is solely within the program's jurisdiction.

20 If Respondent fails to enroll, participate in, or successfully complete the clinical
21 competence assessment program within the designated time period, Respondent shall receive a
22 notification from the Board or its designee to cease the practice of medicine within three (3)
23 calendar days after being so notified. The Respondent shall not resume the practice of medicine
24 until enrollment or participation in the outstanding portions of the clinical competence assessment
25 program have been completed. If the Respondent did not successfully complete the clinical

2 ordered to reimburse the Board its costs of investigation and enforcement, including, but not
3 limited to, expert review, amended accusations, legal reviews, and investigation(s), in the amount
4 of \$15,340.00 (fifteen thousand three hundred and forty dollars). Costs shall be payable to the
5 Medical Board of California. Failure to pay such costs shall be considered a violation of
6 probation.

7 Payment must be made in full within 30 calendar days of the effective date of the Order, or
8 by a payment plan approved by the Medical Board of California. Any and all requests for a
9 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with
10 the payment plan shall be considered a violation of probation.

11 The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to
12 repay investigation and enforcement costs.

13 5. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
14 a new license or certification, or petition for reinstatement of a license, by any other health care
15 licensing action agency in the State of California, all of the charges and allegations contained in
16 First Amended Accusation No. 800-2020-069730 shall be deemed to be true, correct, and
17 admitted by Respondent for the purpose of any Statement of Issues or any other proceeding
18 seeking to deny or restrict license.

19 6. FAILURE TO COMPLY Any failure by Respondent to comply with terms and
20 conditions of the Stipulated Settlement and Disciplinary Order set forth above shall constitute
21 unprofessional conduct and grounds for further disciplinary action.

COST RECOVERY

8. Section 125.3 of the Code states that:

(a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

(b) In the case of a disciplined licentiate that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.

(c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.

(d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge if the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).

(e) If an order for recovery of costs is made and timely payment is not made as directed in the board's decision, the board may enforce the order for repayment in any appropriate court. This right of enforcement shall be in addition to any other rights the board may have as to any licensee to pay costs.

(f) In any action for recovery of costs, proof of the board's decision shall be conclusive proof of the validity of the order of payment and the terms for payment.

1 (g)(1) Except as provided in paragraph (2), the board shall not renew or
2 reinstate the license of any licensee who has failed to pay all of the costs ordered
3 under this section.

4 (2) Notwithstanding paragraph (1), the board may, in its discretion,
5 conditionally renew or reinstate for a maximum of one year the license of any
6 licensee who demonstrates financial hardship and who enters into a formal agreement
7 with the board to reimburse the board within that one-year period for the unpaid
8 costs.

9 (h) All costs recovered under this section shall be considered a reimbursement
10 for costs incurred and shall be deposited in the fund of the board recovering the costs
11 to be available upon appropriation by the Legislature.

12 (i) Nothing in this section shall preclude a board from including the recovery of
13 the costs of investigation and enforcement of a case in any stipulated settlement.

14 (j) This section does not apply to any board if a specific statutory provision in
15 that board's licensing act provides for recovery of costs in an administrative
16 disciplinary proceeding.

17 FIRST CAUSE FOR DISCIPLINE

18 (Gross Negligence)

19 9. Respondent has subjected his Physician's and Surgeon's Certificate No. A 111104 to
20 disciplinary action under sections 2227 and 2234, as defined by section 2234, subdivision (b), of
21 the Code, in that he committed gross negligence in his care and treatment of Patient A,¹ as more
22 particularly alleged hereinafter:

23 Patient A

24 10. In or around 2014,² Patient A first presented to Respondent. At the time of this visit,
25 Patient A was a seventy-five (75) year-old female.

26 11. On or about August 8, 2019, Patient A presented to Respondent after a dog bite
27 incident in Mexico, which occurred on or about August 5, 2019. Respondent failed to consider
28 and/or failed to document having considered, the dog's health and rabies vaccination status, in
order to determine if Patient A needed rabies-specific care. Respondent failed to consider and/or

¹ References to "Patient A" are used to protect patient privacy.

² Conduct occurring more than seven (7) years from the filing date of this Accusation is
for informational purposes only and is not alleged as a basis for disciplinary action.

