21 IT IS HEREBY STIPULATED AND AGREED by and between the parties to the above-
entitled proceedings that the following matters are true:

22 **PARTIES**

23 1. Reji Varghese (Complainant) is the Interim Executive Director of the Medical Board
24 of California (Board). He brought this action solely in his official capacity and is represented in
25 this matter by Rob Bonta, Attorney General of the State of California, by Carolyn Evans, Deputy
26 Attorney General.
27
28

2. Respondent Bruce Steven Milin, M.D. (Respondent) is represented in this proceeding by attorney Marvin Firestone, whose address is: 1700 South El Camino Real, Suite 408, San Mateo, CA 94402.

3. On January 29, 1979, the Board issued Physician's and Surgeon's Certificate No. G38746 to Respondent. The Physician's and Surgeon's Certificate was in full force and effect at all times relevant to the charges brought in Accusation No. 800-2019-060634, and will expire on June 30, 2024, unless renewed.

JURISDICTION

4. Accusation No. 800-2019-060634 was filed before the Board, and is currently pending against Respondent. The Accusation and all other statutorily required documents were properly served on Respondent on September 22, 2022. Respondent timely filed his Notice of Defense contesting the Accusation.

5. A copy of Accusation No. 800-2019-060634 is attached as exhibit A and incorporated herein by reference.

ADVISEMENT AND WAIVERS

6. Respondent has carefully read, fully discussed with counsel, and understands the charges and allegations in Accusation No. 800-2019-060634. Respondent has also carefully read, fully discussed with his counsel, and understands the effects of this Stipulated Settlement and Disciplinary Order.

7. Respondent is fully aware of his legal rights in this matter, including the right to a hearing on the charges and allegations in the Accusation; the right to confront and cross-examine the witnesses against him; the right to present evidence and to testify on his own behalf; the right to the issuance of subpoenas to compel the attendance of witnesses and the production of documents; the right to reconsideration and court review of an adverse decision; and all other rights accorded by the California Administrative Procedure Act and other applicable laws.

8. Respondent voluntarily, knowingly, and intelligently waives and gives up each and every right set forth above.

///

1 CULPABILITY

2 9. Respondent understands and agrees that the charges and allegations in Accusation
3 No. 800-2019-060634, if proven at a hearing, constitute cause for imposing discipline upon his
4 Physician's and Surgeon's Certificate.

5 10. Respondent agrees that, at a hearing, Complainant could establish a prima facie case
6 or factual basis for the charges in the Accusation, and that Respondent hereby gives up his right
7 to contest those charges.

8 11. Respondent does not contest that, at an administrative hearing, Complainant could
9 establish a prima facie case with respect to the charges and allegations in Accusation No. 800-
10 2019-060634, a true and correct copy of which is attached hereto as Exhibit A, and that he has
11 thereby subjected his Physician's and Surgeon's Certificate, No. G 38746 to disciplinary action.

12 12. Respondent agrees that his Physician's and Surgeon's Certificate is subject to
13 discipline and he agrees to be bound by the Board's probationary terms as set forth in the
14 Disciplinary Order below.

15 CONTINGENCY

16 13. This stipulation shall be subject to approval by the Medical Board of California.
17 Respondent understands and agrees that counsel for Complainant and the staff of the Medical
18 Board of California may communicate directly with the Board regarding this stipulation and
19 settlement, without notice to or participation by Respondent or his counsel. By signing the
20 stipulation, Respondent understands and agrees that he may not withdraw his agreement or seek
21 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
22 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
23 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
24 action between the parties, and the Board shall not be disqualified from further action by having
25 considered this matter.

26 14. Respondent agrees that if he ever petitions for early termination or modification of
27 probation, or if an accusation and/or petition to revoke probation is filed against him before the
28 Board, all of the charges and allegations contained in Accusation No. 800-2019-060634 shall be

1 deemed true, correct and fully admitted by Respondent for purposes of any such proceeding or
2 any other licensing proceeding involving Respondent in the State of California.

3 15. The parties understand and agree that Portable Document Format (PDF) and facsimile
4 copies of this Stipulated Settlement and Disciplinary Order, including PDF and facsimile
5 signatures thereto, shall have the same force and effect as the originals.

