22 California (Board). He brought this action solely in his official capacity and is represented in this
23 matter by Rob Bonta, Attorney General of the State of California, by Mary Cain-Simon,
24 Supervising Deputy Attorney General.

25 2. Respondent John Hong Yan Wu, M.D. (Respondent) is represented in this proceeding

28

3. On October 2, 1975, the Board issued Physician's and Surgeon's Certificate No. A 29670 to John Hong Yan Wu, M.D. (Respondent). The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2019-055545, and will expire on April 30, 2024, unless renewed.

JURISDICTION

4. Accusation No. 800-2019-055545 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on May 4, 2022. Respondent timely filed his Notice of Defense contesting the Accusation.

5. A copy of Accusation No. 800-2019-055545 is attached as exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2019-055545. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

Respondent understands and agrees that counsel for Complainant and the staff of the Medical Board of California may communicate directly with the Board regarding this stipulation and settlement, without notice to or participation by Respondent or his counsel. By signing the stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal action between the parties, and the Board shall not be disqualified from further action by having considered this matter.

1 this Decision.

2 Respondent shall submit a certification of successful completion to the Board or its
3 designee not later than 15 calendar days after successfully completing the course, or not later than
4 15 calendar days after the effective date of the Decision, whichever is later.

5 3. MONITORING - PRACTICE/BILLING. Within 30 calendar days of the effective
6 date of this Decision, Respondent shall submit to the Board or its designee for prior approval as a
7 practice monitor, the name and qualifications of one or more licensed physicians and surgeons
8 whose licenses are valid and in good standing, and who are preferably American Board of
9 Medical Specialties (ABMS) certified. A monitor shall have no prior or current business or
10 personal relationship with Respondent, or other relationship that could reasonably be expected to
11 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
12 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
13 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

14 The Board or its designee shall provide the approved monitor with copies of the Decision(s)
15 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the
16 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed
17 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role
18 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees
19 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the
20 signed statement for approval by the Board or its designee.

21 Within 60 calendar days of the effective date of this Decision, and continuing throughout
22 probation, the approved monitor shall monitor Respondent's practice. Respondent shall make all
23 records available for immediate inspection and copying on the premises by the monitor at all
24 times during business hours and shall retain the records for the entire term of probation.

25 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
26 date of this Decision, Respondent shall receive a notification from the Board or its designee to
27 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
28 shall cease the practice of medicine until a monitor is approved to provide monitoring

1 responsibility.

2 The monitor(s) shall submit a quarterly written report to the Board or its designee, which
3 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
4 are within the standards of practice of medicine, and whether Respondent is practicing medicine
5 safely, billing appropriately or both. It shall be the sole responsibility of Respondent to ensure
6 that the monitor submits the quarterly written reports to the Board or its designee within 10
7 calendar days after the end of the preceding quarter.

8 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
9 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
10 name and qualifications of a replacement monitor who will be assuming that responsibility within
11 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
12 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
13 notification from the Board or its designee to cease the practice of medicine within three (3)
14 calendar days after being so notified. Respondent shall cease the practice of medicine until a
15 replacement monitor is approved and assumes monitoring responsibility.

16 In lieu of a monitor, Respondent may participate in a professional enhancement program
17 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
18 review, semi-annual practice assessment, and semi-annual review of professional growth and
19 education. Respondent shall participate in the professional enhancement program at Respondent's
20 expense during the term of probation.

21 STANDARD CONDITIONS

22 4. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
23 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
24 Chief Executive Officer at every hospital where privileges or membership are extended to
25 Respondent, at any other facility where Respondent engages in the practice of medicine,
26 including all physician and locum tenens registries or other similar agencies, and to the Chief
27 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
28 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15

1 calendar days.

2 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

3 5. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
4 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
5 advanced practice nurses.

6 6. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
7 governing the practice of medicine in California and remain in full compliance with any court
8 ordered criminal probation, payments, and other orders.

9 7. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby
10 ordered to reimburse the Board its costs of investigation and enforcement, including, but not
11 limited to, expert review, amended accusations, legal reviews, investigation(s), and subpoena
12 enforcement, as applicable, in the amount of \$5,922.50 (five thousand nine hundred twenty two
13 and fifty cents). Costs shall be payable to the Medical Board of California. Failure to pay such
14 costs shall be considered a violation of probation.

15 Payment must be made in full within 30 calendar days of the effective date of the Order, or
16 by a payment plan approved by the Medical Board of California. Any and all requests for a
17 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with
18 the payment plan shall be considered a violation of probation.

19 The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to
20 repay investigation and enforcement costs, including expert review costs (if applicable).

21 8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
22 under penalty of perjury on forms provided by the Board, stating whether there has been
23 compliance with all the conditions of probation.

24 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
25 of the preceding quarter.

26 9. GENERAL PROBATION REQUIREMENTS.

