**STIPULATED SETTLEMENT AND**  
**DISCIPLINARY ORDER**

17 In the interest of a prompt and speedy settlement of this matter, consistent with the public  
18 interest and the responsibility of the Medical Board of California of the Department of Consumer  
19 Affairs, the parties hereby agree to the following Stipulated Settlement and Disciplinary Order  
20 which will be submitted to the Board for approval and adoption as the final disposition of the  
21 Accusation.

22 **PARTIES**

23 1. William Prasifka (Complainant) is the Executive Director of the Medical Board of  
24 California (Board). He brought this action solely in his official capacity and is represented in this  
25 matter by Rob Bonta, Attorney General of the State of California, by Christina Sein Goot, Deputy  
26 Attorney General.

27 2. Respondent Adebambo O. Ojuri, M.D. (Respondent) is represented in this proceeding  
28 by attorney Carolyn W. Lindholm, whose address is: 355 South Grand Avenue, Suite 1750

1 Los Angeles, California 90071.

2 3. On or about July 31, 1989, the Board issued Physician's and Surgeon's Certificate No.  
3 A 46336 to Adebambo O. Ojuri, M.D. The Physician's and Surgeon's Certificate was in full force  
4 and effect at all times relevant to the charges brought in Accusation No. 800-2018-050851, and  
5 will expire on January 31, 2023, unless renewed.

6 **JURISDICTION**

7 4. Accusation No. 800-2018-050851 was filed before the Board, and is currently  
8 pending against Respondent. The Accusation and all other statutorily required documents were  
9 properly served on Respondent on December 14, 2021. Respondent timely filed his Notice of  
10 Defense contesting the Accusation. A copy of Accusation No. 800-2018-050851 is attached as  
11 exhibit A and incorporated herein by reference.

12 **ADVISEMENT AND WAIVERS**

13 5. Respondent has carefully read, fully discussed with counsel, and understands the  
14 charges and allegations in Accusation No. 800-2018-050851. Respondent has also carefully read,  
15 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and  
16 Disciplinary Order.

17 6. Respondent is fully aware of his legal rights in this matter, including the right to a  
18 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine  
19 the witnesses against him; the right to present evidence and to testify on his own behalf; the right  
20 to the issuance of subpoenas to compel the attendance of witnesses and the production of  
21 documents; the right to reconsideration and court review of an adverse decision; and all other  
22 rights accorded by the California Administrative Procedure Act and other applicable laws.

23 7. Respondent voluntarily, knowingly, and intelligently waives and gives up each and  
24 every right set forth above.

25 **CULPABILITY**

26 8. Respondent understands and agrees that the charges and allegations in Accusation  
27 No. 800-2018-050851, if proven at a hearing, constitute cause for imposing discipline upon his  
28 Physician's and Surgeon's Certificate. Respondent hereby gives up his right to contest those

1 charges and allegation.

2 9. Respondent does not contest that, at an administrative hearing, Complainant could  
3 establish a prima facie case with respect to the charges and allegations contained in Accusation  
4 No. 800-2018-050851 and that he has thereby subjected his license to disciplinary action.

5 10. Respondent agrees that his Physician's and Surgeon's Certificate is subject to  
6 discipline and he agrees to be bound by the Board's probationary terms as set forth in the  
7 Disciplinary Order below.

8 **CONTINGENCY**

9 11. This stipulation shall be subject to approval by the Medical Board of California.  
10 Respondent understands and agrees that counsel for Complainant and the staff of the Medical  
11 Board of California may communicate directly with the Board regarding this stipulation and  
12 settlement, without notice to or participation by Respondent or his counsel. By signing the  
13 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek  
14 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails  
15 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary  
16 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal  
17 action between the parties, and the Board shall not be disqualified from further action by having  
18 considered this matter.

19 12. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to  
20 be an integrated writing representing the complete, final and exclusive embodiment of the  
21 agreement of the parties in this above-entitled matter.

22 13. The parties understand and agree that Portable Document Format (PDF) and facsimile  
23 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile  
24 signatures thereto, shall have the same force and effect as the originals.

25 14. In consideration of the foregoing admissions and stipulations, the parties agree that  
26 the Board may, without further notice or opportunity to be heard by the Respondent, issue and  
27 enter the following Disciplinary Order:

28 ///

**DISCIPLINARY ORDER**

IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 46336 issued to Respondent Adebambo O. Ojuri, M.D., is publicly reprimanded pursuant to California Business and Professions Code section 2227, subdivision (a)(4), and it is further ordered that Respondent comply with the following attendant terms and conditions:

**1. PUBLIC REPRIMAND**

The Public Reprimand issued in connection with Accusation No. 800-2018-050851, against Respondent Adebambo O. Ojuri, M.D. is as follows:

On October 18, 2018, Respondent Adebambo O. Ojuri, M.D. performed an endoscopy on Patient 1, but failed to adequately document a physical examination on Patient 1 prior to the surgery. Performing and documenting a physical examination of a self-referred patient prior to an endoscopy procedure is good practice and comports with the standard of care.