1 failed to document having considered, Patient A's tetanus vaccination status, in order to
2 determine if Patient A needed tetanus-specific care. Respondent failed to adequately document
3 wound assessment, by failing to document, among other things, the size or description of the
4 wound, musculoskeletal or neurovascular examinations conducted, if any, and the decision to
5 leave the wound open or close it, and why. The medical records for this visit document, that
6 Patient A's left arm was bitten by the dog, and indicate a procedure code for "debride
7 skin/tissue." It is unclear why a procedure code on "debride skin/tissue" was documented for this
8 visit. Respondent diagnosed Patient A with "anaerobic cellulitis"³ and prescribed Keflex.⁴
9 Medical records for this visit document, that Patient A is on Levofloxacin⁵ 750 mg, once daily.
10 Respondent failed to adequately document his antibiotics decision-making and rationale.
11 Respondent failed to refer and/or failed to document having referred Patient A for surgery of the
12 dog-bitten arm.

13 12. On or about August 9, 2019, Patient A returned to Respondent for a follow-up visit.
14 Respondent failed to consider and/or failed to document having considered, the dog's health and
15 rabies vaccination status, in order to determine if Patient A needed rabies-specific care.
16 Respondent failed to consider and/or failed to document having considered, Patient A's tetanus
17 vaccination status, in order to determine if Patient A needed tetanus-specific care. Respondent
18 failed to adequately document wound assessment, by failing to document, among other things, the
19 size or description of the wound, and musculoskeletal or neurovascular examinations conducted,
20 if any. The medical records for this visit document that Patient A's right arm was bitten by the
21 dog. It is documented elsewhere in the medical records for this visit that Patient A's left arm was
22 bitten by the dog. The medical records for this visit also document that Patient A is taking
23 Levofloxacin and Keflex, and in the diagnostic assessment section, "MRSA"⁶ is noted, without
24

25 ³ Anaerobic cellulitis is a localized infection involving the skin and soft tissue.

26 ⁴ Keflex (Cefalexin) is an antibiotic, which can be used to treat infections.

27 ⁵ Levofloxacin is an antibiotic, which can be used to treat infections.

28 ⁶ Methicillin-resistant Staphylococcus aureus (MRSA) is a cause of staph infection that is difficult to treat because of resistance to some antibiotics.

1 any data to support this diagnostic assessment. In the "treatment" section of the medical record
2 for this visit, it inadequately documents the redressing of the wound as treatment for MRSA. The
3 medical records for this visit also document a referral to general surgery for "eval and treat
4 patient with laceration of skin to right arm." However, the medical records do not document how
5 and/or when this surgery appointment was to occur and/or whether Patient A declined the surgery
6 appointment.

7 13. Respondent committed gross negligence in his care and treatment of Patient A, which
8 included, but was not limited to, the following:

9 (a) Respondent failed to treat Patient A's dog bite appropriately.

10 **SECOND CAUSE FOR DISCIPLINE**

11 **(Failure to Maintain Adequate and Accurate Records)**

12 14. Respondent has further subjected his Physician's and Surgeon's Certificate
13 No. A 111104 to disciplinary action under sections 2227 and 2234, as defined by section 2266, of
14 the Code, in that Respondent failed to maintain adequate and accurate records regarding his care
15 and treatment of Patient A, as more particularly alleged in paragraphs 9 through 13, above, which
16 are hereby incorporated by reference and realleged as if fully set forth herein.

17 **THIRD CAUSE FOR DISCIPLINE**

18 **(General Unprofessional Conduct)**

19 15. Respondent has further subjected his Physician's and Surgeon's Certificate No.
20 A 111104 to disciplinary action under sections 2227 and 2234 of the Code, in that he has engaged
21 in conduct which breaches the rules or ethical code of the medical profession, or conduct which is
22 unbecoming of a member in good standing of the medical profession, and which demonstrates an
23 unfitness to practice medicine, as more particularly alleged in paragraphs 9 through 14, above,
24 which are hereby incorporated by reference as if fully set forth herein.

PRAYER

WHEREFORE, Complainant requests that a hearing be held on the matters herein alleged, and that following the hearing, the Medical Board of California issue a decision:
