23 1. Reji Varghese (Complainant) is the Executive Director of the Medical Board of  
24 California (Board). He succeeded William Prasifka, the former Executive Director, who brought

1         2.     Ajeet Singh Sidhu, M.D. (Respondent) is represented in this proceeding by attorney  
2 David A. Depolo, Esq., whose address is: Donnelly Nelson & Depolo APC, 201 North Civic  
3 Drive, Suite 239, Walnut Creek, CA 94596.

4         3.     On or about July 6, 2017, the Board issued Physician's and Surgeon's Certificate No.  
5 A 150265 to Respondent. That license was in full force and effect at all times relevant to the  
6 charges brought in Accusation No. 800-2019-061884 and will expire on November 30, 2024,  
7 unless renewed.

8   **JURISDICTION**

9         4.     Accusation No. 800-2019-061884 was filed before the Board and is currently pending  
10 against Respondent. A true and correct copy of the Accusation and all other statutorily required  
11 documents were properly served on Respondent on September 15, 2022. Respondent timely filed  
12 his Notice of Defense contesting the Accusation. A true and correct copy of Accusation No. 800-  
13 2019-061884 is attached hereto as Exhibit A and incorporated by reference.

14                                       **ADVISEMENT AND WAIVERS**

15         5.     Respondent has carefully read, fully discussed with counsel, and understands the  
16 charges and allegations in Accusation No. 800-2019-061884. Respondent also has carefully read,  
17 fully discussed with counsel, and understands the effects of this Stipulated Surrender of License  
18 and Order.

19         6.     Respondent is fully aware of his legal rights in this matter, including the right to a  
20 hearing on the charges and allegations in the Accusation; the right to confront and cross-examine  
21 the witnesses against him; the right to present evidence and to testify on his own behalf; the right  
22 to the issuance of subpoenas to compel the attendance of witnesses and the production of  
23 documents; the right to reconsideration and court review of an adverse decision; and all other  
24 rights accorded by the California Administrative Procedure Act and other applicable laws.

25         7.     Having the benefit of counsel, Respondent voluntarily, knowingly, and intelligently  
26 waives and gives up each and every right set forth above.

27     ////

28     ////

1 CULPABILITY

2 8. Respondent does not contest that, at an administrative hearing, Complainant could  
3 establish a *prima facie* case with respect to the charges and allegations contained in Accusation  
4 No. 800-2019-061884 and that his Physician's and Surgeon's Certificate No. A 150265 is  
5 therefore subject to discipline. Respondent hereby surrenders his Physician's and Surgeon's  
6 Certificate No. A 150265 for the Board's formal acceptance.

7 9. Respondent agrees that if he ever petitions for reinstatement of his Physician's and  
8 Surgeon's Certificate No. A 150265, all of the charges and allegations contained in Accusation  
9 No. 800-2019-061884 shall be deemed true, correct and fully admitted by Respondent for  
10 purposes of any such proceeding or any other licensing proceeding involving Respondent in the  
11 State of California or elsewhere.

12 10. Respondent understands that by signing this stipulation, he enables the Board to issue  
13 an order accepting the surrender of his Physician's and Surgeon's Certificate No. A 150265  
14 without further process.

15 CONTINGENCY

16 11. Business and Professions Code section 2224, subdivision (b), provides, in pertinent  
17 part, that the Medical Board "shall delegate to its executive director the authority to adopt a ...  
18 stipulation for surrender of a license."

19 12. Respondent understands that, by signing this stipulation, he enables the Executive  
20 Director of the Board to issue an order, on behalf of the Board, accepting the surrender of his  
21 Physician's and Surgeon's Certificate No. A 150265 without further notice to, or opportunity to be  
22 heard by, Respondent.