**2. CLINICAL COMPETENCE ASSESSMENT PROGRAM**

Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a clinical competence assessment program approved in advance by the Board or its designee. Respondent shall successfully complete the program not later than six (6) months after Respondent's initial enrollment unless the Board or its designee agrees in writing to an extension of that time.

The program shall consist of a comprehensive assessment of Respondent's physical and mental health and the six general domains of clinical competence as defined by the Accreditation Council on Graduate Medical Education and American Board of Medical Specialties pertaining to Respondent's current or intended area of practice. The program shall take into account data obtained from the pre-assessment, self-report forms and interview, and the Decision(s), Accusation(s), and any other information that the Board or its designee deems relevant. The program shall require Respondent's on-site participation for a minimum of three (3) and no more than five (5) days as determined by the program for the assessment and clinical education evaluation. Respondent shall pay all expenses associated with the clinical competence assessment program.

1 At the end of the evaluation, the program will submit a report to the Board or its designee  
2 which unequivocally states whether the Respondent has demonstrated the ability to practice  
3 safely and independently. Based on Respondent's performance on the clinical competence  
4 assessment, the program will advise the Board or its designee of its recommendation(s) for the  
5 scope and length of any additional educational or clinical training, evaluation or treatment for any  
6 medical condition or psychological condition, or anything else affecting Respondent's practice of  
7 medicine. Respondent shall comply with the program's recommendations.

8 Determination as to whether Respondent successfully completed the clinical competence  
9 assessment program is solely within the program's jurisdiction.

10 If Respondent fails to enroll, participate in, or successfully complete the clinical  
11 competence assessment program within the designated time period, Respondent shall receive a  
12 notification from the Board or its designee to cease the practice of medicine within three (3)  
13 calendar days after being so notified. The Respondent shall not resume the practice of medicine  
14 until enrollment or participation in the outstanding portions of the clinical competence assessment  
15 program have been completed. If the Respondent does not successfully complete the clinical  
16 competence assessment program, the Respondent shall not resume the practice of medicine until a  
17 final decision has been rendered on the accusation. Any violation of this condition or failure to  
18 complete the program and/or comply with the program recommendations shall be considered  
19 unprofessional conduct and grounds for further disciplinary action.

### 20 3. EDUCATION COURSES

21 Within 60 calendar days of the effective date of this Decision, Respondent shall submit to  
22 the Board or its designee for its prior approval educational program(s) or course(s), which shall  
23 not be less than 20 hours. The educational program(s) or course(s) shall be aimed at correcting  
24 any areas of deficient practice or knowledge and shall be Category I certified. The 20 hours of  
25 educational program(s) or course(s) taken pursuant to this condition shall be at Respondent's  
26 expense and shall be in addition to the Continuing Medical Education (CME) requirements for  
27 renewal of licensure. Following the completion of each course, the Board or its designee may  
28 administer an examination to test Respondent's knowledge of the course.

Respondent shall submit a certification of successful completion to the Board or its designee not later than 15 calendar days after successfully completing the educational program(s) or course(s). Respondent shall participate in and successfully complete the educational program(s) or course(s) hereunder within one (1) year of the effective date of this Order.

Respondent's failure to enroll, participate in, or successfully complete the courses within the designated time period, unless the Board or its designee agrees in writing to an extension of that time, shall constitute general unprofessional conduct and may serve as grounds for further disciplinary action.

4. **MEDICAL RECORD KEEPING COURSE**

Within 60 calendar days of the effective date of this Decision, Respondent shall enroll in a course in medical record keeping approved in advance by the Board or its designee. Respondent shall provide the approved course provider with any information and documents that the approved course provider may deem pertinent. Respondent shall participate in and successfully complete the classroom component of the course not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully complete any other component of the course within one (1) year of enrollment. The medical record keeping course shall be at Respondent's expense and shall be in addition to the Continuing Medical Education (CME) requirements for renewal of licensure.

A medical record keeping course taken after the acts that gave rise to the charges in the Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board or its designee, be accepted towards the fulfillment of this condition if the course would have been approved by the Board or its designee had the course been taken after the effective date of this Decision.