6 16. In consideration of the foregoing admissions and stipulations, the parties agree that
7 the Board may, without further notice or opportunity to be heard by the Respondent, issue and
8 enter the following Disciplinary Order:

9 **DISCIPLINARY ORDER**

10 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. G 38746 issued
11 to Respondent BRUCE STEVEN MILIN, M.D. is revoked. However, the revocation is stayed
12 and Respondent is placed on probation for four (4) years on the following terms and conditions:

13 1. **CONTROLLED SUBSTANCES - MAINTAIN RECORDS AND ACCESS TO**
14 **RECORDS AND INVENTORIES.** Respondent shall maintain a record of all controlled
15 substances ordered, prescribed, dispensed, administered, or possessed by Respondent, and any
16 recommendation or approval which enables a patient or patient's primary caregiver to possess or
17 cultivate marijuana for the personal medical purposes of the patient within the meaning of Health
18 and Safety Code section 11362.5, during probation, showing all of the following: 1) the name and
19 address of the patient; 2) the date; 3) the character and quantity of controlled substances involved;
20 and 4) the indications and diagnosis for which the controlled substances were furnished.

21 Respondent shall keep these records in a separate file or ledger, in chronological order. All
22 records and any inventories of controlled substances shall be available for immediate inspection
23 and copying on the premises by the Board or its designee at all times during business hours and
24 shall be retained for the entire term of probation.

25 2. **EDUCATION COURSE.** Within 60 calendar days of the effective date of this
26 Decision, and on an annual basis thereafter, Respondent shall submit to the Board or its designee
27 for its prior approval educational program(s) or course(s) which shall not be less than 40 hours
28 per year, for each year of probation. The educational program(s) or course(s) shall be aimed at

1 correcting any areas of deficient practice or knowledge and shall be Category I certified. The
2 educational program(s) or course(s) shall be at Respondent's expense and shall be in addition to
3 the Continuing Medical Education (CME) requirements for renewal of licensure. Following the
4 completion of each course, the Board or its designee may administer an examination to test
5 Respondent's knowledge of the course. Respondent shall provide proof of attendance for 65
6 hours of CME of which 40 hours were in satisfaction of this condition.

7 3. PREScribing PRACTICES COURSE. Within 30 calendar days of the effective
8 date of this Decision, Respondent shall enroll in a course in prescribing practices approved in
9 advance by the Board or its designee. Respondent shall provide the approved course provider
10 with any information and documents that the approved course provider may deem pertinent.
11 Respondent shall participate in and successfully complete the classroom component of the course
12 not later than three (3) months after Respondent's initial enrollment. Respondent shall
13 successfully complete any other component of the course within six (6) months of enrollment.
14 The prescribing practices course shall be at Respondent's expense and shall be in addition to the
15 Continuing Medical Education (CME) requirements for renewal of licensure.

16 A prescribing practices course taken after the acts that gave rise to the charges in the
17 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
18 or its designee, be accepted towards the fulfillment of this condition if the course would have
19 been approved by the Board or its designee had the course been taken after the effective date of
20 this Decision.

21 Respondent shall submit a certification of successful completion to the Board or its
22 designee not later than 15 calendar days after successfully completing the course, or not later than
23 15 calendar days after the effective date of the Decision, whichever is later.

24 4. MEDICAL RECORD KEEPING COURSE. Within 60 calendar days of the effective
25 date of this Decision, Respondent shall enroll in a course in medical record keeping approved in
26 advance by the Board or its designee. Respondent shall provide the approved course provider
27 with any information and documents that the approved course provider may deem pertinent.
28 Respondent shall participate in and successfully complete the classroom component of the course

1 not later than six (6) months after Respondent's initial enrollment. Respondent shall successfully
2 complete any other component of the course within one (1) year of enrollment. The medical
3 record keeping course shall be at Respondent's expense and shall be in addition to the Continuing
4 Medical Education (CME) requirements for renewal of licensure.

5 A medical record keeping course taken after the acts that gave rise to the charges in the
6 Accusation, but prior to the effective date of the Decision may, in the sole discretion of the Board
7 or its designee, be accepted towards the fulfillment of this condition if the course would have
8 been approved by the Board or its designee had the course been taken after the effective date of
9 this Decision.

10 Respondent shall submit a certification of successful completion to the Board or its
11 designee not later than 15 calendar days after successfully completing the course, or not later than
12 15 calendar days after the effective date of the Decision, whichever is later.

13 5. MONITORING - PRACTICE. Within 30 calendar days of the effective date of this
14 Decision, Respondent shall submit to the Board or its designee for prior approval as a practice
15 monitor, the name and qualifications of one or more licensed physicians and surgeons whose
16 licenses are valid and in good standing, and who are preferably American Board of Medical
17 Specialties (ABMS) certified. A monitor shall have no prior or current business or personal
18 relationship with Respondent, or other relationship that could reasonably be expected to
19 compromise the ability of the monitor to render fair and unbiased reports to the Board, including
20 but not limited to any form of bartering, shall be in Respondent's field of practice, and must agree
21 to serve as Respondent's monitor. Respondent shall pay all monitoring costs.

