**STIPULATED SETTLEMENT AND
DISCIPLINARY ORDER**

18 Respondent.

20
21 **IT IS HEREBY STIPULATED AND AGREED** by and between the parties to the above-
22 entitled proceedings that the following matters are true:

23 **PARTIES**

24 1. Reji Varghese (Complainant), is the Interim Executive Director of the Medical Board
25 of California (Board). This matter was initiated by his predecessor in office solely in his official
26 capacity. The Complainant is represented in this matter by Rob Bonta, Attorney General of the
27 State of California, by Wendy Widlus, Deputy Attorney General.

28 2. Respondent Clark Hamilton Robbins, M.D. is represented in this proceeding by

1 attorney Tracy Green, of Green & Associates, 800 West 6th Street, Suite 450, Los Angeles, CA
2 90017.

3 3. On June 1, 1993, the Board issued Physician's and Surgeon's Certificate No. G 76689
4 to Clark Hamilton Robbins, M.D. (Respondent). That license was in full force and effect at all
5 times relevant to the charges brought in Accusation No. 800-2018-049316, and will expire on
6 June 30, 2023, unless renewed.

7 JURISDICTION

8 4. Accusation No. 800-2018-049316 was filed before the Board, and is currently
9 pending against Respondent. The Accusation and all other statutorily required documents were
10 properly served on Respondent on October 21, 2021. Respondent timely filed a Notice of
11 Defense contesting the Accusation.

12 5. A copy of Accusation No. 800-2018-049316 is attached as Exhibit A and is
13 incorporated herein by reference.

14 ADVISEMENT AND WAIVERS

15 6. Respondent has carefully read, fully discussed with counsel, and understands the
16 charges and allegations in Accusation No. 800-2018-049316. Respondent has also carefully read,
17 fully discussed with his counsel, and understands the effects of this Stipulated Settlement and
18 Disciplinary Order.

19 7. Respondent is fully aware of his legal rights in this matter, including the right to a
20 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine
21 the witnesses against his; the right to present evidence and to testify on his own behalf; the right
22 to the issuance of subpoenas to compel the attendance of witnesses and the production of
23 documents; the right to reconsideration and court review of an adverse decision; and all other
24 rights accorded by the California Administrative Procedure Act and other applicable laws.

25 8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and
26 every right set forth above.

27 CULPABILITY

28 9. Respondent understands that the charges and allegations in Accusation No. 800-2018-

1 049316, if proven at a hearing, constitute cause for imposing discipline upon his Physician's and
2 Surgeon's Certificate.

3 10. For the purpose of resolving the Accusation without the expense and uncertainty of
4 further proceedings, Respondent agrees that, at a hearing, Complainant could establish a factual
5 basis for the charges in the Accusation and that those charges constitute cause for discipline.
6 Respondent hereby gives up his right to contest that cause for discipline exists based on those
7 charges.

8 11. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
9 discipline and he agrees to be bound by the Board's probationary terms as set forth in the
10 Disciplinary Order below.

11 CONTINGENCY

12 12. This stipulation shall be subject to approval by the Medical Board of California.
13 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
14 Board of California may communicate directly with the Board regarding this stipulation and
15 settlement, without notice to or participation by Respondent or his counsel. By signing the
16 stipulation, Respondent understands and agrees that his may not withdraw his agreement or seek
17 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
18 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
19 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
20 action between the parties, and the Board shall not be disqualified from further action by having
21 considered this matter.

22 13. Respondent agrees that if he ever petitions for early termination or modification of
23 probation, or if an accusation and/or petition to revoke probation is filed against him before the
24 Board, all of the charges and allegations contained in Accusation No. 800-2018-049316 shall be
25 deemed true, correct and fully admitted by respondent for purposes of any such proceeding or any
26 other licensing proceeding involving Respondent in the State of California.

27 14. The parties understand and agree that Portable Document Format (PDF) and facsimile
28 copies of this Stipulated Settlement and Disciplinary Order shall have the same force and effect as

1 the originals.

2 15. In consideration of the foregoing admissions and stipulations, the parties agree that
3 the Board may, without further notice or opportunity to be heard by the Respondent, issue and
4 enter the following Disciplinary Order:

5 **DISCIPLINARY ORDER**

6 **IT IS HEREBY ORDERED THAT** Physician's and Surgeon's Certificate No. G 76689
7 issued to Respondent Clark Hamilton Robbins, M.D. is revoked. However, the revocation is
8 stayed and Respondent is placed on probation for five (5) years on the following terms and
9 conditions:

10 1. **ACTUAL SUSPENSION.** As part of probation, Respondent is suspended from the
11 practice of medicine for 15 days beginning the sixteenth (16th) day after the effective date of this
12 decision.

13 2. **CONTROLLED SUBSTANCES - PARTIAL RESTRICTION.** Respondent shall not
14 order, prescribe, dispense, administer, furnish, or possess any controlled substances as defined by
15 the California Uniform Controlled Substances Act, except for those drugs listed in Schedule(s) II,
16 III, IV, and V of the Act.

17 Respondent shall not issue an oral or written recommendation or approval to a patient or a
18 patient's primary caregiver for the possession or cultivation of marijuana for the personal medical
19 purposes of the patient within the meaning of Health and Safety Code section 11362.5. If
20 Respondent forms the medical opinion, after an appropriate prior examination and medical
21 indication, that a patient's medical condition may benefit from the use of marijuana, Respondent
22 shall so inform the patient and shall refer the patient to another physician who, following an
23 appropriate prior examination and medical indication, may independently issue a medically
24 appropriate recommendation or approval for the possession or cultivation of marijuana for the
25 personal medical purposes of the patient within the meaning of Health and Safety Code section
26 11362.5. In addition, Respondent shall inform the patient or the patient's primary caregiver that
27 Respondent is prohibited from issuing a recommendation or approval for the possession or
28 cultivation of marijuana for the personal medical purposes of the patient and that the patient or

1 the patient's primary caregiver may not rely on Respondent's statements to legally possess or
2 cultivate marijuana for the personal medical purposes of the patient. Respondent shall fully
3 document in the patient's chart that the patient or the patient's primary caregiver was so
4 informed. Nothing in this condition prohibits Respondent from providing the patient or the
5 patient's primary caregiver information about the possible medical benefits resulting from the use
6 of marijuana.

7 3. CONTROLLED SUBSTANCES - MAINTAIN RECORDS AND ACCESS TO
8 RECORDS AND INVENTORIES. Respondent shall maintain a record of all controlled
9 substances ordered, prescribed, dispensed, administered, or possessed by Respondent, and any
10 recommendation or approval which enables a patient or patient's primary caregiver to possess or
11 cultivate marijuana for the personal medical purposes of the patient within the meaning of Health
12 and Safety Code section 11362.5, during probation, showing all of the following: 1) the name and
13 address of the patient; 2) the date; 3) the character and quantity of controlled substances involved;
14 and 4) the indications and diagnosis for which the controlled substances were furnished.

15 Respondent shall keep these records in a separate file or ledger, in chronological order. All
16 records and any inventories of controlled substances shall be available for immediate inspection
17 and copying on the premises by the Board or its designee at all times during business hours and
18 shall be retained for the entire term of probation.

19 4. PRESCRIBING PRACTICES COURSE. Within 60 calendar days of the effective
20 date of this Decision, Respondent shall enroll in a course in prescribing practices approved in
21 advance by the Board or its designee. Respondent shall provide the approved course provider
22 with any information and documents that the approved course provider may deem pertinent.
23 Respondent shall participate in and successfully complete the classroom component of the course
24 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
25 complete any other component of the course within one (1) year of enrollment. The prescribing
26 practices course shall be at Respondent's expense and shall be in addition to the Continuing
27 Medical Education (CME) requirements for renewal of licensure.

28 A prescribing practices course taken after the acts that gave rise to the charges in the

1 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
2 or its designee, be accepted towards the fulfillment of this condition if the course would have
3 been approved by the Board or its designee had the course been taken after the effective date of
4 this Decision.

5 Respondent shall submit a certification of successful completion to the Board or its
6 designee not later than 15 calendar days after successfully completing the course, or not later than
7 15 calendar days after the effective date of the Decision, whichever is later.

