15 **Physician's and Surgeon's Certificate**
16 **No. A 31978**

**STIPULATED SURRENDER OF
LICENSE AND ORDER**

17 Respondent.

18
19 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-
20 entitled proceedings that the following matters are true:

21 **PARTIES**

22 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of
23 California (Board). He brought this action solely in his official capacity and is represented in this
24 matter by Rob Bonta, Attorney General of the State of California, by Marianne A. Pansa, Deputy
25 Attorney General.

26 2. Michael Lee Brodie, M.D. (Respondent) is represented in this proceeding by attorney
27 Nicole D. Hendrickson, whose address is: 655 University Avenue, Suite 119, Sacramento, CA
28 95825.

1 **CULPABILITY**

2 8. Respondent does not contest that, at an administrative hearing, Complainant could
3 establish a prima facie case with respect to the charges and allegations in First Amended
4 Accusation No. 800-2019-058384, a true and correct copy of which is attached hereto as Exhibit
5 A. Respondent agrees that the charges in First Amended Accusation No. 800-2019-058384
6 constitute cause for discipline, and hereby surrenders his Physician's and Surgeon's Certificate
7 No. A 31978 for the Board's formal acceptance.

8 9. Respondent understands that by signing this stipulation he enables the Board to issue
9 an order accepting the surrender of his Physician's and Surgeon's Certificate without further
10 process.

11 **CONTINGENCY**

12 10. Business and Professions Code section 2224, subdivision (b), provides, in pertinent
13 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...
14 stipulation for surrender of a license."

15 11. Respondent understands that, by signing this stipulation, he enables the Executive
16 Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his
17 Physician's and Surgeon's Certificate No. A 31978 without further notice to, or opportunity to be
18 heard by, Respondent.

19 12. This Stipulated Surrender of License and Disciplinary Order shall be subject to
20 approval of the Executive Director on behalf of the Board. The parties agree that this Stipulated
21 Surrender of License and Disciplinary Order shall be submitted to the Executive Director for his
22 consideration in the above-entitled matter and, further, that the Executive Director shall have a
23 reasonable period of time in which to consider and act on this Stipulated Surrender of License and
24 Disciplinary Order after receiving it. By signing this stipulation, Respondent fully understands
25 and agrees that he may not withdraw his agreement or seek to rescind this stipulation prior to the
26 time the Executive Director, on behalf of the Medical Board, considers and acts upon it.

27 13. The parties agree that this Stipulated Surrender of License and Disciplinary Order
28 shall be null and void and not binding upon the parties unless approved and adopted by the

1 Executive Director on behalf of the Board, except for this paragraph, which shall remain in full
2 force and effect. Respondent fully understands and agrees that in deciding whether or not to
3 approve and adopt this Stipulated Surrender of License and Disciplinary Order, the Executive
4 Director and/or the Board may receive oral and written communications from its staff and/or the
5 Attorney General's Office. Communications pursuant to this paragraph shall not disqualify the
6 Executive Director, the Board, any member thereof, and/or any other person from future
7 participation in this or any other matter affecting or involving Respondent. In the event that the
8 Executive Director on behalf of the Board does not, in his discretion, approve and adopt this
9 Stipulated Surrender of License and Disciplinary Order, with the exception of this paragraph, it
10 shall not become effective, shall be of no evidentiary value whatsoever, and shall not be relied
11 upon or introduced in any disciplinary action by either party hereto. Respondent further agrees
12 that should this Stipulated Surrender of License and Disciplinary Order be rejected for any reason
13 by the Executive Director on behalf of the Board, Respondent will assert no claim that the
14 Executive Director, the Board, or any member thereof, was prejudiced by its/his/her review,
15 discussion, and/or consideration of this Stipulated Surrender of License and Disciplinary Order or
16 of any matter or matters related hereto.

17 14. The parties understand and agree that Portable Document Format (PDF) and facsimile
18 copies of this Stipulated Surrender of License and Order, including PDF and facsimile signatures
19 thereto, shall have the same force and effect as the originals.

20 15. In consideration of the foregoing admissions and stipulations, the parties agree that
21 the Executive Director on behalf of the Board may, without further notice or formal proceeding,
22 issue and enter the following Order:

1 ORDER

2 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 31978, issued
3 to Respondent Michael Lee Brodie, M.D., is surrendered and accepted by the Board.

4 1. The surrender of Respondent's Physician's and Surgeon's Certificate and the
5 acceptance of the surrendered license by the Board shall constitute the imposition of discipline
6 against Respondent. This stipulation constitutes a record of the discipline and shall become a part
7 of Respondent's license history with the Board.

8 2. Respondent shall lose all rights and privileges as a Physician and Surgeon in
9 California as of the effective date of the Board's Decision and Order.

10 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was
11 issued, his wall certificate on or before the effective date of the Decision and Order, namely,
12 thirty days after signature of this agreement by all parties.

13 4. If Respondent ever applies for licensure or petitions for reinstatement in the State of
14 California, the Board shall treat it as a new application for licensure. Respondent must comply
15 with all the laws, regulations and procedures for licensure in effect at the time the application or
16 petition is filed, and all of the charges and allegations contained in First Amended Accusation No.
17 800-2019-058384 shall be deemed to be true, correct and admitted by Respondent when the
18 Board determines whether to grant or deny the application or petition.

19 5. Respondent shall pay the agency its costs of investigation and enforcement in the
20 amount of \$19,435.00 (nineteen thousand four hundred and thirty-five dollars and zero cents)
21 prior to issuance of a new or reinstated license.

22 6. If Respondent should ever apply or reapply for a new license or certification, or
23 petition for reinstatement of a license, by any other health care licensing agency in the State of
24 California, all of the charges and allegations contained in First Amended Accusation No. 800-
25 2019-058384 shall be deemed to be true, correct, and admitted by Respondent for the purpose of
26 any Statement of Issues or any other proceeding seeking to deny or restrict licensure.

1 **JURISDICTION**

2 3. This First Amended Accusation supersedes Accusation No. 800-2019-058384, filed
3 on December 29, 2021, and is brought before the Board, under the authority of the following
4 laws. All section references are to the Business and Professions Code unless otherwise indicated.

5 4. Section 2227 of the Code states:

6 (a) A licensee whose matter has been heard by an administrative law judge of
7 the Medical Quality Hearing Panel as designated in Section 11371 of the
8 Government Code, or whose default has been entered, and who is found
9 guilty, or who has entered into a stipulation for disciplinary action with the
10 board, may, in accordance with the provisions of this chapter:

11 (1) Have his or her license revoked upon order of the board.

12 (2) Have his or her right to practice suspended for a period not to exceed
13 one year upon order of the board.

14 (3) Be placed on probation and be required to pay the costs of probation
15 monitoring upon order of the board.

16 (4) Be publicly reprimanded by the board. The public reprimand may
17 include a requirement that the licensee complete relevant educational
18 courses approved by the board.

19 (5) Have any other action taken in relation to discipline as part of an order
20 of probation, as the board or an administrative law judge may deem
21 proper.

22 (b) Any matter heard pursuant to subdivision (a), except for warning letters,
23 medical review or advisory conferences, professional competency
24 examinations, continuing education activities, and cost reimbursement
25 associated therewith that are agreed to with the board and successfully
26 completed by the licensee, or other matters made confidential or privileged
27 by existing law, is deemed public, and shall be made available to the public
28 by the board pursuant to Section 803.1.

29 **STATUTORY PROVISIONS**

30 5. Section 2234 of the Code, states in pertinent part:

31 The board shall take action against any licensee who is charged with
32 unprofessional conduct. In addition to other provisions of this article, unprofessional
33 conduct includes, but is not limited to, the following:

34 (a) Violating or attempting to violate, directly or indirectly, assisting in or
35 abetting the violation of, or conspiring to violate any provision of this chapter.