27 Compliance with Probation Unit

28 Respondent shall comply with the Board's probation unit.

1 Address Changes

2 Respondent shall, at all times, keep the Board informed of Respondent's business and
3 residence addresses, email address (if available), and telephone number. Changes of such
4 addresses shall be immediately communicated in writing to the Board or its designee. Under no
5 circumstances shall a post office box serve as an address of record, except as allowed by Business
6 and Professions Code section 2021, subdivision (b).

7 Place of Practice

8 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
9 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
10 facility.

11 License Renewal

12 Respondent shall maintain a current and renewed California physician's and surgeon's
13 license.

14 Travel or Residence Outside California

15 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
16 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
17 (30) calendar days.

18 In the event Respondent should leave the State of California to reside or to practice
19 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
20 departure and return.

21 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
22 available in person upon request for interviews either at Respondent's place of business or at the
23 probation unit office, with or without prior notice throughout the term of probation.

24 11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
25 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
26 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
27 defined as any period of time Respondent is not practicing medicine as defined in Business and
28 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct

1 patient care, clinical activity or teaching, or other activity as approved by the Board. If
2 Respondent resides in California and is considered to be in non-practice, Respondent shall
3 comply with all terms and conditions of probation. All time spent in an intensive training
4 program which has been approved by the Board or its designee shall not be considered non-
5 practice and does not relieve Respondent from complying with all the terms and conditions of
6 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
7 on probation with the medical licensing authority of that state or jurisdiction shall not be
8 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
9 period of non-practice.

10 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
11 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
12 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
13 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
14 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

15 Respondent's period of non-practice while on probation shall not exceed two (2) years.

16 Periods of non-practice will not apply to the reduction of the probationary term.

17 Periods of non-practice for a Respondent residing outside of California will relieve
18 Respondent of the responsibility to comply with the probationary terms and conditions with the
19 exception of this condition and the following terms and conditions of probation: Obey All Laws;
20 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or
21 Controlled Substances; and Biological Fluid Testing..

22 12. COMPLETION OF PROBATION. Respondent shall comply with all financial
23 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
24 completion of probation. This term does not include cost recovery, which is due within 30
25 calendar days of the effective date of the Order, or by a payment plan approved by the Medical
26 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate
27 shall be fully restored.

28 13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition

1 of probation is a violation of probation. If Respondent violates probation in any respect, the
2 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
3 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
4 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
5 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
6 the matter is final.

7 14. LICENSE SURRENDER. Following the effective date of this Decision, if
8 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
9 the terms and conditions of probation, Respondent may request to surrender his license. The
10 Board reserves the right to evaluate Respondent's request and to exercise its discretion in
11 determining whether or not to grant the request, or to take any other action deemed appropriate
12 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
13 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
14 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
15 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
16 application shall be treated as a petition for reinstatement of a revoked certificate.

17 15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
18 with probation monitoring each and every year of probation, as designated by the Board, which
19 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
20 California and delivered to the Board or its designee no later than January 31 of each calendar
21 year.

22 16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for a
23 new license or certification, or petition for reinstatement of a license, by any other health care
24 licensing action agency in the State of California, all of the charges and allegations contained in
25 Accusation No. 800-2019-055545 shall be deemed to be true, correct, and admitted by
26 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
27 restrict license.

16 Respondent.

17 **PARTIES**

18 1. William Prasifka (Complainant) brings this Accusation solely in his official capacity
19 as the Executive Director of the Medical Board of California, Department of Consumer Affairs
20 (Board).

21 2. On or about October 2, 1975, the Medical Board issued Physician's and Surgeon's
22 Certificate Number A 29670 to John Hong Yan Wu, M.D. (Respondent). The Physician's and
23 Surgeon's Certificate was in full force and effect at all times relevant to the charges brought
24 herein and will expire on April 30, 2024, unless renewed.

25 **JURISDICTION**

26 3. This Accusation is brought before the Board, under the authority of the following
27 laws. All section references are to the Business and Professions Code (Code) unless otherwise
28 indicated.

1 4. Section 2227 of the Code provides that a licensee who is found guilty under the
2 Medical Practice Act may have his or her license revoked, suspended for a period not to exceed
3 one year, placed on probation and required to pay the costs of probation monitoring, or such other
4 action taken in relation to discipline as the Board deems proper.

5 5. Section 2234 of the Code, states:

6 The board shall take action against any licensee who is charged with
7 unprofessional conduct. In addition to other provisions of this article, unprofessional
8 conduct includes, but is not limited to, the following:

9 (a) Violating or attempting to violate, directly or indirectly, assisting in or
10 abetting the violation of, or conspiring to violate any provision of this chapter.

11 (b) Gross negligence.

12 (c) Repeated negligent acts. To be repeated, there must be two or more
13 negligent acts or omissions. An initial negligent act or omission followed by a
14 separate and distinct departure from the applicable standard of care shall constitute
15 repeated negligent acts.

16 (1) An initial negligent diagnosis followed by an act or omission medically
17 appropriate for that negligent diagnosis of the patient shall constitute a single
18 negligent act.

19 (2) When the standard of care requires a change in the diagnosis, act, or
20 omission that constitutes the negligent act described in paragraph (1), including, but
21 not limited to, a reevaluation of the diagnosis or a change in treatment, and the
22 licensee's conduct departs from the applicable standard of care, each departure
23 constitutes a separate and distinct breach of the standard of care.