8 5. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective
9 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in
10 advance by the Board or its designee. Respondent shall provide the approved course provider
11 with any information and documents that the approved course provider may deem pertinent.
12 Respondent shall participate in and successfully complete the classroom component of the course
13 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
14 complete any other component of the course within one (1) year of enrollment. The medical
15 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing
16 Medical Education (CME) requirements for renewal of licensure.

17 A medical record keeping course taken after the acts that gave rise to the charges in the
18 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
19 or its designee, be accepted towards the fulfillment of this condition if the course would have
20 been approved by the Board or its designee had the course been taken after the effective date of
21 this Decision.

22 Respondent shall submit a certification of successful completion to the Board or its
23 designee not later than 15 calendar days after successfully completing the course, or not later than
24 15 calendar days after the effective date of the Decision, whichever is later.

25 6. CLINICAL COMPETENCE ASSESSMENT PROGRAM. Within 60 calendar days
26 of the effective date of this Decision, Respondent shall enroll in a clinical competence assessment
27 program approved in advance by the Board or its designee. Respondent shall successfully
28 complete the program not later than six (6) months after Respondent's initial enrollment unless

1 the Board or its designee agrees in writing to an extension of that time.

2 The program shall consist of a comprehensive assessment of Respondent's physical and
3 mental health and the six general domains of clinical competence as defined by the Accreditation
4 Council on Graduate Medical Education and American Board of Medical Specialties pertaining to
5 Respondent's current or intended area of practice. The program shall take into account data
6 obtained from the pre-assessment, self-report forms and interview, and the Decision(s),
7 Accusation(s), and any other information that the Board or its designee deems relevant. The
8 program shall require Respondent's on-site participation for a minimum of three (3) and no more
9 than five (5) days as determined by the program for the assessment and clinical education
10 evaluation. Respondent shall pay all expenses associated with the clinical competence
11 assessment program.

12 At the end of the evaluation, the program will submit a report to the Board or its designee
13 which unequivocally states whether the Respondent has demonstrated the ability to practice
14 safely and independently. Based on Respondent's performance on the clinical competence
15 assessment, the program will advise the Board or its designee of its recommendation(s) for the
16 scope and length of any additional educational or clinical training, evaluation or treatment for any
17 medical condition or psychological condition, or anything else affecting Respondent's practice of
18 medicine. Respondent shall comply with the program's recommendations.

19 Determination as to whether Respondent successfully completed the clinical competence
20 assessment program is solely within the program's jurisdiction.

21 If Respondent fails to enroll, participate in, or successfully complete the clinical
22 competence assessment program within the designated time period, Respondent shall receive a
23 notification from the Board or its designee to cease the practice of medicine within three (3)
24 calendar days after being so notified. The Respondent shall not resume the practice of medicine
25 until enrollment or participation in the outstanding portions of the clinical competence assessment
26 program have been completed. If the Respondent did not successfully complete the clinical
27 competence assessment program, the Respondent shall not resume the practice of medicine until a
28 final decision has been rendered on the accusation and/or a petition to revoke probation. The

1 cessation of practice shall not apply to the reduction of the probationary time period.

2 7. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
3 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
4 Chief Executive Officer at every hospital where privileges or membership are extended to
5 Respondent, at any other facility where Respondent engages in the practice of medicine,
6 including all physician and locum tenens registries or other similar agencies, and to the Chief
7 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
8 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
9 calendar days.

10 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

11 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
12 governing the practice of medicine in California and remain in full compliance with any court
13 ordered criminal probation, payments, and other orders.

14 9. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby
15 ordered to reimburse the Board its costs of investigation and enforcement, including, but not
16 limited to, expert review, amended accusations, legal reviews, investigation(s), and subpoena
17 enforcement, as applicable, in the amount of 17,397.50 (seventeen thousand three hundred dollars
18 and fifty cents). Costs shall be payable to the Medical Board of California. Failure to pay such
19 costs shall be considered a violation of probation.

20 Payment must be made in full within 30 calendar days of the effective date of the Order, or
21 by a payment plan approved by the Medical Board of California. Any and all requests for a
22 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with
23 the payment plan shall be considered a violation of probation.