36 (b) Gross negligence.

1 (c) Repeated negligent acts. To be repeated, there must be two or more
2 negligent acts or omissions. An initial negligent act or omission followed by
3 a separate and distinct departure from the applicable standard of care shall
4 constitute repeated negligent acts.

5 (1) An initial negligent diagnosis followed by an act or omission
6 medically appropriate for that negligent diagnosis of the patient shall
7 constitute a single negligent act.

8 (2) When the standard of care requires a change in the diagnosis, act, or
9 omission that constitutes the negligent act described in paragraph (1),
10 including, but not limited to, a reevaluation of the diagnosis or a change
11 in treatment, and the licensee's conduct departs from the applicable
12 standard of care, each departure constitutes a separate and distinct breach
13 of the standard of care.

14 ...

15 6. Section 2242 of the Code states:

16 (a) Prescribing, dispensing, or furnishing dangerous drugs as defined in
17 Section 4022 without an appropriate prior examination and a medical
18 indication, constitutes unprofessional conduct. An appropriate prior
19 examination does not require a synchronous interaction between the patient
20 and the licensee and can be achieved through the use of telehealth, including,
21 but not limited to, a self-screening tool or a questionnaire, provided that the
22 licensee complies with the appropriate standard of care.

23 (b) No licensee shall be found to have committed unprofessional conduct
24 within the meaning of this section if, at the time the drugs were prescribed,
25 dispensed, or furnished, any of the following applies:

26 (1) The licensee was a designated physician and surgeon or podiatrist
27 serving in the absence of the patient's physician and surgeon or podiatrist,
28 as the case may be, and if the drugs were prescribed, dispensed, or
furnished only as necessary to maintain the patient until the return of the
patient's practitioner, but in any case no longer than 72 hours.

(2) The licensee transmitted the order for the drugs to a registered nurse
or to a licensed vocational nurse in an inpatient facility, and if both of the
following conditions exist:

(A) The practitioner had consulted with the registered nurse or
licensed vocational nurse who had reviewed the patient's records.

(B) The practitioner was designated as the practitioner to serve in the
absence of the patient's physician and surgeon or podiatrist, as the
case may be.

(3) The licensee was a designated practitioner serving in the absence of
the patient's physician and surgeon or podiatrist, as the case may be, and
was in possession of or had utilized the patient's records and ordered the
renewal of a medically indicated prescription for an amount not exceeding
the original prescription in strength or amount or for more than one refill.

1 (4) The licensee was acting in accordance with Section 120582 of the
2 Health and Safety Code.

3 7. Section 2266 of the Code states: "The failure of a physician and surgeon to maintain
4 adequate and accurate records relating to the provision of services to their patients constitutes
5 unprofessional conduct."

6 8. Section 4021 of the Code States: "Controlled Substance" means any substance listed
7 in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code.

8 9. Section 4022 of the Code states: "Dangerous drug" or "dangerous device" means any
9 drug or device unsafe for self use, except veterinary drugs that are labeled as such, and includes
10 the following:

11 (a) Any drug that bears the legend: "Caution: federal law prohibits dispensing
12 without prescription," "Rx only," or words of similar import.

13 (b) Any device that bears the statement: "Caution: federal law restricts this
14 device to sale by or on the order of a _____," "Rx only," or words of
15 similar import, the blank to be filled in with the designation of the practitioner
licensed to use or order use of the device.

16 (c) Any other drug or device that by federal or state law can be lawfully
17 dispensed only on prescription or furnished pursuant to Section 4006.

18 COST RECOVERY

19 10. Section 125.3 of the Code states:

20 (a) Except as otherwise provided by law, in any order issued in resolution of a
21 disciplinary proceeding before any board within the department or before the
22 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the
administrative law judge may direct a licensee found to have committed a violation or
violations of the licensing act to pay a sum not to exceed the reasonable costs of the
investigation and enforcement of the case.¹

23 (b) In the case of a disciplined licensee that is a corporation or a partnership, the
24 order may be made against the licensed corporate entity or licensed partnership.