Respondent shall submit a certification of successful completion to the Board or its designee not later than 15 calendar days after successfully completing the course, or not later than 15 calendar days after the effective date of the Decision, whichever is later.

Respondent's failure to enroll, participate in, or successfully complete the medical record keeping course within the designated time period, unless the Board or its designee agrees in

1 writing to an extension of that time, shall constitute general unprofessional conduct and may  
2 serve as grounds for further disciplinary action.

3       **5. INVESTIGATION/ENFORCEMENT COST RECOVERY**

4       Respondent is hereby ordered to reimburse the Board its costs of investigation and  
5 enforcement in the year of 2022, including, but not limited to, expert review, amended  
6 accusations, legal reviews, investigation(s), and subpoena enforcement, as applicable, in the  
7 amount of \$9,163.75 (nine thousand one hundred sixty three dollars and seventy-five cents).  
8 Costs shall be payable to the Medical Board of California within one (1) year from the effective  
9 date of this Decision.

10       Any and all requests for a payment plan shall be submitted in writing by Respondent to the  
11 Board. The filing of bankruptcy by Respondent shall not relieve Respondent of the  
12 responsibility to repay investigation and enforcement costs.

13       **6. FAILURE TO COMPLY**

14       Failure to comply with any of the terms of this Disciplinary Order shall constitute general  
15 unprofessional conduct and may serve as grounds for further disciplinary action. In such  
16 circumstances, the Complainant may reinstate Accusation No. 800-2018-050851 or file a  
17 supplemental accusation alleging any failure to comply with any provision of this order by  
18 Respondent as unprofessional conduct.

19       **7. FUTURE ADMISSIONS CLAUSE**

20       If Respondent should ever apply or reapply for a new license or certification, or petition for  
21 reinstatement of a license, by any other health care licensing action agency in the State of  
22 California, all of the charges and allegations contained in Accusation No. 800-2018-050851 shall  
23 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of  
24 Issues or any other proceeding seeking to deny or restrict license.

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2227 of the Code states:

(a) A licensee whose matter has been heard by an administrative law judge of the Medical Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary action with the board, may, in accordance with the provisions of this chapter:

(1) Have his or her license revoked upon order of the board.

(2) Have his or her right to practice suspended for a period not to exceed one year upon order of the board.

(3) Be placed on probation and be required to pay the costs of probation monitoring upon order of the board.

(4) Be publicly reprimanded by the board. The public reprimand may include a requirement that the licensee complete relevant educational courses approved by the board.

(5) Have any other action taken in relation to discipline as part of an order of probation, as the board or an administrative law judge may deem proper.

(b) Any matter heard pursuant to subdivision (a), except for warning letters, medical review or advisory conferences, professional competency examinations, continuing education activities, and cost reimbursement associated therewith that are agreed to with the board and successfully completed by the licensee, or other matters made confidential or privileged by existing law, is deemed public, and shall be made available to the public by the board pursuant to Section 803.1.

5. Section 2234 of the Code states:

(1) An initial negligent diagnosis followed by an act or omission medically

appropriate for that negligent diagnosis of the patient shall constitute a single negligent act.

(2) When the standard of care requires a change in the diagnosis, act, or omission that constitutes the negligent act described in paragraph (1), including, but not limited to, a reevaluation of the diagnosis or a change in treatment, and the licensee's conduct departs from the applicable standard of care, each departure constitutes a separate and distinct breach of the standard of care.

(d) Incompetence.

(e) The commission of any act involving dishonesty or corruption that is substantially related to the qualifications, functions, or duties of a physician and surgeon.

(f) Any action or conduct that would have warranted the denial of a certificate.

(g) The failure by a certificate holder, in the absence of good cause, to attend and participate in an interview by the board. This subdivision shall only apply to a certificate holder who is the subject of an investigation by the board.

6. Section 2266 of the Code states:

#### COST RECOVERY

7. Business and Professions Code section 125.3 states that:

(a) Except as otherwise provided by law, in any order issued in resolution of a disciplinary proceeding before any board within the department or before the Osteopathic Medical Board upon request of the entity bringing the proceeding, the administrative law judge may direct a licensee found to have committed a violation or violations of the licensing act to pay a sum not to exceed the reasonable costs of the investigation and enforcement of the case.

(b) In the case of a disciplined licensee that is a corporation or a partnership, the order may be made against the licensed corporate entity or licensed partnership.

(c) A certified copy of the actual costs, or a good faith estimate of costs where actual costs are not available, signed by the entity bringing the proceeding or its designated representative shall be prima facie evidence of reasonable costs of investigation and prosecution of the case. The costs shall include the amount of investigative and enforcement costs up to the date of the hearing, including, but not limited to, charges imposed by the Attorney General.

