21 **PARTIES**

22 1. William Prasifka was the Executive Director of the Medical Board of California  
23 (Board). He brought this action solely in his official capacity. Reji Varghese (Complainant) is  
24 the Interim Executive Director of the Board and brings this action solely in his official capacity,

1 CULPABILITY

2 9. Respondent understands and agrees that the charges and allegations in Accusation  
3 No. 800-2018-051339, if proven at a hearing, constitute cause for imposing discipline upon his  
4 Physician's and Surgeon's Certificate.

5 10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case  
6 or factual basis for the charges and allegations in Accusation No. 800-2018-051339, a true and  
7 correct copy of which is attached hereto as Exhibit A, and that he has thereby subjected his  
8 Physician's and Surgeon's Certificate, No. G 141832 to disciplinary action, and that Respondent  
9 hereby gives up his right to contest those charges.

10 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
11 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
12 Disciplinary Order below.

13 CONTINGENCY

14 12. This stipulation shall be subject to approval by the Medical Board of California.  
15 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
16 Board of California may communicate directly with the Board regarding this stipulation and  
17 settlement, without notice to or participation by Respondent or his counsel. By signing the  
18 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
19 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
20 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
21 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
22 action between the parties, and the Board shall not be disqualified from further action by having  
23 considered this matter.

24 13. Respondent agrees that if he ever petitions for early termination or modification of  
25 probation, or if an accusation and/or petition to revoke probation is filed against him before the  
26 Board, all of the charges and allegations contained in Accusation No. 800-2018-051339 shall be  
27 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any  
28 other licensing proceeding involving Respondent in the State of California.

1 than 15 calendar days after the effective date of the Decision, whichever is later.

2       2.    PROFESSIONAL BOUNDARIES PROGRAM. Within 60 calendar days from the  
3 effective date of this Decision, Respondent shall enroll in a professional boundaries program  
4 approved in advance by the Board or its designee. Respondent, at the program's discretion, shall  
5 undergo and complete the program's assessment of Respondent's competency, mental health  
6 and/or neuropsychological performance, and at minimum, a 24 hour program of interactive  
7 education and training in the area of boundaries, which takes into account data obtained from the  
8 assessment and from the Decision(s), Accusation(s) and any other information that the Board or  
9 its designee deems relevant. The program shall evaluate Respondent at the end of the training  
10 and the program shall provide any data from the assessment and training as well as the results of  
11 the evaluation to the Board or its designee.

12       Failure to complete the entire program not later than six (6) months after Respondent's  
13 initial enrollment shall constitute a violation of probation unless the Board or its designee agrees  
14 in writing to a later time for completion. Based on Respondent's performance in and evaluations  
15 from the assessment, education, and training, the program shall advise the Board or its designee  
16 of its recommendation(s) for additional education, training, psychotherapy and other measures  
17 necessary to ensure that Respondent can practice medicine safely. Respondent shall comply with  
18 program recommendations. At the completion of the program, Respondent shall submit to a final  
19 evaluation. The program shall provide the results of the evaluation to the Board or its designee.  
20 The professional boundaries program shall be at Respondent's expense and shall be in addition to  
21 the Continuing Medical Education (CME) requirements for renewal of licensure.

22       The program has the authority to determine whether or not Respondent successfully  
23 completed the program.

24       A professional boundaries course taken after the acts that gave rise to the charges in the  
25 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board  
26 or its designee, be accepted towards the fulfillment of this condition if the course would have  
27 been approved by the Board or its designee had the course been taken after the effective date of  
28 this Decision.

1 If Respondent fails to complete the program within the designated time period, Respondent  
2 shall cease the practice of medicine within three (3) calendar days after being notified by the  
3 Board or its designee that Respondent failed to complete the program.

4 3. PSYCHIATRIC EVALUATION. Within 30 calendar days of the effective date of  
5 this Decision, and on whatever periodic basis thereafter may be required by the Board or its  
6 designee, Respondent shall undergo and complete a psychiatric evaluation (and psychological  
7 testing, if deemed necessary) by a Board-appointed board certified psychiatrist, who shall  
8 consider any information provided by the Board or designee and any other information the  
9 psychiatrist deems relevant, and shall furnish a written evaluation report to the Board or its  
10 designee. Psychiatric evaluations conducted prior to the effective date of the Decision shall not  
11 be accepted towards the fulfillment of this requirement. Respondent shall pay the cost of all  
12 psychiatric evaluations and psychological testing.

13 Respondent shall comply with all restrictions or conditions recommended by the evaluating  
14 psychiatrist within 15 calendar days after being notified by the Board or its designee.

