2 under penalty of perjury on forms provided by the Board, stating whether there has been

9 patient care, clinical activity or teaching, or other activity as approved by the Board. If  
10 Respondent resides in California and is considered to be in non-practice, Respondent shall  
11 comply with all terms and conditions of probation. All time spent in an intensive training program

13 does not relieve Respondent from complying with all the terms and conditions of probation.  
14 Practicing medicine in another state of the United States or Federal jurisdiction while on

24           Periods of non-practice will not apply to the reduction of the probationary term.

25           Periods of non-practice for a Respondent residing outside of California will relieve  
26 Respondent of the responsibility to comply with the probationary terms and conditions with the  
27 exception of this condition and the following terms and conditions of probation: Obey All Laws;  
28 General Probation Requirements; Quarterly Declarations; Abstain from the Use of Alcohol and/or

4 completion of probation. This term does not include cost recovery, which is due within 30  
5 calendar days of the effective date of the Order, or by a payment plan approved by the Medical  
6 Board and timely satisfied. Upon successful completion of probation, Respondent's certificate  
7 shall be fully restored.

8 18. VIOLATION OF PROBATION. Failure to fully comply with any term or condition  
9 of probation is a violation of probation. If Respondent violates probation in any respect, the  
10 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and  
11 carry out the disciplinary order that was stayed. If an Accusation, or Petition to Revoke Probation,  
12 or an Interim Suspension Order is filed against Respondent during probation, the Board shall have  
13 continuing jurisdiction until the matter is final, and the period of probation shall be extended until  
14 the matter is final.

16 Respondent ceases practicing due to retirement or health reasons or is otherwise unable to satisfy

18 The Board reserves the right to evaluate Respondent's request and to exercise its discretion in  
19 determining whether or not to grant the request, or to take any other action deemed appropriate  
20 and reasonable under the circumstances. Upon formal acceptance of the surrender, Respondent  
21 shall within 15 calendar days deliver Respondent's wallet and wall certificate to the Board or its

8 Code, or whose default has been entered, and who is found guilty, or who has  
9 entered into a stipulation for disciplinary action with the board, may, in  
10 accordance with the provisions of this chapter:

13 upon order of the board.

14 (3) Be placed on probation and be required to pay the costs of probation  
15 monitoring upon order of the board.

17 requirement that the licensee complete relevant educational courses approved  
18 by the board.

19 (5) Have any other action taken in relation to discipline as part of an order of  
20 probation, as the board or an administrative law judge may deem proper.

21 5. Section 2234 of the Code states:

22 The board shall take action against any licensee who is charged with unprofessional  
23 conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not  
24 limited to the following;

27 6. Unprofessional conduct under Business and Professions Code section 2234 is conduct  
28 which breaches the rules or ethical code of the medical profession, or conduct which is

1 unbecoming of a member in good standing of the medical profession, and which demonstrates an  
2 unfitness to practice medicine. (*Shea v. Board of Medical Examiners* (1978) 81 Cal.App.3d 564,  
3 575.)

4 7. Section 2236 of the Code states;

5 (a) The conviction of any offense substantially related to the qualifications, functions,  
6 or duties of a physician and surgeon constitutes unprofessional conduct within the meaning of this  
7 chapter. The record of conviction shall be conclusive evidence only of the fact that the conviction  
8 occurred.

9 ...

10 (d) A plea or verdict of guilty or a conviction after a plea of nolo contendere is  
11 deemed to be a conviction within the meaning of this section and Section 2236.1. The record of  
12 conviction shall be conclusive evidence of the fact that the conviction occurred.

16 beverages, to the extent, or in such a manner as to be dangerous or injurious to the licensee, or to  
17 any other person or to the public, or to the extent that such use impairs the ability of the licensee  
18 to practice medicine safely or more than one misdemeanor or any felony involving the use,  
19 consumption, or self-administration of any of the substances referred to in this section, or any  
20 combination thereof, constitutes unprofessional conduct. The record of the conviction is  
21 conclusive evidence of such unprofessional conduct.

10 included in a stipulated settlement.