25 (c) A certified copy of the actual costs, or a good faith estimate of costs where
26 actual costs are not available, signed by the entity bringing the proceeding or its
designated representative shall be prima facie evidence of reasonable costs of
investigation and prosecution of the case. The costs shall include the amount of

27 ¹ As of November 18, 2021, Section 125.3 of the Code has been amended to remove subsection (k), which
28 precluded the Board from collecting costs. The Board may collect investigation, prosecution, and other costs incurred
for a disciplinary proceeding against a licensee as of January 1, 2022.

1 investigative and enforcement costs up to the date of the hearing, including, but not
2 limited to, charges imposed by the Attorney General.

3 (d) The administrative law judge shall make a proposed finding of the amount
4 of reasonable costs of investigation and prosecution of the case when requested
5 pursuant to subdivision (a). The finding of the administrative law judge with regard to
6 costs shall not be reviewable by the board to increase the cost award. The board may
7 reduce or eliminate the cost award, or remand to the administrative law judge if the
8 proposed decision fails to make a finding on costs requested pursuant to subdivision
9 (a).

10 (e) If an order for recovery of costs is made and timely payment is not made as
11 directed in the board's decision, the board may enforce the order for repayment in any
12 appropriate court. This right of enforcement shall be in addition to any other rights
13 the board may have as to any licensee to pay costs.

14 (f) In any action for recovery of costs, proof of the board's decision shall be
15 conclusive proof of the validity of the order of payment and the terms for payment.

16 (g) (1) Except as provided in paragraph (2), the board shall not renew or
17 reinstate the license of any licensee who has failed to pay all of the costs ordered
18 under this section.

19 (2) Notwithstanding paragraph (1), the board may, in its discretion,
20 conditionally renew or reinstate for a maximum of one year the license of any
21 licensee who demonstrates financial hardship and who enters into a formal agreement
22 with the board to reimburse the board within that one-year period for the unpaid
23 costs.

24 (h) All costs recovered under this section shall be considered a reimbursement
25 for costs incurred and shall be deposited in the fund of the board recovering the costs
26 to be available upon appropriation by the Legislature.

27 (i) Nothing in this section shall preclude a board from including the recovery of
28 the costs of investigation and enforcement of a case in any stipulated settlement.

(j) This section does not apply to any board if a specific statutory provision in
that board's licensing act provides for recovery of costs in an administrative
disciplinary proceeding.

7 time of admission.

8 36. On or about May 19, 2016, a note to the attending physician/prescriber (Dr. S) from
9 J.G., Pharm. D., consultant pharmacist, stated, "the resident [Patient B] receives Ambien 5 mg, at
10 night, for sleeplessness, M/B, insomnia, and appears effective. Sedative Hypnotics are to be taper
11 assessed for effectiveness and possible gradual dose reductions on a quarterly basis per the
12 regulatory process to taper assess to determine if reduction appropriate. Please taper assess
13 Ambien for possible dose reduction, change to PRN [as needed], DC [discontinue], or indicate if
14 the continued therapy outweigh the potential risks w/ rationale."

15 37. Dr. G., Pharm.D. advised of the tapering of Ambien on several more occasions
16 including, but not limited to, the following dates: August 27, 2016, October 28, 2016, February
17 22, 2017, May 16, 2017, August 13, 2017, November 19, 2017, February 13, 2018, May 18,
18 2018, August 7, 2018, November 10, 2018, and February 11, 2019.

19 38. On or about November 24, 2018, Patient B was walking down the hallway and
20 tripped over his feet. No head injury was reported, only a small finger injury.

21 39. On or about January 2, 2019, Respondent was notified via phone that Patient B was
22 sent to the emergency room for a post-fall evaluation status.