22 The Board or its designee shall provide the approved monitor with copies of the Decision
23 and Accusation, and a proposed monitoring plan. Within 15 calendar days of receipt of the
24 Decision, Accusation, and proposed monitoring plan, the monitor shall submit a signed statement
25 that the monitor has read the Decision and Accusation, fully understands the role of a monitor,
26 and agrees or disagrees with the proposed monitoring plan. If the monitor disagrees with the
27 proposed monitoring plan, the monitor shall submit a revised monitoring plan with the signed
28 statement for approval by the Board or its designee.

1 Within 60 calendar days of the effective date of this Decision, and continuing throughout
2 probation, Respondent's practice shall be monitored by the approved monitor. Respondent shall
3 make all records available for immediate inspection and copying on the premises by the monitor
4 at all times during business hours and shall retain the records for the entire term of probation.

5 If Respondent fails to obtain approval of a monitor within 60 calendar days of the effective
6 date of this Decision, Respondent shall receive a notification from the Board or its designee to
7 cease the practice of medicine within three (3) calendar days after being so notified. Respondent
8 shall cease the practice of medicine until a monitor is approved to provide monitoring
9 responsibility.

10 The monitor(s) shall submit a quarterly written report to the Board or its designee which
11 includes an evaluation of Respondent's performance, indicating whether Respondent's practices
12 are within the standards of practice of medicine, and whether Respondent is practicing medicine
13 safely. It shall be the sole responsibility of Respondent to ensure that the monitor submits the
14 quarterly written reports to the Board or its designee within 10 calendar days after the end of the
15 preceding quarter.

16 If the monitor resigns or is no longer available, Respondent shall, within 5 calendar days of
17 such resignation or unavailability, submit to the Board or its designee, for prior approval, the
18 name and qualifications of a replacement monitor who will be assuming that responsibility within
19 15 calendar days. If Respondent fails to obtain approval of a replacement monitor within 60
20 calendar days of the resignation or unavailability of the monitor, Respondent shall receive a
21 notification from the Board or its designee to cease the practice of medicine within three (3)
22 calendar days after being so notified. Respondent shall cease the practice of medicine until a
23 replacement monitor is approved and assumes monitoring responsibility.

24 In lieu of a monitor, Respondent may participate in a professional enhancement program
25 approved in advance by the Board or its designee that includes, at minimum, quarterly chart
26 review, semi-annual practice assessment, and semi-annual review of professional growth and
27 education. Respondent shall participate in the professional enhancement program at Respondent's
28 expense during the term of probation.

1 6. NOTIFICATION. Within seven (7) days of the effective date of this Decision, the
2 Respondent shall provide a true copy of this Decision and Accusation to the Chief of Staff or the
3 Chief Executive Officer at every hospital where privileges or membership are extended to
4 Respondent, at any other facility where Respondent engages in the practice of medicine,
5 including all physician and locum tenens registries or other similar agencies, and to the Chief
6 Executive Officer at every insurance carrier which extends malpractice insurance coverage to
7 Respondent. Respondent shall submit proof of compliance to the Board or its designee within 15
8 calendar days.

9 This condition shall apply to any change(s) in hospitals, other facilities or insurance carrier.

10 7. SUPERVISION OF PHYSICIAN ASSISTANTS AND ADVANCED PRACTICE
11 NURSES. During probation, Respondent is prohibited from supervising physician assistants and
12 advanced practice nurses.

13 8. OBEY ALL LAWS. Respondent shall obey all federal, state and local laws, all rules
14 governing the practice of medicine in California and remain in full compliance with any court
15 ordered criminal probation, payments, and other orders.

16 9. INVESTIGATION/ENFORCEMENT COST RECOVERY. Respondent is hereby
17 ordered to reimburse the Board its costs of investigation and enforcement in the amount of
18 \$11,899.00. Costs shall be payable to the Medical Board of California. Failure to pay such costs
19 shall be considered a violation of probation.

20 Payment must be made in full within 30 calendar days of the effective date of the Order, or
21 by a payment plan approved by the Medical Board of California. Any and all requests for a
22 payment plan shall be submitted in writing by respondent to the Board. Failure to comply with
23 the payment plan shall be considered a violation of probation.

24 The filing of bankruptcy by Respondent shall not relieve Respondent of the responsibility
25 to repay investigation and enforcement costs, including expert review costs.

26 10. QUARTERLY DECLARATIONS. Respondent shall submit quarterly declarations
27 under penalty of perjury on forms provided by the Board, stating whether there has been
28 compliance with all the conditions of probation.

Respondent shall submit quarterly declarations not later than 10 calendar days after the end of the preceding quarter.

11. GENERAL PROBATION REQUIREMENTS.

Compliance with Probation Unit

Respondent shall comply with the Board's probation unit.