15 4. THIRD PARTY CHAPERONE. During probation, Respondent shall have a third  
16 party chaperone present while consulting, examining or treating all patients. Respondent shall,  
17 within 30 calendar days of the effective date of the Decision, submit to the Board or its designee  
18 for prior approval name(s) of persons who will act as the third party chaperone. Respondent is  
19 not required to maintain a third party chaperone for hospital consultations in the emergency room,  
20 or when providing telemedicine care.

21 If Respondent fails to obtain approval of a third party chaperone within 60 calendar days of  
22 the effective date of this Decision, Respondent shall receive a notification from the Board or its  
23 designee to cease the practice of medicine within three (3) calendar days after being so notified.  
24 Respondent shall cease the practice of medicine until a chaperone is approved to provide  
25 monitoring responsibility.

26 Each third party chaperone shall sign (in ink or electronically) and date each patient  
27 medical record at the time the chaperone's services are provided. Each third party chaperone  
28 shall read the Decision(s) and the Accusation(s), and fully understand the role of the third party

1 chaperone.

2 Respondent shall maintain a log of all patients seen for whom a third party chaperone is  
3 required. The log shall contain the: 1) patient initials, address and telephone number; 2) medical  
4 record number; and 3) date of service. Respondent shall keep this log in a separate file or ledger,  
5 in chronological order, shall make the log available for immediate inspection and copying on the  
6 premises at all times during business hours by the Board or its designee, and shall retain the log  
7 for the entire term of probation.

8 Respondent is prohibited from terminating employment of a Board-approved third party  
9 chaperone solely because that person provided information as required to the Board or its  
10 designee.

11 If the third party chaperone resigns or is no longer available, Respondent shall, within five  
12 (5) calendar days of such resignation or unavailability, submit to the Board or its designee, for  
13 prior approval, the name of the person(s) who will act as the third party chaperone. If Respondent  
14 fails to obtain approval of a replacement chaperone within 30 calendar days of the resignation or  
15 unavailability of the chaperone, Respondent shall receive a notification from the Board or its  
16 designee to cease the practice of medicine within three (3) calendar days after being so notified.  
17 Respondent shall cease the practice of medicine until a replacement chaperone is approved and  
18 assumes monitoring responsibility.

19 5. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the  
20 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the  
21 Chief Executive Officer at every hospital where privileges or membership are extended to  
22 Respondent, at any other facility where Respondent engages in the practice of medicine,  
23 including all physician and locum tenens registries or other similar agencies, and to the Chief  
24 Executive Officer at every insurance carrier which extends malpractice insurance coverage to  
25 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15  
26 calendar days.

27 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

28 ///

1           6.    SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE  
2 NURSES. During probation, Respondent is prohibited from supervising physician assistants and  
3 advanced practice nurses.

4           7.    OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules  
5 governing the practice of medicine in California and remain in full compliance with any court  
6 ordered criminal probation, payments, and other orders.

7           8.    INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby  
8 ordered to reimburse the Board its costs of investigation and enforcement, including, but not  
9 limited to, expert review, amended accusations, legal reviews, investigation(s), and subpoena  
10 enforcement, as applicable, in the amount of \$5,000 (five thousand dollars). Costs shall be  
11 payable to the Medical Board of California. Failure to pay such costs shall be considered a  
12 violation of probation.

13           Payment must be made in full within 30 calendar days of the effective date of the Order, or  
14 by a payment plan approved by the Medical Board of California. Any and all requests for a  
15 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with  
16 the payment plan shall be considered a violation of probation.

17           The filing of bankruptcy by respondent shall not relieve respondent of the responsibility to  
18 repay investigation and enforcement costs, including expert review costs (if applicable).

19           9.    QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations  
20 under penalty of perjury on forms provided by the Board, stating whether there has been  
21 compliance with all the conditions of probation.

22           Respondent shall submit quarterly declarations not later than 10 calendar days after the end  
23 of the preceding quarter.

24           10.   GENERAL PROBATION REQUIREMENTS.

25           Compliance with Probation Unit

26           Respondent shall comply with the Board's probation unit.

27           Address Changes

28           Respondent shall, at all times, keep the Board informed of Respondent's business and

1 residence addresses, email address (if available), and telephone number. Changes of such  
2 addresses shall be immediately communicated in writing to the Board or its designee. Under no  
3 circumstances shall a post office box serve as an address of record, except as allowed by Business  
4 and Professions Code section 2021, subdivision (b).

5 Place of Practice

6 Respondent shall not engage in the practice of medicine in Respondent's or patient's place  
7 of residence, unless the patient resides in a skilled nursing facility or other similar licensed  
8 facility.

9 License Renewal

10 Respondent shall maintain a current and renewed California physician's and surgeon's  
11 license.

12 Travel or Residence Outside California

13 Respondent shall immediately inform the Board or its designee, in writing, of travel to any  
14 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty  
15 (30) calendar days.

