(b) The administration and hearing of disciplinary actions.

(c) Carrying out disciplinary actions appropriate to findings made by a panel or an administrative law judge.

(d) Suspending, revoking, or otherwise limiting certificates after the conclusion of disciplinary actions.

(e) Reviewing the quality of medical practice carried out by physician and surgeon certificate holders under the jurisdiction of the board.

(f) Approving undergraduate and graduate medical education programs.

(g) Approving clinical clerkship and special programs and hospitals for the programs in subdivision (f).

(h) Issuing licenses and certificates under the board's jurisdiction.

(i) Administering the board's continuing medical education program.

5. Section 2220 of the Code states:

Except as otherwise provided by law, the board may take action against all persons guilty of violating this chapter. The board shall enforce and administer this article as to physician and surgeon certificate holders, including those who hold certificates that do not permit them to practice medicine, such as, but not limited to, retired, inactive, or disabled status certificate holders, and the board shall have all the powers granted in this chapter for these purposes including, but not limited to:

(a) Investigating complaints from the public, from other licensees, from health care facilities, or from the board that a physician and surgeon may be guilty of unprofessional conduct. The board shall investigate the circumstances underlying a report received pursuant to Section 805 or 805.01 within 30 days to determine if an interim suspension order or temporary restraining order should be issued. The board shall otherwise provide timely disposition of the reports received pursuant to Section 805 and Section 805.01.

(b) Investigating the circumstances of practice of any physician and surgeon where there have been any judgments, settlements, or arbitration awards requiring the physician and surgeon or his or her professional liability insurer to pay an amount in damages in excess of a cumulative total of thirty thousand dollars (\$30,000) with respect to any claim that injury or damage was proximately caused by the physician's and surgeon's error, negligence, or omission.

(c) Investigating the nature and causes of injuries from cases which shall be reported of a high number of judgments, settlements, or arbitration awards against a physician and surgeon.

1 6. Section 2227 of the Code states:

2 (a) A licensee whose matter has been heard by an administrative law judge of  
3 the Medical Quality Hearing Panel as designated in Section 11371 of the Government  
4 Code, or whose default has been entered, and who is found guilty, or who has entered  
5 into a stipulation for disciplinary action with the board, may, in accordance with the  
6 provisions of this chapter:

7 (1) Have his or her license revoked upon order of the board.

8 (2) Have his or her right to practice suspended for a period not to exceed one  
9 year upon order of the board.

10 (3) Be placed on probation and be required to pay the costs of probation  
11 monitoring upon order of the board.

12 (4) Be publicly reprimanded by the board: The public reprimand may include a  
13 requirement that the licensee complete relevant educational courses approved by the  
14 board.

15 (5) Have any other action taken in relation to discipline as part of an order of  
16 probation, as the board or an administrative law judge may deem proper.

17 (b) Any matter heard pursuant to subdivision (a), except for warning letters,  
18 medical review or advisory conferences, professional competency examinations,  
19 continuing education activities, and cost reimbursement associated therewith that are  
20 agreed to with the board and successfully completed by the licensee, or other matters  
21 made confidential or privileged by existing law, is deemed public, and shall be made  
22 available to the public by the board pursuant to Section 803.1.

23 **STATUTORY PROVISIONS**

24 7. Section 490 of the Code states:

25 (a) In addition to any other action that a board is permitted to take against a  
26 licensee, a board may suspend or revoke a license on the ground that the licensee has  
27 been convicted of a crime, if the crime is substantially related to the qualifications,  
28 functions, or duties of the business or profession for which the license was issued.

(b) Notwithstanding any other provision of law, a board may exercise any  
authority to discipline a licensee for conviction of a crime that is independent of the  
authority granted under subdivision (a) only if the crime is substantially related to the  
qualifications, functions, or duties of the business or profession for which the  
licensee's license was issued.

(c) A conviction within the meaning of this section means a plea or verdict of  
guilty or a conviction following a plea of nolo contendere. Any action that a board is  
permitted to take following the establishment of a conviction may be taken when the  
time for appeal has elapsed, or the judgment of conviction has been affirmed on  
appeal, or when an order granting probation is made suspending the imposition of  
sentence, irrespective of a subsequent order under the provisions of Section 1203.4 of  
the Penal Code.

(d) The Legislature hereby finds and declares that the application of this section  
has been made unclear by the holding in *Petropoulos v. Department of Real Estate*

1 (2006) 142 Cal.App.4th 554, and that the holding in that case has placed a significant  
2 number of statutes and regulations in question, resulting in potential harm to the  
3 consumers of California from licensees who have been convicted of crimes.  
4 Therefore, the Legislature finds and declares that this section establishes an  
5 independent basis for a board to impose discipline upon a licensee, and that the  
6 amendments to this section made by Chapter 33 of the Statutes of 2008 do not  
7 constitute a change to, but rather are declaratory of, existing law.