23 13. This Stipulated Surrender of License and Order shall be subject to the approval of the  
24 Executive Director on behalf of the Board. The parties agree that this Stipulated Surrender of  
25 License and Order shall be submitted to the Executive Director for his consideration in the above-  
26 entitled matter and, further, that the Executive Director shall have a reasonable period of time in  
27 which to consider and act on this Stipulated Surrender of License and Order after receiving it. By  
28 signing this stipulation, Respondent fully understands and agrees that he may not withdraw his

1 agreement or seek to rescind this stipulation prior to the time the Executive Director, on behalf of  
2 the Medical Board, considers and acts upon it.

3 14. The parties agree that this Stipulated Surrender of License and Order shall be null and  
4 void and not binding upon the parties unless approved and adopted by the Executive Director on  
5 behalf of the Board, except for this paragraph, which shall remain in full force and  
6 effect. Respondent fully understands and agrees that in deciding whether or not to approve and  
7 adopt this Stipulated Surrender of License and Order, the Executive Director and/or the Board  
8 may receive oral and written communications from its staff and/or the Attorney General's  
9 Office. Communications pursuant to this paragraph shall not disqualify the Executive Director,  
10 the Board, any member thereof, and/or any other person from future participation in this or any  
11 other matter affecting or involving respondent. In the event that the Executive Director on behalf  
12 of the Board does not, in his discretion, approve and adopt this Stipulated Surrender of License  
13 and Order, with the exception of this paragraph, it shall not become effective, shall be of no  
14 evidentiary value whatsoever, and shall not be relied upon or introduced in any disciplinary action  
15 by either party hereto. Respondent further agrees that should this Stipulated Surrender of License  
16 and Order be rejected for any reason by the Executive Director on behalf of the Board,  
17 Respondent will assert no claim that the Executive Director, the Board, or any member thereof,  
18 was prejudiced by its/his/her review, discussion and/or consideration of this Stipulated Surrender  
19 of License and Order or of any matter or matters related hereto.

20 **ADDITIONAL PROVISIONS**

21 15. This Stipulated Surrender of License and Order is intended by the parties herein to be  
22 an integrated writing representing the complete, final and exclusive embodiment of the  
23 agreements of the parties in the above-entitled matter.

24 16. The parties agree that copies of this Stipulated Surrender of License and Order,  
25 including copies of the signatures of the parties, may be used in lieu of original documents and  
26 signatures and, further, that such copies shall have the same force and effect as originals.

27 ////

28 ////

1 17. In consideration of the foregoing admissions and stipulations, the parties agree the  
2 Executive Director of the Board may, without further notice to or opportunity to be heard by  
3 Respondent, issue and enter the following Order on behalf of the Board:

4 **ORDER**

5 IT IS HEREBY ORDERED that Physician's and Surgeon's Certificate No. A 150265,  
6 issued to Respondent Ajeet Singh Sidhu, M.D., is surrendered and accepted by the Board.

7 1. The surrender of Respondent's Physician's and Surgeon's Certificate No. A 150265  
8 and the acceptance of the surrendered license by the Board shall constitute the imposition of  
9 discipline against Respondent. This stipulation constitutes a record of the discipline and shall  
10 become a part of Respondent's license history with the Board.

11 2. Respondent shall lose all rights and privileges as a Physician and Surgeon in  
12 California as of the effective date of the Board's Decision and Order.

13 3. Respondent shall cause to be delivered to the Board his pocket license and, if one was  
14 issued, his wall certificate on or before the effective date of the Decision and Order.

15 4. If Respondent ever files an application for licensure or a petition for reinstatement in  
16 the State of California, the Board shall treat it as a petition for reinstatement. Respondent must  
17 comply with all the laws, regulations and procedures for reinstatement of a revoked or  
18 surrendered license in effect at the time the petition is filed, and all of the charges and allegations  
19 contained in Accusation No. 800-2019-061884 shall be deemed to be true, correct and admitted  
20 by Respondent when the Board determines whether to grant or deny the petition.

21 5. If Respondent should ever apply or reapply for a new license or certification, or  
22 petition for reinstatement of a license, by any other health care licensing agency in the State of  
23 California, all of the charges and allegations contained in Accusation No. 800-2019-061884 shall  
24 be deemed to be true, correct, and admitted by Respondent for the purpose of any Statement of  
25 Issues or any other proceeding seeking to deny or restrict licensure.