16 In the event Respondent should leave the State of California to reside or to practice  
17 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of  
18 departure and return.

19 11. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be  
20 available in person upon request for interviews either at Respondent's place of business or at the  
21 probation unit office, with or without prior notice throughout the term of probation.

22 12. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or  
23 its designee in writing within 15 calendar days of any periods of non-practice lasting more than  
24 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is  
25 defined as any period of time Respondent is not practicing medicine as defined in Business and  
26 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct  
27 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
28 Respondent resides in California and is considered to be in non-practice, Respondent shall

1 comply with all terms and conditions of probation. All time spent in an intensive training  
2 program which has been approved by the Board or its designee shall not be considered non-  
3 practice and does not relieve Respondent from complying with all the terms and conditions of  
4 probation. Practicing medicine in another state of the United States or Federal jurisdiction while  
5 on probation with the medical licensing authority of that state or jurisdiction shall not be  
6 considered non-practice. A Board-ordered suspension of practice shall not be considered as a  
7 period of non-practice.

8 In the event Respondent's period of non-practice while on probation exceeds 18 calendar  
9 months, Respondent shall successfully complete the Federation of State Medical Boards's Special  
10 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program  
11 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model  
12 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

13 Respondent's period of non-practice while on probation shall not exceed two (2) years.

14 Periods of non-practice will not apply to the reduction of the probationary term.

15 Periods of non-practice for a Respondent residing outside of California will relieve  
16 Respondent of the responsibility to comply with the probationary terms and conditions with the  
17 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
18 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or  
19 Controlled Substances; and Biological Fluid Testing..

20 13. COMPLETION OF PROBATION. Respondent shall comply with all financial  
21 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the  
22 completion of probation. This term does not include cost recovery, which is due within 30  
23 calendar days of the effective date of the Order, or by a payment plan approved by the Medical  
24 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate  
25 shall be fully restored.

26 14. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
27 of probation is a violation of probation. If Respondent violates probation in any respect, the  
28 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and

1 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
2 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
3 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
4 the matter is final.

5 15. LICENSE SURRENDER. Following the effective date of this Decision, if  
6 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy  
7 the terms and conditions of probation, Respondent may request to surrender his or her license.  
8 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
9 determining whether or not to grant the request, or to take any other action deemed appropriate  
10 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
11 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its  
12 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject  
13 to the terms and conditions of probation. If Respondent re-applies for a medical license, the  
14 application shall be treated as a petition for reinstatement of a revoked certificate.

15 16. PROBATION MONITORING COSTS. Respondent shall pay the costs associated  
16 with probation monitoring each and every year of probation, as designated by the Board, which  
17 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of  
18 California and delivered to the Board or its designee no later than January 31 of each calendar  
19 year.

20 17. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for  
21 a new license or certification, or petition for reinstatement of a license, by any other health care  
22 licensing action agency in the State of California, all of the charges and allegations contained in  
23 Accusation No. 800-2018-051339 shall be deemed to be true, correct, and admitted by  
24 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or  
25 restrict license.

2 3. This Accusation is brought before the Board, under the authority of the following  
3 laws. All section references are to the Business and Professions Code (Code) unless otherwise  
4 indicated.

5 **STATUTORY PROVISIONS**

6 4. Section 2234 of the Code, states:

7 The board shall take action against any licensee who is charged with  
8 unprofessional conduct. In addition to other provisions of this article, unprofessional  
9 conduct includes, but is not limited to, the following:

10 (a) Violating or attempting to violate, directly or indirectly, assisting in or  
11 abetting the violation of, or conspiring to violate any provision of this chapter.

12 (b) Gross negligence.

13 (c) Repeated negligent acts. To be repeated, there must be two or more  
14 negligent acts or omissions. An initial negligent act or omission followed by a  
15 separate and distinct departure from the applicable standard of care shall constitute  
16 repeated negligent acts.

17 (1) An initial negligent diagnosis followed by an act or omission medically  
18 appropriate for that negligent diagnosis of the patient shall constitute a single  
19 negligent act.

20 (2) When the standard of care requires a change in the diagnosis, act, or  
21 omission that constitutes the negligent act described in paragraph (1), including, but  
22 not limited to, a reevaluation of the diagnosis or a change in treatment, and the  
23 licensee's conduct departs from the applicable standard of care, each departure  
24 constitutes a separate and distinct breach of the standard of care.

26 (e) The commission of any act involving dishonesty or corruption that is  
27 substantially related to the qualifications, functions, or duties of a physician and  
28 surgeon.

(f) Any action or conduct that would have warranted the denial of a certificate.

(g) The failure by a certificate holder, in the absence of good cause, to attend  
and participate in an interview by the board. This subdivision shall only apply to a  
certificate holder who is the subject of an investigation by the board.