8 8. Section 802.1 of the Code, states:

9 (a)(1) A physician and surgeon, osteopathic physician and surgeon, a doctor of podiatric  
10 medicine, and a physician assistant shall report either of the following to the entity that  
11 issued his or her license:

12 (A) The bringing of an indictment or information charging a felony against the licensee.

13 (B) The conviction of the licensee, including any verdict of guilty, or plea of guilty or no  
14 contest, of any felony or misdemeanor.

15 (2) The report required by this subdivision shall be made in writing within 30 days of the  
16 date of the bringing of the indictment or information or of the conviction.

17 (b) Failure to make a report required by this section shall be a public offense punishable by  
18 a fine not to exceed five thousand dollars (\$5,000).

19 9. Section 2234 of the Code, states:

20 The board shall take action against any licensee who is charged with  
21 unprofessional conduct. In addition to other provisions of this article, unprofessional  
22 conduct includes, but is not limited to, the following:

23 (a) Violating or attempting to violate, directly or indirectly, assisting in or  
24 abetting the violation of, or conspiring to violate any provision of this chapter.

25 (b) Gross negligence.

26 (c) Repeated negligent acts. To be repeated, there must be two or more  
27 negligent acts or omissions. An initial negligent act or omission followed by a  
28 separate and distinct departure from the applicable standard of care shall constitute  
repeated negligent acts.

(1) An initial negligent diagnosis followed by an act or omission medically  
appropriate for that negligent diagnosis of the patient shall constitute a single  
negligent act.

(2) When the standard of care requires a change in the diagnosis, act, or  
omission that constitutes the negligent act described in paragraph (1), including, but  
not limited to, a reevaluation of the diagnosis or a change in treatment, and the  
licensee's conduct departs from the applicable standard of care, each departure  
constitutes a separate and distinct breach of the standard of care.

(d) Incompetence.

///

1 (e) The commission of any act involving dishonesty or corruption that is  
substantially related to the qualifications, functions, or duties of a physician and  
2 surgeon.

3 (f) Any action or conduct that would have warranted the denial of a certificate.

4 (g) The failure by a certificate holder, in the absence of good cause, to attend  
and participate in an interview by the board. This subdivision shall only apply to a  
5 certificate holder who is the subject of an investigation by the board.

6 10. Section 2236 of the Code states:

7 (a) The conviction of any offense substantially related to the qualifications,  
8 functions, or duties of a physician and surgeon constitutes unprofessional conduct  
within the meaning of this chapter [Chapter 5, the Medical Practice Act]. The record  
9 of conviction shall be conclusive evidence only of the fact that the conviction  
occurred.

10 (b) The district attorney, city attorney, or other prosecuting agency shall notify  
11 the Medical Board of the pendency of an action against a licensee charging a felony  
or misdemeanor immediately upon obtaining information that the defendant is a  
12 licensee. The notice shall identify the licensee and describe the crimes charged and  
the facts alleged. The prosecuting agency shall also notify the clerk of the court in  
13 which the action is pending that the defendant is a licensee, and the clerk shall record  
prominently in the file that the defendant holds a license as a physician and surgeon.

14 (c) The clerk of the court in which a licensee is convicted of a crime shall,  
15 within 48 hours after the conviction, transmit a certified copy of the record of  
conviction to the board. The division may inquire into the circumstances surrounding  
16 the commission of a crime in order to fix the degree of discipline or to determine if  
the conviction is of an offense substantially related to the qualifications, functions, or  
17 duties of a physician and surgeon.

18 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is  
deemed to be a conviction within the meaning of this section and Section 2236.1.  
19 The record of conviction shall be conclusive evidence of the fact that the conviction  
occurred.

20 11. Section 2239 of the Code states:

21 (a) The use or prescribing for or administering to himself or herself, of any  
22 controlled substance; or the use of any of the dangerous drugs specified in Section  
4022, or of alcoholic beverages, to the extent, or in such a manner as to be dangerous  
23 or injurious to the licensee, or to any other person or to the public, or to the extent that  
such use impairs the ability of the licensee to practice medicine safely or more than  
24 one misdemeanor or any felony involving the use, consumption, or  
self-administration of any of the substances referred to in this section, or any  
25 combination thereof, constitutes unprofessional conduct. The record of the  
conviction is conclusive evidence of such unprofessional conduct.