23 40. On or about February 11, 2019, Patient B was found on the floor of a peer's bedroom,
24 approximately one (1) hour after receiving his night time medication, including Ambien. After he
25 was helped to his feet, Patient B was shaky with an unbalanced gait. Respondent was notified.

27 _____
28 ⁴ Conduct occurring more than seven (7) years from the filing date of this Accusation is for informational
purposes only and is not alleged as a basis for disciplinary action.

1 41. The next day, on or about February 12, 2019, Patient B's blood pressure was elevated
2 at 152/74, with a pulse of 61-76. Patient B was on Ambien 5 mg and Amlodipine 10 mg.

3 42. On or about February 16, 2019, Patient B was found lying on his right side in the TV
4 room. Patient B denied striking his head and was helped to the couch. A new intervention had
5 been put in place to consult with Respondent about night time medications and evaluate to see if a
6 later time would be appropriate for Patient B to receive Ambien. Respondent was notified via
7 fax.

8 43. On or about February 25, 2019, it was noted that Patient B has a history of falls when
9 up and about, after taking Ambien.

10 44. On or about March 7, 2019, Patient B fell after his nighttime medication. Patient B
11 had been ambulating well, but became drowsy after taking his evening prescriptions and fell on
12 the patio. He was found lying on his back with his head resting against a trash can, with his eyes
13 closed. He did not suffer any injuries. Patient B had an unsteady gait and was placed in a
14 wheelchair. Respondent was made aware of the circumstances via an in-house message.

15 45. On or about March 13, 2019, there was an unwitnessed fall where Patient B reported
16 he lost his balance. The next day, on or about March 14, 2019, Patient B also reported to nurses
17 that he struck his head on the floor the previous night, but did not tell anyone. Patient B was
18 assessed and found to have no injuries, although Patient B stated that he felt pulsating where he
19 struck his head. Respondent was notified.

20 46. On or about March 27, 2019, Respondent signed a Physician's Progress Note,
21 diagnosing Patient B with "falls" and "unsteady gait." Respondent recommended that Patient B's
22 care plan be continued and that his orthostatic blood pressure be monitored for seven (7) days.
23 Respondent also recommended a physical therapy evaluation and a CT scan of Patient B's head.

24 47. On or about March 28, 2019, Patient B reported being dizzy earlier in the day, but he
25 denied pain and had no injuries post-fall. He was assisted to the couch by staff, but was resistant
26 to sitting and using a wheelchair.

27 ///

28 ///

1 48. On or about March 29, 2019, Patient B remained on safety watch. Patient B was
2 monitored when walking to the bathroom and it was noted that he continued to drag his feet when
3 walking.

4 49. On or about March 31, 2019, Patient B remained on 72-hour watch. Patient B had
5 been somewhat lethargic, taking naps, and needed more assistance than usual. He had recent
6 weakness, dizziness, and left arm pain, and he had been in a wheelchair. Patient B reported he
7 felt more secure and that he had been wobbly and did not want to fall. Respondent was aware
8 and did not make any new orders.

9 50. On or about April 1, 2019, it was noted in the medical record that Patient B had
10 shoulder pain and a history of falling without specific injury. Patient B's blood pressure was
11 133/74. Patient B was now in a wheelchair to avoid falls, noting that he was dizzy when standing
12 and leaning forward or up.

13 51. On or about April 3, 2019, Patient B was found lying in bed with his eyes closed,
14 breathing with his mouth open, with his respirations at 16. Patient B was not responsive to verbal
15 or physical stimuli, his pupils were even but not responding to light, his pulse was at 47, and his
16 blood pressure was 117/84 with pulse oximetry at 96%. Respondent was called and he advised
17 that Patient B should be sent to the emergency room. Patient B was then transported to the
18 emergency room.

19 52. On or about April 3, 2019, the reason for transfer noted in the transfer report was,
20 "Unable to arouse & res[ident] pupils reacting slow & sluggish. Recent Hx [history] of falls w/
21 head involvement. Send out to ER for further eval[uation] and Tx [treatment]." Patient B had
22 suffered a major stroke.