26 6. Respondent shall pay the agency its costs of investigation and enforcement in the  
27 amount of \$19,385.75 prior to issuance of a new or reinstated license.

3. This Accusation is brought before the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

4. Section 2001.1 of the Code makes public protection the highest priority for the Board.

5. Section 2227 of the Code states:

(a) A licensee whose matter has been heard by an administrative law judge of the Medical Quality Hearing Panel as designated in Section 11371 of the Government Code, or whose default has been entered, and who is found guilty, or who has entered into a stipulation for disciplinary action with the board, may, in accordance with the provisions of this chapter:

(1) Have his or her license revoked upon order of the board.

(2) Have his or her right to practice suspended for a period not to exceed one year upon order of the board.

(3) Be placed on probation and be required to pay the costs of probation monitoring upon order of the board.

(4) Be publicly reprimanded by the board. The public reprimand may include a requirement that the licensee complete relevant educational courses approved by the board.

(5) Have any other action taken in relation to discipline as part of an order of probation, as the board or an administrative law judge may deem proper.

(b) Any matter heard pursuant to subdivision (a), except for warning letters, medical review or advisory conferences, professional competency examinations, continuing education activities, and cost reimbursement associated therewith that are agreed to with the board and successfully completed by the licensee, or other matters made confidential or privileged by existing law, is deemed public, and shall be made available to the public by the board pursuant to Section 803.1.

6. Section 2228.1 of the Code provides that a licensee placed on probation for specific categories of unprofessional conduct, including sexual misconduct as prohibited by section 726 of the Code, shall be required to disclose the licensee's probationary status and particulars of that probation to all existing and new patients during the period of the licensee's probation.

7. Section 2234 of the Code, states:

The board shall take action against any licensee who is charged with unprofessional conduct. In addition to other provisions of this article, unprofessional conduct includes, but is not limited to, the following:

(a) Violating or attempting to violate, directly or indirectly, assisting in or abetting the violation of, or conspiring to violate any provision of this chapter.

1 (b) Gross negligence.

2 (c) Repeated negligent acts. To be repeated, there must be two or more  
3 negligent acts or omissions. An initial negligent act or omission followed by a  
4 separate and distinct departure from the applicable standard of care shall constitute  
5 repeated negligent acts.

6 (1) An initial negligent diagnosis followed by an act or omission medically  
7 appropriate for that negligent diagnosis of the patient shall constitute a single  
8 negligent act.

9 (2) When the standard of care requires a change in the diagnosis, act, or  
10 omission that constitutes the negligent act described in paragraph (1), including, but  
11 not limited to, a reevaluation of the diagnosis or a change in treatment, and the  
12 licensee's conduct departs from the applicable standard of care, each departure  
13 constitutes a separate and distinct breach of the standard of care.

14 (d) Incompetence.

15 (e) The commission of any act involving dishonesty or corruption that is  
16 substantially related to the qualifications, functions, or duties of a physician and  
17 surgeon.

18 (f) Any action or conduct that would have warranted the denial of a certificate.

19 (g) The failure by a certificate holder, in the absence of good cause, to attend  
20 and participate in an interview by the board. This subdivision shall only apply to a  
21 certificate holder who is the subject of an investigation by the board.

22 8. Section 726 of the Code states:

23 (a) The commission of any act of sexual abuse, misconduct, or relations with a  
24 patient, client, or customer constitutes unprofessional conduct and grounds for  
25 disciplinary action for any person licensed under this or under any initiative act  
26 referred to in this division.

27 (b) This section shall not apply to consensual sexual contact between a licensee  
28 and his or her spouse or person in an equivalent domestic relationship when that

### COST RECOVERY

9. Section 125.3 of the Code provides, in pertinent part, that the Board may request the  
administrative law judge to direct a licensee found to have committed a violation or violations of  
the licensing act to pay a sum not to exceed the reasonable costs of the investigation and  
enforcement of the case, with failure of the licensee to comply subjecting the license to not being  
renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be  
included in a stipulated settlement.