Address Changes

Respondent shall, at all times, keep the Board informed of Respondent's business and residence addresses, email address (if available), and telephone number. Changes of such addresses shall be immediately communicated in writing to the Board or its designee. Under no circumstances shall a post office box serve as an address of record, except as allowed by Business and Professions Code section 2021, subdivision (b).

Place of Practice

Respondent shall not engage in the practice of medicine in Respondent's or patient's place of residence, unless the patient resides in a skilled nursing facility or other similar licensed facility or unless Respondent is providing telehealth psychiatric care to an established patient.

License Renewal

Respondent shall maintain a current and renewed California physician's and surgeon's license.

Travel or Residence Outside California

Respondent shall immediately inform the Board or its designee, in writing, of travel to any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than thirty (30) calendar days.

In the event Respondent should leave the State of California to reside or to practice Respondent shall notify the Board or its designee in writing 30 calendar days prior to the dates of departure and return.

12. INTERVIEW WITH THE BOARD OR ITS DESIGNEE. Respondent shall be available in person upon request for interviews either at Respondent's place of business or at the probation unit office, with or without prior notice throughout the term of probation.

1 13. NON-PRACTICE WHILE ON PROBATION. Respondent shall notify the Board or
2 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
3 30 calendar days and within 15 calendar days of Respondent's return to practice. Non-practice is
4 defined as any period of time Respondent is not practicing medicine as defined in Business and
5 Professions Code sections 2051 and 2052 for at least 40 hours in a calendar month in direct
6 patient care, clinical activity or teaching, or other activity as approved by the Board. If
7 Respondent resides in California and is considered to be in non-practice, Respondent shall
8 comply with all terms and conditions of probation. All time spent in an intensive training
9 program which has been approved by the Board or its designee shall not be considered non-
10 practice and does not relieve Respondent from complying with all the terms and conditions of
11 probation. Practicing medicine in another state of the United States or Federal jurisdiction while
12 on probation with the medical licensing authority of that state or jurisdiction shall not be
13 considered non-practice. A Board-ordered suspension of practice shall not be considered as a
14 period of non-practice.

15 In the event Respondent's period of non-practice while on probation exceeds 18 calendar
16 months, Respondent shall successfully complete the Federation of State Medical Board's Special
17 Purpose Examination, or, at the Board's discretion, a clinical competence assessment program
18 that meets the criteria of Condition 18 of the current version of the Board's "Manual of Model
19 Disciplinary Orders and Disciplinary Guidelines" prior to resuming the practice of medicine.

20 Respondent's period of non-practice while on probation shall not exceed two (2) years.

21 Periods of non-practice will not apply to the reduction of the probationary term.

22 Periods of non-practice for a Respondent residing outside of California will relieve
23 Respondent of the responsibility to comply with the probationary terms and conditions with the
24 exception of this condition and the following terms and conditions of probation: Obey All Laws;
25 General Probation Requirements; Quarterly Declarations.

26 14. COMPLETION OF PROBATION. Respondent shall comply with all financial
27 obligations (e.g., restitution, probation costs) not later than 120 calendar days prior to the
28 completion of probation. This term does not include cost recovery, which is due within 30

1 calendar days of the effective date of the Order, or by a payment plan approved by the Medical
2 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate
3 shall be fully restored.

4 15. VIOLATION OF PROBATION. Failure to fully comply with any term or condition
5 of probation is a violation of probation. If Respondent violates probation in any respect, the
6 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
7 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke
8 Probation, or an Interim Suspension Order is filed against Respondent during probation, the
9 Board shall have continuing jurisdiction until the matter is final, and the period of probation shall
10 be extended until the matter is final.

11 16. LICENSE SURRENDER. Following the effective date of this Decision, if
12 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy
13 the terms and conditions of probation, Respondent may request to surrender his or her license.
14 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in
15 determining whether or not to grant the request, or to take any other action deemed appropriate
16 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent
17 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its
18 designee and Respondent shall no longer practice medicine. Respondent will no longer be subject
19 to the terms and conditions of probation. If Respondent re-applies for a medical license, the
20 application shall be treated as a petition for reinstatement of a revoked certificate.

21 17. PROBATION MONITORING COSTS. Respondent shall pay the costs associated
22 with probation monitoring each and every year of probation, as designated by the Board, which
23 may be adjusted on an annual basis. Such costs shall be payable to the Medical Board of
24 California and delivered to the Board or its designee no later than January 31 of each calendar
25 year.

26 18. FUTURE ADMISSIONS CLAUSE. If Respondent should ever apply or reapply for
27 a new license or certification, or petition for reinstatement of a license, by any other health care
28 licensing action agency in the State of California, all of the charges and allegations contained in

1 Accusation No. 800-2019-060634 shall be deemed to be true, correct, and admitted by
2 Respondent for the purpose of any Statement of Issues or any other proceeding seeking to deny or
3 restrict license.