26 (b) A plea or verdict of guilty or a conviction following a plea of nolo  
27 contendere is deemed to be a conviction within the meaning of this section. The  
Medical Board may order discipline of the licensee in accordance with Section 2227  
28 or the Medical Board may order the denial of the license when the time for appeal has  
elapsed or the judgment of conviction has been affirmed on appeal or when an order

1 granting probation is made suspending imposition of sentence, irrespective of a  
2 subsequent order under the provisions of Section 1203.4 of the Penal Code allowing  
3 such person to withdraw his or her plea of guilty and to enter a plea of not guilty, or  
4 setting aside the verdict of guilty, or dismissing the accusation, complaint,  
5 information, or indictment.

#### 6 REGULATORY PROVISIONS

7 12. California Code of Regulations, title 16, section 1360, states:

8 (a) For the purposes of denial, suspension or revocation of a license, certificate  
9 or permit pursuant to Division 1.5 (commencing with Section 475) of the code, a  
10 crime or act shall be considered to be substantially related to the qualifications,  
11 functions or duties of a person holding a license, certificate or permit under the  
12 Medical Practice Act if to a substantial degree it evidences present or potential  
13 unfitness of a person holding a license, certificate or permit to perform the functions  
14 authorized by the license, certificate or permit in a manner consistent with the public  
15 health, safety or welfare. Such crimes, misconduct, or acts shall include but not be  
16 limited to the following: Violating or attempting to violate, directly or indirectly, or  
17 assisting in or abetting the violation of, or conspiring to violate any provision of state  
18 or federal law governing the applicant's or licensee's professional practice.

19 (b) In making the substantial relationship determination required under subdivision  
20 (a) for a crime, the board shall consider the following criteria:

- 21 (1) The nature and gravity of the crime;
- 22 (2) The number of years elapsed since the date of the crime; and
- 23 (3) The nature and duties of the profession.

#### 24 COST RECOVERY

25 13. Section 125.3 of the Code states:

26 (a) Except as otherwise provided by law, in any order issued in resolution of a  
27 disciplinary proceeding before any board within the department or before the  
28 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the  
administrative law judge may direct a licensee found to have committed a violation or  
violations of the licensing act to pay a sum not to exceed the reasonable costs of the  
investigation and enforcement of the case.

(b) In the case of a disciplined licensee that is a corporation or a partnership, the  
order may be made against the licensed corporate entity or licensed partnership.

(c) A certified copy of the actual costs, or a good faith estimate of costs where  
actual costs are not available, signed by the entity bringing the proceeding or its  
designated representative shall be prima facie evidence of reasonable costs of  
investigation and prosecution of the case. The costs shall include the amount of  
investigative and enforcement costs up to the date of the hearing, including, but not  
limited to, charges imposed by the Attorney General.

(d) The administrative law judge shall make a proposed finding of the amount  
of reasonable costs of investigation and prosecution of the case when requested

1 pursuant to subdivision (a). The finding of the administrative law judge with regard  
2 to costs shall not be reviewable by the board to increase the cost award. The board  
3 may reduce or eliminate the cost award, or remand to the administrative law judge if  
4 the proposed decision fails to make a finding on costs requested pursuant to  
5 subdivision (a).

6 (e) If an order for recovery of costs is made and timely payment is not made as  
7 directed in the board's decision, the board may enforce the order for repayment in any  
8 appropriate court. This right of enforcement shall be in addition to any other rights  
9 the board may have as to any licensee to pay costs.

10 (f) In any action for recovery of costs, proof of the board's decision shall be  
11 conclusive proof of the validity of the order of payment and the terms for payment.

12 (g) (1) Except as provided in paragraph (2), the board shall not renew or  
13 reinstate the license of any licensee who has failed to pay all of the costs ordered  
14 under this section.

15 (2) Notwithstanding paragraph (1), the board may, in its discretion,  
16 conditionally renew or reinstate for a maximum of one year the license of any  
17 licensee who demonstrates financial hardship and who enters into a formal agreement  
18 with the board to reimburse the board within that one-year period for the unpaid  
19 costs.

20 (h) All costs recovered under this section shall be considered a reimbursement  
21 for costs incurred and shall be deposited in the fund of the board recovering the costs  
22 to be available upon appropriation by the Legislature.

23 (i) Nothing in this section shall preclude a board from including the recovery of  
24 the costs of investigation and enforcement of a case in any stipulated settlement.

25 (j) This section does not apply to any board if a specific statutory provision in  
26 that board's licensing act provides for recovery of costs in an administrative  
27 disciplinary proceeding.
