12. The parties understand and agree that Portable Document Format (PDF) and facsimile copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile signatures thereto, shall have the same force and effect as the originals.

13. In consideration of the foregoing admissions and stipulations, the parties agree that the Board may, without further notice or opportunity to be heard by the Respondent, issue and enter the following Disciplinary Order:

## DISCIPLINARY ORDER

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 52316 issued to Respondent Roger William Washington, M.D. is revoked. However, the revocation is stayed and Respondent is placed on probation for five (5) years on the following terms and conditions:

1. EDUCATION COURSE. Within 60 calendar days of the effective date of this Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee for its prior approval educational program(s) or course(s) which shall not be less than 40 hours per year, for each year of probation. The educational program(s) or course(s) shall be aimed at correcting any areas of deficient practice or knowledge and shall be Category I certified. The educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure. Following the completion of each course, the Board or its designee may administer an examination to test Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65 hours of CME of which 40 hours were in satisfaction of this condition.

2. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a course in medical record keeping approved in advance by the Board or its designee. Respondent shall provide the approved course provider with any information and documents that the approved course provider may deem pertinent. Respondent shall participate in and successfully complete the classroom component of the course not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully complete any other component of the course within one (1) year of enrollment. The medical record keeping course shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

A medical record keeping course taken after the acts that gave rise to the charges in the Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board

1 or its designee, be accepted towards the fulfillment of this condition if the course would have  
2 been approved by the Board or its designee had the course been taken after the effective date of  
3 this Decision.

4 Respondent shall submit a certification of successful completion to the Board or its  
5 designee not later than 15 calendar days after successfully completing the course, or not later than  
6 15 calendar days after the effective date of the Decision, whichever is later.

7 3. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this  
8 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice  
9 monitor(s), the name and qualifications of one or more licensed physicians and surgeons whose  
10 licenses are valid and in good standing, and who are preferably American Board of Medical  
11 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal  
12 relationship with Respondent, or other relationship that could reasonably be expected to  
13 compromise the ability of the monitor to render fair and unbiased reports to the Board, including  
14 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree  
15 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

16 The Board or its designee shall provide the approved monitor with copies of the Decision(s)  
17 and Accusation(s), and a proposed monitoring plan. Within 15 calendar days of receipt of the  
18 Decision(s), Accusation(s), and proposed monitoring plan, the monitor shall submit a signed  
19 statement that the monitor has read the Decision(s) and Accusation(s), fully understands the role  
20 of a monitor, and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees  
21 with the proposed monitoring plan, the monitor shall submit a revised monitoring plan with the  
22 signed statement for approval by the Board or its designee.

23 Within 60 calendar days of the effective date of this Decision, and continuing throughout  
24 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall  
25 make all records available for immediate inspection and copying on the premises by the monitor  
26 at all times during business hours and shall retain the records for the entire term of probation.

27 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective  
28 date of this Decision, Respondent shall receive a notification from the Board or its designee to

1 cease the practice of medicine within three (3) calendar days after being so notified. Respondent  
2 shall cease the practice of medicine until a monitor is approved to provide monitoring  
3 responsibility.

4 The monitor(s) shall submit a quarterly written report to the Board or its designee which  
5 includes an evaluation of Respondent's performance, indicating whether Respondent's practices  
6 are within the standards of practice of medicine, and whether Respondent is practicing medicine  
7 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the  
8 quarterly written reports to the Board or its designee within 10 calendar days after the end of the  
9 preceding quarter.

10 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of  
11 such resignation or unavailability, submit to the Board or its designee, for prior approval, the  
12 name and qualifications of a replacement monitor who will be assuming that responsibility within  
13 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60  
14 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a  
15 notification from the Board or its designee to cease the practice of medicine within three (3)  
16 calendar days after being so notified. Respondent shall cease the practice of medicine until a  
17 replacement monitor is approved and assumes monitoring responsibility.

18 In lieu of a monitor, Respondent may participate in a professional enhancement program  
19 approved in advance by the Board or its designee that includes, at minimum, quarterly chart  
20 review, semi-annual practice assessment, and semi-annual review of professional growth and  
21 education. Respondent shall participate in the professional enhancement program at Respondent's  
22 expense during the term of probation.

23 4. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
24 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
25 Chief Executive Officer at every hospital where privileges or membership are extended to  
26 Respondent, at any other facility where Respondent engages in the practice of medicine,  
27 including all physician and locum tenens registries or other similar agencies, and to the Chief  
28 Executive Officer at every insurance carrier which extends malpractice insurance coverage to

Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15 calendar days.

This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

5. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE NURSES. During probation, Respondent is prohibited from supervising physician assistants and advanced practice nurses.

6. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules governing the practice of medicine in California and remain in full compliance with any court ordered criminal probation, payments, and other orders.

7. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby ordered to reimburse the Board its costs of investigation and enforcement, including, but not limited to, expert review, legal reviews, and investigation(s), as applicable, in the amount of \$12,213.75 (twelve thousand, two hundred thirteen dollars and seventy-five cents). Costs shall be payable to the Medical Board of California. Failure to pay such costs shall be considered a violation of probation.

Payment must be made in full within 30 calendar days of the effective date of the Order, or by a payment plan approved by the Medical Board of California. Any and all requests for a payment plan shall be submitted in writing by respondent to the Board. Failure to comply with the payment plan shall be considered a violation of probation.

The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to repay investigation and enforcement costs, including expert review costs.

8. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations under penalty of perjury on forms provided by the Board, stating whether there has been compliance with all the conditions of probation.

Respondent shall submit quarterly declarations not later than 10 calendar days after the end of the preceding quarter.

9. GENERAL PROBATION REQUIREMENTS.

Compliance with Probation Unit

1 Respondent shall comply with the Board's probation unit.

2 Address Changes

3 Respondent shall, at all times, keep the Board informed of Respondent's business and  
4 residence addresses, email address (if available), and telephone number. Changes of such  
5 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
6 circumstances shall a post office box serve as an address of record, except as allowed by Business  
7 and Professions Code section 2021, subdivision (b).

8 Place of Practice

9 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
10 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
11 facility.

12 License Renewal

13 Respondent shall maintain a current and renewed California physician's and surgeon's  
14 license.

15 Travel or Residence Outside California

16 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
17 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
18 (30) calendar days.

19 In the event Respondent should leave the State of California to reside or to practice  
20 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
21 departure and return.

22 10. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
23 available in person upon request for interviews either at Respondent's place of business or at the  
24 probation unit office, with or without prior notice throughout the term of probation.

25 11. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
26 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
27 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
28 defined as any period of time Respondent is not practicing medicine as defined in Business and

1 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
2 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
3 Respondent resides in California and is considered to be in non-practice, Respondent shall  
4 comply with all terms and conditions of probation. All time spent in an intensive training  
5 program which has been approved by the Board or its designee shall not be considered non-  
6 practice and does not relieve Respondent from complying with all the terms and conditions of  
7 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
8 on probation with the medical licensing authority of that state or jurisdiction shall not be  
9 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
10 period of non-practice.

11 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
12 months, Respondent shall successfully complete the Federation of State Medical Boards' Special  
13 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
14 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
15 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

16 Respondent's period of non-practice while on probation shall not exceed two (2) years.

17 Periods of non-practice will not apply to the reduction of the probationary term.

18 Periods of non-practice for a Respondent residing outside of California will relieve  
19 Respondent of the responsibility to comply with the probationary terms and conditions with the  
20 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
21 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
22 Controlled Substances; and Biological Fluid Testing..

23 12. COMPLETION OF PROBATION. Respondent shall comply with all financial  
24 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
25 completion of probation. This term does not include cost recovery, which is due within 30  
26 calendar days of the effective date of the Order, or by a payment plan approved by the Medical  
27 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate  
28 shall be fully restored.

1        13. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
2 of probation is a violation of probation. If Respondent violates probation in any respect, the  
3 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
4 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
5 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
6 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
7 the matter is final.

8        14. LICENSE SURRENDER. Following the effective date of this Decision, if  
9 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
10 the terms and conditions of probation, Respondent may request to surrender his license. The  
11 Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
12 determining whether or not to grant the request, or to take any other action deemed appropriate  
13 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
14 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
15 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
16 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
17 application shall be treated as a petition for reinstatement of a revoked certificate.

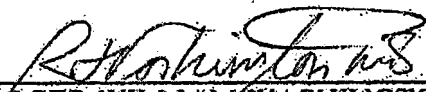

18        15. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
19 with probation monitoring each and every year of probation, as designated by the Board, which  
20 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
21 California and delivered to the Board or its designee no later than January 31 of each calendar  
22 year.

23        16. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
24 a new license or certification, or petition for reinstatement of a license, by any other health care  
25 licensing action agency in the State of California, all of the charges and allegations contained in  
26 Accusation No. 800-2020-068253 shall be deemed to be true, correct, and admitted by  
27 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
28 restrict license.

18  
19  
20 PARTIES

21 1. William Prasifka (Complainant) brings this Accusation solely in his official capacity  
22 as the Executive Director of the Medical Board of California, Department of Consumer Affairs  
23 (Board).

24 2. On May 7, 1984, the Board issued Physician's and Surgeon's Certificate Number G  
25 52316 to Roger William Washington, M.D. (Respondent). The Physician's and Surgeon's  
26 Certificate was in full force and effect at all times relevant to the charges brought herein and will  
27 expire on January 31, 2024, unless renewed.  
28

## JURISDICTION

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code provides that a licensee who is found guilty under the Medical Practice Act may have his or her license revoked, suspended for a period not to exceed one year, placed on probation and required to pay the costs of probation monitoring, or such other action taken in relation to discipline as the Board deems proper.

5. Section 2234 of the Code states, in pertinent part, that the Board shall take action against any licensee who is charged with unprofessional conduct. Unprofessional conduct includes, but is not limited to:

...