29 **COST RECOVERY**

30 5. Section 125.3 of the Code provides, in pertinent part, that the Board may request the  
31 administrative law judge to direct a licensee found to have committed a violation or violations of  
32 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and

1 enforcement of the case, with failure of the licensee to comply subjecting the license to not being  
2 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be  
3 included in a stipulated settlement.

### 5 FACTUAL ALLEGATIONS

#### 6 **CIRCUMSTANCES RELATED TO PATIENT A<sup>1</sup>**

7 6. On or about June 6, 2016, Patient A presented to Respondent for treatment for the  
8 first time at 66 years old. Patient A's history included longstanding epilepsy, and dysesthesias of  
9 the legs, for which Respondent prescribed Keppra, Topamax and Neurontin.

10 7. On or about June 25, 2018, Patient A underwent an EEG that revealed  
11 temporoparietal spike-wave discharges. Respondent ordered a brain CT for Patient A, that  
12 subsequently revealed "age related changes only."

13 8. On or about October 4, 2018, Patient A telephoned Respondent's office reporting that  
14 she had suffered a possible seizure in her sleep one month prior.

15 9. On or about November 7, 2018, Patient A presented to Respondent, complaining of  
16 increased headaches. Respondent increased the Topamax prescription for her headaches and  
17 concluded that the nocturnal seizure was a dream.

18 10. On or about December 7, 2018, Patient A filed a complaint with the Board, alleging  
19 that Respondent engaged in unprofessional conduct during the November 7, 2018 visit. Patient A  
20 stated that her caregiver remained in the waiting room during the visit. While she was alone in  
21 the examination room with Respondent, he asked her "What's the wackiest thing you've ever  
22 done?" Respondent then detailed that when in college, he lost a bet and had to pose nude for an  
23 art class. Respondent told her that he posed nude unabashedly and that he wouldn't mind taking  
24 his clothes off in front of Patient A. Respondent held his finger up to his lips to shush her, told  
25 her not to tell anyone, and left the examination room. Patient A felt uncomfortable with  
26 Respondent's sexually charged statements.

1                   **CIRCUMSTANCES RELATED TO PATIENT B**

2           11. On or about October 24, 2018, Patient B presented to Respondent for the first time  
3 with a history of traumatic brain injury and a left frontoparietal skull fracture. Patient B, who  
4 was joined at the appointment by his spouse, complained of involuntary movements of his legs  
5 during sleep and intermittent tremor of the upper extremities. Respondent recommended that  
6 Patient B continue taking gabapentin and obtain an EEG to rule out a seizure. Respondent  
7 believed that Patient B most likely suffered from restless legs syndrome and/or periodic leg  
8 movements of sleep, along with a benign essential tremor.

9           12. On or about October 25, 2018, the first day following the appointment, Patient B's  
10 spouse filed a complaint with Respondent's office. The complaint stated that Respondent spent  
11 the majority of the visit attempting to solicit them to participate in a financial pyramid scheme.  
12 Patient B's spouse explained that she did not want to pay the copay for the visit, because the time  
13 was spent discussing Respondent's business scheme and not treating Patient B's medical  
14 condition.

15                   **CIRCUMSTANCES RELATED TO PATIENT C**

16           13. On or about August 8, 2016, Patient C first presented to Respondent for treatment of  
17 chronic migraines. Respondent prescribed Patient C Topamax, sumatriptan, and Botox injections  
18 for her chronic migraines over the next two years. Respondent also provided treatment of Patient  
19 C's hip and shoulder pain intermittently.

20           14. On or about August 2, 2018, Patient C presented to Respondent for her final visit.  
21 Respondent provided Patient C Botox injections for her migraines. Following the visit, Patient C  
22 complained to staff at Respondent's office that Respondent told her an inappropriate story on  
23 several occasions during office visits, most recently on August 2, 2018. Patient C explained that  
24 Respondent told her about a time in college when he placed a bet with his friends. According to  
25 Respondent, the loser of the bet would have to pose nude for an art class. At the final visit,  
26 Respondent added that he used to be a stripper and offered to take his clothes off in front of her in  
27 his private office with the door locked. Respondent told her that one of the best things about the  
28 last appointment of the day was that they were the only people left in the office. Patient C stated

1 that Respondent's comments and demeanor made her feel uncomfortable. Later that night,  
2 Patient C received a call from Respondent, but she did not answer. Respondent left her a  
3 message asking her to call him back to discuss a business investment opportunity involving  
4 health insurance.

16 the standard of care.

17 **Patient B**

18 17. Respondent inappropriately used a clinic visit to solicit Patient B's participation in a  
19 business venture, which constitutes a departure from the standard of care.