24 The filing of bankruptcy by Respondent shall not relieve Respondent of the responsibility
25 to repay investigation and enforcement costs, and expert review costs.

26 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
27 under penalty of perjury on forms provided by the Board, stating whether there has been
28 compliance with all the conditions of probation.

1 Respondent shall submit quarterly declarations not later than 10 calendar days after the end
2 of the preceding quarter.

3 11. GENERAL PROBATION REQUIREMENTS.

4 Compliance with Probation Unit

5 Respondent shall comply with the Board's probation unit.

6 Address Changes

7 Respondent shall, at all times, keep the Board informed of Respondent's business and
8 residence addresses, email address (if available), and telephone number. Changes of such
9 addresses shall be immediately communicated in writing to the Board or its designee. Under no
10 circumstances shall a post office box serve as an address of record, except as allowed by Business
11 and Professions Code section 2021, subdivision (b).

12 Place of Practice

13 Respondent shall not engage in the practice of medicine in Respondent's or patient's place
14 of residence, unless the patient resides in a skilled nursing facility or other similar licensed
15 facility.

16 License Renewal

17 Respondent shall maintain a current and renewed California physician's and surgeon's
18 license.

19 Travel or Residence Outside California

20 Respondent shall immediately inform the Board or its designee, in writing, of travel to any
21 areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty
22 (30) calendar days.

23 In the event Respondent should leave the State of California to reside or to practice
24 Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of
25 departure and return.

26 12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be
27 available in person upon request for interviews either at Respondent's place of business or at the
28 probation unit office, with or without prior notice throughout the term of probation.

1 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
2 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
3 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
4 defined as any period of time Respondent is not practicing medicine as defined in Business and
5 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
6 patient care, clinical activity or teaching, or other activity as approved by the Board. If
7 Respondent resides in California and is considered to be in non-practice, Respondent shall
8 comply with all terms and conditions of probation. All time spent in an intensive training
9 program which has been approved by the Board or its designee shall not be considered non-
10 practice and does not relieve Respondent from complying with all the terms and conditions of
11 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
12 on probation with the medical licensing authority of that state or jurisdiction shall not be
13 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
14 period of non-practice.

15 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
16 months, Respondent shall successfully complete the Federation of State Medical Boards's Special
17 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
18 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
19 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

20 Respondent's period of non-practice while on probation shall not exceed two (2) years.

21 Periods of non-practice will not apply to the reduction of the probationary term.

22 Periods of non-practice for a Respondent residing outside of California will relieve
23 Respondent of the responsibility to comply with the probationary terms and conditions with the
24 exception of this condition and the following terms and conditions of probation: Obey All Laws;
25 General Probation Requirements; Quarterly Declarations.

26 14. COMPLETION OF PROBATION. Respondent shall comply with all financial
27 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
28 completion of probation. This term does not include cost recovery, which is due within 30

1 calendar days of the effective date of the Order, or by a payment plan approved by the Medical
2 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate
3 shall be fully restored.

4 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
5 of probation is a violation of probation. If Respondent violates probation in any respect, the
6 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
7 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,
8 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have
9 continuing jurisdiction until the matter is final, and the period of probation shall be extended until
10 the matter is final.

11 16. LICENSE SURRENDER. Following the effective date of this Decision, if
12 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
13 the terms and conditions of probation, Respondent may request to surrender his or her license.
14 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
15 determining whether or not to grant the request, or to take any other action deemed appropriate
16 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
17 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
18 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
19 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
20 application shall be treated as a petition for reinstatement of a revoked certificate.

21 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
22 with probation monitoring each and every year of probation, as designated by the Board, which
23 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
24 California and delivered to the Board or its designee no later than January 31 of each calendar
25 year.

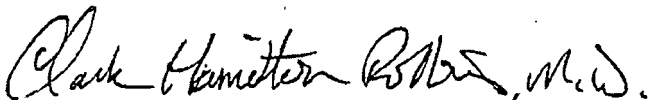

26 18. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
27 a new license or certification, or petition for reinstatement of a license, by any other health care
28 licensing action agency in the State of California, all of the charges and allegations contained in

1 Accusation No. 800-2018-049316 shall be deemed to be true, correct, and admitted by
2 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
3 restrict license.