(b) Gross negligence.

(c) Repeated negligent acts.

...

## COST RECOVERY

6. Section 125.3 of the Code states:

(a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board, upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

(b) In the case of a disciplined licensee that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.

(c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.

(d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may

1 reduce or eliminate the cost award, or remand to the administrative law judge if the  
2 proposed decision fails to make a finding on costs requested pursuant to subdivision  
3 (a).

4 (e) If an order for recovery of costs is made and timely payment is not made as  
5 directed in the board's decision, the board may enforce the order for repayment in any  
6 appropriate court. This right of enforcement shall be in addition to any other rights  
7 the board may have as to any licensee to pay costs.

8 (f) In any action for recovery of costs, proof of the board's decision shall be  
9 conclusive proof of the validity of the order of payment and the terms for payment.

10 (g) (1) Except as provided in paragraph (2), the board shall not renew or  
11 reinstate the license of any licensee who has failed to pay all of the costs ordered  
12 under this section.

13 (2) Notwithstanding paragraph (1), the board may, in its discretion,  
14 conditionally renew or reinstate for a maximum of one year the license of any  
15 licensee who demonstrates financial hardship and who enters into a formal agreement  
16 with the board to reimburse the board within that one-year period for the unpaid  
17 costs.

18 (h) All costs recovered under this section shall be considered a reimbursement  
19 for costs incurred and shall be deposited in the fund of the board recovering the costs  
20 to be available upon appropriation by the Legislature.

21 (i) Nothing in this section shall preclude a board from including the recovery of  
22 the costs of investigation and enforcement of a case in any stipulated settlement.

23 (j) This section does not apply to any board if a specific statutory provision in  
24 that board's licensing act provides for recovery of costs in an administrative  
25 disciplinary proceeding.

#### 26 CAUSE FOR DISCIPLINE

##### 27 (Unprofessional Conduct/Gross Negligence/Repeated Negligent Acts)

28 7. Respondent Roger William Washington, M.D. is subject to disciplinary action under  
sections 2234, 2234 subdivision (b), and 2234 subdivision (c) of the Code in that he did not  
adequately address and pursue a work up for Patient 1's documented weight loss. The  
circumstances are as follows:

8. Respondent is a family practice physician. One of Respondent's patients was Patient  
1, a male in his late 60s with a prior history of prostate cancer.<sup>1</sup>

9. On April 24, 2018, Respondent treated Patient 1 and documented Patient 1's weight  
as 202 pounds.

<sup>1</sup> Patient 1's name is replaced with a pseudonym. Respondent is aware of Patient 1's  
identity.

1       10. Respondent next treated Patient 1 on June 28, 2018, where Respondent's chief  
2 complaint was abdominal pain. At that encounter, Respondent documented Patient 1's weight as  
3 186 pounds. Respondent noted the approximately 15-pound weight loss since April 24, 2018 in  
4 the history of present illness and discussion/summary section of his medical record. Respondent  
5 ordered an abdominal ultrasound. The abdominal ultrasound revealed a large fecal burden.

6       11. A few days later, on July 2, 2018, Respondent treated Patient 1. At that encounter,  
7 Respondent documented Patient 1's weight as 188 pounds. Patient 1 reported that laxative  
8 treatment produced a bowel movement and his abdominal pain went away.

9       12. Respondent's next treated Patient 1 on July 17, 2018. At that encounter, Respondent  
10 documented Patient 1's weight as 180 pounds, down another 8 pounds from the previous visit  
11 about two weeks earlier. Respondent noted the 8-pound loss as one of Patient 1's chief  
12 complaints. Another of Patient 1's chief complaints at this encounter was dropping weight and  
13 not eating as much. Respondent's list of active problems and assessment addressed other issues,  
14 but did not include a reference to weight loss, even though by this point Patient 1 had lost 22  
15 pounds in less than three months. This was significant weight loss—more than ten percent of  
16 Patient 1's original body weight at the time Respondent started treatment.

17       13. Respondent treated Patient 1 a week later on July 24, 2018. This was Patient 1's last  
18 encounter with Respondent. At that encounter, Respondent documented Patient 1's weight as 180  
19 pounds, the same weight as the encounter one week prior and representing a loss of 22 pounds  
20 over three months. Once again, Respondent's problem list and assessment addressed other issues  
21 but did not include a reference to weight loss.

22       14. A few weeks after this encounter, Respondent was treated by a different physician.  
23 That physician included a 20-pound weight loss in his assessment and ordered several items to  
24 work up the etiology for the weight loss. This included a CT scan, which identified a very large  
25 necrotic mass from the pancreas invading adjacent organs. The subsequent biopsy confirmed  
26 cancer. Less than two weeks later, Patient 1 passed away. The cause of death was determined to  
27 be likely cardiac related, and likely further complicated by advanced stage cancer. Unexplained  
28 weight loss is a red flag symptom for cancer.