24 (d) Incompetence.

25 “...”

26 (f) Any action or conduct that would have warranted the denial of a certificate.

27 “...”

28 6. Section 2242 of the Code states:

 “(a) Prescribing, dispensing, or furnishing dangerous drugs as defined in Section 4022¹
without an appropriate prior examination and a medical indication, constitutes unprofessional

¹ Dangerous drug means any drug unsafe for self-use in humans or animals including
drugs that require a prescription to be lawfully dispensed.

1 conduct.

2 7. Section 2266 of the Code states: The failure of a physician and surgeon to maintain
3 adequate and accurate records relating to the provision of services to their patients constitutes
4 unprofessional conduct.

5 **COST RECOVERY**

6 8. Section 125.3 of the Code provides, in pertinent part, that the Board may request the
7 administrative law judge to direct a licensee found to have committed a violation or violations of
8 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
9 enforcement of the case, with failure of the licensee to comply subjecting the license to not being
10 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
11 included in a stipulated settlement.

12 **DEFINITIONS**

13 9. Azithromycin, also known as Z-Pak, is an FDA-approved antibiotic used to treat
14 many types of infections affecting the lungs, sinuses, skin, and other parts of the body. The drug
15 is sold under the brand names Zithromax and Zmax and as generics by many different drug
16 companies. It works by stopping the growth of bacteria that can cause infections. Azithromycin
17 is a prescription drug. It is often dispensed as a Z-Pak (or Zpack) which is a five-day pill
18 regimen. It is a prescription drug.

19 **FACTUAL ALLEGATIONS**

20 10. At all times relevant, Respondent was a physician in private practice for general
21 medicine, licensed and practicing medicine in the State of California.

22 **PATIENT A²**

23 11. Patient A is an 89-year old female who has been seeing Respondent since around
24 December 2014, for a variety of ailments. Respondent's hand-written records for Patient A are
25 largely-illegible, unclear and difficult, if not impossible, for an outside physician to interpret. The
26 records do not clearly reflect one or more of the components of a specific medical visit, in that

27 ² The patients in this document are designated as Patient A, Patient B and Patient C in
28 order to protect their privacy. Respondent knows the names of the patients and can confirm
Patient A, Patient B and Patient C's identity through discovery.

1 they do not show history of present illness, objective examination or vital signs, physical
2 examination, assessment and plan—including whether diagnostics and/or therapeutics were
3 ordered.

4 PATIENT B

5 12. Beginning in 2016, Patient B, a 92- year old male with a history of diabetes and
6 asthma, began seeing Respondent for complaints about bronchitis. Respondent prescribed
7 azithromycin to Patient B at almost every consecutive visit between October 3, 2017 and June 30,
8 2021, with azithromycin prescriptions being filled for Patient B around 33 separate times during
9 that period. For the nearly four years Respondent continually prescribed Zpacks to Patient B,
10 Respondent's medical records do not reflect that he ordered any diagnostic tests to evaluate
11 Patient B's apparently chronic respiratory condition. It is unclear what specific infection was
12 being treated by the azithromycin. There is no record of diagnostic testing to determine the
13 reason for the unresponsive cough. There are no chest x-rays in the medical records.
14 Respondent's medical records do not reflect that Respondent ever ordered any chest x-ray; nor do
15 Respondent's records reflect any other reasonable diagnostic plan such as additional testing of
16 sputum samples or a tuberculosis test, nor any referral to a pulmonary or infectious disease
17 specialist, or referral for pulmonary testing.

18 13. Respondent's hand-written records for Patient B are largely illegible, unclear and
19 difficult, if not impossible, for an outside physician to interpret. While there are records of
20 sporadic, basic blood work, none could be specifically paired with a treatment plan or visit, and
21 there are no specific lab tests or results referenced in any of the treatment notes paired with the
22 prescriptions for azithromycin.

23 PATIENT C

24 14. Beginning in 2014, Respondent began seeing Patient C, a now 74-year old male with
25 a past history of hypertension and exposure to gun smoke during the Vietnam war. Respondent
26 prescribed around 49 courses of azithromycin to Patient C, during visits between August 2014
27 through January 2021. For the nearly seven years Respondent continually prescribed Zpacks to
28 Patient C, Respondent's medical records do not reflect that he ordered any diagnostic tests such

1 as chest x rays, testing for chronic conditions such as tuberculosis or pulmonary function testing.
2 While there are laboratory notes in the back of the file, none of the notes contain any reference to
3 laboratory test results in the context of the extended treatment courses with azithromycin.
4 Respondent's hand-written records for Patient C are largely illegible, unclear and difficult, if not
5 impossible, for an outside physician to interpret. The records in many instances do not clearly
6 reflect one or more of the components of a specific medical visit, in that they do not show history
7 of present illness, objective examination or vital signs, physical examination, assessment and
8 plan. The records also do not reflect important patient safety information, such as documentation
9 regarding patient allergies.