23 53. On or about April 5, 2019, Patient B remained on life support, post a major stroke,
24 awaiting family decision to withdraw life support.

25 54. On or about April 7, 2019, Patient B died due to brain death, secondary to subdural
26 hematoma, etiology unknown, associated with hypertension, anemia and thrombocytopenia.

27 55. On or about April 9, 2019, a Care Plan Close Out Report stated that Patient B had an
28 actual fall on January 2, 2019 (struck head and back), February 11, 2019, February 12, 2019

1 (scrape to right elbow), February 16, 2019, and March 7, 2019, and had unwitnessed falls
2 reported by Patient B on March 14, 2019 and March 25, 2019. Patient B also had falls on April
3 21, 2018 and November 24, 2018 (skin tear to left fifth finger).

4 56. On or about April 9, 2019, a Discharge Summary noted that, "The patient [Patient B]
5 had a steady downhill course." Patient B was discharged to Doctors Medical Center in Modesto.

6 57. Between September 28, 2016 through March 19, 2019, Respondent prescribed
7 Ambien to Patient B, approximately twenty (20) of the thirty-one (31) times this prescription was
8 written. Each prescription was for 5 mg of Ambien daily for thirty (30) days.

9 58. Between April 21, 2018 through March 25, 2019, Patient B suffered falls on or about
10 the following dates: April 21, 2018; November 24, 2018; January 2, 2019; February 11, 2019;
11 February 12, 2019; February 16, 2019; March 7, 2019; March 8, 2019; March 13, 2019; March
12 14, 2019; March 25, 2019; March 28, 2019; March 29, 2019; March 31, 2019; April 9, 2019;
13 March 14, 2019, and March 25, 2019.

14 59. Ambien is indicated for short-term treatment of insomnia and is a strong risk factor
15 for patient falls. Respondent failed to recognize the potential or actual side effects of the Ambien
16 he prescribed.

17 **Patient C**

18 60. On or about March 18, 2019, Respondent prescribed Phentermine 37.5 mg to Patient
19 C, an employee and/or staff member where Respondent practices medicine.

20 61. On or about April 19, 2019, Respondent prescribed Phentermine 37.5 mg to Patient
21 C., an employee and/or staff member where Respondent practices medicine.

22 62. Respondent prescribed the Phentermine to Patient C, as described in Paragraphs 60
23 and 61, above, without performing an examination of Patient C, completing a medical assessment
24 including taking a history, or devising and monitoring an appropriate treatment plan to monitor
25 the patient's care. Respondent also failed to maintain adequate and complete medical records
26 relating to his care and treatment of Patient C.

1 **FIRST CAUSE FOR DISCIPLINE**

2 **(Gross Negligence)**

3 63. Respondent Michael Lee Brodie, M.D. has subjected his Physician's and Surgeon's
4 Certificate No. A 31978 to disciplinary action under section 2234, subdivision (b) of the Code, in
5 that he committed act(s) and/or omission(s) constituting gross negligence in his care and
6 treatment of Patient A, Patient B, and Patient C. The circumstances giving rise to this cause for
7 discipline are set forth in paragraphs 32 through 62 above, which are incorporated here by
8 reference as if fully set forth herein. Additional circumstances are as follows:

9 64. The standard of care is to only provide controlled substances to patients based on a
10 physical examination, taking a history, assessing the need for a controlled substance, devising a
11 plan of care, and keeping appropriate medical records.

12 a. Respondent prescribed medications to Patient A, who was not his patient, without
13 performing an examination, completing a medical assessment including taking a history, devising
14 and monitoring an appropriate treatment plan, and keeping appropriate medical records.
15 Respondent's treatment of Patient A is an extreme departure from the standard of care and
16 constitutes gross negligence.