(d) The administrative law judge shall make a proposed finding of the amount of reasonable costs of investigation and prosecution of the case when requested pursuant to subdivision (a). The finding of the administrative law judge with regard to costs shall not be reviewable by the board to increase the cost award. The board may reduce or eliminate the cost award, or remand to the administrative law judge if the proposed decision fails to make a finding on costs requested pursuant to subdivision (a).

1 (e) If an order for recovery of costs is made and timely payment is not made as  
2 directed in the board's decision, the board may enforce the order for repayment in any  
3 appropriate court. This right of enforcement shall be in addition to any other rights  
4 the board may have as to any licensee to pay costs.

5 (f) In any action for recovery of costs, proof of the board's decision shall be  
6 conclusive proof of the validity of the order of payment and the terms for payment.

7 (g)(1) Except as provided in paragraph (2), the board shall not renew or  
8 reinstate the license of any licensee who has failed to pay all of the costs ordered  
9 under this section.

10 (2) Notwithstanding paragraph (1), the board may, in its discretion,  
11 conditionally renew or reinstate for a maximum of one year the license of any  
12 licensee who demonstrates financial hardship and who enters into a formal agreement  
13 with the board to reimburse the board within that one-year period for the unpaid  
14 costs.

15 (h) All costs recovered under this section shall be considered a reimbursement  
16 for costs incurred and shall be deposited in the fund of the board recovering the costs  
17 to be available upon appropriation by the Legislature.

18 (i) Nothing in this section shall preclude a board from including the recovery of  
19 the costs of investigation and enforcement of a case in any stipulated settlement.

20 (j) This section does not apply to any board if a specific statutory provision in  
21 that board's licensing act provides for recovery of costs in an administrative  
22 disciplinary proceeding.

23 (k) Notwithstanding the provisions of this section, the Medical Board of  
24 California shall not request nor obtain from a physician and surgeon, investigation  
25 and prosecution costs for a disciplinary proceeding against the licensee. The board  
26 shall ensure that this subdivision is revenue neutral with regard to it and that any loss  
27 of revenue or increase in costs resulting from this subdivision is offset by an increase  
28 in the amount of the initial license fee and the biennial renewal fee, as provided in  
subdivision (e) of Section 2435.

### **FIRST CAUSE FOR DISCIPLINE**

#### **(Gross Negligence)**

21 8. Respondent is subject to disciplinary action under section 2234, subdivision (b), of  
22 the Code in that Respondent committed gross negligence in his care and treatment of Patient 1.<sup>1</sup>  
23 The circumstances are as follows:

24 9. At all times relevant to the allegations herein, Respondent was practicing as a  
25 gastroenterologist.

26 10. On October 4, 2018, Patient 1, a 29-year-old female, first presented to Respondent  
27 with a chief complaint of gastritis and abdominal pain. The only history recorded by Respondent

28 <sup>1</sup> The patient is referred to by number to protect her privacy.

1 included dyspepsia, abdominal pain, nausea, vomiting, nonsteroidal medication (Advil), and  
2 hematemesis. Respondent did not note any past medical history, social history, or family history.  
3 There was no evidence of a physical examination. No vital signs were recorded and no laboratory  
4 studies were ordered. At the initial visit, Respondent scheduled an endoscopy.

5 11. On October 18, 2018, Respondent performed an endoscopy on Patient 1. The  
6 findings were erythema in the distal esophagus, moderate gastritis in the body and antrum of the  
7 stomach, and a sessile polyp in the body of the stomach. The plan was to start a proton pump  
8 inhibitor following the results of pathology. The pathology report showed a normal esophagus  
9 and mild reactive gastropathy in the antrum and the body. An ultrasound performed on October  
10 24, 2018 showed no abnormalities.

11 12. During an interview with Board investigators, Respondent admitted that it was  
12 possible a self-referred patient could have been seen, but not examined by Respondent.

13 13. The standard of care when evaluating a patient is to obtain a history, perform a  
14 physical examination, develop a differential diagnosis, and order appropriate studies.

15 14. Patients who are referred by a primary care physician often have been evaluated with  
16 a history, physical, and laboratory data, and are only referred for a specific procedure. This is  
17 referred to as "direct access" endoscopy or colonoscopy. Under those circumstances, a more  
18 cursory history and physical may be performed prior to the procedure. A physical examination  
19 must be performed on all patients, however, prior to endoscopy or colonoscopy at an Ambulatory  
20 Surgical Center. When a patient such as Patient 1 is self-referred, the gastroenterologist will act