1 **CAUSE FOR DISCIPLINE**

2 **(Sexual Misconduct)**

3 10. Respondent Ajeet Singh Sidhu, M.D. is subject to disciplinary action under sections  
4 726 and 2234 of the Code, in that Respondent engaged in sexual misconduct with a patient. The  
5 circumstances are as follows:

6 11. Patient One<sup>1</sup> had been seen for primary care at Sonoma Valley Community Health  
7 Center since January 2012, when she was 17-years-old. Respondent began providing primary  
8 care for her on December 4, 2017. Patient One's last documented office visit with Respondent  
9 was on June 12, 2019.

10 12. In or about April of 2019, Patient One's mother took Patient One's younger brother to  
11 Sonoma Valley Community Health Center for routine care. At that visit, Respondent inquired of  
12 Patient One's mother whether she was related to Patient One. In the course of the conversation,  
13 Patient One's mother stated that she was a massage therapist and gave Respondent her business  
14 card. Respondent thereafter called Patient One's mother and made an appointment for a massage.  
15 Patient One's mother began providing regular massage therapy to Respondent.

16 13. In conversation during a subsequent massage, Respondent stated that he had recently  
17 moved into an apartment in Sonoma and wished to decorate that space. Patient One's mother said  
18 that Patient One was a talented decorator and could assist with that process. Respondent  
19 contacted Patient One by text message and asked Patient One if she could assist with decorating  
20 Respondent's apartment. Patient One agreed and sent Respondent some general ideas about  
21 decorating and links to online sources for suggested items. After additional text conversation,  
22 Patient One and Respondent agreed that she would come look at his apartment to make specific  
23 recommendations for decorating.

24 14. On the afternoon of July 29, 2019, Respondent suggested that he could meet Patient  
25 One that evening so she could view the room. When Patient One arrived, she and Respondent  
26 engaged in general conversation. As Patient One measured the room and began offering ideas

27 <sup>1</sup> The subject patient is identified herein as Patient One to preserve patient confidentiality.  
28 The patient's full name is known to Respondent and further will be provided to Respondent upon  
Request.

1 about changing the room's appearance, Respondent sat on the bed and began telling Patient One  
2 about his divorce. Patient One continued to discuss decorating and ordered some items for the  
3 room from her cell phone. Patient One then sat on a bench at the foot of the bed and Respondent  
4 moved closer to her. Patient One was wearing a knee-length dress which, when she was seated  
5 on the bench, caused the hem of her dress to be about mid-thigh. Respondent leaned toward  
6 Patient One and placed his hand on her thigh. Surprised and nonplussed, Patient One did not  
7 know how to react. Respondent then asked, "Are you okay with my hand here?" Extremely  
8 discomforted, Patient One mumbled a response. Respondent then stated, "If you weren't my  
9 patient, I would put the moves on you." When Patient One asked what that meant, Respondent  
10 answered, "I would want to sleep with you." Respondent told Patient One she was beautiful and  
11 that she should be flattered that he was willing to risk his medical career for her. Patient One  
12 excused herself and went to the bathroom. When she returned, Patient One told Respondent she  
13 needed to leave. Respondent told Patient One that, "It sucks being a good guy, doing the right  
14 thing." Respondent then told Patient One he was going to masturbate after she left.

15 15. Patient One texted Respondent the following day, telling him she would no longer be  
16 seeing him as her primary care physician, that "last night was weird and made me  
17 uncomfortable." Respondent replied to Patient One's text, stating, "I'm sorry. I shouldn't have  
18 said anything. I'm really really sorry."

19 16. Respondent has subjected his license to disciplinary action for unprofessional conduct  
20 under section 2234 of the Code, in that his salacious touching of Patient One's leg and his  
21 sexually-laden comments to her constitute sexual misconduct with a patient, in violation of the  
22 prohibition of section 726 of the Code.