17 b. Respondent prescribed Phentermine, a Schedule IV controlled substance, to Patient
18 C, who was not his patient, without taking a history, performing a physical exam, assessing the
19 need for Phentermine, devising a plan of care, and keeping appropriate medical records.
20 Respondent's treatment of Patient C is an extreme departure from the standard of care and
21 constitutes gross negligence.

22 65. The standard of care for controlled substances (sedatives/hypnotics) is to discontinue
23 use in the face of significant potential side effects.

24 a. Respondent, as Patient B's Physician, and as the Medical Director of the skilled
25 nursing facility, failed to recognize the potential or actual side effects of daily Ambien
26 (sedative/hypnotic) use. Ambien is indicated for short-term treatment of insomnia. There were
27 several recommendations from the pharmacist to taper and discontinue Ambien. Ambien is a
28 strong independent and potentially modifiable risk factor for inpatient falls. As a result of

1 Respondent's failure, Patient B suffered numerous and significant injuries from falls.
2 Respondent's treatment of Patient B is an extreme departure from the standard of care and
3 constitutes gross negligence.

4 **SECOND CAUSE FOR DISCIPLINE**

5 **(Repeated Acts of Negligence)**

6 66. Respondent Michael Lee Brodie, M.D. has subjected his Physician's and Surgeon's
7 Certificate No. A 31978 to disciplinary action under section 2234, subdivision (c), of the Code, in
8 that he committed repeated acts of negligence in his care and treatment of Patient A, Patient B,
9 and Patient C. The circumstances giving rise to this cause for discipline set forth in paragraphs
10 32 through 65 above, are incorporated here by reference as if fully set forth herein.

11 67. Respondent inappropriately prescribed controlled substances to Patient A.

12 68. Respondent inappropriately prescribed controlled substances to Patient B.

13 69. Respondent inappropriately prescribed controlled substances to Patient C.

14 **THIRD CAUSE FOR DISCIPLINE**

15 **(Prescribing Without Prior Examination)**

16 70. Respondent Michael Lee Brodie, M.D. has subjected his Physician's and Surgeon's
17 Certificate No. A 31978 to disciplinary action under section 2242 of the Code, in that he
18 prescribed dangerous drugs as defined in section 4022 for Patients A and C, without an
19 appropriate prior examination and medical indication. The circumstances giving rise to this cause
20 for discipline set forth in paragraphs 32 through 34 above and paragraphs 60 through 62, above,
21 are incorporated here by reference as if fully set forth herein. Additional circumstances are as
22 follows:

23 71. The standard of care requires physicians to perform a physical examination and assess
24 the need for a controlled substance.

25 a. Respondent prescribed controlled substances to Patient A without an appropriate prior
26 examination and medical indication.

27 b. Respondent prescribed a controlled substance to Patient C without an appropriate
28 prior examination and medical indication.

1 **FOURTH CAUSE FOR DISCIPLINE**

2 **(Failure to Maintain Adequate and Accurate Medical Records)**

3 72. Respondent Michael Lee Brodie, M.D. has subjected his Physician's and Surgeon's
4 Certificate No. A 31978 to disciplinary action under section 2266 of the Code, in that he failed to
5 maintain adequate and accurate medical records. The circumstances giving rise to this cause for
6 discipline set forth in paragraphs 32 through 34 and paragraphs 60 through 62 above, are
7 incorporated here by reference as if fully set forth herein. Additional circumstances are as
8 follows:

9 73. The standard of care requires a physician to document in a medical record the medical
10 evaluation process of taking a history, performing a physical examination, assessing the need for
11 a controlled substance, and devising a plan of care.

12 a. Respondent failed to document a medical record of performing a physical
13 examination, taking a history, assessing the need for a controlled substance, and devising a plan
14 of care for Patient A as required.

15 b. Respondent failed to document a medical record of performing a physical
16 examination, taking a history, assessing the need for a controlled substance, and devising a plan
17 of care for Patient C as required.
